JOURNAL OF THE VIRGINIA ANNUAL CONFERENCE **SECTION III - Recommended Apportionments to Districts and Local Churches** A. Total Recommended Apportionment Levels: (subject to change with General Conference action)

The Council of Finance and Administration (CFA) recommends that the amounts apportioned from the General, Jurisdictional, and Annual Conference be apportioned to the districts as follows:

	2013 Virginia Co
401-Conference Mission & Ministries	3,
402-Conference Service	1,
403-District Superintendents Fund	2,
404-Equitable Compensation

B. APPORTIONMENT RECOMMENDATION SPECIFICS: Report on 2011

lences and Conference Services were \$1,394,977. These shortfalls were managed through budget cuts, contingency funds and Conference reserves in accordance with Annual Conference-approved policy. **Education Fund**

The Education Fund is apportioned to the districts at \$1,018,875 for 2013. CFA strongly urges the churches to accept and pay this fund amount in full. Based on recommendations of the Common Table, the following percentage distribution of the fund is proposed for 2013:

Ferrum College	19.5%
----------------	-------

- Randolph-Macon College 18.5%
- Randolph College 16.0%
- Randolph-Macon Academy 10.0%
- Shenandoah University 18.0%
- Virginia Wesleyan College 18.0%

Pensions and Conference Health:

CFA recommends the cost of health, pensions and other clergy benefits be apportioned in three separate apportionments. The first apportionment for active clergy health and benefits costs and the second apportionment for retired clergy health. The third apportionment is for pension liabilities with the General Board of Pension and Health Benefits of The United Methodist Church. These costs were combined into two apportionments in the prior year.

The apportionments are to be apportioned on the formula basis described in Section IV of this report. **Church Extension and Development Fund (CEF)**

This fund is apportioned to the districts at \$512,500 for 2013, and is based on recommendations of the Common Table. The recommended

- formula for the distribution of receipts to the fund is as follows: es.
- (2) 25% of amounts raised by districts are to be returned to the district; and,

Grants Committee of the Common Table.

SECTION IV— Apportionment Procedures

A. APPORTIONMENT FORMULA:

All Apportionments except for the Active Clergy Health Benefits Apportionments are calculated using the last year of available statistics of each local church (i.e. 2013 apportionments are calculated using 2011 statistics). The formula is based on total net paid expenses which are the total expenditures of the church minus expenditures for benevolent causes, apportionments, capital improvements, and payments on loans and mortgages. The apportionments for each church are sent to each district based on decimal calculations from the formula below:

Active Clergy Health Benefits Apportionment Formula

onference Apportionments

As set out in Annual Conference procedures, the Annual Conference is informed, through this report, of shortfalls in World Service and Conference Benevolences and Conference Services. For 2011, the shortfalls for World Service and Conference Mission and Ministries Benevo-

The costs of the active clergy health benefits will be apportioned using a two-tier calculation. The first tier will consist of a fixed dollar amount

JOURNAL OF THE VIRGINIA ANNUAL CONFERENCE

(\$5,000) per health plan eligible clergy based upon the July 1, 2012, appointment list. The remaining costs after the tier one calculation will be apportioned to the churches based upon total clergy (regardless of classification) compensation (salary plus accountable reimbursement) paid by a church divided by the total clergy compensation paid in the last year of available statistics (2011 for 2013 apportionments).

The district then passes the apportionments on to the local church according to recommendations developed by the district superintendents and the district stewards.

B. REPORTING GUIDELINES:

District superintendents will report the apportioned amounts for each church to the Conference treasurer and the apportioned amounts will be shown on the monthly Treasurer's report sent to each church (¶615.1 of 2008 Discipline).

Apportionments are to be calculated and distributed annually rather than on a quadrennial basis.

The Annual Conference will raise World Service funds only through contributions from the local churches. CFA urges that district superintendents, pastors, and local church leaders seek to fully implement ¶812 of the 2008 Discipline.

C. IMPORTANCE OF WORLD SERVICE:

The importance of World Service to the life of the Church is lifted up to the Annual Conference. "The World Service Fund is basic in the financial program of The United Methodist Church. The World Service apportionment represents the minimum needs of the general agencies of the Church. Payment in full of these apportionments by local churches and annual conferences is the first benevolent responsibility of the Church."(¶812 of the 2008 Discipline).

SECTION V — Annual Conference Special Offerings

Annual Conference offerings provide important and life-giving support for key Conference programs. The following are recommended for approval for 2013:

• United Methodist Family Services. It is recommended that December be designated as United Methodist Family Services Month and that each church promote an offering during this time for this purpose.

• Christian Education. It is recommended that each church designate a week in September for the observance of Christian Education and that an offering be taken. The offering is to be forwarded to the Conference treasurer and will be allocated as follows: (a) 50% for Conference Division on Education; and (b) 50% back to the districts for education and leadership development.

• Industrial and Commercial Ministries. It is recommended that Labor Day Sunday be designated for Industrial and Commercial Ministries and that churches receive an offering at that time in support of this Virginia Conference program.

• Virginia United Methodist Homes Samaritan Fund. It is recommended that the period between Mother's Day and Father's Day be designated in support of the Virginia United Methodist Homes Samaritan Fund, and that local church offerings collected during that period be dedicated to this Virginia Conference program.

• Heart Havens. It is recommended that February be designated as Heart Havens Month and that each church promote an offering during this time for this purpose.

• Annual Conference Offering. CFA recommends continued support for this important offering.

SECTION VI — Recommended Policies

A. DISTRICT SUPERINTENDENT'S FUND

Overall Policies for the Fund: It is recommended that, in compliance with the *Book of Discipline*, the salaries and expenses for district superintendents (DS), and those under special appointment, be published in the conference Journal with each DS's salary individually calculated and assigned each year as part of the appointive process, using the following criteria:

• The starting salary for each newly appointed district superintendents (DS) shall: (a) not exceed 95% of the Bishop's annual salary (maximum); or (b) not be less than twice the minimum salary of an Elder (minimum).

• The salary is to be set at an amount equal to the person's most recent annual salary, plus a fixed dollar amount set by the Annual Conference (upon recommendation of CFA), but not to exceed \$4,000 (except that such increase must conform to the upper and lower salary limitations set out above).

• Each year, the annual salaries of DSs are to be adjusted by a percentage or an amount to be set by the Annual Conference (upon recommendation of CFA), but not to exceed in aggregate the latest five-year average percentage change in the Conference Average Salary, with the total annual salary not to exceed 95% of Bishop's annual salary. CFA also administers salary-related expenses, to include such items as pensions, supplemental benefits, travel by voucher, continuing education, and other Cabinet-related expenses. The total cost of salaries and related expenses apportioned to Districts are to be based on the current approved decimal system (upon recommendation of CFA). All other DS costs, such as housing, district office expenses and staff, are to be paid at the district level.

Authorizations for 2013:

The district superintendents' salaries will remain the same for 2013.

B. TRAVEL & MEETING EXPENSES for board and agency members and staff engaged in Conference business are provided and are to be managed as follows:

• The mileage reimbursement rate is set at 35 cents for conference staff and the IRS reimbursement rate for volunteers (currently 14 cents) serving boards and agencies of the Conference.

• Meals are to be reimbursed at actual costs, but not to exceed \$20 per 24-hour period. (Breakfast on the date of departure from home/office is not accepted; dinner on the date of return is not accepted, except when the arrival to home/office is after 7 p.m.).

• Reimbursement for daily room charges is set at \$85, if the travel incurred extends to a period over three hours prior to the starting time of 10 a.m. on the day of the meeting.

• Spouse expenses are not part of allowable expenses.

• To encourage stewardship in this area, CFA suggests: (1) that advance reading materials be provided for study prior to meetings; and (2) that there be use of teleconferencing, where feasible.

C. INDIVIDUAL EXPENSES FOR ANNUAL CONFERENCE are provided for and managed as follows:

Each charge is responsible for the expenses of both the clergy and lay members (including diaconal ministers) from that charge to the annual conference, working out its own plan of compensating for actual expenses. Persons not covered through local church appointment shall receive annual conference reimbursement not to exceed \$100 a night for mileage. meals and lodging; the Conference Treasurer shall reimburse the claimant through voucher of approved expenses. Coverage under this section extends to:

(a) retired clergy who retired with pension under one of the *Disciplinary* options and who are not serving full-time; (b) clergy on incapacity leave;

(c) clergy on sabbatical leave who are members of the Virginia Annual Conference;

(d) retired diaconal ministers who served at least eight years in the Virginia Conference and who are granted a retired relationship by the conference;

(e) persons expecting their first appointment;

(f) members of the conference who have been appointed to attend a theological school;

(g) those serving as chaplains in Armed Forces;

(h) deaconesses under appointment;

(i) furloughed missionary members of the Virginia Annual Conference: (i) those on loan to other annual conferences, whose expenses are not otherwise provided for; and

(k) clergy returning from an approved leave of absence receiving local church pastoral appointments. Each district is responsible for the expenses of its district superintendent, youth members and members-at-large. Each board, agency or committee is responsible for the expenses of its chairpersons. Boards and other agencies and institutions served by clergy under appointment will be responsible for said clergy's expenses to the annual conference. **D. CONFERENCE RESERVE FUNDS**

tion. The following polices are unchanged from the past; however, they represent targets that at present are not realities. Reserve funds in the amount of \$200,000 are available for emergencies and catastrophic needs related to the maintenance of conference prop-

erty held by the conference trustees, and include:

1) Virginia United Methodist Center;

2) Wesley Foundation buildings: and

3) the episcopal residence. [The total value of these properties is estimated at more than \$15 million.] Reserve funds in the amount of \$300.000 are available to maintain orderly cash flow during the Conference year, with such activity to cover salaries, grants, etc.

Reserve funds in the amount of \$300,000 are available to cover actions emerging from Annual Conference vote, emergencies, support of advances for campaigns and potential liabilities of the Conference. Of the amounts reserved: (1) up to \$50,000 is available for emergency needs of the Common Table, with the approval of CFA; and (2) up to \$100,000 may be allocated by CFA between sessions of Annual Conference, as deemed necessary.

Consistent with approved Annual Conference policies (effective January 1992), the use of investment income is authorized to maintain reserve levels. (At the discretion of CFA, excesses may be used to: (1) meet shortfalls in Conference benevolences; (2) meet shortfalls in Conference Services; and/or (3) reduce apportionments from the Annual Conference to local churches. The status of conference reserves at the end of the prior actual year is to be reviewed each year by CFA and included in the report to the Annual Conference Session. (See the conference Undesignated Reserve report in Section II.) **E. PASTOR RELOCATION TRANSITION FUND:**

1. By action of the June 2003 Annual Conference. CFA has established Pastor Relocation Transition Fund and has provided funding through the Conference Services apportionment.

2. Churches/charges which are served by full-time clergy appointed to their charge as pastor may request reimbursement on the following schedule for an incoming pastor, if the previous pastor served two years or less in the appointment to their charge:

• One-year appointment – Seventy-five percent of the verified moving expenses up to a maximum of \$3,000 reimbursement.

• Two-year appointment - Fifty percent of the verified moving expenses up to a maximum of \$2,000 reimbursement.

3. No moving expenses will be reimbursed that are not in compliance with the Virginia Conference Guidelines for Moving Expenses as printed in the Journal of the Virginia Conference.

F. CONFERENCE JOURNAL

The 2012 Journal of the Virginia Conference is to be made available by posting on the Virginia Conference website <www.vaumc.org> as a pdf file. It will be available as a CD or printed copy upon request at a cost of \$10 for the CD and \$25 for the print version. Requests for printed copies must be made by Aug. 15 of the calendar year, and payment must be made at the time the order is placed. Only a small quantity of Journals will be printed and distributed in compliance with the Book of Discipline (¶606.2), to district offices, Conference staff, and those purchasing copies before the Aug. 15 deadline. Because many other conferences across the connection are finding great success with delivery of the conference Journal through their websites and because it is imperative that the conference continues to find ways to reduce costs, the Conference Publications Committee believes this new policy will serve the Virginia Conference well. G. CONFERENCE PUBLICATIONS:

It is recommended that the Conference-Provided Publications Committee be continued, composed of the following: (1) the director of the Connectional Ministries; (2) conference Business Manager; (3) the Journal Editor; and (4) the conference director of Communications, who will serve as the convener of the committee. The Committee may convene at any time at the request of any committee member as long as a majority of the committee members are present. [The committee oversees the production and publication of the conference Journal and other such

publications and mailings that are appropriate to keeping the conference members linked to the business of the Annual Conference.] H. CLERGY DIRECTORY

One copy of the Directory of the Ministry is to be mailed to all Virginia Conference clergy (active and retired, including lay pastors and diaconal ministers). Widows/widowers of clergy are also entitled to a free copy upon request. Additional copies may be purchased at a cost of \$4 each (includes shipping and handling). An updated version of the directory is available on the conference website as a pdf file. I. AUDIT REPORTS:

CFA stresses the requirement that all agencies, institutions, and district offices submit a copy of their audit report to the conference Treasurer by June 1 of each year. Audits should be conducted by independent, professional auditors.

J. IRS REGULATIONS:

CFA recommends that all church and/or charge treasurers comply with the IRS regulations.

K. REOUESTS FOR BUDGET FUNDING:

CFA recommends that all groups requesting funding from CFA submit requests for budget funding to CFA by Jan. 15 of the year the request is being made. This will allow the requests to be reviewed by CFA in sufficient time for consideration at the Annual Conference session the following June.

SECTION VII – A Church in Mission

We are a church in mission and a three-pronged focus of teaching, communication and recognition enriches us as a conference and as Christians. With it, we are able to share and learn further what it means to enter into the vision and share concerns with many people. But more importantly, it sets out a focus throughout our Conference on the value and importance of the unique connectional relationship we have as United Methodists. Our charter has already been defined for us and it is set out in Scripture: "Just as in the human body, though it is made up of many parts, is a single unit, because of these parts, though many, make one body, so it is with Christ." (1 Corinthians 12:12). And that body is composed of all of God's children, including the rich and poor, found and lost, and secure and dispossessed. For as Jesus said, "Truly, I tell you, just as you did it to one of the least of these who are members of my family, you did it to me." (Matthew 25:40). As part of that body, we are called to serve our brothers and sisters in mission throughout the connection. Because of our covenant with God and with each other, it is our goal to fund the basic missional witness of The United Methodist Church. We have much to be proud of as a conference, as we live out the full meaning of the Stewardship of the gospel. Our connectional giving — the important life blood of the work we all do together – is a reflection of the great commitment that Virginia United Methodists have to the mission and ministry work of our Lord. The budgets we draw up, while important, are more than a series of numbers. They reveal the very character of the people who build them, support them, and act through them. They are Christ's work in the world, put into a plan for receiving and spending — collective understandings of commitments to fulfilling ministries and mission priorities. It is no small thing we do individually, when collectively we are making such big impacts beyond our church doors.

The stewardship of our conference is part of our response to the needs we know about, as well as those not yet seen. Seeing the need, then doing what Jesus would do. That's true stewardship!

SECTION VIII — Special Reports

The Council on Finance and Administration will continue an internal committee to monitor activities of agencies of the conference to assure compliance with ¶¶612.2 and 612.16 of the 2008 Discipline.

Jeff Davis, President

REOUIRED REPORT

The Council on Finance and Administration (CFA), as requested by the 2011 Annual Conference, presents the following report regarding district superintendents' salaries. The Annual Conference requested that CFA present a plan that addresses the concerns of the motion passed during the 2011 Annual Conference regarding district superintendents' salaries. CFA provides the following plan in response to the request: The annual salary for all new district superintendents (appointed July 1, 2012, and after) be \$88,000. All current district superintendents who are presently below \$88,000 would move to \$88,000 as of January 1, 2013. All district superintendents currently above \$88,000 would remain at their current level.

Independent Auditors' Report

To the Council on Finance and Administration The Central Treasury of The Virginia Annual Conference of The United Methodist Church Richmond, Virginia

We have audited the accompanying statements of financial position of The Central Treasury of The Virginia Annual Conference of The United Methodist Church as of December 31, 2011 and 2010, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Central Treasury's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Central Treasury of The Virginia Annual Conference of The United Methodist Church as of December 31, 2011 and 2010, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

S. P. Martin + Company, P.C.

JOURNAL OF THE VIRGINIA ANNUAL CONFERENCE

THE CENTRAL TREASURY OF THE VIRGINIA ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

STATEMENTS OF CASH FLOWS

YEARS ENDED DECEMBER 31, 2011 AND 2010

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2011 AND 2010

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities - The Central Treasury receives and disburses, in accordance with the actions of the Annual Conference, remittances from local church treasurers for all duly authorized general, jurisdictional, Annual Conference, and district causes. It also implements administrative and fiscal policies and procedures as directed by the Council on Finance and Administration.

The purpose of the Council on Finance and Administration is to develop, maintain and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures and management services for the Annual Conference.

The purpose of the Annual Conference is to coordinate the relationship between the general program boards and commissions and the conference, districts and Virginia United Methodist local churches.

Basis of Presentation - The Central Treasury is required to report information regarding its financial position and activities according to three classes of net assets based upon the existence or absence of donor-imposed restrictions as follows:

Unrestricted net assets include the General Operating and Property and Equipment Funds. The General Operating Fund reflects all resources of the Central Treasury which are expendable at the discretion of the Council on Finance and Administration for any purpose in carrying out the operations of the Conference. The Property and Equipment Fund is used to account for asset additions, disposals and depreciation charges.

Temporarily restricted net assets include the Boards and Agencies Funds. This category includes net assets which are expendable for operating purposes; however, their use has been restricted by the donor (primarily local United Methodist churches) for specific purposes.

The Central Treasury has no permanently restricted net assets as of December 31, 2011 or 2010. This category includes net assets which would be subject to donor-imposed stipulations that they be maintained permanently by the Central Treasury.

Year-end Closing - The Central Treasury closes its books approximately fifteen days subsequent to December 31 each year in order to record final apportionment payments for the year from local churches and pay all expenditures for the Conference year then ended. Cash received and expended after December 31 is shown on the statements of financial position in these statements as accounts receivable and fund receipts payable.

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2011 AND 2010

(Continued)

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Recognition of Contributions - Contributions are recognized when the donor makes a promise to give to the Central Treasury that is, in substance, unconditional. Contributions recognized are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Valuation of Investments and Income Recognition - Investments are stated at fair value. Listed stocks and securities are valued at closing quotations, while unlisted securities are valued at the most recent bid price. Purchases and sales of securities are recorded on a trade-date basis. Unrealized gains and losses are recognized in the period in which they occur. Interest and dividends are recognized in the period earned, and realized gains or losses on securities are recorded in the period of sale.

Functional Expenses - The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities.

Property and Equipment - Property and equipment is stated at cost, or the estimated fair value at the date of contribution. Expenditures for maintenance, repairs and minor renewals are expensed when incurred. Depreciation is recorded using the straight-line method.

The Central Treasury reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets held and used is measured by a comparison of the carrying amount of an asset to undiscounted expected cash flows. Future events could cause the Central Treasury to conclude that impairment indicators exist and that long-lived assets may be impaired. To date, no impairment losses have been recorded.

Income Taxes - The Conference is a not-for-profit organization and is exempt from federal and state income taxes.

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2011 AND 2010

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES. (Continued)

Contributed Materials and Services - During the two years presented, the value of contributed materials and the value of contributed services that either (a) created or enhanced a nonfinancial asset or (b) required specialized skills, was provided by individuals possessing those skills, and would have been purchased if not contributed was not material to the financial statements and has not been recognized.

Cash and Cash Equivalents - For the purposes of the statement of cash flows, the Central Treasury considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

NOTE 2 - INVESTMENTS

Cost and fair value of investments as of December 31, 2011 and 2010 are summarized as follows:

	 2011			2010			
	 Cost		Fair Value	10.000 C	Cost		Fair Value

	\$ 3,635,308	\$	3,792,452	\$	1,777,004	\$	2.012.766

Investments in the amount of \$2,425,819 and \$2,012,766 were managed by the United Methodist Foundation of the Virginia Conference, Inc. (the Foundation), an affiliate of the Central Treasury, for the years ended December 31, 2011 and 2010, respectively. The General Board of Pension and Health Benefits of the United Methodist Church, through its investment arm Wespath Investment Management, was the custodian of investments in the amount of \$1,366,633 as of December 31, 2011.

The following schedule summarizes the investment return (loss) and its classification in the statements of activities for the years ended December 31, 2011 and 2010:

NOTE 3 - CHARITABLE GIFT ANNUITY

During 2002 the United Methodist Foundation of the Virginia Conference, Inc. (the Foundation) entered into a charitable gift annuity agreement on behalf of the Conference. The asset associated with this annuity is included in the investments of the Central Treasury as presented in the financial statements. Quarterly payments of \$2,525 are to be paid to the donor until his death. Upon termination, the remaining value of the gift annuity is to be distributed to the Conference and designated for the cost to construct the Archives Room of the United Methodist Building.

At December 31, 2011 and 2010, the net asset balance included in the Funds of Boards and Agencies temporarily restricted net assets in connection with this gift annuity agreement amounts to \$0.

NOTE 4 - NOTES AND LOANS RECEIVABLE

Notes and loans receivable as of December 31, 2011 and 2010, are comprised of the following:

NOTE 4 - NOTES AND LOANS RECEIVABLE, (Continued)

The Church Development Team of the Conference makes loans to churches of the Conference for acquisitions and improvements. The loans had various repayment terms with maturities ranging from 2012 to 2021 carrying a 4.0% interest rate. Loan disbursements were paid from the Church Development Team Church Extension and Development Fund, the Revealing Christ Campaign Fund, and the Building in Faith Campaign Fund. On March 29, 2011, all of the Church Development Team loans, except the non-interest bearing Charlottesville District loan, were sold to the Virginia United Methodist Credit Union for face value. Accordingly, no gain or loss was recognized in connection with the sale.

Francis Asbury Educational Loans are made from funds given in memory of Francis Asbury. Use of these loans is restricted to assisting qualified United Methodist students in obtaining a higher education. Loan terms require payment of principal and interest (at 4%) within six years of graduation or withdrawal.

The Virginia United Methodist Assembly Center loan receivable was noninterest bearing and due on demand. During 2010, the Annual Conference forgave the Virginia United Methodist Assembly Center loan receivable in the amount of \$80,570.

The Central Treasury provides an allowance for doubtful collections that is based upon a review of outstanding receivables, historical collection information, and existing economic conditions. Delinquent receivables are written off based on individual credit evaluation and specific circumstances of the borrower. No allowance for doubtful collections is deemed necessary as of December 31, 2011 and 2010.

As of December 31, 2011 and 2010, the Central Treasury had received written intentions to give in the approximate amount of \$1,500,000 and \$2,000,000, respectively, in connection with the All Things New church development program. The intentions to give are not reflected in the accompanying financial statements.

NOTE 5 - CAMPUS MINISTRY BUILDINGS

The Conference is responsible to provide insurance coverage on eight Wesley Foundation campus ministry buildings located throughout the Conference territory. As of December 31, 2011, the insured value for these eight buildings approximates \$7,340,000. These buildings are owned by various Wesley Foundations. Accordingly, the value of these properties is not reflected in the accompanying statements of financial position.

YEARS ENDED DECEMBER 31, 2011 AND 2010

NOTE 6 - CAMP OVERLOOK

As of December 31, 2011 and 2010, the title to the property known as Camp Overlook located in Rockingham County, Virginia is held by the Board of Trustees of the Virginia Annual Conference. The title dated March 12, 1973 is held for the benefit of those districts of the United Methodist Church which include the Virginia counties of Frederick, Warren, Page, Shenandoah, Rockingham and Augusta. Accordingly, the value of this property is not reflected in the accompanying statements of financial position.

NOTE 7 - NOTES PAYABLE

Notes payable at December 31, 2011 and 2010, consist of the following:

\$4,500,000 construction loan, with interest to vary at the 3 LIBOR rate plus .85%. Collateralized by a first lien deed trust on real estate and improvements.

During 2002, to minimize the effect of changes in its LIBOR based debt, the Central Treasury entered into two interest rate swap contracts. The first swap contract is effective April 1, 2002 and expires April 1, 2012. Under this \$1,300,000 swap contract, the Central Treasury will pay interest at a fixed 6.91% rate and receive interest at a floating LIBOR rate plus .85%. The second swap contract was effective July 1, 2002 and was due to expire July 1, 2007. Under this \$1,200,000 swap contract, the Central Treasury paid interest at a fixed 6.51% rate and received interest at a floating LIBOR rate plus .85%. On May 12, 2006, the \$1,200,000 swap contract was restructured whereby the Central Treasury will pay interest at a fixed 6.75% rate and receive interest at a floating LIBOR rate plus .85%. The restructured swap contract has a new expiration date of May 1, 2016. In addition to interest payments, the Central Treasury is required to make scheduled principal payments in connection with both swap contracts. During 2011, the Central Treasury made an accelerated principal payment of \$258,174 on its outstanding bank debt.

Effective April 1, 2012, the Central Treasury refinanced both swap contracts and consolidated them into one loan in the principal amount of \$2,016,000. The note payable is due in fixed monthly installments of principal of \$21,000 to the year 2020, and bears interest at the rate of 3.25%. The note is secured by a deed of trust on the Virginia United Methodist office building as well as a security interest in all deposits and investments maintained by the Central Treasury with the lender institution. In connection with the April 1, 2012 refinancing, an early termination loan fee was incurred by the Central Treasury in the amount of \$148,905.

Interest paid and expensed for the years ended December 31, 2011 and 2010 was \$131,868 and \$141,235, respectively.

NOTE 8 - RETIREMENT PLANS

Ministerial and lay employees of the Conference are eligible to participate in pension plans offered by the United Methodist Church. U.S. bishops, conference members, and local pastors under Episcopal appointment are eligible for pension coverage under the Clergy Retirement Security Program (CRSP), formerly the Ministerial Pension Plan (MPP).

In addition to the CRSP, certain ministerial employees are provided disability and death benefits as well as certain minimum benefits related to pension coverage through participation in the Comprehensive Protection Plan (CPP).

CRSP and CPP are defined contribution plans which currently encourage a three percent employee contribution and call for a 16.4 percent employer contribution (12 percent for CRSP and 4.4 percent for CPP). The contribution is limited to approximately the first \$61,700 of employee wages. CRSP and CPP pension expense for the Central Treasury amounted to approximately \$314,500 and \$320,000 for the years ended December 31, 2011 and 2010, respectively.

Conference lay employees are eligible for pension coverage under the United Methodist Personal Investment Plan (UMPIP), formerly the Cumulative Pension and Benefit Fund (CPBF). UMPIP is a defined contribution plan which currently calls for a three percent employee contribution and a nine percent employer contribution. UMPIP pension expense for the Central Treasury amounted to approximately \$101,000 and \$111,000 for the years ended December 31, 2011 and 2010, respectively.

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2011 AND 2010

NOTE 8 - RETIREMENT PLANS, (Continued)

The General Board of Pension and Health Benefits of the United Methodist Church, as a matter of its own policy, has changed certain retirement plan provisions from guaranteed to market-based yield agreements, and vice versa. This change in policy may have a direct effect on the Conference's benefit obligation including the obligation in connection with Supplement One to the Clergy Retirement Security Program, commonly referred to as the Pre-82 Pension Plan, and it could eventually result in the Conference's assumption of greater future benefits and related necessary increases in retirement contribution levels, which may result in a material adverse effect on the financial position of the Conference. These factors create some uncertainty about the Conference's ability to continue to fund current operations. The accompanying financial statements do not include any adjustments related to these contingencies.

NOTE 9 - COMMITMENTS

At December 31, 2011, the Church Development Team of the Conference has committed grants and loans for the purpose of building new churches in connection with the Revealing Christ Campaign for approximately \$308,000. Additionally, the Church Development Team has committed grants and loans to churches for approximately \$443,000 in connection with the Church Development Team Church Extension and Development Fund.

On December 13, 2011, the Central Treasury entered into a contract for the purchase of land and construction of a new Episcopal residence in the approximate amount of \$465,000. The construction of the residence is expected to be completed in 2012.

NOTE 10 - CONCENTRATIONS OF CREDIT RISK

Financial instruments which potentially subject the Central Treasury to concentrations of credit risk consist primarily of investments and cash and cash equivalents. The Central Treasury places its investments and its cash and cash equivalents with creditworthy institutions and diversifies its holdings among entities, thereby limiting the amount of credit exposure to any one entity. As of December 31, 2011, the Central Treasury has \$3,147 of cash deposits in excess of federally insured limits being held by a federally insured financial depository institution.

The investments of the Central Treasury, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. In addition, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

YEARS ENDED DECEMBER 31, 2011 AND 2010

NOTE 11 - CONTINGENCIES

The Conference, from time to time, is a defendant in civil actions. The Conference intends to vigorously defend the claims asserted against it by all claimants. Management believes that any ultimate liability arising from these actions should not have a material adverse effect on the financial position of the Conference. Due to uncertainties in the settlement process, it is at least reasonably possible that management's estimate of any ultimate liability will change within the near term.

NOTE 12 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The Central Treasury's investments are reported at fair value in the accompanying statement of financial position.

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2011 AND 2010

NOTE 12 - FAIR VALUE OF FINANCIAL INSTRUMENTS, (Continued)

Generally accepted accounting principles establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Central Treasury uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, The Central Treasury measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair values of equity funds, bond funds, index funds and money market funds are based on quoted market prices.

The carrying amounts of financial instruments including cash and cash equivalents, accounts receivable and promises to give approximate fair value at December 31, 2011 and 2010, because of the relatively short maturity of these instruments.

The carrying value of notes receivable and notes payable approximate fair value at December 31, 2011 and 2010, based on the lending rates currently offered for loans with similar terms and maturities.

NOTE 13 - GENERAL OPERATING FUND

At December 31, 2011 and 2010, the components of the General Operating Fund are as follows:

Council on Finance and Administration Reserve Fund

During 2010, the Central Treasury transferred the deficit positions of the District Superintendent's Fund, the Equitable Compensation Commission Fund and the UM Building Debt Service Fund to the Council on Finance and Administration Reserve Fund.

NOTE 14 - VIRGINIA UNITED METHODIST ASSEMBLY CENTER

In 2010, the Annual Conference approved the transfer of title of the Virginia United Methodist Assembly Center property, including land with a carrying value of \$133,344, to the Virginia United Methodist Assembly Center Corporation. During 2011, the title was transferred and the Annual Conference recognized a loss on the disposition of land in the amount of \$133,344.

NOTE 15 - SUBSEQUENT EVENTS

The preparation of the financial statements includes an evaluation of subsequent events through July 23, 2012, which is the date that the financial statements were available to be issued.

Effective April 1, 2012, the Central Treasury refinanced both swap contracts and consolidated them into one loan in the principal amount of \$2,016,000. The note payable is due in fixed monthly installments of principal of \$21,000 to the year 2020, and bears interest at the rate of 3.25%.

In May 2012, the Annual Conference entered into a contract with a third party to sell the current Episcopal residence for \$419,000. The closing date for this sale took place on July 9, 2012.

No provision has been made in the accompanying financial statements related to these matters.
