The Virginia Annual Conference
Roanoke Civic Center
Roanoke, Virginia
June 22-24, 2012

FRIDAY AFTERNOON, June 22, 2012

The 230th Session of the Virginia Annual Conference opened with the Clergy Executive Session in the Roanoke Performing Arts Center and the Laity Session in the Roanoke Civic Center.

CLERGY EXECUTIVE SESSION

Bishop Charlene P. Kammerer called the Clergy Executive Session to order at 1:01 p.m. Bishop Kammerer led in worship, assisted by the Rev. Herbert Brynildsen, Chair of the Order of Deacons, the Rev. Frances T. Cooper, Chair of the Order of Elders, and the Rev. Leigh Anne Taylor, Song Leader.

Bishop Kammerer expressed appreciation for the skill and dedication of two leaders of the business of the clergy executive session, the Rev. Beth C. Downs, Director of Clergy Excellence, and the Rev. Jeffery P. Mickle, Chair of the Board of Ordained Ministry.

The Rev. Jeffery P. Mickle moved that the bar of the clergy session be Sections D, E, F, G, H and those portions of Section C designated for full clergy members, and that the portion of seating marked with an orange-colored ribbon be designated for seating members of the clergy session with voice but without vote. The motion was approved. Rev. Mickle moved that Ms. Estelle Pruden, Administrative Staff for Bishop Kammerer and Ms. Kristen Dowdy Hart, Executive Assistant to the director of Clergy Excellence, the sign language interpreters, diaconal ministers, and the conference chancellor be admitted into the clergy session with voice but without vote. The motion was approved.

Rev. Mickle led the members in the presentation of the Minute Questions. The entire printed booklet of Minute Questions, with additions and corrections distributed separately, was presented in an itemized manner. Members of the clergy who were retiring at this session of annual conference were invited to stand for recognition. Persons receiving their first appointment as local pastors in all categories were invited to the platform to be recognized. Bishop Kammerer asked the historic questions of those persons who were to be ordained. Candidates for commissioning, ordination, recognition of orders and transfer into the conference from other denominations were presented and approved. Those being transferred in from other United Methodist annual conferences were introduced. Appropriate recognition was given to all persons being received into a new relationship with the Annual Conference at the current session. A moment of silence was observed for members of the clergy and the diaconal minister who had died in the previous year. All matters requiring a 2/3 majority were passed accordingly. All matters requiring a 3/4 majority were also passed accordingly. The Rev. Herbert Brynildsen was elected as Chair of the Order of Deacons for the new quadrennium. The Rev. Frances T. Cooper was elected as Chair of the Order of Elders for the new quadrennium.

Bishop Kammerer reflected on her eight years in leading the clergy session, and looked forward to her retirement. Rev. Mickle thanked the members of the Board of Ordained Ministry, and in particular, the Rev. Edward R. Walker, the Rev. Alan R. Felumlee, and the Rev. Dr. Youtha Hardman-Cromwell, who had served as team leaders for the Board. Rev. Mickle, who was completing eight years as chair of the Board, also thanked the Rev. Beth C. Downs for her work and support. Bishop Kammerer offered a closing prayer at 2:35 p.m.

LAITY SESSION

Mr. Jim Bennett led the laity in a song-fest of welcome to begin the Laity Session. Ms. Shirley Cauffman, Conference Lay Leader, welcomed the laity and the youth who participated in the opening worship. An opening prayer was offered by Mr. Ben Brooks, a member of Brandermill United Methodist Church on the Richmond District. Ms. Rose Teague, a member of Andrew Chapel United Methodist Church on the Fredericksburg District, read the scripture from Matthew 28:19. Ms. Kelsey Briel, a member of Bethany United Methodist Church on the Winchester District, sang a solo, "Give Me Jesus." Mr. Vernon Gordon brought greetings from the Pace Student Center and led in singing. The Rev. Derrick Parson, conference Director of Ministries with Young People, spoke to young people saying, "Young people, take your rightful place in history! Never give up. The church will not be healthy without you!"

Ms. Shirley Cauffman thanked all the youth for their participation. She described the ministries and work accomplished by all the laity groups of the Conference.

Ms. Cauffman introduced the speaker for the Laity Session, Mr. W. Clark Williams, the Virginia Conference Chancellor and legal advisor to the Bishop. Mr. Williams talked about planting seeds of faith, which may include seeds planted by individuals and by experiences. He reminded the laity to tell their faith story and then shared parts of his faith story.

Ms. Cauffman highlighted the following conference essentials:

He reported that the 2013-2016 church-wide budget was reduced by 6.6%, and the clergy pension plan was modified to be less expensive for local churches. Ms. Cauffman reported that the General Conference had made no change in its stance opposing homosexuality, and had removed guaranteed appointment for ordained elders. Rev. Berlin concluded that despite increases over time in the size of the *Book of Discipline* and the *Book of Resolutions*, General Conference is less important than God’s call on each member to be faithful to Jesus Christ.

Rev. Berlin presented a list of persons nominated to the Jurisdictional Conference for consideration as nominees to general boards and agencies. Brown, Director of Connectional Ministries, presented the report of the Conference Leadership Discovery and Development Team found on pages 47-52 of the *Book of Reports* and the addendum printed on green paper in the official packets. She offered the following correction: the agency listed on the addendum beside “page 49” should be the Committee on Rules, not the Commission on Ethnic Minority Concerns and Advocacy. The nominees to committees, commissions, boards and agencies of the annual conference were elected. Bishop Kammerer invited all persons serving in leadership through all conference boards and agencies to stand as they were able. She thanked the leaders, and offered a prayer of consecration.

Bishop Kammerer invited Bishop H. Hasbrouck Hughes to preside over the conference following a brief break. Bishop Hughes invited Mr. Leigh Kammerer, spouse of Bishop Kammerer, to join Bishop Kammerer on the stage. Mr. Leigh Kammerer thanked the conference for the love and support he and Charlene have experienced in Virginia. Bishop Kammerer thanked the conference members for their prayers and encouraged them to pray for the new bishop and to celebrate “God’s unceasing unconditional love for all of us.” A prayer was offered by Rev. Berlin. Bishop Hughes thanked Rev. Berlin and the committee for putting together the time of recognition. The Mass Choir of Woodlawn-Faith United Methodist Church on the Alexandria District brought special music, directed by Mr. Gregory Wright, and accompanied by Mr. David Morton, lead guitar, Mr. Sherod Swann, bass guitar, Mr. Vaughn Dashiell, keyboard, and Mr. Adrian Teel, percussion. During the offertory music, the conference offering was received. Mr. Barrett offered a prayer of dedication for the offering, assisted by Rev. Robert C. Blinn, one of the Holy Rollers.

At the conclusion of the service, the plenary session recessed for lunch.

Geeting reported the committee’s recommendation that Hampton be the site for annual conference in 2017 and 2018. The recommendation was approved.

Ms. Martha Stokes, conference Director of Inclusivity and Lay Leadership Excellence, and Ms. Darlene Amon, a former Conference Lay Leader and a member of the former 250 Task Force, presented a report on “All Things New—Vital Congregations.” The “Invitation to Plant” had yielded 19 new faith communities so far, with many more planned. The “Invitation to Harvest” is calling for a reinvented culture for Virginia churches and the whole denomination. Ms. Stokes described how the Virginia Conference “seed” of “All Things New” grew into the denomination’s “Call to Action,” and how “Vital Congregations” is an outgrowth of the “Call to Action.”

She announced that workshops for revitalizing and resourcing smaller membership churches are the priority for the coming year.

The Rev. Larry E. Davies, Lynchburg District Superintendent, read Matthew 22:36-40. He pointed out that while public displays of affection are sometimes discouraged, public displays of Christian affection by followers of Jesus are expected. He invited members and guests to say to one another, “In the name of God, I love you.” He described the five fruits of a vital, loving congregation: worships regularly; makes new disciples; engages in growing faith; engages in mission; and shares gifts for missions. He celebrated additional denominational resources for the local church, more working together with fewer reporting requirements and a reduced number of conference agencies.

Ms. Martha Stokes briefly mentioned other Virginia Conference resources for revitalizing local churches including Vocation CARE, ‘Calling 21’ internships and the Lay Servant Academy, a program started in the Virginia Conference and now being developed at the general church level.

The Rev. Lisa M. McGehee, a member of the Board of Discipleship, invited conference members to complete a commitment card indicating participation or desired participation in one or more of the resources for “All Things New — Vital Congregations.” Rev. Innis participated in the service. The Rev. Dr. David McAllister-Wilson preached the sermon, based on John 2:1-11. Virginia Annual Conference members assisting in the service included Ms. Shirley Cauffman, the Rev. Jeffrey P. Mickle, the Rev. Herbert Brynildsen, the Rev. Frances T. Cooper, the Rev. Beth C. Downs, the Rev. Edward R. Walker, the Rev. Alan R. Felumlee, the Rev. Dr. Youtha Hardman-Cromwell, the Rev. Christina R. McLain, the Rev. Hyo Joong Lee, the Rev. James G. Daniely, the Rev. Bradley S. Dulaney, the Rev. Kenneth Stephen Waclo, the Rev. Gayle M. Thornberry, the Rev. Jonathan L. Bennett, the Rev. William B. Montgomery, the Rev. John R. Hall, Sr., the Rev. Cynthia Anne Lee, the Rev. Angelito G. Samson, the Rev. Robert E. Cooper, the Rev. Lorenzo D. Hill, the Rev. Michele Manning, and the Rev. Pat B. Tony. The 2012 Ordinands’ Choir provided special music, directed by the Rev. Leigh Anne Taylor, Music Leader for the service, and accompanied at the keyboard by Mr. Jim Bennett. Mr. Aldo Gonzalez was a vocalist. Additional music was provided by the Blacksburg Brass Quintet.

Bishop Kammerer licensed, commissioned and ordained the candidates as listed in the worship booklet for the service. 29 local pastors were licensed, one person was received as an associate member, 24 provisional members were commissioned, and 31 elders were ordained. One person had his orders recognized. The stoles placed on each ordinand were handmade by Ms. Ruth A. Wiertzema, Diaconal Minister and Director of Connectional Ministries for the Red Bird Missionary Conference.

Following the prayer of thanksgiving, Bishop Kammerer addressed the newly licensed, commissioned and ordained clergy. She addressed the members and guests in attendance. She invited those feeling led by the Holy Spirit to inquire into Christian ministry to come forward and greet her during the singing of the final hymn. Clergy members of the conference counseled with those inquiring into representative ministries, and gathered contact information. The session concluded with the dismissal and blessing at 9:18 p.m.

SUNDAY MORNING PLENARY SESSION, June 24, 2012

“Singing our Faith” was led at 8:18 a.m. by Mr. Jim Bennett, accompanied by the band. Bishop Charlene P. Kammerer welcomed members and guests. Bishop Kammerer reviewed the agenda for the day, which would include action on the Consent Agenda.

The Rev. Susan D. Cutshaw presented the report of the Minutes Committee. The minutes of the Friday evening worship service, the Saturday morning plenary session and worship service and the Saturday afternoon plenary session had been reviewed and corrected. Rev. Cutshaw announced that the Minutes Committee would meet on June 29, 2012, to complete the review and certification of the minutes. The report was approved. She thanked the members of the Committee on Minutes, whose names were displayed on the screen, and recognized Ms. Rachel Hundley and the Rev. Sallye E. H. Bowen for their commitment as their tenure on the committee ends this year. She thanked the Rev. Robert C. Blinn and the Rev. Delano Douglas for recording the minutes. She thanked Ms. Beverly Myers for making arrangements for the committee to meet during the conference.

The Rev. Louis M. Strickler reported that the following kits had been collected: Flood, 404; Health, 19,151; Layette, 1,784; School, 11,586; Birthing, 3,991; total number of kits, 36,919. The estimated total value of all kits received was \$473,846. Rev. Strickler thanked the conference for monetary donations for kits as well, and encouraged that these be sent to the Conference Treasurer by August 31, 2012. He thanked the many lay and clergy volunteers. He also thanked Lawrence Trucking Systems for the gift of the use of their tractor-trailers at annual conference. Lawrence Trucking Systems will also transport the kits to the United Methodist Committee on Relief depot in Mechanicsburg, Pennsylvania, for only the cost of fuel. Bishop Kammerer affirmed the Virginia Annual Conference for this excellent example of its “mission heart.”

Ms. Betty J. Forbes, Chair of Virginia United Methodist Pensions, Inc. (VUMPI), presented the report found on pages 68-76 of the *Book of Reports*. She moved to suspend the rules to allow the presentation of her report. The rules were suspended. Ms. Forbes reviewed the changes in clergy pensions that will begin to affect new participants in 2013 and 2014. She stated that there would be no reduction in benefits for current retired or active clergy. Her report included information about “Health Advocate,” a new participation-based wellness program.

Ms. Forbes presented Recommendations 1-6. They were approved. Ms. Forbes recognized members of the VUMPI Board who were seated on the platform by asking them to stand. She acknowledged the contributions of VUMPI staff members Ms. Nancy Blair and Ms. Judy Astrella, as well as Mr. Ron Coleman, Conference Liaison for the General Board of Pensions and Health Benefits. Bishop Kammerer thanked Ms. Forbes for her dedicated work amidst challenging economic conditions.

Mr. David Dommissee, Conference Statistician, presented the report found on page 107 of the *Book of Reports*. He noted that the percentage decrease in total members from 2010 to 2011 was only .2%, compared with a 1.1% decrease from 2009 to 2010. He also noted that average weekly worship attendance increased in 2011, and that baptisms in 2011 exceeded those in 2009 and 2010. He pointed out the growing diversity of the annual conference, citing increased participation by Hispanics, persons of Asian ancestry, and young adults. His report was accepted. The Rev. Dr. Brenda J. Biler, Dean of the Cabinet, nominated Mr. Dommissee as Conference Statistician for the coming quadrennium. He was elected.

Mr. David Dommissee, Conference Treasurer, presented the treasurer’s report, found on page 108 of the *Book of Reports*. He noticed an increase in apportioned funds receipts of almost 3% in 2011. The total apportioned and non-apportioned funds received in 2011 were \$30,084,932, a drop of only .2% from 2010 receipts. He noted double-digit fluctuations in most Advance Special, Special Day and conference special offerings. In response to a question, Mr. Dommissee indicated that annual expenses to budget reports of the Annual Conference are published in the Journal separate from the *Book of Reports*. The Rev. David A. Rash moved that the conference leadership, the Cabinet, CFA and the United Methodist Foundation “address strongly the spiritual discipline of the tithe, and our failure as United Methodist Christians to observe it.” Bishop Kammerer accepted the motion on behalf of the conference leadership. The treasurer’s report was adopted.

Mr. Jeffrey Davis, President of the Conference Council on Finance and Administration, nominated Mr. David Dommissee as Treasurer for the coming quadrennium. He was elected.

Mr. Davis referenced the addendum report on green sheets found in the members packets and moved the suspension of the rules to allow time to present the report

found on pages 109-118 of the *Book of Reports*. The rules were suspended. He noted that the total proposed apportionments for 2013 decreased by \$538,134, primarily because of the annual fluxuation of line 9, "Pension Liability Assessment – Pre '82." Mr. Davis amended line 409 of the report, found on the addendum. The percent change should be -30.97%. Mr. Davis stated that with this change, the report on the green sheets, not the corresponding pages in the *Book of Reports*, contained the figures presented to the conference for approval. In response to a question, Mr. Davis and Mr. Dommisie provided information about the costs and anticipated income associated with the construction of a new episcopal residence and the pending sale of the current residence. Mr. Davis announced that in the future, CFA will include a report of expenses in the Book of Reports.

Mr. Donald C. Fretts, a lay member from the Staunton District, presented a series of questions related to the size of the conference budget. Bishop Kammerer asked Mr. Fretts to submit his questions in writing, and said that she would see that they were addressed by the CFA.

Mr. Davis presented Section 1 of the report, including Schedules A, B and C. Section 1 was approved. There was no Section 2, although Mr. Davis reported that non-restricted conference reserves were in excess of \$157,000, a return to the positive column for the first time in recent years. Sections 3-7 of the report were presented and approved.

Mr. Davis presented the "Required Report" found on pages 117-118 of the *Book of Reports*, proposing a plan to result in a common amount for each district superintendent's salary. The Rev. Robert T. Casey moved to postpone the district superintendent salary proposal indefinitely. The motion did not pass. Mr. David Dommisie, Conference Treasurer, offered a point of clarity in reference to the procedure for district superintendent salary increases. The new district superintendents' salary plan was approved. Mr. Davis recognized the members of the Council on Finance and Administration for their work. He thanked Bishop Kammerer for her confidence in and support for the CFA.

Bishop Kammerer reported on a plan for presenting and approving reports previously lifted off the Consent Agenda. The list of these items was projected on the screen. The Rev. Justin B. Allen, Dean of Spiritual Life and Director of the Institute for Church Professions at Shenandoah University, Mr. Andrew Ware, an alumnus of Randolph-Macon College and a student at Wesley Theological Seminary, and Ms. Alexandra Woody, a current student at Shenandoah University, spoke on behalf of the work and witness of campus ministry. Each stressed the importance of hearing from faithful young adults, including those on college and university campuses. Rev. Allen thanked the conference for its support of campus ministry. With these reports, the 17 lifted items were approved. The remaining items on the Consent Agenda were approved.

Following a motion by the Rev. Edward F. Rigg, the rules were suspended and debate was limited to speeches of no more than two minutes each including from the platform or by the maker, and no more than two speeches for and two speeches against the business before the conference.

A concern was raised from the floor regarding cost of living differences in reference to CFA's consideration of district superintendents' salaries. Bishop Kammerer accepted the concern on behalf of CFA.

The Rev. John A. Fair, Chair of the conference Board of Church and Society, presented Resolution 2, "A Call for a Continued Moratorium on Uranium Mining and Milling in Virginia," found on pages 56-57 of the *Book of Reports*. Rev. Fair reported the Board's concurrence. Resolution 2 was approved.

Rev. Fair presented Resolution 3, "Eliminate the Death Penalty," found on pages 58-59. On behalf of the board, he recommended concurrence. Resolution 3 was approved.

The Rev. Larry E. Lenow, Chair of the Committee on Resolutions, presented Resolution 4, "End Life-Long Stigmatization," found on pages 60-61. He reported that the Committee had no recommendation. The Rev. Stephen B. Hassmer moved to eliminate paragraph 3 from the resolution. Ms. Carolyn Newsome moved to eliminate only point (b) from paragraph 3. Ms. Newsome's amendment was accepted by Rev. Hassmer. The Hassmer amendment was approved as amended. Resolution 4 was approved as amended.

Bishop Kammerer apologized to Rev. Lenow and to the maker of Resolution 5, "On Being Our Brother's Keeper," and declared an end to the time available for resolutions before Resolution 5 could be considered.

Bishop Kammerer thanked the Roanoke District for hosting the annual conference, under the leadership of the Rev. Stephen C. Hundley. She thanked the music team, the technical team, the sign-language translators, and the worship team. She thanked the Conference Secretary and his assistants. She thanked the Annual Conference Planning Committee. She thanked the Rev. Marc D. Brown, Director of Connectional Ministries, for his overall help with the agenda and with the business of the conference. She thanked Ms. Shirley Cauffman, Conference Lay Leader, for her partnership in leading the conference. She thanked the Rev. Thomas L. Joyce, Assistant to the Bishop, and Ms. Estelle Pruden, Administrative Staff to the Bishop.

Bishop Kammerer recognized an order for the day, and invited the members and guests to prepare for worship.

CLOSING WORSHIP SERVICE

Bishop Charlene P. Kammerer was the preacher for the closing worship service. She preached the sermon, "Servants All!" based on 1 Corinthians 3:5-9. The liturgists were Ms. Brittney Conley of RISE in Harrisonburg and the Rev. William R. Freeman. Special music was offered by the Asbury Community Drumline of Asbury United Methodist Church on the Richmond District, directed by Mr. Kevin Davis. The song leader was Mr. Jim Bennett. Bishop Kammerer commented that "this was the only annual conference that announced the distribution of the appointments with a drum roll." During a musical offering, the ushers distributed the "Appointments" edition of the *Virginia United Methodist Advocate*.

Following the musical offering, Bishop Kammerer invited the secretary for the cabinet, the Rev. John N. Vest, to present the appointments for the districts. The preachers were stationed and the appointments were fixed as printed in the July, 2012, edition of The *Virginia United Methodist Advocate*. Bishop Kammerer led the Charge to the Licensed, Commissioned, Consecrated and Ordained Ministers. She led the Charge to the Baptized. She led a responsive reading of the Wesley Covenant Prayer.

With an emotional blessing which ended with "and the fellowship of the Holy Spirit be . . . I love you!" Bishop Charlene P. Kammerer concluded the 230th Session of the Virginia Annual Conference at 12:27 p.m., sine die.

B. APPORTIONMENT RECOMMENDATION SPECIFICS:

Report on 2011

As set out in Annual Conference procedures, the Annual Conference is informed, through this report, of shortfalls in World Service and Conference Benevolences and Conference Services. For 2011, the shortfalls for World Service and Conference Mission and Ministries Benevolences and Conference Services were \$1,394,977. These shortfalls were managed through budget cuts, contingency funds and Conference reserves in accordance with Annual Conference-approved policy.

Education Fund

The Education Fund is apportioned to the districts at \$1,018,875 for 2013. CFA strongly urges the churches to accept and pay this fund amount in full. Based on recommendations of the Common Table, the following percentage distribution of the fund is proposed for 2013:

- Ferrum College 19.5%
- Randolph-Macon College 18.5%
- Randolph College 16.0%
- Randolph-Macon Academy 10.0%
- Shenandoah University 18.0%
- Virginia Wesleyan College 18.0%

Pensions and Conference Health:

CFA recommends the cost of health, pensions and other clergy benefits be apportioned in three separate apportionments. The first apportionment for active clergy health and benefits costs and the second apportionment for retired clergy health. The third apportionment is for pension liabilities with the General Board of Pension and Health Benefits of The United Methodist Church. These costs were combined into two apportionments in the prior year.

The apportionments are to be apportioned on the formula basis described in Section IV of this report.

Church Extension and Development Fund (CEF)

This fund is apportioned to the districts at \$512,500 for 2013, and is based on recommendations of the Common Table. The recommended formula for the distribution of receipts to the fund is as follows:

- (1) 65% of the amounts raised are to be directed to the Church Development Team for conference-wide grants to new and existing churches.
- (2) 25% of amounts raised by districts are to be returned to the district; and,
- (3) 10% of amounts raised are to be directed to a joint committee of the Commission on Ethnic Minority Concerns and Advocacy and the Grants Committee of the Common Table.

SECTION IV— Apportionment Procedures

A. APPORTIONMENT FORMULA:

All Apportionments except for the Active Clergy Health Benefits

Apportionments are calculated using the last year of available statistics of each local church (i.e. 2013 apportionments are calculated using 2011 statistics). The formula is based on total net paid expenses which are the total expenditures of the church minus expenditures for benevolent causes, apportionments, capital improvements, and payments on loans and mortgages. The apportionments for each church are sent to each district based on decimal calculations from the formula below:

Individual Church Net Paid/Total of all Conference Churches Net Paid = Church Decimal

Active Clergy Health Benefits Apportionment Formula

The costs of the active clergy health benefits will be apportioned using a two-tier calculation. The first tier will consist of a fixed dollar amount

(\$5,000) per health plan eligible clergy based upon the July 1, 2012, appointment list. The remaining costs after the tier one calculation will be apportioned to the churches based upon total clergy (regardless of classification) compensation (salary plus accountable reimbursement) paid by a church divided by the total clergy compensation paid in the last year of available statistics (2011 for 2013 apportionments). The district then passes the apportionments on to the local church according to recommendations developed by the district superintendents and the district stewards.

B. REPORTING GUIDELINES:

District superintendents will report the apportioned amounts for each church to the Conference treasurer and the apportioned amounts will be shown on the monthly Treasurer’s report sent to each church (§615.1 of *2008 Discipline*). Apportionments are to be calculated and distributed annually rather than on a quadrennial basis. The Annual Conference will raise World Service funds only through contributions from the local churches. CFA urges that district superintendents, pastors, and local church leaders seek to fully implement §812 of the *2008 Discipline*.

C. IMPORTANCE OF WORLD SERVICE:

The importance of World Service to the life of the Church is lifted up to the Annual Conference. “The World Service Fund is basic in the financial program of The United Methodist Church. The World Service apportionment represents the minimum needs of the general agencies of the Church. Payment in full of these apportionments by local churches and annual conferences is the first benevolent responsibility of the Church.” (§812 of the 2008 Discipline).

SECTION V — Annual Conference Special Offerings

Annual Conference offerings provide important and life-giving support for key Conference programs. The following are recommended for approval for 2013:

- United Methodist Family Services. It is recommended that December be designated as United Methodist Family Services Month and that each church promote an offering during this time for this purpose.
- Christian Education. It is recommended that each church designate a week in September for the observance of Christian Education and that an offering be taken. The offering is to be forwarded to the Conference treasurer and will be allocated as follows: (a) 50% for Conference Division on Education; and (b) 50% back to the districts for education and leadership development.
- Industrial and Commercial Ministries. It is recommended that Labor Day Sunday be designated for Industrial and Commercial Ministries and that churches receive an offering at that time in support of this Virginia Conference program.
- Virginia United Methodist Homes Samaritan Fund. It is recommended that the period between Mother’s Day and Father’s Day be designated in support of the Virginia United Methodist Homes Samaritan Fund, and that local church offerings collected during that period be dedicated to this Virginia Conference program.
- Heart Havens. It is recommended that February be designated as Heart Havens Month and that each church promote an offering during this time for this purpose.
- Annual Conference Offering. CFA recommends continued support for this important offering.

SECTION VI — Recommended Policies

A. DISTRICT SUPERINTENDENT’S FUND

Overall Policies for the Fund: It is recommended that, in compliance with the *Book of Discipline*, the salaries and expenses for district superintendents (DS), and those under special appointment, be published in the conference Journal with each DS’s salary individually calculated and assigned each year as part of the appointive process, using the following criteria:

- The starting salary for each newly appointed district superintendents (DS) shall: (a) not exceed 95% of the Bishop’s annual salary (maximum); or (b) not be less than twice the minimum salary of an Elder (minimum).
- The salary is to be set at an amount equal to the person’s most recent annual salary, plus a fixed dollar amount set by the Annual Conference (upon recommendation of CFA), but not to exceed \$4,000 (except that such increase must conform to the upper and lower salary limitations set out above).
- Each year, the annual salaries of DSs are to be adjusted by a percentage or an amount to be set by the Annual Conference (upon recommendation of CFA), but not to exceed in aggregate the latest five-year average percentage change in the Conference Average Salary, with the total annual salary not to exceed 95% of Bishop’s annual salary. CFA also administers salary-related expenses, to include such items as pensions, supplemental benefits, travel by voucher, continuing education, and other Cabinet-related expenses. The total cost of salaries and related expenses apportioned to Districts are to be based on the current approved decimal system (upon recommendation of CFA). All other DS costs, such as housing, district office expenses and staff, are to be paid at the district level.

Authorizations for 2013:

The district superintendents’ salaries will remain the same for 2013.

B. TRAVEL & MEETING EXPENSES for board and agency members and staff engaged in Conference business are provided and are to be managed as follows:

- The mileage reimbursement rate is set at 35 cents for conference staff and the IRS reimbursement rate for volunteers (currently 14 cents) serving boards and agencies of the Conference.
- Meals are to be reimbursed at actual costs, but not to exceed \$20 per 24-hour period. (Breakfast on the date of departure from home/office is not accepted; dinner on the date of return is not accepted, except when the arrival to home/office is after 7 p.m.).
- Reimbursement for daily room charges is set at \$85, if the travel incurred extends to a period over three hours prior to the starting time of 10 a.m. on the day of the meeting.
- Spouse expenses are not part of allowable expenses.
- To encourage stewardship in this area, CFA suggests: (1) that advance reading materials be provided for study prior to meetings; and (2) that there be use of teleconferencing, where feasible.

C. INDIVIDUAL EXPENSES FOR ANNUAL CONFERENCE are provided for and managed as follows:

Each charge is responsible for the expenses of both the clergy and lay members (including diaconal ministers) from that charge to the annual conference, working out its own plan of compensating for actual expenses. Persons not covered through local church appointment shall receive annual conference reimbursement not to exceed \$100 a night for mileage, meals and lodging; the Conference Treasurer shall reimburse the claimant through voucher of approved expenses. Coverage under this section extends to:

- (a) retired clergy who retired with pension under one of the *Disciplinary* options and who are not serving full-time;
- (b) clergy on incapacity leave;
- (c) clergy on sabbatical leave who are members of the Virginia Annual Conference;
- (d) retired diaconal ministers who served at least eight years in the Virginia Conference and who are granted a retired relationship by the conference;
- (e) persons expecting their first appointment;
- (f) members of the conference who have been appointed to attend a theological school;
- (g) those serving as chaplains in Armed Forces;
- (h) deaconesses under appointment;
- (i) furloughed missionary members of the Virginia Annual Conference;
- (j) those on loan to other annual conferences, whose expenses are not otherwise provided for; and
- (k) clergy returning from an approved leave of absence receiving local church pastoral appointments.

Each district is responsible for the expenses of its district superintendent, youth members and members-at-large. Each board, agency or committee is responsible for the expenses of its chairpersons. Boards and other agencies and institutions served by clergy under appointment will be responsible for said clergy’s expenses to the annual conference.

D. CONFERENCE RESERVE FUNDS

Policies on the Maintenance of Reserve Fund Levels: The Council is reviewing the Reserve polices in light of the current economic situation. The following policies are unchanged from the past; however, they represent targets that at present are not realities. Reserve funds in the amount of \$200,000 are available for emergencies and catastrophic needs related to the maintenance of conference property held by the conference trustees, and include:

- 1) Virginia United Methodist Center;
- 2) Wesley Foundation buildings; and
- 3) the episcopal residence. [The total value of these properties is estimated at more than \$15 million.]

Reserve funds in the amount of \$300,000 are available to maintain orderly cash flow during the Conference year, with such activity to cover salaries, grants, etc. Reserve funds in the amount of \$300,000 are available to cover actions emerging from Annual Conference vote, emergencies, support of advances for campaigns and potential liabilities of the Conference. Of the amounts reserved: (1) up to \$50,000 is available for emergency needs of the Common Table, with the approval of CFA; and (2) up to \$100,000 may be allocated by CFA between sessions of Annual Conference, as deemed necessary.

Consistent with approved Annual Conference policies (effective January 1992), the use of investment income is authorized to maintain reserve levels. (At the discretion of CFA, excesses may be used to: (1) meet shortfalls in Conference benevolences; (2) meet shortfalls in Conference Services; and/or (3) reduce apportionments from the Annual Conference to local churches. The status of conference reserves at the end of the prior actual year is to be reviewed each year by CFA and included in the report to the Annual Conference Session. (See the conference Undesignated Reserve report in Section II.)

E. PASTOR RELOCATION TRANSITION FUND:

1. By action of the June 2003 Annual Conference, CFA has established Pastor Relocation Transition Fund and has provided funding through the Conference Services apportionment.
2. Churches/charges which are served by full-time clergy appointed to their charge as pastor may request reimbursement on the following schedule for an incoming pastor, if the previous pastor served two years or less in the appointment to their charge:
 - One-year appointment – Seventy-five percent of the verified moving expenses up to a maximum of \$3,000 reimbursement.
 - Two-year appointment – Fifty percent of the verified moving expenses up to a maximum of \$2,000 reimbursement.
3. No moving expenses will be reimbursed that are not in compliance with the Virginia Conference Guidelines for Moving Expenses as printed in the Journal of the Virginia Conference.
4. Payment will be made at the end of the year based on a pro-rata share of the apportionment receipts from the churches.

F. CONFERENCE JOURNAL

The *2012 Journal of the Virginia Conference* is to be made available by posting on the Virginia Conference website <www.vaumc.org> as a pdf file. It will be available as a CD or printed copy upon request at a cost of \$10 for the CD and \$25 for the print version. Requests for printed copies must be made by Aug. 15 of the calendar year, and payment must be made at the time the order is placed. Only a small quantity of Journals will be printed and distributed in compliance with the *Book of Discipline* (§606.2), to district offices, Conference staff, and those purchasing copies before the Aug. 15 deadline. Because many other conferences across the connection are finding great success with delivery of the conference Journal through their websites and because it is imperative that the conference continues to find ways to reduce costs, the Conference Publications Committee believes this new policy will serve the Virginia Conference well.

G. CONFERENCE PUBLICATIONS:

It is recommended that the Conference-Provided Publications Committee be continued, composed of the following: (1) the director of the Connectional Ministries; (2) conference Business Manager; (3) the *Journal* Editor; and (4) the conference director of Communications, who will serve as the convener of the committee. The Committee may convene at any time at the request of any committee member as long as a majority of the committee members are present. [The committee oversees the production and publication of the conference Journal and other such

publications and mailings that are appropriate to keeping the conference members linked to the business of the Annual Conference.]

H. CLERGY DIRECTORY

One copy of the Directory of the Ministry is to be mailed to all Virginia Conference clergy (active and retired, including lay pastors and diaconal ministers). Widows/widowers of clergy are also entitled to a free copy upon request. Additional copies may be purchased at a cost of \$4 each (includes shipping and handling). An updated version of the directory is available on the conference website as a pdf file.

I. AUDIT REPORTS:

CFA stresses the requirement that all agencies, institutions, and district offices submit a copy of their audit report to the conference Treasurer by June 1 of each year. Audits should be conducted by independent, professional auditors.

J. IRS REGULATIONS:

CFA recommends that all church and/or charge treasurers comply with the IRS regulations.

K. REQUESTS FOR BUDGET FUNDING:

CFA recommends that all groups requesting funding from CFA submit requests for budget funding to CFA by Jan. 15 of the year the request is being made. This will allow the requests to be reviewed by CFA in sufficient time for consideration at the Annual Conference session the following June.

SECTION VII – A Church in Mission

We are a church in mission and a three-pronged focus of teaching, communication and recognition enriches us as a conference and as Christians. With it, we are able to share and learn further what it means to enter into the vision and share concerns with many people. But more importantly, it sets out a focus throughout our Conference on the value and importance of the unique connectional relationship we have as United Methodists. Our charter has already been defined for us and it is set out in Scripture: “Just as in the human body, though it is made up of many parts, is a single unit, because of these parts, though many, make one body, so it is with Christ.” (1 Corinthians 12:12). And that body is composed of all of God’s children, including the rich and poor, found and lost, and secure and dispossessed. For as Jesus said, “Truly, I tell you, just as you did it to one of the least of these who are members of my family, you did it to me.” (Matthew 25:40). As part of that body, we are called to serve our brothers and sisters in mission throughout the connection. Because of our covenant with God and with each other, it is our goal to fund the basic missional witness of The United Methodist Church. We have much to be proud of as a conference, as we live out the full meaning of the Stewardship of the gospel. Our connectional giving — the important life blood of the work we all do together – is a reflection of the great commitment that Virginia United Methodists have to the mission and ministry work of our Lord. The budgets we draw up, while important, are more than a series of numbers. They reveal the very character of the people who build them, support them, and act through them. They are Christ’s work in the world, put into a plan for receiving and spending — collective understandings of commitments to fulfilling ministries and mission priorities. It is no small thing we do individually, when collectively we are making such big impacts beyond our church doors.

The stewardship of our conference is part of our response to the needs we know about, as well as those not yet seen. Seeing the need, then doing what Jesus would do. That’s true stewardship!

SECTION VIII — Special Reports

The Council on Finance and Administration will continue an internal committee to monitor activities of agencies of the conference to assure compliance with ¶¶612.2 and 612.16 of the *2008 Discipline*.

Jeff Davis, President

REQUIRED REPORT

The Council on Finance and Administration (CFA), as requested by the 2011 Annual Conference, presents the following report regarding district superintendents’ salaries. The Annual Conference requested that CFA present a plan that addresses the concerns of the motion passed during the 2011 Annual Conference regarding district superintendents’ salaries. CFA provides the following plan in response to the request: The annual salary for all new district superintendents (appointed July 1, 2012, and after) be \$88,000. All current district superintendents who are presently below \$88,000 would move to \$88,000 as of January 1, 2013. All district superintendents currently above \$88,000 would remain at their current level.

Independent Auditors' Report

To the Council on Finance and Administration
The Central Treasury of The Virginia Annual
Conference of The United Methodist Church
Richmond, Virginia

We have audited the accompanying statements of financial position of The Central Treasury of The Virginia Annual Conference of The United Methodist Church as of December 31, 2011 and 2010, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Central Treasury's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Central Treasury of The Virginia Annual Conference of The United Methodist Church as of December 31, 2011 and 2010, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

CONFERENCE OF THE UNITED METHODIST CHURCH

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2011 AND 2010

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities - The Central Treasury receives and disburses, in accordance with the actions of the Annual Conference, remittances from local church treasurers for all duly authorized general, jurisdictional, Annual Conference, and district causes. It also implements administrative and fiscal policies and procedures as directed by the Council on Finance and Administration.

The purpose of the Council on Finance and Administration is to develop, maintain and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures and management services for the Annual Conference.

The purpose of the Annual Conference is to coordinate the relationship between the general program boards and commissions and the conference, districts and Virginia United Methodist local churches.

Basis of Presentation - The Central Treasury is required to report information regarding its financial position and activities according to three classes of net assets based upon the existence or absence of donor-imposed restrictions as follows:

Unrestricted net assets include the General Operating and Property and Equipment Funds. The General Operating Fund reflects all resources of the Central Treasury which are expendable at the discretion of the Council on Finance and Administration for any purpose in carrying out the operations of the Conference. The Property and Equipment Fund is used to account for asset additions, disposals and depreciation charges.

Temporarily restricted net assets include the Boards and Agencies Funds. This category includes net assets which are expendable for operating purposes; however, their use has been restricted by the donor (primarily local United Methodist churches) for specific purposes.

The Central Treasury has no permanently restricted net assets as of December 31, 2011 or 2010. This category includes net assets which would be subject to donor-imposed stipulations that they be maintained permanently by the Central Treasury.

Year-end Closing - The Central Treasury closes its books approximately fifteen days subsequent to December 31 each year in order to record final apportionment payments for the year from local churches and pay all expenditures for the Conference year then ended. Cash received and expended after December 31 is shown on the statements of financial position in these statements as accounts receivable and fund receipts payable.

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2011 AND 2010

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES,
(Continued)

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Recognition of Contributions - Contributions are recognized when the donor makes a promise to give to the Central Treasury that is, in substance, unconditional. Contributions recognized are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Valuation of Investments and Income Recognition - Investments are stated at fair value. Listed stocks and securities are valued at closing quotations, while unlisted securities are valued at the most recent bid price. Purchases and sales of securities are recorded on a trade-date basis. Unrealized gains and losses are recognized in the period in which they occur. Interest and dividends are recognized in the period earned, and realized gains or losses on securities are recorded in the period of sale.

Functional Expenses - The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities.

Property and Equipment - Property and equipment is stated at cost, or the estimated fair value at the date of contribution. Expenditures for maintenance, repairs and minor renewals are expensed when incurred. Depreciation is recorded using the straight-line method.

The Central Treasury reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets held and used is measured by a comparison of the carrying amount of an asset to undiscounted expected cash flows. Future events could cause the Central Treasury to conclude that impairment indicators exist and that long-lived assets may be impaired. To date, no impairment losses have been recorded.

Income Taxes - The Conference is a not-for-profit organization and is exempt from federal and state income taxes.

Contributed Materials and Services - During the two years presented, the value of contributed materials and the value of contributed services that either (a) created or enhanced a nonfinancial asset or (b) required specialized skills, was provided by individuals possessing those skills, and would have been purchased if not contributed was not material to the financial statements and has not been recognized.

Cash and Cash Equivalents - For the purposes of the statement of cash flows, the Central Treasury considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Quarterly payments of \$2,525 are to be paid to the donor until his death. Upon termination, the remaining value of the gift annuity is to be distributed to the Conference and designated for the cost to construct the Archives Room of the United Methodist Building.

YEARS ENDED DECEMBER 31, 2011 AND 2010

NOTE 4 - NOTES AND LOANS RECEIVABLE, (Continued)

The Church Development Team of the Conference makes loans to churches of the Conference for acquisitions and improvements. The loans had various repayment terms with maturities ranging from 2012 to 2021 carrying a 4.0% interest rate. Loan disbursements were paid from the Church Development Team Church Extension and Development Fund, the Revealing Christ Campaign Fund, and the Building in Faith Campaign Fund. On March 29, 2011, all of the Church Development Team loans, except the non-interest bearing Charlottesville District loan, were sold to the Virginia United Methodist Credit Union for face value. Accordingly, no gain or loss was recognized in connection with the sale.

Francis Asbury Educational Loans are made from funds given in memory of Francis Asbury. Use of these loans is restricted to assisting qualified United Methodist students in obtaining a higher education. Loan terms require payment of principal and interest (at 4%) within six years of graduation or withdrawal.

The Virginia United Methodist Assembly Center loan receivable was noninterest bearing and due on demand. During 2010, the Annual Conference forgave the Virginia United Methodist Assembly Center loan receivable in the amount of \$80,570.

The Central Treasury provides an allowance for doubtful collections that is based upon a review of outstanding receivables, historical collection information, and existing economic conditions. Delinquent receivables are written off based on individual credit evaluation and specific circumstances of the borrower. No allowance for doubtful collections is deemed necessary as of December 31, 2011 and 2010.

As of December 31, 2011 and 2010, the Central Treasury had received written intentions to give in the approximate amount of \$1,500,000 and \$2,000,000, respectively, in connection with the All Things New church development program. The intentions to give are not reflected in the accompanying financial statements.

NOTE 5 - CAMPUS MINISTRY BUILDINGS

The Conference is responsible to provide insurance coverage on eight Wesley Foundation campus ministry buildings located throughout the Conference territory. As of December 31, 2011, the insured value for these eight buildings approximates \$7,340,000. These buildings are owned by various Wesley Foundations. Accordingly, the value of these properties is not reflected in the accompanying statements of financial position.

NOTE 6 - CAMP OVERLOOK

As of December 31, 2011 and 2010, the title to the property known as Camp Overlook located in Rockingham County, Virginia is held by the Board of Trustees of the Virginia Annual Conference. The title dated March 12, 1973 is held for the benefit of those districts of the United Methodist Church which include the Virginia counties of Frederick, Warren, Page, Shenandoah, Rockingham and Augusta. Accordingly, the value of this property is not reflected in the accompanying statements of financial position.

NOTE 7 - NOTES PAYABLE

Notes payable at December 31, 2011 and 2010, consist of the following:

	2011	2010
\$4,500,000 construction loan, with interest to vary at the 30-day LIBOR rate plus .85%. Collateralized by a first lien deed of trust on real estate and improvements.	\$ 1,881,144	\$ 2,239,196

During 2002, to minimize the effect of changes in its LIBOR based debt, the Central Treasury entered into two interest rate swap contracts. The first swap contract is effective April 1, 2002 and expires April 1, 2012. Under this \$1,300,000 swap contract, the Central Treasury will pay interest at a fixed 6.91% rate and receive interest at a floating LIBOR rate plus .85%. The second swap contract was effective July 1, 2002 and was due to expire July 1, 2007. Under this \$1,200,000 swap contract, the Central Treasury paid interest at a fixed 6.51% rate and received interest at a floating LIBOR rate plus .85%. On May 12, 2006, the \$1,200,000 swap contract was restructured whereby the Central Treasury will pay interest at a fixed 6.75% rate and receive interest at a floating LIBOR rate plus .85%. The restructured swap contract has a new expiration date of May 1, 2016. In addition to interest payments, the Central Treasury is required to make scheduled principal payments in connection with both swap contracts. During 2011, the Central Treasury made an accelerated principal payment of \$258,174 on its outstanding bank debt.

Effective April 1, 2012, the Central Treasury refinanced both swap contracts and consolidated them into one loan in the principal amount of \$2,016,000. The note payable is due in fixed monthly installments of principal of \$21,000 to the year 2020, and bears interest at the rate of 3.25%. The note is secured by a deed of trust on the Virginia United Methodist office building as well as a security interest in all deposits and investments maintained by the Central Treasury with the lender institution. In connection with the April 1, 2012 refinancing, an early termination loan fee was incurred by the Central Treasury in the amount of \$148,905.

The scheduled maturities of debt for the next five years, reflecting the April 1, 2012 refinancing, as of December 31, 2011 are as follows:

<u>Year</u>	<u>Amount</u>
2012	\$ 182,049
2013	252,000
2014	252,000
2015	252,000
2016	252,000

Interest paid and expensed for the years ended December 31, 2011 and 2010 was \$131,868 and \$141,235, respectively.

NOTE 8 - RETIREMENT PLANS

Ministerial and lay employees of the Conference are eligible to participate in pension plans offered by the United Methodist Church. U.S. bishops, conference members, and local pastors under Episcopal appointment are eligible for pension coverage under the Clergy Retirement Security Program (CRSP), formerly the Ministerial Pension Plan (MPP).

In addition to the CRSP, certain ministerial employees are provided disability and death benefits as well as certain minimum benefits related to pension coverage through participation in the Comprehensive Protection Plan (CPP).

CRSP and CPP are defined contribution plans which currently encourage a three percent employee contribution and call for a 16.4 percent employer contribution (12 percent for CRSP and 4.4 percent for CPP). The contribution is limited to approximately the first \$61,700 of employee wages. CRSP and CPP pension expense for the Central Treasury amounted to approximately \$314,500 and \$320,000 for the years ended December 31, 2011 and 2010, respectively.

Conference lay employees are eligible for pension coverage under the United Methodist Personal Investment Plan (UMPIP), formerly the Cumulative Pension and Benefit Fund (CPBF). UMPIP is a defined contribution plan which currently calls for a three percent employee contribution and a nine percent employer contribution. UMPIP pension expense for the Central Treasury amounted to approximately \$101,000 and \$111,000 for the years ended December 31, 2011 and 2010, respectively.

YEARS ENDED DECEMBER 31, 2011 AND 2010

NOTE 8 - RETIREMENT PLANS, (Continued)

The General Board of Pension and Health Benefits of the United Methodist Church, as a matter of its own policy, has changed certain retirement plan provisions from guaranteed to market-based yield agreements, and vice versa. This change in policy may have a direct effect on the Conference's benefit obligation including the obligation in connection with Supplement One to the Clergy Retirement Security Program, commonly referred to as the Pre-82 Pension Plan, and it could eventually result in the Conference's assumption of greater future benefits and related necessary increases in retirement contribution levels, which may result in a material adverse effect on the financial position of the Conference. These factors create some uncertainty about the Conference's ability to continue to fund current operations. The accompanying financial statements do not include any adjustments related to these contingencies.

NOTE 9 - COMMITMENTS

At December 31, 2011, the Church Development Team of the Conference has committed grants and loans for the purpose of building new churches in connection with the Revealing Christ Campaign for approximately \$308,000. Additionally, the Church Development Team has committed grants and loans to churches for approximately \$443,000 in connection with the Church Development Team Church Extension and Development Fund.

On December 13, 2011, the Central Treasury entered into a contract for the purchase of land and construction of a new Episcopal residence in the approximate amount of \$465,000. The construction of the residence is expected to be completed in 2012.

NOTE 10 - CONCENTRATIONS OF CREDIT RISK

Financial instruments which potentially subject the Central Treasury to concentrations of credit risk consist primarily of investments and cash and cash equivalents. The Central Treasury places its investments and its cash and cash equivalents with creditworthy institutions and diversifies its holdings among entities, thereby limiting the amount of credit exposure to any one entity. As of December 31, 2011, the Central Treasury has \$3,147 of cash deposits in excess of federally insured limits being held by a federally insured financial depository institution.

The investments of the Central Treasury, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. In addition, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

NOTE 11 - CONTINGENCIES

The Conference, from time to time, is a defendant in civil actions. The Conference intends to vigorously defend the claims asserted against it by all claimants. Management believes that any ultimate liability arising from these actions should not have a material adverse effect on the financial position of the Conference. Due to uncertainties in the settlement process, it is at least reasonably possible that management’s estimate of any ultimate liability will change within the near term.

NOTE 12 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The Central Treasury’s investments are reported at fair value in the accompanying statement of financial position.

NOTE 12 - FAIR VALUE OF FINANCIAL INSTRUMENTS, (Continued)

Generally accepted accounting principles establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Central Treasury uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, The Central Treasury measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair values of equity funds, bond funds, index funds and money market funds are based on quoted market prices.

The carrying amounts of financial instruments including cash and cash equivalents, accounts receivable and promises to give approximate fair value at December 31, 2011 and 2010, because of the relatively short maturity of these instruments.

The carrying value of notes receivable and notes payable approximate fair value at December 31, 2011 and 2010, based on the lending rates currently offered for loans with similar terms and maturities.

NOTE 13 - GENERAL OPERATING FUND

At December 31, 2011 and 2010, the components of the General Operating Fund are as follows:

	2011	2010
Council on Finance and Administration Reserve Fund	\$ 167,278	\$ (46,248)

During 2010, the Central Treasury transferred the deficit positions of the District Superintendent’s Fund, the Equitable Compensation Commission Fund and the UM Building Debt Service Fund to the Council on Finance and Administration Reserve Fund.

NOTE 14 - VIRGINIA UNITED METHODIST ASSEMBLY CENTER

In 2010, the Annual Conference approved the transfer of title of the Virginia United Methodist Assembly Center property, including land with a carrying value of \$133,344, to the Virginia United Methodist Assembly Center Corporation. During 2011, the title was transferred and the Annual Conference recognized a loss on the disposition of land in the amount of \$133,344.

NOTE 15 - SUBSEQUENT EVENTS

The preparation of the financial statements includes an evaluation of subsequent events through July 23, 2012, which is the date that the financial statements were available to be issued.

Effective April 1, 2012, the Central Treasury refinanced both swap contracts and consolidated them into one loan in the principal amount of \$2,016,000. The note payable is due in fixed monthly installments of principal of \$21,000 to the year 2020, and bears interest at the rate of 3.25%.

In May 2012, the Annual Conference entered into a contract with a third party to sell the current Episcopal residence for \$419,000. The closing date for this sale took place on July 9, 2012.

No provision has been made in the accompanying financial statements related to these matters.

IX. REPORTS OF CONFERENCE BOARDS AND AGENCIES

[Editor's Note: The following reports are reprinted from the *2012 Book of Reports*. To find actions taken or changes made in the reports, refer to Section IV. DAILY PROCEEDINGS of this *Journal*. The report from the Council on Finance and Administration will be found in Section VII. FINANCIAL REPORTS of this *Journal*.]

THE COMMITTEE ON RULES

At the request of the bishop and the Common Table, the Rules Committee focused a good deal of attention this year on developing a Consent Agenda for sessions of the Annual Conference. This is a parliamentary procedure which allows the group to vote on a group of non-controversial items without discussion. A Consent Agenda has been used successfully at General Conference for many years and is also being implemented in several annual conferences. With Annual Conference being shortened this year, the committee thought it appropriate to look at the Consent Agenda as a way to allow the Annual Conference to focus more time on issues requiring discussion.

The committee looked at models for Consent Agendas from several annual conferences, and a task force developed a proposal which was endorsed by the Common Table. Basically it allows for the bishop, in consultation with a Consent Agenda Committee (composed of the conference Secretary, the conference Lay Leader, the chair of the Rules Committee, and the director of Connectional Ministries), to place on a Consent Agenda items distributed in pre-Annual Conference materials that require no action other than reception as reports. Any item may be removed from the Consent Agenda by a motion approved by the majority of the Annual Conference at the first business session. That item would then be placed on the regular agenda.

If this change to the Rules is approved, it will be implemented at this (2012) Annual Conference.

In other items referred to it, the Rules Committee dealt with two requests from the Common Table. One was a change to the organization of the Personnel Committee that allowed the Common Table to appoint the chair of the Personnel Committee, rather than requiring the conference Lay Leader to serve as chair. Another change dealt with eliminating the nomination of standing alternates to the Common Table by the conference Leadership Discovery and Development Team. The Rules Committee endorsed these changes.

The Rules Committee also dealt with restructuring issues for two conference agencies. It is recommended that Section V.B. 16. (new numbering) be changed to reflect the reduction in the size of Virginia United Methodist Pensions, Inc., from 30 to 24. The committee also approved changes to the responsibilities of the Directing Board of the Board of Discipleship in V.A.4.c. referred by the director of Inclusivity and Lay Leadership Excellence. The Rules Committee also adopted a substitute paragraph concerning the Virginia United Methodist Foundation (V.B. 10.) that more fully reflected its structure and purpose.

At the request of the director of Congregational Excellence, the Rules Committee is recommending an addition to VI.D. that encourages districts to include lay persons from non-chartered faith communities in the members-at-large they elect to Annual Conference.

Other recommended changes to the Rules are basically editorial around the creation of the Bishops' Foundation and the reduction of number of districts from 18 to 16.

RECOMMENDATIONS

Insert and renumber: "II.E. CONSENT AGENDA

Agenda items and reports not requiring action by the Annual Conference other than a vote to receive said item for publication in the Journal, shall be placed on a Consent Agenda. For any item or report to be eligible for placement on the Consent Agenda, it must have been distributed in the pre-conference materials. Determination of items to be placed on the Consent Agenda shall be made annually by the bishop in consultation with the Consent Agenda Committee. This committee shall be composed of the conference Secretary, the conference Lay Leader, the chair of the Conference Rules Committee, and the director of Connectional Ministries. An individual item may be removed from the Consent Agenda by a motion to that effect which is approved by a majority of the members of the Annual Conference, provided that such motion must be presented and approved during the first business session of the Annual Conference. When an individual item has been removed from the Consent Agenda, it shall be placed into the regular agenda."

V.A.4.c. Replace the second paragraph with: "The Directing Board will consist of the following ten (10) members: three officers (chair, vice chair and secretary) to be elected by the Annual Conference, the chair of the Best Practices Group, the chair of the Connecting Group, and five (5) Regional Network Leads. In addition, the Bishops' Foundation will be represented by one person with voice but no vote. The Directing Board will select individuals to serve as leads of the Regional Network Teams. The Regional Network Leads will be ex officio members of the Directing Board with voice and vote."

Replace the fourth paragraph with: "Members of the Regional Network Teams will be selected by the Regional Network Leads, in consultation with the Directing Board, based upon best practices research."

Replace the fifth paragraph with: "Each age-level council will meet at least annually as the conference council for the respective ministry areas (with additional members as required by conference Rules and the *Book of Discipline*, if any) for: (a) sharing of the best practices in their regions, (b) training which will enhance their service to the faith communities within each region, (c) coordinating of conference programs and initiatives as appropriate, and (d) serving as resources to the Regional Network Teams."

V.A.4.d. Replace the second paragraph with: "The membership of the board shall be 20 with 6 or 4 persons (one-half lay and one-half clergy) elected each year to replace outgoing classes."

V.A.4.f. in the third sentence, change "eighteen (18) district lay leaders" to "sixteen (16) district lay leaders."

Insert and renumber: "V.B.3. **Bishops' Foundation.** There shall be a Bishops' Foundation whose purpose is to provide training for leadership development of both lay and clergypersons of the Virginia Conference of The United Methodist Church in the areas of evangelism and preaching in the Wesleyan spirit, and whose Board of Directors shall consist of nine (9) directors nominated by the Cabinet of the Virginia Conference and elected by the Annual Conference: five (5) clergy members and four (4) lay members serving for staggered terms of three (3) years after the initial term of 1, 2, and 3 years. The director of Connectional Ministries of the Virginia Conference or his/her designee will serve as an *ex officio* member of the Board of Directors."

V.B.10. Replace with: "V.B.11. There shall be a United Methodist Foundation organized with responsibilities as set forth in the *2008 Book of Discipline* ¶2513 and pursuant to the charter heretofore approved by the Annual Conference in 1970; eighteen (18) of the thirty (30) trustees shall be elected by the Annual Conference."

V.B.15. Change to V.B.16. and replace the first sentence with: “This agency, which is incorporated as Virginia United Methodist Pensions, Inc., shall be composed of twenty-four (24) members in two classes serving eight-year terms. It is recommended that all classes consist of one-third laywomen, one-third laymen, and one-third clergy. Any clergy member of the conference or lay member of a church within the conference who is a member of the General Board of Pension and Health Benefits shall also be a member of the agency *(2008 Book of Discipline ¶639.2a)*
Delete the second paragraph.

VI.D. Insert after the second sentence: “Districts are encouraged to include members-at-large from non-chartered faith communities being served by clergy with voting rights at Annual Conference, provided that they meet the provisions of *2008 Book of Discipline ¶602.4*.

Charter for the Common Table for Church Vitality

II.B. Change “Goodson Foundation and Stockton Academy of Evangelism” to “The Bishops’ Foundation.”

III. Delete the third sentence.

IV. After the first sentence, delete everything until the ninth sentence, beginning: “If a person is elected to fill an unexpired term ...” Delete the last sentence of the first paragraph.
In the second paragraph, first sentence, delete “and no alternate exists.”

VII. Replace the second sentence with: “The Common Table shall appoint the chair of the Personnel Committee.”

In closing, I want to express deep appreciation for faithful service to Brenda Biler, Carl Bundick, Al Lynch and Nan Pointer, who are rotating off the Rules Committee, and to Patricia Jones, who is resigning.

The Rev. Stephen G. Bray, Chair

THE COMMISSION ON ETHNIC MINORITY CONCERNS AND ADVOCACY

The Commission on Ethnic Minority Concerns and Advocacy (CEMCA) continues to live into its new structure by identifying objectives and strategies in moving toward its mission of serving as a prophetic voice for the full and equal participation of ethnic and racial constituents into the total life and mission of the Virginia Conference. These objectives and strategies focus on three areas of emphasis:

- Leadership Excellence: Supporting clergy and laity in developing and strengthening the racial/ethnic church for witness and ministry.
- Congregational Excellence: Articulating ways to celebrate and strengthen our coming together on the local church, district and conference levels.
- Missional Excellence: Encouraging faith communities to reach beyond their walls in mission and global justice.

Highlights of work in specific racial/ethnic ministry areas during the 2011-2012 conference year include:

- The Working Group on Immigration by far the most ethnically and culturally diverse planning team for any event in the Virginia Conference, hosted the “Bishop’s Convocation: A Faith-Based Response to the Issue Surrounding Immigration” on Oct.1, 2011, at Grace UMC in Manassas. Jim Perdue Burke, a missionary with the General Board of Global Ministries working directly with the National Plan for Hispanic/Latino Ministry, was the keynote speaker. The involvement of so many with diverse backgrounds in the planning and leadership of the event was a truly great accomplishment for our conference.

- On Jan. 9, a meeting of Latino pastors in the conference was held to accomplish three objectives: (1) development of a more formal support system for our Latino pastors; (2) establishment of teams to assist Anglo churches that desire to reach into the Latino communities around them; and (3) sharing stories of the transformational ministries that are happening in and through our Latino congregations. This was the first time that a gathering occurred on the conference level of only our pastors of Latino heritage and others directly involved in our Latino ministries. Previous meetings had included any and all persons interested in Latino ministry. This is a result of a desire among our Latino pastors to identify ways of offering greater support to one another.

- A full house of 85 participants representing congregations from across the conference filled the largest meeting space at the United Methodist Center in Glen Allen on Feb. 18 to hear Dr. Fred Allen, director of the denomination’s Strengthening the Black Church for the 21st Century (SBC21) ministry, talk about “crunch time” for making new disciples and moving the church forward. This event followed several years of Common Table support for an African American church resource team and specialized programming. The goal of this consultation with Dr. Allen was to begin a process of developing a strategic plan to better support and nurture leadership and congregational development in our existing predominantly African-American churches as well as to explore new church development possibilities in the Virginia Conference. Feedback and ideas offered during the consultation will be used along with work completed by various groups in recent years to identify next steps. As a result of the event, two of our predominantly African-American churches have started the process of becoming SBC21 Partner Congregations. This partnership provides for collaboration with Congregation Resource Centers across the denomination for training, direct coaching, empowerment and nurture.

- The Asian-American Pastors Association hosted a pilgrimage for spiritual renewal to Bupyeong Methodist Church in Incheon, South Korea. The event took place Oct. 27- Nov. 3, 2011. Under the co-leadership of Revs. M.J. Kim and Young Jin Cho, the pilgrimage was a prayer-based ministry intended for spiritual renewal by visiting and learning the fruits of the seeds American missionaries planted a century ago and experiencing contextual hands-on missions and ministries. CEMCA also offered financial support for the third Asian Pastors’ Family Retreat in December.

- The Conference Committee on Native American Ministries awarded two grants totaling \$9,600 from the Native American Ministries fund. These grants were provided to the Eastern Division of the Chickahominy Indians in support of cultural renewal work and the Lynchburg District (through Marsh Memorial UMC) for a Monacan Tribe Pow Wow event.

THE COMMISSION ON THE STATUS AND ROLE OF WOMEN

The mission of the Commission on the Status and Role of Women (COSROW) is to challenge The United Methodist Church at all levels to work for full and equal participation of women in the total life of the denomination, including ordination of women, equal access to policy making and recognition that Jesus Christ calls men and women alike to salvation, liberation, discipleship and service in church and society. The Virginia Conference COSROW advocates for the full participation of lay and clergy women and girls at every level of church life. We also monitor all sessions of Annual Conference and conference committee meetings throughout the year to ensure that women are represented, heard, and given opportunities to serve.

At the 2011 Annual Conference, COSROW joined with the Commission on Ethnic Minority Concerns and Advocacy (CEMCA) and Commission on Disabilities (COD) to share the responsibility for monitoring the participation of women, minorities and persons with disabilities in the leadership roles of the church as represented by on-stage and at-the-microphone presence throughout Annual Conference. The statistics again showed that in planned segments, such as worship services and special reports, participation was fairly inclusive with evenly distributed involvement of clergy and lay, men and women. Moreover, we are pleased to report that there was a 3 percent increase in minority participation and 12.5 percent increase in youth/young adult participation from the previous year. These increases are commendable, but if we are to reflect God’s diversity we need to encourage opportunities for all God’s people to come to the table. It continues that in most reports from groups and during speeches from the floor of Annual Conference, the participants were overwhelmingly male and clergy.

The following chart summarizes the overall averages of 2011 Annual Conference participation by categories of interest to the Virginia Conference:

Category	Monitored Sessions – Average throughout Conference
Female	35.7%
Male	64.3%
Racial/Ethnic	15.7%
Youth and Young Adult	21%
Clergy	47%
Laity	53%

During the past year, Virginia Conference COSROW continued to use green communication tools such as e-mailing every clergy woman a copy of *The Flyer*, a newsletter published by the General Commission on the Status and Role of Women (GCSRW). Available through the GCSRW website <www.gcsrw.org>, along with a variety of awareness and training information, *The Flyer* offers updates on women’s issues and provides suggestions for relevant resources.

While COSROW also uses teleconferencing tools when possible to minimize in-person meetings, we also recognize the value of gathering in person to share our stories and encourage each other in our mission. We look forward to meeting jointly with CEMCA and COD in September to discuss our common concerns of inclusivity for all God’s children in The United Methodist Church.

THE BOARD OF TRUSTEES

The Conference Board of Trustees met for its regularly scheduled meetings plus an additional conference-call meeting.

Following the 2011 Annual Conference, Bishop Kammerer appointed an Episcopal Residence Building Committee, which worked in conjunction with the Conference Board of Trustees, to discern the best location for a new episcopal residence. Given the options (1) of purchasing an already constructed house which met conference parsonage housing standards, ADA requirements, and certification as a “green” house with energy efficiency, (2) purchasing an already constructed house and re-structuring the house to meet the same standards previously described; or (3) building a new episcopal residence, it was determined that the building of a new residence would be the optimum choice. The location, recommended by the Episcopal Residence Building Committee, Triple Oaks subdivision, in Hanover County, approximately a 15-minute drive from the United Methodist Center in Glen Allen, was agreed upon by the conference Board of Trustees. The Episcopal Residence Building Committee recommended a Kensington model floor plan with modifications, to be built by Main Street Homes. This also was acceptable to the Board of Trustees. The contract was signed by officers of the Trustees, and the ground-breaking has taken place. We anticipate that the new episcopal residence will be completed by Aug. 1, 2012.

The current episcopal residence was to be placed on the market for sale in May.

Most of the planned repairs and upgrades to the United Methodist Conference Center have been completed. Solar panels have been installed and dedicated.

The Conference Trustees continue to move forward in addressing property issues related to discontinued and/or abandoned churches in the Virginia Conference.

The Articles of Incorporation of the Board of Trustees of the Virginia Annual Conference of The United Methodist Church are currently in the process of being amended in order to be in agreement with The *2008 Book of Discipline*.

It was with deep sadness that the Board of Trustees accepted the resignation of Edwin Harless, who served faithfully on the board for many years. In addressing the vacancy created by Ed Harless’ resignation, the Board of Trustees elected William “Bill” Long to fill the vacancy until Annual Conference

James E. Hedrick Sr., vice president of the Conference Trustees, claimed the promise of the Resurrection on November 9, 2011. We give thanks to God for Jim’s years of faithful service to the conference Trustees.

With Jim Hedrick’s death, a vacancy was created; the Board of Trustees elected Patricia “Pat” Wright to fill the vacancy until Annual Conference.

The Rev. Sallye E. H. Bowen, President

THE EPISCOPAL RESIDENCE BUILDING COMMITTEE

The 2011 Annual Conference approved a recommendation to establish an Episcopal Residence Building Committee to either purchase an existing home that meets conference Parsonage Guidelines, ADA requirements, and is energy-efficient, or purchase an existing home with a plan to renovate to meet the previously listed standards, or purchase a tract of land on which to construct a new home.

Bishop Kammerer appointed the following Episcopal Residence Building Committee: Lee Sheaffer (chair),Tommy Herndon, Shirley Huffman, Craig Lane, Albert Lee, Kirk Nave, Martha Dodd-Slippy, Pat Wright and David Dommissie (conference staff). The committee met for the first time on July 27, 2011. It explored homes available for purchase or renovation to meet the required standards within a 20-mile radius of the United Methodist Center in Glen Allen. After extensive exploration and research it was determined that no homes meeting the required standards were currently available. The committee then explored construction companies for possible sites and plans to meet the desired results.

The committee kept the conference Board of Trustees, the Episcopal Committee and CFA informed of its actions after each meeting. After due diligence the committee recommended that a contract be entered with Main Street Homes to construct a Kensington house on a one-and-a-half acre lot in the Triple Oaks Subdivision, which is eight miles from the United Methodist Center, north on Staples Mills Road (U.S. 33). The house will be fully handicapped accessible, meets ADA requirements, and qualifies for Star Energy Efficient certification.

The conference Episcopal Committee and CFA approved the recommendation. The Conference Board of Trustees approved the recommendation on Dec. 2, 2011, and authorized two members of its board to enter a contract with Main Street Homes for the Board of Trustees of the Virginia Conference.

The present episcopal residence went on the market on May 15. The new episcopal residence is scheduled to be completed with closure

scheduled for Aug. 1.

The 2011 Annual Conference further authorized that CFA would make available up to \$200,000 for securing the newly constructed residence and selling the present residence. It is anticipated that this will be accomplished for under \$100,000.

The Rev. Lee Sheaffer, Chair

THE CABINET

The conference year began with a redistricting plan, reducing the number of districts in the Virginia Conference from 18 to 16. This resulted in the realignment of churches on districts. Transitioning into these new relationships often required decisions related to shared leadership, property, gathering space and the rhythms of ministry. It also provided an opportunity to be reminded of our connectional relationships and our mission “to make disciples of Jesus Christ for the transformation of the world” as we celebrate shared ministry.

Last summer, the Cabinet learned of the Vital Congregations project. Following a study commissioned by The United Methodist Council of Bishops and the Connectional Table to better identify the key activities of vital congregations, the Council of Bishops, issued a Call to Action report. The 2011 charge conference season was focused on sharing resources and the expectation that each local church would be submitting numeric and narrative goals for the next quadrennium related to worship attendance, professions of faith, new members, small groups and mission giving. Bishop Kammerer presented the Virginia Conference goals as an offering at the 2012 General Conference. Dialogue is taking place to ensure a singular focus for the Virginia Conference, with regard to the Vital Congregations project and the conference All Things New: Fruitful and Multiplying.

In April 2011, the Cabinet partnered with the Board of Ordained Ministry to develop a process to fulfill *Book of Discipline* ¶430.4 (preparation for clergy and congregations for cross-racial/cross-cultural appointments). A Cross-Cultural/Cross-Racial Resource Team has been formed to offer ongoing cultural competency training and support to: 1) Clergy entering or serving in cross-cultural/cross-racial appointments; 2) Lay leadership in churches receiving cross-cultural/cross-racial appointments; 3) The Board of Ordained Ministry and District Committees of Ordained Ministry; and 4) The Cabinet. Kaleidoscope, Inc., trained this Resource Team on June 12 and again on September 24-26. The Cabinet, conference Board of Ordained Ministry and District Committees of Ordained Ministry will be trained Sept. 27. The Cabinet is developing a process for making cross-cultural/cross-racial appointments and support systems for the pastors and churches involved. The Fredericksburg District is developing a cross-cultural immersion experience for clergy and laity to grow in their cultural competency. As the communities around our churches continue to grow in diversity, we must be prepared and ready to welcome pastors and community members of all different cultures and races. The kingdom of God depends on us.

Finally, at this 2012 Annual Conference, we thank God for the ministry of Bishop Charlene Kammerer and her husband, Leigh. Through their faithful, indefatigable leadership over the past eight years, we have seen the grace of God, heard the words of Christ as all are welcomed to the table, and have been touched by humble servant leadership. May God bless their continuing journey.

The Rev. Dr. Brenda J. Biler, Dean

THE BOARD OF ORDAINED MINISTRY

The Board of Ordained Ministry is called to identify, examine, develop and support those persons who would lead the Church in making disciples for the transformation of the world, in the order of elder, the Virginia diaconate (which includes the order of deacon, diaconal ministers and deaconesses) and the fellowship of local pastors and associate members, and the various fields of certified professionals. Our full report on those who are recommended for licensing, associate membership, commissioning and ordination has been reported to the clergy executive session for its action.

On Jan. 1, 2012, the conference launched the new Center for Clergy Excellence, where the Board of Ordained Ministry will now reside. The Rev. Beth Downs is the director of Clergy Excellence. This new center will provide resourcing to develop, train and support clergy leaders in light of the conference’s core values of excellence and fruitfulness. The center will collaborate with the other ministry centers related to the Common Table as new initiatives are developed.

In the 2011 clergy age trends report of the Lewis Center for Church Leadership, the Virginia Conference has the highest number of young clergy under the age of 35 among conferences in the United States. We are also in the top 10 with the highest percentage of young clergy under the age of 35.

The *Calling 21* program continues to cultivate local churches that will serve as calling congregations and host summer interns; this summer there will be seven interns serving these faith communities: Basic, Braddock Street, Spirit and Life, St. John’s (Eastern Shore), St. Luke’s (York River) and Williamsburg. An exploration event for high school students, called SERVE, will be held in Virginia, in partnership with Randolph Macon College, and will be held Aug. 5-7. You can register at <www.vaumc.org>.

Following a study by a joint task force between the Board of Ordained Ministry and the Cabinet, we have begun to use the Emotional and Social Competency Inventory (ESCI-U) in order to evaluate more carefully the interpersonal skills of candidates for ministry.

In the areas of development and support, we have two new initiatives: The Virginia Conference has been awarded a \$20,000 grant from the General Commission on Religion and Race to develop and train a cross-cultural/cross-racial resource team. This initiative emerged from a partnership between the Board of Ordained Ministry and the Cabinet, with assistance from Martha Stokes, conference director of Inclusivity and Lay Leadership Excellence. During the next six months, specialists will work with the team members to equip them for their ministry. The new team will offer cultural competency training and support to clergy and lay leadership in cross-cultural/cross-racial appointments, the Board of Ordained Ministry, district committees on ordained ministry and the Cabinet.

In the church size initiatives, two-day training was held for large church lead pastors and church staffs in the fall of 2011. The next event for large church lead pastors will be on Oct. 31 with a focus on preaching, led by the Rev. Dr. James Howell of Myers Park UMC in Charlotte, N.C. The mid-size church lead pastors gather annually; their next event will be on Nov. 1 with a focus on strategic planning, goal-setting, and leading change, led by Dr. Gil Rendle. A new small church leadership team, formed in partnership with the Center for Lay Leadership Excellence, will begin its work in July.

This year, a task group developed resources and sample job descriptions for associate pastors. These can be found at the conference website, <www.vaumc.org>. In support of seminary students, we gave Pell Grants, service loans and scholarships totaling \$89,000 to 23 persons during 2011.

God continues to summon spiritual leaders to meet the challenges and seize the opportunities to make disciples of Jesus Christ for the transformation of the world. Persons who are interested in pursuing God’s call to clergy leadership are encouraged to contact their local church pastor, district superintendent or the Center for Clergy Excellence.

The following persons have been approved for professional certification: Children’s Ministry – Patricia T. Granberg; Older Adult Ministry – Annette Pomeroy.

The Rev. Jeffrey P. Mickle, Chair

THE BOARD OF LAITY

Since the 2011 Annual Conference approved our restructuring, we have been living into this new structure for our ministry to the laity in the Virginia Conference. We continue to be advocates for laity in all areas of ministry. Our hope and prayer is that all laity will be equipped and empowered to help lead the church in transforming the world as disciples for Jesus Christ.

The conference Board of Laity helped to create a culture of call by sponsoring a one- day VocationCARE Event on March 24 at Good Shepherd UMC. The event was led by the Rev. Alan Combs and the Rev. Jessie Squires and was attended by teams from districts.

Having been approved by the 2011 Annual Conference, the three new teams of Engaging, Equipping and Empowering began their work in the fall of 2011:

The Engaging Team (Holistic Stewardship), led by Bob Forrest, met in September to plan its work for the future. The team focused on teaching about God’s gifts, and how to form a stronger call for laity. It is part of our tradition to “offer them Christ” and remember our commitment of our prayers, presence, gifts, service and witness. To further strengthen the mentoring between the district lay leaders and local lay leaders, better training and improved communications were proposed. It is the goal of each team to partner with the clergy to live out God’s call to transform the world.

The Equipping Team, led by Kathy Lutman, continues to explore and live into this new structure. Several first year goals have been set:

- Training of new district Lay Leaders;
- Working with conference staff to resource Leadership Development and Nominations Committees;
- Inventorying current training opportunities and resources and having them listed on the conference website;
- Supporting the directors of Lay Speaking Ministries in developing new training opportunities though the Lay Servants Academy.

In the upcoming year the team will strive to educate and make available additional leadership training and resources for the equipping of the laity of the Virginia Conference.

The Board of Laity started working on empowering over a decade ago with the new leadership style of “Partners in Ministry,” which focused on lay-clergy partnership in shared ministry. Under the new structure the Empowering Team, led by Darlene Amon, established several certainties: 1) In God’s design ALL baptized Christians are called into ministry; 2) Laity need to stop being complacent and realize ministry is more than serving on a committee; 3) Clergy must train laity for ministry according to their gifts, then let go of the task so laity can serve; 4) Partnership includes trust, relationship, win-win, etc.

The Empowering Team is also working on a training piece suitable for districts and local churches, which will emphasize the above realities. To effectively deliver this instrument, the team conducted a survey of the current methods of communication used in our districts. The results follow: power point and DVD is best for training; computer is best for gathering information; district newsletters and hand-outs are the best avenues for sharing Lay Speaking information, and the percentage of local church lay leaders with computers range from 50 to 95 percent.

The Empowering Team looks forward to sharing this new training material during the upcoming year for we are all called into ministry!

Lay Speaking Ministries, led by Johnnie Draughon, have adopted the name “Lay Servants” in the Virginia Conference. We know that our more than 1,500 Certified Lay Speakers (CLS) and Local Lay Speakers (LLS) are involved in all aspects of ministry in their local churches, districts and the conference. Our lay speakers are using their spiritual gifts to teach, sing, tell stories, lead small groups, chair and serve on committees, and serve on mission teams – locally, nationally, and internationally. Many have been called to minister to our shut-ins, prisoners, children, the homeless, serve as Supply and Certified Lay Ministers, all helping to “Make disciples for the transformation of the world.”

There are 19 Advanced Lay Speaking courses in leading, caring and communicating ministries which provide an ideal foundation for supporting the Board of Laity’s structure of engaging, equipping and empowering the laity of the Virginia Conference. To that end we have opened our more than 80 Basic and Advanced Lay Speaking courses at the conference and district levels to anyone desiring to learn more about a particular ministry. Our prayer is that many of these students, after learning about the many types of ministry available through the program, will elect to pursue certification as a lay speaker. Since we just started this program actual numbers are not available – we did have 40 non-CLSs take advanced courses at the 2012 academy. We also try to expose our CLSs to a wide assortment of ministry opportunities during shared fellowship time at our training events and by providing opportunities for various ministries to address our students. We have also invited other ministries to provide their advance training simultaneously during academy.

Paul reminds us in Roman’s 10 of the prophet Isaiah’s words, “How beautiful are the feet of those who preach the good news.” Our prayer is that the laity of the Virginia Conference will all have “beautiful feet.”

For the last three years the Lay Servant Academy, led by David Bailey, has continued to gradually change its focus along with the direction set conference-wide by the district directors of Lay Speaking and approved by the Board of Laity. First was to engage prospective lay speakers in roles that were broader than just filling the pulpit as a substitute. Next we added emphasis moved to equip more laity than just lay speakers using the existing curriculum and allowing persons to participate that were not necessarily on the track for certification as a lay speaker. The most recent addition was to empower lay servants to explore other ministries by offering mini-courses that allowed participants to sample six different topics in the weekend or concentrate on one area with a full ten-hour class. Twenty-five percent of the attendees this year chose the mini-courses. This has encouraged us to develop recommendations for more diverse course offerings in future Lay Servant Academies.

Gifts have been presented to outgoing District Lay Leaders Susie Wolf (Farmville) and Becky Breeding (Harrisonburg). District Lay Leader pins were presented to Johnnie Morris (Farmville), Gene Cross (Arlington) and Rodney Bussard (Harrisonburg).

As my term as Virginia Conference Lay Leader comes to an end, I want to express my thanks to all of those who have served on the Board of Laity over the last six years and for your love and support for me. I want to thank Bishop Kammerer for her constant support and care. Without Martha Stokes and Cindy Ingroff, I would not have been able to do this important work and I thank them for all the many ways they have been supportive and helpful. I also thank the Rev. Marc Brown and all of the conference staff — you are amazing! And to all of you across this wonderful annual conference, I thank you for your support and for your prayers. Please continue to call me if I can be of assistance.

Shirley Cauffman, Conference Lay Leader

THE VIRGINIA CONFERENCE UNITED METHODIST MEN

The primary purpose of United Methodist Men (UMMen) is to declare the centrality of Christ in the lives of men and in all their relationships. Accordingly, Virginia Conference United Methodist Men works with district organizations in developing programs to meet the needs and interests of men of all ages.

Our districts have adjusted to the realignment of going from 18 to 16 districts. We have district presidents in 14 of those 16 districts. Our chartered fellowships have dropped below 300, which is alarming, as we have 1,192 local United Methodist congregations in our conference.

We had 341 charters in 2008 and need to achieve that goal again. Charters are a very important part of the organization of the UMMen. The charter is the connectional link that binds all of our local units together in ministry and provides the major source of the funding of our General Commission of the United Methodist Men, which in turn can provide the needed resources for doing ministry together. It is through chartering that the General Commission raises more than 78 percent of its operational budget and could, with some effort toward chartering, become the only commission that is self-funded.

Virginia UMMen continues support and advocacy of the Heart Haven’s homes to reach out to those with intellectual challenges in life. Our online fund-raising campaign for Heart Haven’s Endowment Fund for the ongoing maintenance of the existing and future Heart Haven’s homes did not meet the anticipated expectation. We will continue efforts to increase the Endowment Fund until the goal is achieved.

Last year we signed a covenant agreement at Annual Conference establishing Disciple Bible Outreach Ministry (DBOM) in the Virginia Conference. This is a prison ministry of taking the *Disciple* Bible studies to those in prison. I am pleased to report DBOM of Virginia is on the move. It has achieved 501(c) 3 status and trained and certified a core of men and women to go into the prisons. We have identified the following prisons and juvenile correctional centers to have the *Disciple* Bible study in this year: Beaumont Juvenile, Deep Meadow, Dillwyn, three units at Greensville, the Virginia Correctional Center for Women and Sussex II. These facilities already have *Disciple* Bible study or are slated to begin the study.

The Wesleyan Building Brothers process completed the second generation of Spiritual Fathers and has moved into the third generation. This process enables men to experience first-hand spiritual formation of the heart, the pursuit of God and the full meaning of what is a mature follower of Jesus Christ. The revitalizing aspect of the process affects not only the men in the process but also reaches into the homes, churches and community.

Virginia United Methodist Men believe strongly in making Jesus Christ the center of our lives. We are adamant about “being” disciples so that we can fulfill the great commission to “go and make disciples.” It is in that Christ’s power that we endeavor to “be doers of the word and not hearers only.” It is through this transformation of the hearts of men that we work to fulfill the vision set forth by the Virginia Conference and The United Methodist Church.

Jim Green, President

THE VIRGINIA CONFERENCE UNITED METHODIST WOMEN

The 2011-2012 goals were set by the Virginia Conference United Methodist Women (UMW) Executive Committee to help us live out and exemplify for others our vision of “Turning Faith, Hope, and Love into Action” on behalf of women, children, and youth around the world. Strongly believing in more prayer more power, we committed to utilize the Prayer Calendar and encourage all members to join us praying daily for mission personnel and projects and our church and conference leaders. Our districts and local churches are drawn closer to God and to each other through Bible studies, district prayer breakfasts, spiritual life retreats, and prayer partners between conference Mission Team members and their counter-parts among the districts.

The districts and local churches are where most of the work of the UMW is done. The conference UMW has provided opportunities for learning about leadership through officer training, about mission at the School of Christian Mission (co-sponsored with the conference Board of Global Ministries), about engaging in social action at United Methodist Day at the General Assembly, and about spiritual growth at the Spiritual Life Retreat — all of which are enhanced by a strong Reading Program. Annual events are intended to inspire us to live out our vision. The frequent communications between mission team members and their counterparts sharpen the focus on our vision and strengthen and encourage us to achieve our goals.

At the July 2011 School of Christian Mission, participants had the opportunity to attend two studies: The Journey: forgiveness, restorative justice and reconciliation and either the study of Haiti, challenges and hope or Joy to the World. Newsletters from the districts indicate many of the districts and local churches held mini-schools of mission on one or more of the topics studied.

The theme for the 39th conference annual meeting was “All Things New In Christ: Walk with Wholeness.” Dr. Jennifer Braaten, president of Ferrum College and our keynote speaker, gave an inspirational and motivational presentation that was held in high regard by the assembly. The 16 district presidents were introduced to the assembly after processing in, each wearing a red sash with her district monogrammed in black. This provided an opportunity to identify the 16 districts that emerged from the redistricting process at 2011 Annual Conference. This meant in a number of cases new elections of officers, necessitating additional officer training in July at the close of the School of Christian Mission. New standing rules were written, monies transferred to new districts, and other adjustments made while new bonds of friendship were being formed. New district names — Elizabeth River, James River, York River, and Fredericksburg — appeared while older names — Ashland, Norfolk, Peninsula, Petersburg, Portsmouth, and Rappahannock —disappeared. Committees of hard-working women worked diligently to ensure that the new district leadership, where possible, was representative of the new configuration of churches. Celebrations were held by the newly formed districts to elect and install officers, adopt new budgets, adopt new standing rules, and be inspired by a speaker.

The 2012 March Mission Team and Executive Committee meetings were held in Portsmouth. A much-needed canned food offering was made to Wesley Service Center and a re-consecration service held. The Mission Team planted biennials/perennials while there.

Conference UMW Mission Giving in 2011 was \$1,135,477. 52. This includes \$738,459.47 for Women’s Division projects, \$114,020.84 for supplemental, national, and international projects, and \$282, 997.21 for Virginia projects. It is truly astonishing how much mission and outreach is made possible because of the dedicated effort and leadership of United Methodist Women in local churches.

A busy time lies ahead with more opportunities to make a difference to the glory of our Lord and Savior Jesus Christ. To God be the glory for all we achieve.

Olivia T. Hinton, President

THE PROFESSIONAL ASSOCIATION OF UNITED METHODIST CHURCH SECRETARIES, VIRGINIA CHAPTER

The purpose of the Professional Association of United Methodist Church Secretaries (PAUMCS) is to provide a supportive base for the unity and fellowship of its members in order to provide individual growth, professional development, continuous education and spiritual enrichment. PAUMCS promotes and encourages the training and support of United Methodist church secretaries; serves as an advocate for emerging concerns that affect church secretaries; encourages and assists in the establishment of chapters of church secretaries, within or across jurisdictional and annual conference boundaries, and assists in coordinating the program and work of these chapters.

The Virginia Chapter of PAUMCS was established in 1999 at Blackstone. Since that time, membership has grown to as many as 90 members and an all time high of 130 attendees at a fall event at the United Methodist Center in Glen Allen. The chapter sponsors two meetings each year: normally, a one-day fall training event and a two-day spring spiritual growth retreat.

Members are persons presently or previously, full-time or part-time, paid or volunteer, engaged in administrative work in any local church or agency of The United Methodist Church.

- During the past conference year, Virginia PAUMCS:
- Had one member attend PAUMCS Certification Institute at Nashville. Susan Fawcett from Fredericksburg UMC received her certification at the National PAUMCS Conference in Richmond.
 - In August distributed a six-page mailing, including a letter of invitation from Bishop Kammerer, to the administrative staff of the 1,200 charges of the Virginia Conference.
 - On Oct. 5 held our “Experience Your Conference Connection” event featuring Stephanie Davis, Virginia Conference archivist, and Tami J. Wyrick, executive director of the Virginia Crime Prevention Association, at the conference center, with 65 in attendance.
 - Hosted the national PAUMCS conference, April 12-15, at the Hilton Hotel at Short Pump in Richmond. Highlights of the conference included a Stop Hunger Now food packaging event; special guest speakers the Rev. Marc Brown, the Rev. John Briggs, Mrs. Kathy Merry, the Rev. Dan Garrett and the Rev. Al Horton; preaching from Bishop Charlene Kammerer and the Rev. Myrtle Francis Hatcher; dinner and a tour of the Virginia Museum of Fine Arts; and a historical bus tour including Monument Avenue, the Virginia Capitol and St. John’s Church. More than 200 PAUMCS members from across the country participated.
 - In early 2011 lost two long-time, dedicated members: Petersburg District Secretary Wanda “Sam” Perkinson and Ashland District Secretary Marilyn “Lyn” Robeson. Virginia PAUMCS still feels their presence as we suffer their loss.

The Site Selection Committee

By previous Annual Conference action, the following dates have been recommended for the site of Virginia Annual Conference:

Hampton	June 21-23, 2013
Hampton	June 20-22, 2014
Roanoke	June 19-21, 2015
Roanoke	June 17-19, 2016

The Site Selection Committee is charged with finding a location for Annual Conference which is set five years in advance. The recommendation of the Site Selection Committee is:

Hampton	June 16-18, 2017
Hampton	June 15-17, 2018

We have had a number of requests to look at holding Annual Conference in Richmond. While Richmond is more centrally located, there are challenges that would have to be met. Among these are: room rates, parking fees and spaces, number and proximity of hotels, meeting facility space needs and ease of movement for 3,000 people in downtown Richmond. While the Site Selection Committee is recommending Hampton, we would like to have the body indicate its preference between Richmond and Hampton.

As a reminder, in order for the Virginia Conference to recommend a site, we have the following criteria that need to be met:

- Meeting space and restaurants for 4,000 people;
- Parking spaces for 2,000 to 3,000 cars;
- 1,500 hotel rooms;
- Meeting space for Clergy Executive Session for 1,000 people;
- Meeting space for Laity Session for 1,000 people;
- Two banquet areas for 500 people;
- Break-out areas and display area of 30,000 square feet;
- Ease of moving participants between the various areas.

As preparations are made for Annual Conference in Hampton next year, please be aware that the location of 2013 Annual Conference will be in the **Hampton Convention Center** rather than the Hampton Coliseum. This change in meeting venue will address accessibility concerns that have been raised by the Commission on Disabilities, as well as other members of the conference.

The Rev. Doug Geeting, President

The Equitable Compensation Commission

The purpose of the Commission on Equitable Compensation is to support clergy serving as pastors in the charges of the Virginia Conference by: (a) recommending conference standards for pastoral support; (b) administering funds to be used in base compensation supplementation; and (c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations.

The Equitable Compensation Commission continues to provide financial aid to those churches requiring supplementation to strengthen

their ministries in the communities in which they are located and to provide the minimum salary for the pastors. Salary and pension supplementation in the amount of \$410,571 (salary \$354,733 and pension \$125,040) was provided to 48 charges in 2011. A schedule of salary and pension supplementation appropriations for 2011 has been provided to the conference secretary for publication in the conference *Journal*. There were three charges receiving salary and pension supplementation in 2011 that will not require assistance in 2012. These are Galloway (Arlington), Potts Valley (Staunton) and Asbury Memorial (Richmond) United Methodist churches. There are five charges receiving salary and pension supplementation in the first six months of 2012 that will not require assistance for the second half of 2012. These are Ridgeway (Danville), Hispanos Unidos (Roanoke), Amor y Paz (Winchester), Immanuel (Alexandria), and Cheriton (Eastern Shore) UMCs. These charges and their superintendents are commended for their success in providing a ministry in the communities they serve that has enabled them to grow spiritually in their stewardship. District superintendents and charges setting salaries for 2012 that may require supplementation are advised that the “floor” must come from sources other than the Commission on Equitable Compensation. The Conference Average Compensation (CAC) for 2013 is \$62,205 which is an increase of 0.1 percent percent over 2012. The commission considered Minimum Compensation and the Floor Schedule for 2013 and recommends no change as outlined below for 2013.

The Rev. James C. Sprouse, Chair

RECOMMENDATIONS

- 1. The Equitable Compensation Fund apportionment for 2013 be \$550,000.
- 2. The Minimum Compensation Schedule for 2013 be:
 - a. Full Connection Pastors \$40,000
 - b. Provisional and Associate Members \$36,500

- 3. The Floor Schedule for 2011 be:
 - a. Full Connection Pastors \$28,000
 - b. Provisional and Associate Members \$25,600

THE COMMON TABLE FOR CHURCH VITALITY

In his book, *Journey in the Wilderness: New Life for Mainline Churches*, Dr. Gil Rendle notes that identity and purpose are two of the foundational questions facing the Church in a time of adaptive challenge. Across the connection of The United Methodist Church, questions of identity and purpose have been shaping denominational conversations. One outcome of these conversations has been an emphasis on Vital Congregations. Beginning with the summer of 2011, information about Vital Congregations began to be shared across the connection with a mandate for 4-year congregational goals to be set in areas of worship, professions of faith, small group participation, mission giving and mission involvement. In the Virginia Conference, the preparation of these goals has resulted in a question of whether Vital Congregations or “All Things New” will help the Virginia Conference to face the adaptive challenges that are before us. As the Common Table for Church Vitality seeks to be faithful to its chartered purpose “to coordinate and prioritize the ministries and resources of the Virginia Conference,” it has also considered this question. One outcome of this time of discernment has been a commitment to continue forward with the goal of changing the culture of the Virginia Conference to fruitfulness and multiplication as extended through the invitations of planting and harvesting in “All Things New.” Common Table’s response to this goal has resulted in an emphasis upon leadership development amid the realities of a reduction of the number of conference program ministry staff, a reduction in the number of conference boards and agencies, a reduction of the number of conference-funded program ministries from 83 in 2008 to 20 in 2012, and a reduction of \$749,411 in conference ministry and mission apportionments in 2012 as compared to 2009. In the midst of this season of pruning, ministries and initiatives to support local congregations have been planted and cultivated to help congregations respond faithfully to the quadrennial goals they establish through Vital Congregations. A second outcome of this discernment process has been the formation of a Common Table Evaluation Task Force that will review the identity and purpose of Common Table in the current reality of the Virginia Conference. This task force will report its results to Common Table for presentation of possible recommendations to the 2013 Annual Conference. There have been two changes in the Connectional Ministries staff since the last Annual Conference as the Rev. Derrick Parson replaced Angie Williams as director of Ministries with Young People and Cathryn Wooton replaced Debbie Duty as Graphic Designer/Production Coordinator. Angie was in ministry with young people across the Virginia Conference for more than seven years. We express gratitude for Angie’s ministry and influence upon the lives of young people across the conference as she accepted staffing responsibilities for children, youth, young adults and higher education ministries during the staff restructuring of 2009. Debbie was in ministry through the Communications Office for more than 25 years. We express gratitude for Debbie’s ministry and passion for the ministries of small membership congregations in our conference. The Common Table also expresses appreciation to the faithful ministry of all the Connectional Ministries staff for their tireless work in sharing the good news of Jesus Christ.

RESOLUTIONS

RESOLUTION 1

“Challenge for the Africa University Endowment Fund”

Whereas approximately 4,000 students have graduated from Africa University in Old Mutare, Zimbabwe, since it opened in the spring of 1994. The first graduation included 18 graduates in Agriculture and Natural Resources, and nine students in Theology; *Whereas* recognizing that by the turn of this century, fully one-fifth of the world’s population will live in Africa, the University believes its purpose is to help African Christians train leaders for their churches and societies; *Whereas* today Africa University has 1,500 students. These students choose one of six undergraduate or five postgraduate programs. The Management & Administration and Humanities & Social Sciences programs have the most students. Nearly 100 students are currently enrolled in the Health Sciences area. Africa University has 135 faculty members and, additionally, multiple permanent and visiting lecturers; *Whereas* students come from 29 countries across the continent of Africa. The official language at Africa University is English, which is also the official language of Zimbabwe. On campus, you find similarities to the American university experience: dormitories, staff housing, a student health center, a student union, dining hall and educational buildings. Prominently placed on campus are the Jokomo/Yamada Library and the Kwang Lim Chapel. You would also find a building where students are enrolled in one of the university’s newest programs of study, the Institute of Peace, Leadership and Governance program; *Whereas* because Africa University is a young university, its endowment is limited and needs support for university stability and long term viability; *Therefore, be it resolved* that the churches of the Virginia Annual Conference be challenged to raise \$1 million over the next three years solely for the support of the Africa University Endowment Fund (World Service Special Gift #03-01-88). The goal would be for us to give \$1 per member of the conference per year. The Rev. Dr. Stephen Hundley would be appointed by the Annual Conference to lead the effort and no conference funding would be required. The 2013, 2014 and 2015 Annual Conference sessions will receive a report as to the progress of this challenge.

Submitted by the Rev. Dr. Stephen C. Hundley

RESOLUTION 2

“A Call for a Continued Moratorium on Uranium Mining and Milling in Virginia “

The Holy Bible is clear that we are to be good stewards of creation and not pollute our neighborhoods or the planet, or abuse the poor. [Genesis 2:15, Isaiah 24, Jeremiah 4:2,7, Micah 6:6-8 and Matthew 22:36-40] Uranium mining and milling in Virginia would threaten the land, water, and health of Virginians for generations to come, especially that of communities near the mine site. The threats from proposals to mine and mill uranium in Virginia were thoroughly debated by the people of our state in the 1970s and 1980s. In 1981, The Virginia Annual Conference passed a resolution calling on the Virginia General Assembly to impose a statewide moratorium on uranium mining and milling in the Commonwealth. The General Assembly passed legislation mandating a moratorium in 1982. Now the possibility of uranium mining and milling is being debated anew. We believe that we should pursue other ways of supplying our energy needs. In 2008, The United Methodist Church’s General Conference called for an end to uranium mining and milling in its resolution on “Energy” and recommended that the greatest efforts should be devoted to conservation and renewable energy. The Virginia Annual Conference in 2008 voted that the major effort in energy policy should be in supporting energy conservation and renewable energy. The average Virginia electricity consumer is currently using nearly 14,500 kW of electricity a year. This is 2,000 kW more than the national average. Greater electricity conservation could reduce the need for more capacity from nuclear and other nonrenewable sources. The Virginia Conference has installed solar panels on the conference center, and is working with its churches through the “Green Church Initiative” to model energy efficiency and the use of renewable resources. More than 100 Virginia United Methodist congregations now have “green” teams in their churches that are encouraging energy conservation measures. The 2008 session of the General Assembly defeated a bill which would have allowed the drafting of regulations for uranium mining and milling. Nevertheless, despite this vote, later in 2008 the Virginia Coal and Energy Commission voted funds for a study of the feasibility of uranium mining and milling in Virginia. Governor Gov. Bob McDonnell has directed state officials to conduct a review of uranium mining, but his review committee, while accepting public comments, has declined to hold public meetings. The group will report to the Governor in late 2012. Uranium has never been mined in the eastern U.S., and research shows that it has never been safely done anywhere in the world in a humid climate such as ours, with our heavy rains and hurricanes. In addition, many of the more than 4,000 mine sites in the Western United States have been designated Superfund sites by the EPA. If the moratorium were lifted, it would permit mining of uranium anywhere in Virginia. Uranium-bearing rock stretches from Fairfax County in Northern Virginia to the North Carolina border. In the 1980’s, uranium leases were filed on thousands of acres of land in Virginia counties stretching along the Piedmont from Fauquier to Pittsylvania. The possibility of lifting the ban has prompted water utilities to commission reports on the potential threat to their drinking water. A Virginia Beach study found that even a small breach in mine waste ponds or containers could contaminate its drinking water. Radioactive water from the Coles Hill (Pittsylvania County) site could reach residents of Southside Virginia, Hampton Roads, and North Carolina. A Fairfax County study found that mining in a site in Northern Virginia would pollute the Occoquan River watershed and the Potomac River watershed, making it impossible for the County to provide safe drinking water from existing reservoirs. Serious uranium mining site problems exist in many parts of the world. Uranium mining and milling sites in Australia, France, Germany,

the Czech Republic and many other countries have been linked to damage to human health and the environment. Concern in the Western United States about the link between leukemia and other cancers and uranium mill tailings propelled the passage of legislation requiring the Uranium Mill Tailings Remediation Program (UMTRA). This UMTRA program focused specifically on uranium tailings piles in sites mainly in the central western states. In many places, tailings had been placed in unbounded or poorly bounded piles on level to gently sloping ground. Several piles were within city limits and along or close to riverbanks. Dust dispersion of the tailings, and re-use by the community as construction sand and fill, gave rise to significant health risks.

There is no compelling reason for uranium mining in Virginia ever to begin, much less lead to the kinds of problems found among the thousands of mining sites in the West and around the world. A major interdisciplinary study by the Massachusetts Institute of Technology has found that there is no shortage of uranium in the U.S., and the U.S. has large stockpiles of enriched uranium, which can be down-blended for uses other than in nuclear weapons.

Even the political leaders of Western states that have long benefited from uranium mining jobs now view most of the jobs created as being those needed to clean up pollution from the mines, and are opposing expansion of mines in the West. U. S. Interior Secretary Salazar has proposed a 20-year moratorium on new mines in watersheds near the Grand Canyon. In the very center of uranium mining in the West, tourism is now worth more than mines. Likewise, tourism and other industries in Virginia could lose more jobs than the mines would provide.

In the Social Principles of the United Methodist Church, paragraph 160, I, “The Natural World”, we read: Water, air, soil, minerals, energy resources, plants, animal life, and space are to be valued and conserved because they are God’s creation and not solely because they are useful to human beings. God has granted us stewardship of creation. We should meet these stewardship duties through acts of loving care and respect.

Therefore, Let us recognize the responsibility of the church and its members to place a high priority on changes in our economic, political, social and technological lifestyle to support a more ecologically equitable and sustainable world, leading to a high quality of life for all of God’s creation.

We call upon Gov. McDonnell and the members of the Virginia General Assembly to maintain the moratorium prohibiting any mining or milling of uranium in Virginia, as there is no evidence since 1982 of uranium mining and milling having been done safely in areas as humid as is Virginia. We call for any state government-sponsored decision making meetings devoted to lifting the moratorium to be open hearings that include public citizen testimony.

RESOLUTION 3
“Eliminate the Death Penalty”

Whereas, scripture affirms that all people are created in the image of God (Gen 1.26-28);
Whereas, our United Methodist “Social Principles” state that “all human life is sacred and created by God and therefore, we must see all human life as significant and valuable. When governments implement the death penalty (capital punishment), then the life of the convicted person is devalued and all possibility of change in that person’s life ends.”
Whereas, the “Social Principles” further states that “We believe the death penalty denies the power of Christ to redeem, restore and transform all human beings.”
Whereas on the only occasion where Jesus was confronted with the issue of the death penalty (the story about the woman alleged to have been caught in adultery, John 8:3-12), he rebuked her accusers, saying “Let anyone among you who is without sin be the first to throw a stone at her.”
Whereas the United States is the only western industrial democracy that continues to impose the death penalty;
Whereas in 2000 the Virginia Annual Conference adopted a resolution “Calling for A Moratorium on the Death Penalty”;
Whereas in 2002 the Virginia Annual Conference adopted a resolution “Calling for Moving Forward with Study and Action on the Death Penalty”;
Whereas the alleged deterrent value of the death penalty is not supported by empirical evidence;
Whereas after working at the Ohio Department of Rehabilitation and Corrections for over 32 years, including serving as Director 2001-2010, during which he observed the execution of 33 persons, now retired Terry Collins recently called for removal of the death penalty which he characterized as “often inefficient,” “always time-consuming” and “not a fiscally responsible policy” since it is more expensive than life

imprisonment without parole which “offers justice that is swift, certain, effectively severe and perhaps more sensitive to the needs of healing victims’ families” who can then achieve closure and no longer be faced with the painful task of attending appeals hearings;

Whereas on January 11, 2011, the Illinois Legislature voted to repeal the state’s death penalty and apply remaining funds in the Capital Litigation Trust Fund toward murder victims’ services and law enforcement; the *Chicago Tribune* on March 2, 2011 reversed years of editorial support for capital punishment and called for abolishing the death penalty in Illinois, and on March 9, 2011, Gov. Pat Quinn signed legislation repealing the death penalty in Illinois, stating that after talking with people on both sides of the issues – prosecutors, judges, elected officials, religious leaders, families of murder victims, people on death row who were exonerated and ordinary citizens – “I have concluded that our system of imposing the death penalty is inherently flawed. The evidence presented to me by former prosecutors and justices with decades of experience in the criminal justice system has convinced me that it is impossible to devise a system that is consistent, that is free of discrimination on the basis of race, geography or economic circumstances, that always gets it right.”

Whereas since 1973 a total of 140 persons have been released from death row on evidence of their innocence, including one in Virginia, strongly reminding us of the danger of committing the irreversible wrong of killing an innocent person;

Whereas a 2010 poll clearly found that a majority of 61 percent “would choose a punishment other than the death penalty for murder, including life with no possibility of parole and restitution to the victim’s family (39 percent), life with no possibility of parole (13 percent), or life with the possibility of parole (9 percent).”

Whereas police chiefs have ranked the death penalty last when presented with a list of ways to reduce violent crime and considered the death penalty to be the least efficient use of taxpayers’ money, and

Whereas life without parole provides the safety and security society seeks in capital cases,
Be it hereby resolved that the Virginia Conference of The United Methodist Church:

1. Affirms the historic position of The United Methodist Church which states that “we oppose capital punishment and urge its elimination from all criminal codes.”
2. Calls for elimination of the death penalty in Virginia.
3. Requests the Governor and members of the General Assembly to prepare and enact legislation that will eliminate the death penalty in the Commonwealth.
4. Requests Bishop Kammerer or her successor to invite other religious bodies and non-government organizations to join us in actively seeking the elimination of the death penalty in Virginia.

RESOLUTION 4
End Life-Long Stigmatization

The gospel calls us to be healers, reconcilers and peacemakers amid the brokenness, violence and vengeance of our world. We are empowered to do this by God’s grace operating in us – grace which we come to understand through personal experience and parables such as the one about the unmerciful servant where Jesus taught that we are to forgive those who sin against us not just seven times but seventy times seven (Matthew 18:22) – and allow God’s unlimited grace to become continually manifest in and through us.

Our volunteers seeking to help persons wanting to obtain restoration of their voting rights have found that among those most in need of this healing grace in our time are ex-offenders who, even after satisfactorily completing all court-imposed punishment for a felony conviction and who have gainful employment as their top priority, are stigmatized for life as ‘felons’, find it almost impossible to obtain gainful employment, support their families and become productive members of society. As a result, such persons often become repeat offenders.

In 2010, Gov. Bob McDonnell established a Prisoner Re-Entry Initiative which was designed to increase community safety, reduce recidivism, and improve integration and outcome for ex-offenders returning to their communities by encouraging collaborative strategies among state, local and non-profit agencies with regard to housing, treatment, education and job-training.

This has been a welcome initiative in response to a long-standing need. Now in its early stages, this program is currently concentrated on a few selected regions, with resources focused on ex-offenders viewed at “high risk for victimizing again.” As such, it currently addresses the needs of only a limited number of the approximately 13,000 ex-offenders released by the state each year but holds much promise for helping to produce better outcomes for ex-offenders re-entering society.

However, it needs to also be noted that this Initiative does not attempt to address the needs of the approximately 300,000 other Virginia ex-offenders who have completed all court-imposed punishment and already live in our communities but nevertheless suffer life-long stigmatization as ‘felons’ – the majority of whom committed only non-violent crimes many years ago due to a mistake in their youthful judgments and a criminal justice system that disproportionately impacts minorities and the poor.

This life-long stigmatization of ex-offenders has been exacerbated over recent decades by enactment of harsh sentencing laws, including mandatory minimum sentences that bar judges from considering individual circumstances, criminalize non-violent behavior that does no harm to others, such as simple drug possession, and increase the tax burden on Virginia taxpayers. The Department of Corrections reports that in 2010 there were approximately 1890 persons in Virginia’s prisons for drug possession. At an annual cost of approximately \$25,000 each, this means that Virginia has been spending over \$47 million annually to lock up nonviolent low-level offenders who had caused no harm to others when public safety may have been equally served by less costly alternatives, such as misdemeanor charges and drug treatment courts, that would not have stigmatized these persons for life as ‘felons.’

While Virginia currently has a process by which the governor can restore voting rights and certain other rights to eligible ex-offenders, this

process benefits only 3,000-4,000 persons annually and does not address the problem of life-long stigmatization of ex-offenders. However, it can be reasonably argued that persons deemed satisfactorily rehabilitated to have their rights restored (based on having ‘paid their dues to society’ by satisfactory completion of all court-imposed punishment, including prison time, parole, probation, payment of court fees and restitution, plus good behavior over a waiting period of two to five years) ought to no longer bear the burden of life-long stigmatization as ex-offenders.

We and other Virginians have for too long acquiesced to this practice of continued punishment of former offenders through life-long stigmatization – which effectively bars most of them from gainful employment and makes it impossible for them to support their families and become integrated as productive members of society. By such neglect we become participants in perpetuating a cycle of recidivism and repeated incarceration involving more victims, more human suffering and higher costs to taxpayers.

In view of the above, *it is hereby resolved* that the Virginia Conference of The United Methodist Church:

1. Commends Gov. McDonnell for establishing the Prisoner Re-Entry Initiative and urge its expansion to serve all regions of Virginia.
2. Requests that the governor, as the only person currently authorized to restore voting rights to ex-offenders, when restoring rights to nonviolent ex-offenders also issue a certificate of rehabilitation (or an equivalent certification) on the rationale that an ex-offender considered sufficiently rehabilitated to have his or her rights restored should also be considered sufficiently rehabilitated to be eligible for gainful employment when he or she has the relevant skills or willingness to learn such skills in on the job training available to other applicants.
3. Urges our members of the U.S. Congress and the Virginia General Assembly to help curtail life-long stigmatization of ex-offenders by (a) moving nonviolent, low level offenses that do no harm to others, such as simple drug possession, from the list of offenses classified as felonies to misdemeanors (which are punishable by fine and up to a year in jail but no imprisonment), and (b) raising the threshold for felony conviction in Virginia to a significantly higher value than the current \$200 which has remained unchanged since set in 1980.
4. While the above actions would benefit a limited number of ex-offenders and reduce future felonization, these actions alone would do little to address the problem of life-long stigmatization suffered by the approximately 300,000 ex-offenders who have ‘paid their dues to society’ and now live in our communities. We therefore request our bishop to contact other faith leaders in Virginia with the objective of establishing a commission to find ways to help overcome the practice of life-long stigmatization of ex-offenders and thereby help to transform our culture toward one where ex-offenders are extended grace, re-claimed and helped to become productive members of society. This commission should (a) include leaders from different faith traditions, ex-offenders, persons with experience in government, and representatives from non-profit organizations, and (b) establish a plan of work, seek funding from its member bodies and other sources as may be deemed appropriate, and issue progress reports at least annually to organizations and agencies represented by its members.
5. We call upon Virginia United Methodists to pray and become more informed about the problem of life-long stigmatization faced by persons convicted for a felony, find ways to support families of those in prison and their victims, be willing to serve as mentors to those returning to society, support programs that will help them become productive citizens, and invite them to our churches. Additionally, to help monitor progress in addressing this concern, we direct the Common Table to arrange for the appropriate conference body to formulate a question to be asked at each annual Charge Conference along the following lines: What is this congregation doing to reach out to persons in prison, their families and their victims, and to end life-long stigmatization of persons who have satisfactorily completed all court imposed punishment for the offense for which they were convicted?

RESOLUTION 5
“On Being Our Brother’s Keeper”

When a lawyer sought to interrogate Jesus about what he must do to inherit eternal life, Jesus confirmed that loving one’s “neighbor as yourself” is part of the greatest commandment, second only to loving God with all your heart, soul, strength and mind (Lk10:25-28). Upon being filled with the Holy Spirit, the early disciples carried this teaching to its logical end, holding all things in common, selling their possessions and distributing the proceeds to all, “as any had need” (Acts 2:45).

In his counsel to “gain all you can, save all you can, and give all you can,” John Wesley endorsed the enterprising spirit but tempered it with the obligation to “Render unto God – not a tenth, not a third, not half, but all that is God’s,” to use all we have as God directs. Wesley exemplified this in his own life, living simply, giving away his surplus money to charity to meet the needs of others, never having more than 100 pounds at any time, and preaching that Christians should consider themselves members of the poor. When he died in 1791 he left behind only a few miscellaneous coins and two silver spoons.

He practiced being his “brother’s keeper.” While that included acts of charity, it also included much more: he supported loan funds to help people escape debt, buy tools and start employment producing enterprises; he criticized the government for not collecting taxes due from the wealthy and tax evaders, and on many occasions he called for social reform.

Yet, in today’s world, many protest. Like Cain, when asked by God where his brother Abel was, many today also protest, “I do not know; am I my brother’s keeper?” (Gen 4:9). The ultra-rich grow richer while the middle class falls further behind and a record number live in poverty. Many seem to disregard, reject or minimize the idea that we are our “brother’s keeper.”

This reality is reflected in the growing inequality in our society. A 2011 study by the Economic Policy Institute found that the share of wealth held by the richest 20 percent of American households has increased to 87.2 percent, while the share held by the remaining 80 percent has decreased to 12.8 percent of all wealth. The richest 1 percent of all U.S. households, with 35.6 percent of all wealth, had a net worth 225 greater than the median household net worth – the highest on record – while the share of households having zero or negative net worth had increased to approximately one out of four households; among black households the median net worth had fallen to \$2,200, the lowest ever recorded, while the median net worth among white households was \$97,900. Approximately 80 percent of all stock was owned by the top 10 percent of all U.S. households, while over half of all households owned no stocks at all – either directly or indirectly through mutual or retirement funds.

A major factor contributing to this skepticism about being our “brother’s keeper,” and to the extreme economic inequality that weakens our society, are public policies that favor the wealthy. A major example is the tax rate on investment income (on capital gains and dividends) which is capped at 15 percent, and which is exempt from payroll taxes paid on earned income to support Social Security and Medicare. As a result, “anyone making more than \$34,500 a year in wages and salaries is taxed at a higher rate than a billionaire is taxed on untold millions in capital gains.” Most capital gains go to those who are already wealthy: approximately 50 percent of all capital gains go to the top one-tenth of one percent; 75 percent go to the top one percent. In 2008, the 400 richest taxpayers received 60 percent of their income from capital gains and only 8 percent from salaries and wages.

It has been estimated that if the ultra-rich paid taxes on their investment income at the same rate that most Americans pay on their earned income (from salaries and wages), this would provide an additional \$50 billion in public revenue annually. But with their huge investment income taxes capped at 15 percent and exempt from payroll taxes, the ultra-rich get richer while the middle class and the poor fall further behind and pay a disproportionate share of the total tax revenue needed to collectively be our “brother’s keeper,” by providing federal,

state and local public services such as police and fire protection, schools, libraries, highways and other transportation systems, and other infrastructure needed for a sound economy and flourishing democracy.

Such tax policies are unfair and incompatible with the basic biblical and Wesleyan principle that we are all called to be our “brother’s keeper.” Everyone has the responsibility of contributing their fair share toward the common good and collectively being our “brother’s keeper.”

In view of such concerns, the initial draft of this resolution called for tax reform that would “apply the same tax rate on investment income as on ordinary income from wages and salaries on which most citizens depend.” When that draft was circulated in the spirit of “holy conferencing” to clergy and laity for comments and suggestions, very diverse comments were received – from enthusiastic endorsement to strong opposition. Between these two extremes, others raised thoughtful and serious concerns – such as: What would be the impact on the ‘falling behind’ middle class that depends on investment income for retirement? Are we competent to address tax policy? Would this issue cause divisions in our churches which consist of persons of different political persuasions? What is the proper role of the church, government and individual Christians when dealing with such issues? Certainly these are relevant questions for which answers are needed to help us act responsibly.

Therefore, in view of the above, the Virginia Annual Conference of The United Methodist Church hereby:

1. Reaffirms our own commitment to the biblical and Wesleyan principle that we are called to be our brother’s keeper, our sister’s keeper, keeper of all of God’s children.
2. Requests the Board of Church and Society to identify, or develop, and make available to our churches, study materials that will help our members to examine (1) the relationship between Christian faith and economic life; (2) the role of the church, government and individual Christians in dealing with economic issues, and (3) the implications of these for the church’s witness to being our brother’s keeper, our sister’s keeper, keeper of all of God’s children.
3. Encourages our congregations, and groups within our congregations such as church school classes, United Methodist Men, United Methodist Women and United Methodist Youth, to engage in serious study and prayerful discernment about the relationship between a deep personal Christian faith, the need for greater economic justice in society, and the formation of responsible public policy.

THE HISTORICAL SOCIETY

The presence of the Historical Society fulfills the Disciplinary mandate that each annual conference have a commission on archives and history. Virginia United Methodists benefit from the society’s oversight of the conference archives, under the stewardship of archivist Stephanie Davis, and from the opportunity to subscribe to Heritage, the Society’s historical journal, edited by L. Boyd Lucas.

Society programming also seeks to function as a resource, including a fall trip to the Old Brunswick Circuit Foundation sites and a forthcoming October presentation on Francis Asbury, whose career links him to the Edward Dromgoole house, one of the Old Brunswick preservation commitments. Two centuries after Asbury’s ministry we continue to take inspiration from persons sent to the Old Dominion by John Wesley to establish new faith communities.

The following lay and clergy representative have been endorsed by the Virginia Conference Historical Society and are presented to the Annual Conference for election as trustees for 2012-13: Clergy: Roger C. Balcom, Paul Allen Beighley III, Brenda J. Biler, Steve Bradley, Michael Browder, Carlton D. Casey, Robert T. Casey, Bishop H. Hasbrouck Hughes Jr., James M. John, John T. Martin Jr., Reginald H. Potts III, Henry Riley, Karen Sandoval, Lee B. Sheaffer, Cheryl Simmons, Carl O. Stewart, Elizabeth W. Taylor, Kenneth S. Waclo, Roy P. White, Raymond F. Wrenn, Elizabeth A. S. Wright, Gary A. The Historical Society has created three foundations which provide preservation and interpretation of sites and structures significant for Virginia and American United Methodism. The foundations and the scope of their efforts are explained as follows:

Dr. Stephen Mansfield, President

The Old Brunswick Circuit Foundation

Since last year, much has been accomplished by the Board of the Old Brunswick Circuit Foundation in the effort to preserve three major properties, while communicating the importance of holding on to the fragile remnants of a rich history for future generations to enjoy.

The first property is the Ebenezer Academy, quite possibly the first Methodist school in America, established by Bishop Francis Asbury and local leaders near today’s small town of Warfield. Access to the site has been accomplished by means of a new right of way and an improved road made possible by the Buck Johnson Memorial Fund. The foundation and an impressive obelisk or “ebenezer” are all that remain of the original school. Plans are underway to provide informational signs at the site, telling the history and importance of this first effort to provide education for frontier people.

Another significant project of the Old Brunswick Circuit Foundation is the preservation and possible restoration of the Rev. Edward Dromgoole home near the village of Valentines. A recent report to the board following a visit to the 15-acre site by Dr. Camille Wells, a professor in the History Department at the College of William & Mary, specializing in colonial and archeological history, reinforced the opinion that the house is a rare treasure of late 18th c. architecture, remarkably large, extremely well built and fairly well preserved considering the neglect it has suffered over the past few decades. It is the only authentic Methodist circuit rider home within the bounds of the Virginia Conference and has a rich history, in part because Bishop Asbury spent significant time there, and also because of the gifted family of Dromgooles who lived there.

During the past year dense growth around the house was cleared and a French drain installed to draw water away from the foundation of the house. This effort succeeded not only in helping to dry the ground, but in making it easier to see several outbuildings and other foundation structures more clearly. It is hoped that serious archeological work can be done alongside important structural enhancements intended to conserve and preserve both land and dwelling.

The third project is the 12.25-acre Old Randolph-Macon College site in Boydtown, containing the original main building and the Helensha/Hatch Cottage, dating from 1831-32. Founded in 1830, Randolph-Macon is America’s oldest continuously operating Methodist College. When the college was moved to Ashland in 1868, the facility became the home of The Boydtown Institute, a normal school for former slaves that produced many important leaders over a fifty-year period.

Recent actions of the Board during the past year included writing and adopting new Articles of Incorporation and Bylaws, and the submitting an application to the Internal Revenue Service to become designated as a 501(c)(3) organization to enable the solicitation of donations for preservation and restoration. White papers prepared for each of the three projects, stating purpose and long-term goals, were approved by Old Brunswick Circuit Foundation directors at their Feb. 25, meeting to guide future efforts of the organization.

The foundation is grateful for the interest and support of the Virginia Conference in its effort to preserve the rich heritage that exists within the bounds of the original Brunswick Circuit, the longest continuing circuit in American Methodism.

The Rev. John T. Martin Jr., President

The Old Stone Church Foundation

The Old Stone Church Foundation was incorporated in 1974. The foundation’s purpose is dedicated to preserving, restoring, maintaining, promoting and interpreting the site of the Old Stone Church and cemetery at the corner of Cornwall and Liberty Streets in Leesburg.

The annual membership meeting of the foundation was held Sept. 10, 2011 on the Old Stone Church/ Cemetery site. A beautiful dedication ceremony for the recently installed prayer/memorial garden followed the annual meeting. The guest speaker was Dr. Steve Mansfield, president of the Virginia Historical Society, parent organization for the foundation. A reception and fellowship followed the dedication ceremony.

The prayer/memorial garden is positioned at the western portion of the cemetery and is constructed with beautiful bricks that were purchased by members and others in memory/honor. We continue to be grateful for the support of those who maintain their membership in the Old Stone Church Foundation and for the solid support of the prayer/memorial garden project.

Membership is open to all who share its purposes and there is still space and opportunity to purchase a brick for the garden. Write to P.O. Box 426, Leesburg, VA 20178-0426.

Charles E. Williams, President

The William Watters Foundation

The William Watters Foundation was established by the Virginia Conference Historical Society in 1996 to protect and preserve the small Adams-Wren-Watters Cemetery where William Watters, the first American-born itinerant Methodist minister, and his wife are buried.

The cemetery, a circular plot 90 feet in diameter and one-quarter acre in area, with access to Linway Terrace [off Old Dominion Drive] in McLean, has been registered as the United Methodist Historical site # 7 since 1970. Three bronze plaques were dedicated on May 24, 2011. One plaque is a duplicate of the fading inscriptions on the monument, the second supplies brief information on his work and the third lists the names of known persons buried in the cemetery.

For additional information, write The William Watters Foundation, PO Box 6144, McLean, VA 22106-6144.

E. Jean Balcom, President

THE CHURCH DEVELOPMENT TEAM

The Church Development Team has worked with local, district and conference leadership to be a catalyst in establishing new faith communities and supporting existing local church’s efforts to be fruitful and multiplying.

The New Faith Community subgroup of the Church Development Team continues to help create a culture of excellence in the area of new faith community development in our conference. This past year we have continued to resource and encourage recently initiated new faith communities, local churches, district Boards of Mission and their equivalents, the Cabinet and others in our conference to live out the “All Things New” strategy through the planting of new faith communities.

The New Faith Community subgroup is eager to work with local churches and groups of local churches who are discerning where, when and how to give birth to a new faith community. We continue to be available to work with district Boards of Mission or their equivalents in the new faith community discernment process. With the culmination of the first 5 Talent Academy we optimistically anticipate an increase in the number of existing churches that desire to plant or partner with others to plant a new faith community.

In addition to resourcing our conference in the area of new faith community development, the New Faith Community subgroup also receives, reviews and makes recommendations to the Church Development Team and the Common Table regarding funding for new faith community development proposals. This year we evaluated one proposal.

The Equipping Planter subgroup works to have dialog with those who might consider becoming planters, to help them discern their gifts and God’s call about church planting, and to provide training to those who are appointed to plant new faith communities. The New Church Leadership Institute was held in Baltimore in November, where three people from the Virginia Conference began to explore whether God might be calling them to plant a new faith community. Four of these completed their follow up interviews early this year, to further their discernment process. We provided Boot Camp training for pastors of new faith communities in August, 2011, attended by seven people from the Virginia Conference. Coaches were provided for planters of new faith communities. Most recently, we began teams of prayer support for planters and their new faith communities led by the Rev. Beth Anderson.

This has been another great year for the 5 Talent Academy. The vision has always been to help Virginia Conference congregations to take the next step in ministry. We encourage the Church to deliberately invest our congregations in mission and ministry so that in accordance with the familiar parable, we may be multiplied for kingdom use.

This year we have celebrated two powerful events. In our semester on evangelism, we heard stories from five Virginia congregations who had seen God doing notable things in their churches around faith sharing. Each presentation reminded us of the possibilities in all our congregations, independent of size or circumstance. In addition, as we entered our semester on church planting, we had the privilege of hearing from Bishop Pereira of the Cuban Methodist Church. The 5 Talent Academy received a picture of what God is doing in Cuba and what our God can still do in Virginia!

This semester marks the end of our first three years of the 5 Talent Academy. God has blessed us abundantly. Our prayer is now that another 100 Virginia Conference churches will sign up for these next three! Thank you for all the great support and we continue to pray that God will call many congregations forth for our future work together!

A special thanks to Pat Hickman and Mark Ogren for all their support and commitment to make “All Things New” in the Virginia Conference.

The Rev. M. Wayne Snead, Chair

THE BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRIES

Campus ministry in the Virginia Conference is a dynamic, diverse demonstration of God’s creative and inviting love. It is with great honor that I present this report to the 2012 Annual Conference.

After two years of discernment and implementation planning, the Board of Higher Education and Campus Ministries has launched a new system of ministry leadership and measurement, including the ongoing work of a very aggressive and thorough Property Task Force, which is assessing the effective use of property for ministry across our campuses.

Our board itself has been re-tooled and is a smaller, more efficient leadership team. The former Campus Ministry Implementation Team has handed over the change process to the board. To date, we are pleased to report that change continues and improvements are evident. Most significantly we are pleased to see evidence of a shift from the former culture of judgment to a more healthy culture of improvement in campus ministry in Virginia.

I send a huge “thank you” to our campus ministers, including the leaders of our ecumenical ministries, the directors of our Wesley Foundations and the chaplains at our affiliated schools, colleges and universities. These dedicated campus servants have patiently and diligently embraced change, including a cautious but eager willingness to participate in our new metrics system to report progress toward accomplishing our vision. I also thank the district superintendents, who have willingly embraced a new supervisory role over our campus ministries. And finally, I thank all members of our newly re-tooled board. These individuals are smart, dedicated and creative leaders who have stayed the course of change over these past three years.

Our change ministry is not complete. In fact, effective change is inherently an ongoing process. We acknowledge that we have not yet fully implemented every aspect of change we seek. The process will continue in the coming months as we take better advantage of our new technology and participate together in more training.

Most significantly we are hopeful that by the end of this calendar year will have settled into a rhythm of (holy) conversations about our data – conversations that encourage a healthy examination of our data – together – with a view toward improving our ministry effectiveness.

My tenure as chair is ending sooner than expected. I realize I depart with the business of change unfinished. My confidence, though, is in the skill and dedication among board members and campus ministers who will surely carry the work forward. Thank you for your gracious and consistent encouragement. I am most confident that the Holy Spirit of the risen Christ will guide and empower our campus ministries as they seek to provide opportunities for students to explore, engage, and embody their faith in God.

The Rev. Jeffrey Harlow, Chair

THE PELL FOUNDATION

The Josephus Daniels Pell Foundation continues to award grants to individuals who are attending United Methodist-related seminaries in preparation for the ordained ministry through the Virginia Conference.

Over the past years the Pell Foundation has distributed more than \$950,000 to help defray the cost of a seminary education. This year seven students benefited from the grants that averaged \$5,000 per student. Students in seminary should contact our conference Board of Ordained Ministry to submit application for a grant.

We continue to take a prudent and long-term view of our investments portfolio as well as the distribution of the income. It is amazing what Mr. Pell accomplished through his one-time enduring gift to assist students preparing for the ordained ministry.

I want to thank our current Board of Directors for their diligent attention to the management of this gift: Roger L. Amole, James Branscome, Betty Forbes, the Rev. Tom Joyce (vice-president) the Rev. Sylvia Shepherd Meadows and William Young Jr. (secretary/treasurer). If I can be of further help with the purpose of the foundation, please contact me directly through the conference directory at Fairlington United Methodist Church.

The Rev. Dr. Gregory L. Adkins, President

UNITED METHODIST-AFFILIATED SCHOOLS

FERRUM COLLEGE

Ferrum College is flourishing with the gracious munificence of our United Methodist friends! The members of the Ferrum community are extremely grateful for the enduring financial and prayerful support for our students. Our institution is proud of its heritage, and blessed by our relationship with The United Methodist Church. Scholarship funding continues to be our number one priority because of ever-increasing student need, and for that reason, we remain committed to our mission of accessibility and affordability. We thank you for all of your scholarship assistance as well as your encouragement in so many other ways.

The spring semester was productive and filled with anticipation, as we began to plan for Ferrum’s 100th anniversary in the 2013-2014 academic year, and “The Centennial Campaign.” The success of this major fundraising effort will require engagement by the entire Ferrum community, and we will be working with Board members and representatives from faculty and staff for different components of the campaign. We are especially excited about building an endowment for our Dean of the Chapel position and worship/ministry programming, and there will be special emphasis on academic programs, additional classroom and science lab facilities, endowed professorships, and scholarships.

As part of the growth on our campus, we have completed twelve significant capital projects, and we continue to receive accolades for our academic and athletic programs from students, families and the community. We received a major gift from the Cargill Foundation that will help fund our Garber Hall science lab renovation plans. Last summer’s NASCUMC meeting proved to be outstanding, as Ferrum was recognized as “one of the top 10 rural colleges” that are fulfilling their mission of access, affordability, diversity and sustainability. Our faculty is undertaking general education and curriculum review in the coming year and will be working towards a “contemporary yet traditional” course of study that will prepare our students for today’s increasingly complex society.

The University Senate team of The United Methodist Church visited Ferrum last year and gave us an outstanding review. They follow the SACS 10-year cycle and review their 125 U.S. colleges and universities based on criteria including Institutional Integrity, Program Quality, Financial Stability and Church Relatedness. They are particularly interested in ensuring that diversity and academic freedom are priorities on each campus. Ferrum was cited as a model for enrollment growth and fiscal conservation. Special accolades were given to Wes Astin, our Dean of the Chapel. The Rev. Astin is consistently ranked among the top chaplains on any of our campuses. He leads our students to spiritual fulfillment through service to God, family, and community. For the third consecutive year, he traveled with a group of Ferrum students during spring break to visit the Mississippi Band of Choctaw Indians. The students are enriched by this service to those less fortunate and return to Ferrum deepened in faith, character and patience.

We are pleased to have continually increasing support from alumni, friends, and foundations who want to partner with us as we guide our young men and women to become “principled leaders for the future.” It takes each and every one of us to build a better college, a stronger

community, and a world filled with opportunities. It is our steadfast prayer that Ferrum will continue to thrive and succeed. Thank you to all members of the Virginia Conference who recommend Ferrum to potential students. Your investment in Ferrum is an important key to our success. Please continue to remember our campus community and our students in your prayers.

RANDOLPH-MACON COLLEGE

Randolph-Macon College achieves its mission of “developing the mind and character of its students” by balancing a demanding academic program with individualized attention or “moments of connection” between its exceptional faculty and students. The student-faculty ratio is 11:1 and the average class size is 15 students.

The 2011-2012 academic year began with a total enrollment of 1,259 students. The Class of 2015 is the largest freshmen class in Randolph-Macon’s history.

The college kicked off a \$100 million campaign, “Building Extraordinary,” in April, 2011. This campaign, which launched with \$67 million in gifts already committed, is designed to support facilities, greater opportunities for faculty and students and programs that support the continued improvement of student outcomes through career and graduate school preparation. The goals for the campaign are set forth by the college’s strategic and master plans.

The college’s Master Plan is “Randolph-Macon On The Move.” Phase One construction projects include a new Student Center at Brock Commons, The John B. Werner Pavilion at McGraw-Page Library addition and renovations to Day Field (football/lacrosse). Completed projects include Andrews Hall, a freshmen residence facility named in honor of United Methodist pastor Ira Andrews, The Hugh Stephens Field at Estes Park (baseball), a new Tennis tennis complex, and renovations to both Haley and Fox Halls. Future construction includes the Birdsong Residence Hall and the Copley Science Center.

Randolph-Macon received a grant from The Japan Foundation Center for Global Partnership (CGP) to strengthen Japanese Studies, a part of the college’s Asian Studies program, in memory of R-MC alumna Taylor Anderson (’08). Anderson perished during the March 2011 earthquake and tsunami that devastated parts of Japan.

The A. Purnell Bailey Pre-Ministerial Scholarship Program for Ordained Ministry, designed to support students who express an interest in a Christian vocation in ordained ministry, continues to meet with success on campus. The program program established its first class in 2004, and seven students are currently enrolled in the program. This scholarship is awarded to a limited number of selected students each year. Students receive half-tuition scholarships for the first two years and full tuition for junior and senior years, mentoring and assistance in fulfilling the requirements needed for acceptance into seminary in the The United Methodist Church. Two internships in a ministry setting are also mandatory during the students’ college careers.

Student outreach through community service continues to be an important aspect of a Randolph-Macon College education. Students are actively engaged in Habitat for Humanity, the American Cancer Society’s Relay for Life, and in April, students will volunteer for “Macon-A-Difference Day,” which is held annually in conjunction with Earth Day.

RANDOLPH-MACON ACADEMY

I am pleased to report that Randolph-Macon Academy (R-MA) continues to make significant progress towards reaching the following vision: “Randolph-Macon Academy is the co-ed college-preparatory, military school of choice in the world for families seeking a values-based, academically challenging, structured environment.” This lofty vision was created by the R-MA Board of Trustees in partnership with the faculty and staff. The vision governs our day-to-day work and significantly influences our strategic decisions. Of course, we view vision accomplishment as a long-term proposition. You will note our vision does not suggest that we are to be the largest military prep-school in the nation; instead we are striving to be a values-based and academically challenging institution. We want to be the prep school of choice for families seeking a high quality education. This is a very different proposition from the stereotypical military prep-school. The key point is that we are serious about our vision and making great progress in reaching it. Like most organizational visions, the journey itself is as important as the actual destination; the attainment of excellence is elusive, but the pursuit is making R-MA a better school.

Given our vision, how do we operate day-to-day? What do we stand for? How do we interact with our students? What are we all about? These critical questions are answered in our statement of educational philosophy: The R-MA community (students, faculty, staff, parents, trustees, and alumni/ae) believes that every student at R-MA is curious and capable. Our positive interaction and personal attention inspires the students’ curiosity and confidence to learn throughout their personal and professional lives. We believe that the personal attention of the teacher makes the difference in the classroom. We believe parents, teachers, and administrators help students succeed by working together on academic aspirations, leadership, self-reliance, character development and service to others. We heartily believe students do their very best when they are known, respected, and encouraged.

Like our vision, this statement is a product of our R-MA community commitment. This philosophy underpins and drives our daily lives at the Academy. This is who we are – and what we stand for. At R-MA, our philosophy is routinely practiced and it gives us the touchstones for responsible adult and student behaviors.

I know that many organizations have fancy visions and philosophy statements; these statements are typically developed and “issued” to the faculty and do not really influence behavior. I am proud that at Randolph-Macon Academy, these statements are meaningful and they are acted upon – and in my view, make us a much better institution!

As I finish my 15th year as the president, I have never been more acutely sensitive to the positive impact of our affiliation with the Virginia Conference and The United Methodist Church. While public schools are busy purging references to God and eliminating patriotic ceremonies and pledges, we are teaching Bible classes, attending church services, praying, worshiping and conducting patriotic ceremonies. I am so proud to be associated with a values- and character-based institution where love of God and country are encouraged.

I wish to thank the churches of the Virginia Conference for their wonderful support of the education apportionment. I know these are difficult economic times. Please be assured the funds allotted to R-MA provide scholarships for deserving Methodist families and to support our school’s ministry. May God bless you for your loyal support of R-MA. We are eternally grateful.

Maj. Gen. Henry M. Hobgood, USAF (Ret.), President

RANDOLPH COLLEGE

Randolph College had a remarkable 2011-2012 academic year. The class of 2015 arrived in August in larger numbers and with an improved academic profile. Three new tenure-track faculty members also arrived in August and are already contributing greatly to the intellectual community at Randolph. Additionally, the college has been fortunate to see increased financial support from its alumnae and alumni, both in terms of actual dollars as well as the percentage of this group who give.

December was an important month, as our decennial reaffirmation of accreditation process with the Southern Association of Colleges and

Schools successfully came to a conclusion. This included approval of our Quality Enhancement Plan, Bridges Not Walls, which will focus on intercultural competence. The faculty have has approved a new first-year experience program to be implemented in the fall of 2012 with a passport program that will encourage first-year students to engage in a variety of different activities on campus. Additionally, the faculty have approved a new major, Sport and Exercise Studies, along with a new minor in multimedia journalism, both to begin in this fall.

Our faculty continues to receive significant national recognition. *Newsweek* and *The Daily Beast* named the Randolph College faculty No. 1 out of all colleges and universities in the country for accessibility. The college was named a “best college” by *U.S. News and World Report*, *Forbes*, *The Princeton Review* and *Washington Monthly*. Perhaps most notably, *The Princeton Review* named Randolph one of the top 75 “best values” in private higher education, reaffirming our commitment to provide a world-class education at an affordable cost. This distinction is due, in part, to Randolph’s commitment to provide more than \$9.1 million in institutional grants to students.

All of us at Randolph College remain thankful for the strong relationship that exists between the college and the Virginia Conference. Randolph has been undergoing its decennial review with the University Senate of the The United Methodist Church and, as a part of this process, we are reminded of the many important roles that the church has played in the college’s history and continues to play today. I am particularly appreciative to District Superintendent Larry Davies and The Rev. Lee Sheaffer for their counsel as we prepared for the University Senate review and as we continue to discuss ways to maintain a strong relationship between the college and the conference..

Robert R. Lindgren, President

SHENANDOAH UNIVERSITY

Shenandoah University is committed to continuing its emphasis on Charles Wesley’s admonition to “unite the pair so long disjointed, knowledge and vital piety.”

With the Rev. Dr. Rhonda VanDyke Colby moving from the Office of Spiritual Life to become the Vice President for Student Life early last year, we welcomed the Rev. Dr. Justin Allen as the new Dean of Spiritual Life and the Director of the Institute for Church Professions. In addition to a strong team of four staff persons to lead the vibrant spiritual life emphasis on campus, we also continue to be blessed with the presence, knowledge, and visionary leadership of our Bishop-in-Residence, Ray Chamberlain.

Connectional Engagement

This year we have spent a considerable amount of time focusing on our connection within the Virginia Conference. Working with the conference Board of Ordained Ministry and the Cabinet, Shenandoah University continues its leadership in *Calling 21*, a summer internship program . However, new connections throughout the denomination are also occurring.

- This year, with the help of the conference Board of Ordained Ministry, we initiated Launch, a vocational discernment retreat for high school students, where we explored our calling among the beauty and challenges of God’s creation.
- General Conference is an important time in the life of the church, and it is equally important for students to use this as a learning opportunity.Our Spiritual Life team traveled with nine SU students and two former Calling 21 students to experience the intricate workings of The United Methodist Church. They learned the value of holy conferencing and the global nature of our denomination.

New Financial Commitments

We are proud to announce the creation of two new endowed funds within Spiritual Life:

- The Rev. Don VanDyke Colby Scholarship was established this year. The first recipient, Nicholas Ruxton (James River District), received the award in honor of the ministry of Rev. VanDyke Colby. This scholarship will be awarded yearly to a *JustFaith* Christian Leadership program student.
- Additionally, another endowment was established to further develop the *JustFaith* program through the Institute for Church Professions. This endowment will enable our students the ability to build relationships through international mission trips, attend General Conference and be present at premier leadership conferences throughout the United States.

Serving Our Community

We are committed to being involved in our communities both near and far as we serve others.

- Six days a week, students share in table fellowship with homeless guests. Students from the Hungry Hearts group on campus take food five days a week from the Allen Dining Hall to the Salvation Army, where they share a meal and have fellowship with the guests. Additionally, Sundays during the first half of the spring semester, students take food to a local church hosting the Winchester Area Temporary Thermal Shelter (WATTS).
- In January, 16 students and staff traveled to Alabama on a mission trip. The team helped provide relief from the April 2011 tornadoes while they worked with families, Habitat for Humanity and the North Alabama Conference Disaster Response Team.
- Shenandoah Conservatory and the Spiritual Life Office added a new international mission trip this year to Guatemala. During spring break, 10 students, faculty, and staff traveled to Guatemala to teach music and repair some of the schools. The Division of Nursing again traveled to Brazil to serve on the John Wesley Medical Boat, and students in the Physician Assistant, Physical Therapy and Pharmacy programs traveled to Nicaragua.

Community Enrichment

We realize that part of our calling as a United Methodist institution is to reach out and provide support for our entire Shenandoah University community. This year, we began two new programs to assist and support our faculty and staff.

- During the summer, over 150 staff and faculty participated in Our Turn, a wellness initiative. This program focused on the physical, emotional, and spiritual sides of wellness.
- In response to what can be a trying time, the Office of Spiritual Life held a worship service entitled The Blue Holidays at the beginning of Advent. Students, faculty, and staff had a chance to gather, reflect on loss, and prepare for the holidays ahead that occasionally bring sorrow.
- Finally, it is my joy to announce that we installed two new trustees at the October meeting of the board. Elaine B. Aikens and Marjorie Lewis joined our team, dedicated to making a difference in the lives of our students.

I can assure you that Shenandoah University is embodying the mission of The United Methodist Church as we simultaneously seek to engage our calling to educate and inspire leaders for our church and world.

VIRGINIA WESLEYAN COLLEGE

The academic year at Virginia Wesleyan College has been filled with momentous accomplishments and a year-long celebration of our 50 years of growth and success in engaging students in a rigorous liberal arts education that will prepare them to meet the challenges of life and career in a complex and rapidly changing world.

In the 50 years since its chartering, Virginia Wesleyan College has grown into a nationally recognized, independent, co-educational, liberal arts college that has graduated over 8,000 men and women who have taken their places in the world and have achieved success in fields as diverse as education, law, science, health care, social services and the ministry.

In May 2011, 290 students graduated from Virginia Wesleyan, earning degrees in 34 different majors. Currently, the college has more than 1,400 undergraduate students with a student faculty ratio of 12.9 to 1.

The Board of Trustees, faculty, staff and students would like to thank those in the United Methodist community for their leadership and support during this 50th anniversary year and throughout our history.

In the fall of 2011, revolutionary new curriculum changes, four years in development, were introduced. “Inquiry guided learning” encourages students to become active learners by focusing on intellectual curiosity as a catalyst for acquiring knowledge and integrating that knowledge into real life experiences. The curriculum is based on a four-credit hour course rather than the traditional three-credit hour system. Students are using the fourth hour for in-depth, independent study which can include additional reading assignments, research or writing, community service externships, group projects and other activities. Whether it’s keeping journals or journeying into the community, the focus of the curriculum is to make connections.

The Department of Religious Studies is nationally known and offers courses from a variety of different approaches. During the 2011-2012 academic year, one course on the History of Methodism is of particular note. As part of the course, students have done research papers on the history of Wesleyan traditions and have been quite itinerant, circuit riding to various local churches like Monumental and First Methodist in Virginia Beach. The recent publications of Dr. Terry Lindvall from New York University Press (Sanctuary Cinema, 2007 and Celluloid Sermons, 2011) have showcased features on the use of moving pictures by the Methodists from their 1919 Centenary in Ohio to later work with the Protestant Film Commission.

Through the Center for the Study of Religious Freedom, students have had an opportunity to explore a variety of subjects through lecture series that include topics such as Religion in the Public Schools, which deals with problems involved at the intersection of religion and public education; Religion on Campus, a semester-long series of conversations about religious issues in college, with student religious leaders, chaplains, and administrators from colleges and universities from throughout Tidewater and the Peninsula; and Some Hard Questions About Our Faiths, a series of interfaith dialogues that ask the difficult questions we often seek to avoid, but in an open society we must all consider.

Now entering his second year as the College’s Chaplain, the Rev. Greg West is having a positive impact on our students, on campus and beyond. There are numerous vital ministries happening through the Chaplain’s office. Marlin Ministry, our student leadership group, works with Chaplain West to pray, praise, plan and implement ministries and outreaches to the campus. Chaplain West is leading LIFE Groups which are loosely based on the Wesleyan Class Meetings. We also have students leading these LIFE Groups, which bring students to the intersection of the Scriptures and their lives. The worshipping community continues to grow in faith and numbers at our two weekly services. Chaplain West is also escorting our students on abroad programs. This year he returned to Nicaragua for a Spring Break Mission Trip with 10 students and one professor. They will be working with the House of Hope, a ministry to women and children who have been trapped in prostitution or human trafficking and with several local churches.

Virginia Wesleyan’s commitment to social responsibility has been evident throughout the year in a variety of projects, such as the 5th annual Homeless Shelter hosted on our campus. Our students are also participating in projects such as the Empty Bowls fund-raiser and Marlns Read neighborhood tutoring project.

The college was pleased to host The Center for Sacred Music’s 2011 Summer Conference which launched the 50th Anniversary celebration. Preceded by a reception for the families of those who were instrumental in the College’s founding, the concert led by the Mormon Tabernacle Choir’s Mac Wilberg, attracted more than 600 people to Christ and St. Luke’s Church in Norfolk and brought special attention to the center’s distinguished summer program as well as to the 50th anniversary of Virginia Wesleyan. The conference itself attracted a record classroom attendance of 203, drawn from 18 states, Canada and the Netherlands.

Throughout this 50th Anniversary, the College has celebrated its Methodist heritage and its strong ties to the larger community, while continuing to reconfirm its aspiration to be a supportive community that is committed to higher learning, social responsibility, ethical conduct, and religious freedom.

CAMPUS MINISTRIES

CAMPUS CHRISTIAN COMMUNITY AT MARY WASHINGTON

The Campus Christian Community is an ecumenical campus ministry on the campus of Mary Washington College in Fredericksburg. It is supported by Presbyterians, United Methodists, Episcopalians and Lutherans. The motto is: “Welcoming all people, the Campus Christian Community witnesses to the love and power of God in Jesus Christ. The CCC ministers with students, faculty, and staff of Mary Washington College and the surrounding community through worship, study, fellowship, and service, and provides a forum to explore and question issues of faith and life.” This mission continues to serve as a guide for all we do together as a Christian community and reflects our ultimate objective to incarnate God’s love and mercy to all people.

Our primary weekly meeting continues to be our Thursday evening “TableTalk” program. Every Thursday from 5-7 p.m., 30-50 students gather to enjoy a meal provided by one of our supporting churches and engage in conversation about a topic of interest and concern. I speak at many of these meetings but often we will welcome guest speakers from the college community who will speak from their experience and academic expertise. We also invited several of our area ministers to lead one of our Thursday night discussions. Students also take part leading our meetings on topics such as Honduras missions, diversity, wisdom from seniors or Passover. Each week a major part of our Thursday evenings is our time of sharing and prayer. Students will open their lives up to one another and listen to stories of joy and prayers of concern.

We continue with our Wednesday afternoon Eucharist service. Not long back we built a small prayer room just off our main meeting room that is now set up for worship. Again we used the lectionary to read through the stories of Scripture and listen to each other’s observations and reflections. We continue to use *Taize* style music and enjoyed the quiet and peaceful atmosphere. The prayer room is also available during the day for students to spend a few moments of meditation and prayer. We had 11 student leaders plan and implement the program for this past year at the CCC. Every Monday evening, these student leaders meet to brainstorm ministry ideas and plan the details of CCC events. It was exciting to watch these students learn how to work together and listen to each other’s opinions.

In September we began planning our yearly short-term mission trip, scheduled for December. We again went to Honduras, where we volunteered in El Progreso. This year we helped build a new school room for one of the many poor villages. We also helped out in a nutrition center that cares for malnourished babies, and spent a day volunteering at Pronino, a home for street boys and the state run orphanage in San Pedro Sula. We then spent several days at Our Little Roses, an orphanage for abandoned or abused girls.

These mission trips can have a powerful impact on the lives of students. Many of our students alter their career plans and life goals as a result of these service experiences. As an example, one of our recent graduates, Christine Exley, is completing her second year in a PhD. Program at Stanford University in Economics and will study economic development in the third world. Her interests were dramatically

shaped by her involvement in several short term mission experiences with the CCC. Christine won many awards for her academic achievements including the alumni award given to the student displaying an outstanding combination of leadership, academic excellence and service.

Many of our graduates from last year are doing volunteer work such as Mike Hollister, serving with AmeriCorp, and Taylor Hall who is with the Peace Corps in Paraguay.

Several small groups met this year including a men’s group and a women’s group. These are support groups that focus on relationship building, discussion, and prayer. We also had Friday evening activities, which is a casual gathering of college students, watching a movie together, playing board games or just spending an hour or two together at the end of a busy week.

A new program for us this year was “Coffeeology,” which met on Sunday nights. It is a time to drink coffee and talk theology in a very open, supportive and creative way. We had a very nice turn-out for this weekly program of honest questioning and healthy interaction. Our students also used “Coffeeology” to reach out to our area high school students. A couple Sunday night sessions were opened to a few youth groups who joined us for this honest interchange of thoughts and ideas. This was a hug hit among the high school students and it was also greatly appreciated by our supporting churches. We will continue this next year.

This past year I was able to visit many of our area churches and sometimes preach a sermon about our work with students. Each time the congregations are eager to hear about what students are thinking and doing. They are happy to participate in campus ministry. Our mission trips are not possible without the involvement of our congregations. Not only did they give money to help students go on the trip, but then they opened their doors to listen to the students’ stories of their experience.

Young adulthood is a very dynamic time in life. These young people are moving out of adolescence and beginning their final move into full adulthood. It is not an easy time as they begin to make their own decisions about what they will believe and how they will live. It is so important that the church has a presence among students as they make this often bewildering transition. It is my hope that the church will continue to increase its sense of commitment toward this next generation of church and community leaders. The college years are an in-between time. As Henri Nouwen has said, they are moving out of their parents home but have yet to establish a home of their own.

I continue to feel lucky to be called to the task of creating a network of support for these students who are having experiences and making choices that can influence the rest of their lives. It is a great privilege to minister in a place that has had such a long tradition of faithful service to the community of this fine university. I look forward to the enthusiasm, ministry, relationships and new experiences in the year to come.

The Rev. Robert Azzarito, Campus Minister

WESLEY–WESTMINSTER FOUNDATION AT NORFOLK STATE UNIVERSITY

Our year began with a Leadership Worship Service facilitated by the student president for the Wesley-Westminster Foundation at Norfolk State University. More than 15 students made a commitment to join the Wesley-Westminster Student Fellowship, which is an official organization recognized by the Administration of Norfolk State University.

Our students are engaged in their faith journey through activities that will enjoy the company of Christ in the mist of our weekly Meet and Greet fellowships held in the new Student Center on campus. We provide an interactive approach to Biblical application by exploring with the students existential issues using the theme “If Christ is the answer, what are the questions?” each week at our Bible study series.

For those students who wish to embody their faith walk, we offer regular sessions introducing the art and practice of listening to God through meditation.In addition to these activities, the ministry is invited to partner and advise many of the other student organizations offered on the campus of Norfolk State, which serves more than 7,000 students. The university utilizes me frequently to provide assistance in the Counseling Center, specifically to a board that deals with sexual abuse issues. The campus ministry program continues to serve the staff, faculty and students in their Christian development.

The school administration continues to provide rooms and equipment, internet and mailroom accommodations for the Wesley-Westminster Foundation - but not having the use of our own facility is still a great concern. During the months of December, January, February and March 2011 - 2012, many friends, board members, and Norfolk State building construction professor Walter Parker have volunteered their services for the campus ministry house renovation project. A United Methodist Youth Group of a local congregation, grades 8 through 12, helped in insulating the downstairs interior area during Lent. Walking by faith and not by sight has been the building block for our achievements in this ongoing campus ministry project.

We are thankful and grateful to all who labor toward the completion of this long awaited goal. As we look to the future, we stand united in faith, in prayer, and in execution to the mission of Wesley-Westminster Foundation at Norfolk State and The United Methodist Church, to make disciples of Jesus Christ for the transformation of the world.

PACE CAMPUS MINISTRY AT VCU

Our year began with a Student Fair at the Siegel Center, where more than 5,000 students gathered to see (and be seen) what the service organizations have to offer for them. Our student leaders were there to prevent an over view of the ministry and to invite the new students of VCU to walk with us on their journey while here. With more than 45 recognized faith groups to choose from, we are strategically located to be their ministry of choice.

Our new initiatives are doing extremely well serving more than 400 students monthly via study and worship! A great deal of credit goes to our intern, Vernon Gordon, and the student leaders who support and share leadership with him.

We continue to provide a welcoming space where other ministries may also serve the Kingdom of God: Aletheia College Ministry, LJC Korean Church, Staples Mills Baptist outreach, and Edge Ministry for special occasions. Our building is a tool that allows us to extend our ministry’s reach. This also helps us to adequately maintain this structure.

We offer ministry opportunities throughout the week as well as offer opportunities for VCU’s student body to enter into service to the Community through Highland Support Program and United Virginia. Both of these organizations use our building to reach Social Work and mission oriented students.

TIDEWATER WESLEY FOUNDATION AT OLD DOMINION UNIVERSITY

“That’s where the hard-core Christians have concerts.” These were the words overheard by a sibling of a student leader during our annual celebration of Old Dominion University(ODU)’s homecoming football game.

On a recent Facebook post, a student was asking directions to the Baptist Collegiate Ministry. The response was “oh, it’s right next to the Wesley House – you know, the place where all those concerts happen.”

In an article published on Feb. 1, in the *Mace and Crown*, the student newspaper at ODU, the Wesley House was described “as a place

people will come to listen to some crazy music and have a good time.”

The idea to create an entertainment venue at the Tidewater Wesley Foundation for students at ODU and in the Hampton Roads area was born at a meeting of our leadership team shortly after an earthquake hit Virginia and before a hurricane delayed the opening of ODU for a few days. The students wanted to do something that would attract others to our building, would support local music and assist us in our goal to be a place “that offers spiritual discovery and growth, leadership development, fellowship and service to the world through our relationship with Jesus Christ.”

During the academic year, we hosted 26 shows. More than 75 bands have played and stayed in our building since September. We’ve hosted touring acts from New Jersey, Arkansas and Texas. Hundreds of students and young people have cycled through our doors and several have taken the free Bibles we offer at all our shows and have had conversations with several more about faith. During the summer, we hope to offer weekly concerts that will draw high school students and youth groups so that we may welcome new generations of students and prepare them to be a part of campus ministry when they come to ODU.

Our shows are an example of radical hospitality as we welcome all genres of music and all types of people. We only ask that people respect that we are a church-based campus ministry and to be open to what we offer. Our concerts always begin with prayer and when our lineup includes Christian musicians, we offer the chance for testimony.

These student-led events are teaching practical skills in sound production, management, and business in a non-profit faith based environment. We are not preparing leaders for the future. We are training and sending leaders for the church right now.

The success of this program has emboldened our student leadership team and allowed them to dream some big dreams. Our current five-year plan includes establishing a summer residential service experience for youth groups that will partner local non-profits and churches in the Park Place community and all of the Hampton Roads area. The college students who will lead this program will learn how to run a residential camp and be spiritual leaders to junior high and high school students.

We expect to kick-off a capital campaign in the 2013-2014 academic year to fund a transformation of the building. The renovations will add capacity to our building for shows, worship, and other events; provide a space for our summer mission program; and construct several apartments for residents who will live in an intentional Christian community during the academic year. These three programs will increase student leadership opportunities, provide stability in student leadership, allow the Board of Directors to move to a mentoring model of non-profit management and add to the income streams of our campus ministry.

We continue in our mission of outreach, evangelism and hospitality with our longstanding programs like “Table Talk.” We continue to offer small group studies, individual counseling, and opportunities for worship. We continue to offer service opportunities through our partnership with the Society of St. Andrew and Park Place UMC. We still offer space to AA and NA, the ODU music department, student groups and a Korean church. Our ministry is a vital part of the fabric of ODU and our presence is an important witness to the work of Jesus Christ and The United Methodist Church.

On April 21, we celebrated the first-ever “Stakeholder” meeting for the Tidewater Wesley Foundation. Students volunteered their time to prepare a free spaghetti dinner for laity, clergy and other “stakeholders” with an interest in the Tidewater Wesley Foundation. At that meal, we outlined our vision and called on the church to support this vision.

July 1 marks the beginning of the Tidewater Wesley Foundation’s 30th year in ministry. We are calling on alumni to reconnect with the ministry and plan on a celebration to occur in April 2013. Please check out our website to see the way that you can connect to all the wonderful things happening at the Tidewater Wesley Foundation at <www.wesleyhouseodu.org>. Please continue to support us with your prayers, your gifts and your service.

UNITED CAMPUS MINISTREIS AT VIRGINIA STATE UNIVERSITY

United Campus Ministries (UCM) at Virginia State University (VSU) is very grateful to Virginia Conference of The United Methodist Church and the new James River District for their prayerful and generous support of our call to provide opportunities at VSU to impact lives and to make disciples of Christ through Christian Worship and Education, Fellowship, and Community Service!

Christian Worship and Education

Sunday services take place on campus at 2 p.m. Bible Study is held on Wednesdays at 7 p.m. Student leadership and participation in these endeavors has been manifested through the birth and rebirth of several ministries! In March 2011, was the development of the *Avodah* music ministry. *Avodah* is a 25-member praise and worship choir with a band rendering contemporary Christian and Gospel music during services on and off campus. *Avodah* has been blessed to take part in worship in many churches throughout the James River District, including Highland UMC and Bermuda Hundred UMC.

In the fall, a diaconate ministry was established to assist with the liturgical elements of worship and with serving communion. This ministry is comprised of six students who rotate duties on a weekly basis. After a semester-long hiatus, our praise dancers remerged with a new look, new student leadership structure and a new name of Chara. These students gracefully minister through dance, adding a special touch to service on the fourth Sunday of each month.

These three ministries have made a tremendous difference in the atmosphere of services by sharing the gospel message through creative and contemporary expressions that appeal to peers while creating new and exciting ways for students to get involved and exercise their gifts in ministry!

Christian Fellowship

Christian fellowship has included an array of spirit-filled activities for VSU students who desire to “gather with the saints” on Friday nights. In conjunction with the Department of Recreation and Leisure, we host an event each month of the semester that mixes faith and fun. At the Table is a game night where students gather for a multitude of table games including ping-pong, billiards, chess, checkers, Uno, Spades, Connect Four and more. Wade in the Water is a pool party where we take a break from the warm weather and enjoy swimming, water games and good fellowship. Crazy Praise is an open mic gospel music extravaganza, where all are invited to come and share their musical gifts and talents via high energy and passionate praise and worship. Each session includes devotional time during where the good news is shared with all who are gathered.

Community Service

UCM was welcomed by Communities In Schools at Ettrick Elementary for year two of the Men of Troy and the Little Princesses mentoring programs. Two dozen VSU male and female students serve a corresponding number of third, fourth and fifth graders as positive role models and guides who assist them in their journey to adolescence. Members of the faculty and staff of VSU continue to partner with the Dinwiddie County Department of Social Services’ monthly USDA food commodities distribution. Last fall UCM organized groups of students to work with Habitat for Humanity to build a home for an eligible VSU employee in Petersburg and registered 18 participants for the annual Walk Against Hunger and raised \$477.00 for the cause.

In addition to these highlights, United Campus Ministries has benefitted from interns from the Mass Communications Department who

have managed our online communications. Our Facebook and university website pages are both managed by VSU students who have blessed us with their time, technological expertise and desire to serve the Lord! UCM continues to share the “Thought for the Day” to the entire campus community via the e-mail system. These motivational statements are inclusive of a variety of faith traditions out of respect for the diversity of belief systems throughout the Virginia State family.

We pray for God’s continued blessing of our ministry and yours. Thanks once again for your support!

The Rev. Delano Douglas, Director

WESLEY FOUNDATION AT VIRGINIA TECH

The students at the Wesley Foundation at Virginia Tech have truly been “Loving Out Loud” this year as we seek to embody the message of Matthew 22: 37-40, “You shall love the Lord your God with all your heart, and with all your soul, and with all your mind.’ This is the greatest and first commandment. And a second is like it: ‘You shall love your neighbor as yourself.’ On these two commandments hang all the law and the prophets.”

Our faith community is excited about the many opportunities we have to gather for worship, discipleship, fellowship and mission. Every aspect of our ministry is focused on these four basic tenets of our Christian faith. As the students seek to “Invite and equip students to explore, engage, and embody an active faith in God,” our students believe it is vital to “Love Out Loud” in order to accomplish that vision.

From handing out free hot dogs to students at the bars in Blacksburg on a Friday night to Fall Retreat at Camp Dickenson to weekly Communion meditations and Crossroads worship to our spring break mission trip, Wesley has made this theme come to life. It was during our weekly Crossroads worship that a student said “The Wesley Foundation truly saved my life... the love each person showed me stopped me from taking my own life.”

Leading worship at local churches throughout the year enables students to use their gifts and grace to love our “connexion” that nurtures them in their Christian journey by preaching, singing, and joining in worship.

This year 45 students decided to take their spring break week to travel to Swanquarter, N.C., and love through mission to those affected by Hurricane Irene last fall. Our weekly Bible studies, small groups, and intramural sports provide ample opportunities to grow in love of their selves and God.

The Wesley Foundation at Virginia Tech is alive and the students are passionate about being nurtured at Table and sent out into the world to be the hands and feet of Christ. It is a place where lives are being transformed and the love of Christ is overflowing. One of the survivors of Hurricane Irene, whose house we had to demolish in order for another one to be built, exclaimed, “the love these students showed me this week is a love that can’t be put into words...all I can say is thank you...thank you for showing me the love of God.”

The Rev. Bret Gresham, Campus Minister

WILLIAM & MARY WESLEY FOUNDATION

In campus ministry, each year brings new opportunities for mission and ministry. In following God’s call to embody Christ’s love, our community lives out that love in the William and Mary community and beyond. We continue to have Bible study, small groups, and activities that nurture the spirits of the young adults who come our way, as well as so much more.

Each calendar year, we install a new leadership team. In December we said goodbye to the awesome leadership of the Young Adult Council 2011: Bonnie Roane, president; Owen Yancey, worship; Jane Baldwin-Tolliver, discipleship and service; Alexa Muri, communications; Heather Morris and Tara Miller, fellowship. In January, we welcomed our new leadership team of Owen Yancey, president; Jane Baldwin-Tolliver, worship; Jamie Lewis, discipleship and service; Marni Robins, communications; Jannette Morris and Rachel Fugate, fellowship. It is a joy and a privilege to serve with such dedicated and compassionate persons.

This year, we continued to invite the wider community to join us in fellowship and service to God and one another. Our Sunday night program continues to be the mainstay of our programming ministry. We have a program from 5-6 p.m. followed by dinner. This year we had a variety of speakers, from college President Taylor Reveley to seminary president and United Methodist pastor, Rebecca Parker, to Revs. Allie Rosner and Edward Hopkins. Other programs ranged from “Whose Line Is It Anyway?” to worship to a discussion of demons right before Halloween. In service, we partnered with the William & Mary gleaning group, as well as students from Old Dominion University in gleaning pumpkins; invited Professor Keith Graber Miller to come and share with the campus community, as well as youth, local pastors, and youth directors about the intersection between faith and sexuality; and we continued working to help feed the community with our annual Potato Drop. Each semester we offer the hospitality of lemonade and cookies, not only to the incoming freshmen and their families at move-in, but to the entire campus community at different times throughout the year. At the end of each year we carry out Operation Taco to offer food and grace to the students celebrating the end of the school year. Finally, we travelled this year to Atlanta for our spring break mission trip and, as usual, had a wonderful group of students, as well as a student from the local community college, and a board member to go. Hampton UMC once again graciously loaned us their church van to use on the trip, and the amazing Ron Rumsey was our driver, friend and so much more.

In addition to the events and projects that we do, we continue to partner with other campus groups as well. We participated in a movie and panel discussion on non-violent solutions to the Israeli/Palestinian conflict, an ecumenical discussion of different understandings of communion, a guest speaker to discuss scripture and Lesbian, Gay, Bisexual and Transgender (LGBT) issues, a discussion of faith and persons who are LGBT, an interfaith dinner to listen and learn from one another about our different faith traditions, as well as continuing to take the lead in planning the annual Service of Lessons and Carols.

We reach out beyond the campus to our local churches as well. Our worship team, The Wesley Liturgists, continues to be a vital ministry to local churches, and they shared at many churches throughout the area. In addition, the partnership with two local churches in our community continues to grow and strengthen. Williamsburg UMC continues to be a place of worship and community for many of our students, and there are strong bonds between the life of the church and Wesley, as evidenced by a covered dish luncheon that was an astounding success, and by students continuing to participate in the worship and music of the church. Wellspring UMC is another local church where students have strong bonds as well. An Adopt-a-Student/Adopt-a-Family program continues to be an amazingly meaningful ministry for the church and the students, and Wellspring is a place of meaningful worship as well.

It is an honor and a privilege to serve as the campus minister here. The young adults and the entire Wesley community do an amazing job of living out the love and grace of God!

The Rev. Max Blalock, Campus Minister

THE VIRGINIA UNITED METHODIST FOUNDATION

The Virginia United Methodist Foundation exists to serve the local churches and agencies within the Virginia Conference. It is available to help the local churches and agencies raise money for their programs and ministries by holding workshops on planned giving, which is simply encouraging individuals to make provisions in their estate plans for those churches and agencies that they have supported during their lifetimes.

The foundation is also available to work with local churches to help them establish a permanent endowment where such endowments are appropriate. The foundation offers local churches and agencies the ability to invest their monies, whether they are endowed funds or simply reserve funds, collectively in order to earn more money than they might earn individually. All monies placed with the foundation for investment are invested according to the *Book of Discipline's* Socially Responsible Investing policies.

The Virginia United Methodist Foundation is also available to manage comprehensive church campaigns for local churches for a fee considerably less than outside consultants might charge.

In addition to working with local churches, the foundation also is working in collaboration with United Methodist Family Services, United Methodist Homes, Heart Havens, Blackstone Conference and Retreat Center and the Society of St. Andrew to help facilitate planned gifts as well as significant current gifts. The foundation will be presenting planned giving seminars in conjunction with these agencies to encourage donors to support their various ministries and programs. The foundation and the agencies involved believe that through these collaborations cost savings will result for all involved which will allow more money to be focused on the delivery of services.

The foundation strives to become a true financial resource for the entire conference. It is our plan to add additional professional staff as financially feasible so that we can deliver more services to the local churches and agencies in the area of planned giving and campaign management and eventually an annual stewardship program.

Please let us know how we can better serve your church and the people in it.

E. Deal Tompkins, President and Executive Director

RETIRED CLERGY HOUSING CORPORATION

Nancy and I are now in our 18th year of serving the Retired Clergy Housing Corp. Thanks to the vision of the members of the Board of Directors through the years, we have increased our assets from around \$2.5 million to nearly \$5 million. She and I feel a deep sense of gratitude for having been a part of this increase.

Presently, our thoughts are centered on the future needs of the clergy in our Virginia Conference and the ability of our corporation to meet those needs. How many requests from “needy clergy” will we receive? Will the requests be fewer in number or more? If the number is more, will we have homes to fill these requests? Will we be solvent enough financially to meet the needs we may be called upon to fulfill?

Since we are the only conference in The United Methodist Church that offers this kind of service to our needy clergy, we have to rely on our own judgment with help from the Board of Ordained Ministry, the bishop, Cabinet and Board of Pensions to give us clues. So as you can see, there is great difficulty in determining our future needs, or lack thereof, as it relates to the Virginia Conference. In 2011, information was received from all three groups concerning the future and answers are still unclear.

Since this is the first year that someone from our board has not shared with you from the Annual Conference platform, I am hoping you will make a special effort to read this report. My judgment is that we need to be diligent in keeping ahead of our needs as has been true ever since this corporation began in 1932. The needs may vary, however we will always have needy persons. Circumstances may arise which can effect one of us at any time. Therefore, anything we can do as a corporation to help is vital in our planning.

What can you do to help? First, become a member of the “Covenant of Gratitude.” Just \$1 per person ordained as a commissioned provisional member of our conference is a small amount that each clergy and lay member of our conference can contribute toward our financial needs. If you know of someone who might be willing to give their home or property to the Retired Clergy Housing Corp., please encourage that individual by asking them to call me so I can give the proper answers as to how this can be done. Finally, pray for Nancy and me and the members of our board as we plan for the future..

The Rev. Thomas L. Coffman, President

THE PREACHERS RELIEF SOCIETY

The purpose of the Preachers Relief Society is reflected in its official or legal name, “The Society for the Relief of Preachers of the Virginia Annual Conference of the United Methodist Church, and their Families, their Widows and Orphans, Inc.”

This past year several clergy and their families faced with acute financial problems were aided by grants from the society. Those in need of aid should apply to the society through their district superintendent. Grants are made in accordance with the severity of the need and the funds available. The grants are confidential and awarded without conditions. Persons interested in supporting this work are invited to remit contributions through the Virginia Conference or send them directly to our financial advisor: Larry Field, Scott and Stringfellow, 2101 Parks Ave., 402 Pavilion Center, Virginia Beach, VA 23541.

The society wishes to acknowledge with thanksgiving and appreciation the service of W. Alton Carswell. Alton is not only a long-time member of its board but has served it for many years as vice-president. We are grateful to Alton who has indicated he wishes to retire from the board following the election of a new member.

In addition to Alton Carswell, the members of the board of directors are: James Bergdoll (secretary), Sallye Bowen; Robert F. Cofield Jr. (vice-president), K. Dane Mills (treasurer), Henry Rogers, Harold E. White Sr. and myself.

The Rev. Robert T. Casey, president

THE BISHOPS’ FOUNDATION

The Bishops’ Foundation was created by action of the 2011 Annual Conference to provide training for leadership development of both laity and clergy in the areas of evangelism and preaching in the Wesleyan spirit. Funds previously associated with the three predecessor organizations (the Goodson Foundation, the Stockton Endowment for Evangelism, and the Bishop Pennel Endowment) form the assets of The Bishops’ Foundation.

It is the intention of the Virginia Conference that future gifts in honor or memory of bishops of the conference be directed to it.

The foundation is led by a board of directors (five clergy and four laity) nominated by the cabinet. As of Dec. 31, 2011, current assets amount to approximately \$250,000. Endowment funds are invested with the Virginia United Methodist Foundation.

At the present time the board looks forward to providing training events that will benefit both clergy and laity of the conference, particularly in keeping with the goals of United Methodist Vital Congregations and our Virginia Conference’s strategic vision. It is the board’s intention to actively seek partnerships with other entities of the Conference to provide uniquely focused training programs for leadership development. The board is particularly interested in addressing the “gaps” that may exist in current conference ministry programming with an initial focus on fostering opportunities for young adult laity and clergy to help the church in reaching their generation.

The Rev. Bill Davidson, Chair

THE SOCIETY FOR WESLEYAN STUDIES

The Society for Wesleyan Studies (SWS) was established in 1983 to renew Wesleyan themes in the life of the Virginia Conference and in The United Methodist Church. The society sponsors events devoted to the study of issues related to the history, theology, practice and mission

of John and Charles Wesley and the Wesleyan tradition. While we seek to understand more thoroughly the richness of our unique heritage, we do so always with an eye toward applying those resources in the service of the contemporary church in its ongoing mission and ministries. Events and membership are open to all interested lay and clergy persons. Continuing Education credit is available at all our events.

Typically the SWS sponsors a major fall seminar and a spring event. This past year’s events reflect the intentional efforts of the society to introduce the Virginia Conference to some of the younger and most promising of a new generation of Wesleyan scholars/churchpersons. In October, we hosted the Rev. Dr. Kevin Watson, who engaged us in a spirited and fruitful conversation about “Reclaiming the Wesleyan Class Meeting” for making disciples of Jesus Christ in our time. Our spring event featured the Rev. Dr. Jason Vickers, from United Theological Seminary, who addressed the topic of “Resurrection and the Christian Life: The Work of the Holy Spirit in the Wesleys (and in Methodism today).”

Also in 2011, the society partnered with other conference groups in planning the conference-wide “Ordering of Ministry” event, which gave the Virginia Conference an opportunity to learn about and give input into possible changes to be made at the 2012 General Conference.

We are excited about our fall event (Oct. 7-8), when we will host the Rev. Dr. Daniel Bell, a United Methodist clergyperson and theological ethicist from Lutheran Southern Seminary, who will present the thesis of his book, *Just War as Christian Discipleship*, and lead us in discussing matters of peace and war through an intentionally theological reading and application of the “Just War” tradition.

The Rev. R. Bruce Johnson

THE COMMISSION ON DISABILITIES

The conference Commission on Disabilities (COD) is the advocate and educator for its congregations to be inclusive to the children of God with disabilities. We uphold the responsibility of the church to be in ministry with all persons, regardless of their physical and/or mental conditions.

We are the resource group for the conference and our goal is to make worship available to all persons regardless of their disability or challenges in life. We desire that all of God’s children are able to make disciples of all people and work in the ministry of the church to the fullest of their abilities as members of the Body of Christ on every level of the conference. As the disciples of Jesus Christ we strive to provide accessibility, education, opportunities and outlets for ministry to God’s children encouraging all to know the grace of God in each other’s lives and the power of living in God’s will and service so all may be made new in Christ Jesus.

The COD has been busily working. We have and will continue to provide materials for “Disability Awareness Sunday” – the first Sunday in February. We want to encourage all churches to recognize this special Sunday, if not in February, at least sometime during the year. We ask that each church make a part of their ministry an outreach to those who have a mental or physical disability. To look at their facilities and their programs and ask, “Can everyone in our community, our town, our county fellowship, participate and worship with us?” To help congregations to answer this question a “Presentation in a Box” has been developed. It uses props to help people without a disability to get a sense of what it might be like for someone with a disability to worship at their church. Contact the COD for more information.

The commission continues to issue grants to churches for accessibility, programs and respite care. The commission encourages the local churches to complete accessibility audits so that all churches, parsonages, and ministry buildings will be accessible to all God’s children.

“Camp Rainbow Connection” continues to provide a week of fun and fellowship for more than 120 campers between the ages of 20-82. The two separate weeks of camp provide a much needed respite for the families and caregivers of the campers, who all have some level of intellectual disability. Eighty-two volunteer staff members, ages 17 to well into the 80s, offered unconditional love to the campers as buddies.

This year COD supported a new sub-group which ministers to the deaf/hard of hearing community. The summer camp called “Camp Loud and Clear” was a huge success. The Rev. Randy Williams reported there were 13 campers who totally enjoyed themselves. The college student assistants and the adults also found the experience to be positive and a blessing. Plans are for 20 campers in 2012. This year’s budget was \$10,000 and the cost was \$10,081.

Both Camp Rainbow Connection and Camp Loud and Clear remain in need of volunteers. Please give your time and talents to touch the life of a very special camper, visit the conference website at <www.vaumc.org> for more details and an application.

Christ has called all of us to be ministers of his word to make disciples of all people. Let’s set a place at the table for those with disabilities and remove the stumbling blocks in our facilities. Let’s welcome and encourage all to worship God in an atmosphere of God’s glory and grace. Challenge your congregation and community to touch a life of someone on the edge and bring them into the loving arms of God and to know Christ’s salvation.

he Rev. Douglas E. Hollenbeck, Co-Chair

THE BOARD OF DISCIPLESHIP

The Directing Board of the Board of Discipleship (BOD) spent the last year further developing its new programming approach. While the BOD felt that the organizational structure and plan of work adopted by the Annual Conference in 2010 was on the right track, we wanted to reaffirm with board members as well as adjust the plans where necessary. Toward that end, the BOD engaged a consultant to facilitate a strategic planning process. Three day-long meetings were held last fall to engage the board in this important work.

The BOD combined devotion, prayer, discussion and decision making in order to focus their work and assure a comprehensive outcome and plan. After reviewing its current guiding statements a new mission statement for the BOD was adopted: “Engaging with church leadership to understand and equip the local church so that they may experience the sheer joy of making disciples.”

Under the new structure of the BOD, equipping the local church will take place through five Regional Network Teams. A regional team leader will be appointed and trained for each region. This person will first connect with the district auperintendents in the region to partner and understand the needs of that district. Assessment Coaches will be recruited and trained to work with regional team leaders. These Assessment Coaches will connect with those churches in the region that are seeking assistance and support. To further support this system, the BOD will develop and maintain a bank of best practices expertise. The experts will be pulled from various resources. Once the coach understands the needs of the church leadership, the coach will deploy the most appropriate expertise to equip that church.

Finally, the BOD turned its focus to what measurements would constitute the organization’s metrics of success. It was discussed and recognized that effective measurement tools have a good balance of stories (qualitative data) and numbers (quantitative).

It’s hoped that the Regional Network Team structure will be fully implemented by next spring.

Youth and Young Adult Council

The Youth and Young Adults are not the church of the future; they are the church of today. The Youth and Young Adults of the Virginia Conference councils are offering their very best to other youth and young adults across Virginia as they serve in leadership positions.

More specifically, our Youth Council is energized to lead their peers with superb leadership via Fall Retreats, CCYM Retreats, and our novel gem called “LEAD.” This is a program where our youth across the conference are immersed into the City of Roanoke through an experiential model of self- discovery, spiritual disciplines, worship, and community service. The program is life changing because our youth are led to discover their strengths and to lead with confidence, power, and renewed vitality; thus, always pointing them to the call of Christ.

The Young Adult Council continues to lead a number of churches in VocationCARE by helping those churches find sacred space, unearthing their strength and power as a church. We hope the arm of this ministry will continue and become revival for participating churches. This year our Young Adult Council is challenging other young adults across the Conference to join them in an overseas mission trip. During the day, they will serve an AIDS camp and two orphanages; during the evenings, they will be devoted to the practices of VocationCARE.

Moving across the Virginia landscape, we are fortunate to have Casey Torrence to lead All God’s Children Camp for another year. We were blessed to have 130 campers and 150 adult mentors and volunteers. We send a hearty thanks to all of the churches that have partnered with us to make this a success. Please keep us in your prayers as we are in the planning stages for this year’s camp. The dates are as follows:

- Aug. 5-10 – Camp Highroad in Middleburg
- Aug. 5-10 – Camp Occohannock on the Bay in Belle Haven
- Aug. 12-17 – Westview on the James in Goochland

Older Adult Council

Nineteen people from Virginia took part in the Southeastern Jurisdiction Association of Older Adults’ Festival of Wisdom and Grace held at Lake Junaluska, N.C., Aug. 8-11, 2011. In April, the Older Adult Council offered its own overnight retreat for those who wanted to “prime their pump” of creativity and to network for sharing and fellowship with older adults from across the conference. With the theme of “ReFirement: Fostering a Creative Spark,” the retreat focused on enriching the lives of older adults and enhancing the ministries of the church. A variety of workshop sessions including watercolor and acrylic painting, music, liturgical movement, and knitting/crocheting were offered. Other activities of the council included development of worship materials for the 2012 Older Adult Recognition Sunday based upon the theme of “Forever Green” and continued assistance to start and expand Older Adult Ministries in our local churches.

The Rev. Beth Christian, Chair

RECOMMENDATIONS

- The Board of Discipleship recommends that each church in the Virginia Conference observe a Christian Education Sunday in the fall of 2012, and promote and receive a Christian Education offering (50 percent of which will remain in the district for teaching ministries, while the other 50 percent will support teaching ministries through the conference).
- The Board of Discipleship continues to recommend and endorse Gregory B. West as a General Evangelist according to the standards set by the General Board of Discipleship.

VIRGINIA UNITED METHODIST COMMUNICATIONS INC.

In today’s high-tech world, a simple and powerful reminder is that church marketing is evangelism. It reminds me of the first chapter of Meredith Gould’s *The Word Made Fresh: Communicating Church and Faith Today*, which argues that church communications is ministry. What we do is not just some business skill for the church. The work communicators do is not mere work. It is a vital ministry of the church, seeking and saving the lost. We marketers and communicators, designers and editors, volunteers and assistants – we are evangelists.

With this background, and recent changes in our conference structure, your Board of Communications spent time in the fall revising our mission statement and the areas of focus for our work. Our new mission statement is “The mission of Virginia United Methodist Communications Inc. is to assist faith communities in communications and related technologies, empowering their mission to make disciples of Jesus Christ.”

In a time when communications tools are changing at break-neck speed it is often hard to keep up. If we are going to share the gospel of Jesus Christ we need to embrace all the options available to us. The great thing about these different modes of communication is that many of the resources are free or at low cost and allow faith communities of all sizes to reach their communities and around the world. As we seek to support faith communities in utilizing this type of evangelism they will form new relationships with people in their communities, and invite them into faith and fellowship.

Our work on behalf the conference provides communication resources in all forms. In print, we produce The *Virginia United Methodist Advocate* monthly newsmagazine with information from across the conference and across our denomination, as well as a weekly *Sunday Advocate* for use in church bulletins, and *Neighbors*, a mass-mail invitation piece. In electronic communications we maintain the conference website, issue the weekly *e-Advocate* newsletter, manage multiple e-mail groups, offer the *Advocate* in an online format, and maintain a Facebook and Twitter presence. We also provide video production for work with our conference boards and agencies.

In October, Communications Department videographer Pheath Ram received two Certificates of Merit for “All Things New” videos from the United Methodist Association of Communicators, a denomination-wide professional organization.

Living into the vision of The United Methodist Church “to make Disciples of Jesus Christ for the transformation of the World,” we would like to help all of the faith communities of the Virginia Conference. When it comes to communications you have to be intentional about what you say and how often you say it. We would challenge every faith community to utilize a Communications Audit found on United Methodist Communications’ website at <www.umcom.org> where you will find a variety of other communication/evangelism tools to assist each faith community.

We look forward to partnering with all the work areas of the Virginia Conference as we seek to “Change the World” by sharing the good news.

The Rev. Bill McClung, President

THE BOARD OF GLOBAL MINISTERIES

The Board of Global Ministries is composed of clergy and laity who are passionate about participating in God’s mission and empowering the church to do so creatively and joyfully.

In the last year, our Board has examined our role in helping congregations implement their Vital Congregation goals. We have focused on the question: how can we support and empower local churches to become vibrant mission stations? As you read these reports, you will notice some of the responses to this question. We have made some changes, and we all know that change is not always easy for the church. We held our fall meeting at Blackstone in conjunction with the Board of Church & Society, with the intention of working more closely and making a stronger connection with the justice aspect of God’s mission.

We are working on changes to the United Methodist Volunteers in Mission (UMVIM) program, our volunteer mission-sending mechanism. The School of Christian Mission has been transformed into a Mission Encounter. We continue to develop the Mission Mentor program that was launched last year, and we believe this is an excellent resource for churches which are seeking to grow in their understanding and living out of God’s mission. God is at work doing amazing things in the world and we are blessed and humbled to be a part of it!

The Rev. Kristin M. Holbrook, President

MISSION INTERPRETATION TEAM

The Mission Interpretation Team is tasked with interpreting the mission outreach of The United Methodist Church to local congregations and districts. Two major tools that accomplish this are Mission Encounter 2012 – formerly called the School of Christian Mission – and Voices of Youth (VOY). Our team consists of elected clergy and laity as well as those persons who serve as district Mission Coordinators and United Methodist Women Education and Interpretation Coordinators.

Mission Mentors, trained and commissioned at 2011 Annual Conference, are additional interpreters of mission available upon request.

At our July meeting a lively discussion resulted in the formation of a task force that included young adults, men and women to look in depth at the School of Christian Mission. We are excited about Mission Encounter 2012, with a new format of workshops, UMVIM training, and a “Poverty Simulation” as well as in-depth mission studies about “Haiti’s Hopes and Challenges,” “Immigration in the Bible” and “Poverty.” Mission Encounter 2012 is a cooperative school offered by the Board of Global Ministries and United Methodist Women (UMW) to help us understand God’s work in our world and our involvement as United Methodists. The Mission Encounter is scheduled for July 27-29 and July 30- Aug. 2 at the Blackstone Conference and Retreat Center. Separate “mission trip” sessions are offered for youth and children. Hands-on mission projects help them understand and grow in awareness of local, national and global work done in Christ’s name by United Methodists. The dean for Mission Encounter 2012 is Louise Miller and the assistant dean is Donna Mott.

“Voices of Youth: Awakening the United Methodist Church to Mission” is designed to connect high school youth with those in need through music and mission. Voices of Youth 2012 team will be working on disaster relief in Joplin, Mo., from June 27-July 30. Contact Jennifer Dixon at <coordinator@ voyva.org> or Chad Hrbek at <teamleader@voyva.org> for more information.

MISSION RELATIONSHIP TEAM

The Mission Relationship Team of the Board of Global Ministries is tasked with educating and encouraging local congregations to find ways to be active partners in the mission programs offered throughout Virginia, the United States and around the world. Information and training regarding mission opportunities, both nationally and internationally, is provided to leaders, individuals and teams through the conference UMVIM coordinator, Julie Warren.

Congregations are encouraged to offer “second mile” giving, beyond our apportioned giving, by supporting projects and the missionaries serving God through The United Methodist Church in mission fields far and near. Under the umbrella of the conference Board of Global Ministries, the Mission Relationship Team prayerfully discerns and compiles the Advance projects that are listed in the Mission Opportunities booklet, which is annually published in the August issue of the Virginia Advocate magazine. The booklet includes projects in Virginia, around the country, international, United Methodist Committee on Relief (UMCOR) and UMVIM information and tools, Virginia Conference Initiatives of Hope, and our missionaries. This booklet also provides tools for developing and strengthening covenant relationships. Encouraging congregations to become involved in these transformational relationships is an exciting element of our work. The Mission Opportunities booklet is an educational tool for laity and clergy alike. It is our hope that you will each acquaint yourselves and your congregations with the Advance Specials.

Erin McKenney and the Rev. Rebecca Rumburg, Co-Chairs

COMMITTEE ON MISSION PERSONNEL

The conference Committee on Mission Personnel (CCMP) is working on ways to fulfill the following: 1) Recruitment of missionary candidates; 2) Promoting “covenant relationships” between congregations and United Methodist missionaries, with the goal that every congregation will someday have at least one covenant relationship with a missionary; and 3) Work with other conference entities to promote education of young people regarding United Methodist mission and service.

Since June, 2011, we have scheduled visits to supporting churches for the following Virginia sponsored missionaries: Clara Biswas, missionary serving in Cambodia; Jeremias Franca, missionary serving in Mozambique; and John Elmore, missionary serving in Chile. We also provided assistance in scheduling visits of a non-Virginia sponsored missionary to their supporting churches in Virginia.

We encourage all congregations, as well as individuals and groups, in the Virginia Conference to help support a missionary. To learn more about becoming a covenant partner with a missionary, e-mail the Mission office at <mission@vaumc.org> or call 1-800-768-6040 or (804) 521-1100, ext. 144. To schedule a visit from a missionary, contact Dale Childrey at <dchildrey@comcast.net> or (804) 275-7560.

The Rev. Joanne Maughlin, Chair

HEALTH AND RELIEF TEAM

The Health and Relief Team has been busy working on meeting the 2011-2012 goals for the Virginia Conference. United Methodist social agencies and various Advance Specials in the Virginia Conference were contacted and asked to complete a questionnaire on health concerns. An analysis of this data was completed to assist the team with establishing a goal for 2012-2013. Our goal is: to educate, support and provide resources on child neglect/abuse, substance abuse and mental health for the local church and individuals.

Resources available include: UMFS (United Methodist Family Services), which provides treatment for children and youth who are victims of trauma, abuse and/or neglect. UMFS also offers school-based services for students with behavioral and emotional challenges and students with Asperser’s Syndrome. Virginia United Methodist Homes provides Life Care programs and dementia care services. Heart Havens provides services for developmentally challenged individuals. Wesley Housing Development Corp. provides housing for low- and moderate-income families, seniors and adults, including those with chronic diseases or disabilities. The Faith Community Nursing Ministry provides resources to the local church through parish nurses. The Virginia Interfaith Committee on Mental Health Ministries offers resources for families dealing with individuals diagnosed with mental illness.

This committee continues to be involved in direct ministries to human need and to work with seven ministries and conference-related agencies.

The Rev. Donna Mott, Chair

DISASTER RESPONSE TEAM

The Virginia Conference Disaster Response Team (CRDT) is actively engaged in providing disaster response ministries throughout the conference. During the last conference year, members of the team, as well as our Early Response Teams responded repeatedly to the tornado outbreaks that affected many of the districts within our conference, as well as providing connectional support to our neighbors in the Holston and North Carolina conferences. In addition, we responded to the destruction left behind from Hurricane Irene and Tropical Storm Lee and have just recently conducted two case management classes in the counties affected by the Mineral-centered earthquake.

Conference Early Response Teams (ERT) have received numerous accolades for their relief and response efforts this year and are consistently looked to being “first-out” by the Virginia VOAD leadership and by Virginia Emergency Management. The CDRT and ERT have

volunteered thousands of hours in support of the districts and the communities impacted by the devastating storms that crossed our state last year.

Training continues to be at the forefront of our efforts. This year, through the dedication of our conference ERT coordinator and our three UMCOR-certified ERT trainers we have increased the number of UMCOR credentialed ERT responders to 300. We also included another Spiritual and Emotional Care Team training in our efforts to broaden the scope of our response capability. We are dedicated UMCOR partners and UMCOR has consistently supported all of our requests for training, education and financial assistance.

Because of the efforts of our equipment coordinator, our tools and disaster response equipment have been overhauled and updated. We are currently working on the rehabilitation of our 50-foot tractor-trailer shower unit that has been deployed outside of the conference for the last five years. We also added a dedicated ERT trailer to our inventory and thanks to a gift from our national VOAD partners we expect to add a 24-foot shower trailer by mid-year.

Disaster Response Team members travelled across the conference and across the country providing basic disaster training and education both in the local church setting and within several of the districts. Team members have been sought out for their expertise to teach in other conferences and on several occasions by UMCOR as well. The conference has a very dedicated and knowledgeable group of volunteers leading its disaster mission!

None of our efforts or capabilities would be possible without the hard work and dedication of the conference volunteers who make up the team, or members of our Virginia Conference churches who donate their time, talents and financial gifts to this important mission and ministry. On behalf of the entire team, I want to thank the Virginia Conference for your continued support.

The Rev. Bob Pihlcrantz, Conference Disaster Response Coordinator

UNITED METHODIST FAMILY SERVICES

Our mission is “Touch a life. Create a Future.” UMFS provided services in 2011 to more than 9,000 children and families throughout Virginia, with Regional Centers in Richmond, Northern Virginia, Tidewater, Fredericksburg, and South Hill, Intensive Treatment Centers in Richmond and Centreville, and offices in Farmville, Lynchburg, Charlottesville, Roanoke, Tazewell and Loudon counties. Our network of services include Family CARE Services, Treatment Foster Care, Adoption Services which includes Adoptive Family Preservation, Intensive Treatment Services, and School-Based Services, Project LIFE and Guardian Place.

Through our new chaplain, Joshua Andrzejewski, we will strengthen intergenerational spiritual life and pastoral care on our Richmond campus with our youth residents and senior residents at Guardian Place, and our connection with congregations and church leadership.

We are creating an agency-wide volunteer program. This will be led by Angie Williams, who has 17 years experience in youth and young adult ministries in the Virginia Conference.

Continuing a partnership with Commonwealth Autism Services (CAS), UMFS and Charterhouse School launched a new program this year called “Courage to Succeed,” which is a program that provides support services to young adults with Asperger’s Syndrome to allow them to attend J. Sargeant Reynolds Community College.

At UMFS, we reaffirm our relationship with the Virginia Annual Conference and ask for the continuing opportunity to collect the UMFS offering. We also value our place in our connection with the church and feel privileged to be a part of the ministry team.

VIRGINIA UNITED METHODIST HOMES, INC.

The mission of Virginia United Methodist Homes, Inc. (VUMH) is to provide facilities, services and programs to enhance the quality of life for older adults. These words carry great meaning and represent a lifelong commitment to the thousands of individuals who have called one of the seven VUMH communities home in the past 64 years.

Since the founding of VUMH in 1947, these words have grown to represent the lifeblood of the organization. VUMH has grown from two simple homes for older United Methodists to six continuing care retirement communities and one assisted living community, which touch all parts of the Virginia Conference while serving individuals of many faiths.

Between June 1, 2011 and Jan. 31, 2012, nearly 200 new residents have moved into one of the VUMH communities. VUMH strives to continuously meet the expectations of current and future needs of residents. To that end, renovations of the VUMH communities continue; however, none of the renovation work would be worth doing without the commitment and dedication of the many residents, donors, volunteers and staff members who live the VUMH mission every day.

At the heart of the VUMH mission are the staff members and volunteers who work tirelessly to improve the quality services already in place, and strive to develop new programs and services. In the spring, VUMH celebrated a significant milestone with one of its many caring employees as Burnice Crawford, a housekeeping employee at The Hermitage in Richmond, celebrated her 50th anniversary as an employee.

The many wonderful donors who support the Samaritan Program continue to give from their hearts. This is a positive sign as benevolent care needs continue to grow for the VUMH communities. A special thank you goes to our donors who make it possible for VUMH to provide facilities, services and programs to elders who have outlived their own personal financial resources.

WESLEY HOUSING DEVELOPMENT CORP.

Wesley Housing Development Corp. seeks to develop, own, operate, preserve and maintain housing and sustain quality Northern Virginia communities for low- and moderate-income families, seniors and individuals, including those with chronic diseases or disabilities.

Since 1974, we have developed 25 communities in six Northern Virginia locales to provide more than 20,000 residents with affordable, stable, quality housing. We currently manage 19 properties (approximately 2,200 residents, most of whom would be homeless otherwise) plus three Community Resource Centers and four special needs Resident Services Centers.

Current Real Estate Activities and Pipeline Projects:

- Colonial Village (Courthouse/Arlington): Renovation of the 162-unit community is in progress with residents moving into newly completed apartments. The project creates 17 new ADA compliant units and adds three-bedroom units to offer family-friendly apartments. All units will have new windows, full replacement of kitchens and baths, and energy saving upgrades. Completion expected this summer.
 - Pierce Queen Apartments (Arlington): In partnership with Arlington County, progress is being made to redevelop the 50-unit garden-style community to expand the number of total units as well as provide committed affordable housing to create a mixed-income environment. Pierce Queen is located in the Fort Myer Heights North area, where gentrification threatens affordability.
 - William Watters Apartments (Arlington): Renovation of the 21-unit apartment community’s heating system was completed in November, 2011.
 - Route One, Fairfax County: Wesley Housing is seeking funding to purchase and renovate an apartment community that would add 183 units of affordable housing along Route One in South Fairfax County.
- Resident Services/Special Projects:*
- Wesley Housing’s educational programs and supportive services assisted residents and neighbors at our three Community Resource Centers (CRCs) while social/recreational activities, needs counseling, and linkage to community resources served residents at our four special needs Resident Services Centers (RSCs).
 - The Whitefield Commons Community Resource Center reopened this year and launched the new Housing Stability Initiative. The Center is serving more than 100 families with adult and child programming such as job search assistance, sewing class, and homework help.
 - Wesley Housing collected school supply items (from pencils and glue sticks to backpacks) to children in our communities and 230 students in grades pre-K through 5 at Plummer Elementary School.
 - Our Adopt-A-Family Program partnered with churches, businesses, and individuals to offer holiday help for 188 of our neediest residents in 62 households, an increase of 84 percent over the number of residents served in 2010. Holiday celebrations (including gifts) were provided for children at our Community Resource Centers.

INITIATIVES OF HOPE

Initiatives of Hope (IOH) is planting seeds of hope with the people of the Igreja Metodista em Brasil and the Methodist Church of Mozambique. This year we are planning to expand our partnerships to include the Methodist Church in Cambodia.

Brazil: Our partnership with the Methodist Church in Brazil was enhanced in 2011 when a team of children from the Shade and Fresh Water program in Brazil traveled to Virginia to be “missionaries” to our conference. The children gave musical presentations at churches on the Alexandria, Arlington, Harrisonburg and Roanoke districts, Camp Overlook and at the 2011 Annual Conference session, where they were a big hit. Those who participated in the international consultation in Sao Paulo in April, 2011, are involved in planning and orientation for the expansion of the Shade and Fresh Water model to other locations where there are at-risk children in need of spiritual, intellectual and physical care. The director of the program in Brazil has traveled to Mozambique to provide information to the United Methodist Church of Mozambique and to assess the needs as well as evaluate the cultural adaptations that might need to be made to the program. Hopefully several Brazilian Shade and Fresh Water leaders will travel to Mozambique this year to train volunteers in the implementation of the program and a pilot program can be started by early 2013. (The Methodist Church in Honduras is also making plans to implement a pilot program in that country.) The Virginia Conference will continue to partner with these churches to address the needs of children in their communities through Shade and Fresh Water or similar programs run by volunteers from local churches.

Two young adults from Brazil joined Virginia Conference young adults for the Sojourn to Sacredness sponsored by conference Caretakers of God’s Creation last summer. Combined with the visit of a young adult team from Virginia to Curitiba, this experience laid the groundwork for additional interaction and mission among young adults in both countries.

An average of six to eight UMVIM teams travel to Brazil from Virginia each year. Our plan is to increase the number of teams and to encourage more teams from Brazil to come to Virginia for mission opportunities and relationship building in the months to come.

We are pleased that Shenandoah University School of Nursing will be sending a medical team to the Amazon again this year. We hope that will become an annual event for them and that we will have one or two additional medical teams in 2013.

Mozambique: The mission partnership of our Virginia Conference with the Mozambique United Methodist Church continues to strengthen, and be a blessing all around. The Annual Conference offering to the northern and southern Mozambique Conferences is used to strengthen their various ministries including providing Sunday school and theological education for church leaders. This leadership development work is done in an “extension” context with centers being established in Maputo and Inhambane, where tutors are transported and trained, materials translated, teaching aids purchased. Seminars for training Sunday school teachers were also held on three districts of the southern conference.

In June, 2011, teams from Annandale UMC and from Courthouse Community and St. Andrew’s UMCs, worked at the Cambine compound and at the Tinga-Tinga School in Bungane in areas of repair, leadership development, teaching, medical assistance, delivering supplies and most importantly – relating to brothers and sisters in Christ. There are five teams preparing to go to Mozambique in 2012: a medical symposium team and Global Citizenship Project team from Shenandoah University, a construction team from Annandale UMC, a conference

UMW leadership team, a women’s clergy team and a local church team to Bungane. Additionally, initial preparations for 2013 teams have begun.

We invite churches, clusters of churches, and districts to consider the possibility of sending a team to Mozambique or Brazil: a unique experience of sharing Jesus, sharing culture, and partnering with faithful brothers and sisters who are tireless in their living out of the gospel.
The Rev. Judy Worthington, Chair; The Rev. Jay M. Hanke, Mozambique Initiative; and Dot Ivey, Brazil Initiative

CHAPLAIN SERVICE PRISON MINISTRY OF VIRGINIA, INC.

A year ago I made the Chaplain Service Prison Ministry of Virginia, Inc., report to the Virginia Annual and introduced a new DVD about the prison ministry in Virginia. The DVD depicts the ministry to 32,000 adult prisoners, 2,500 of whom are women, and 700 young men and 50 young women who are incarcerated in 31 state prisons and three juvenile correctional centers. The DVD includes comments from Bishop Charlene Kammerer, Dr. John Upton of the Baptist General Association of Virginia, and Virginia Gov. Bob McDonnell. After the DVD was shown, I asked the delegates to pray for the Chaplains, for those whom they serve, and for the victims of their crimes.

After I spoke, a motion was made to reconsider the reduced grant for 2012. It passed overwhelmingly. On Sunday, Bishop Whitaker asked for CFA’s response to the motion referring a request for additional funding for the Chaplain Service Prison Ministry of Virginia. Jeff Davis stated that a task force had been formed within CFA to gather complete financial information from the Chaplain Service Prison Ministry, and that CFA will work within the current budget to accommodate the Annual Conference’s request. The Rev. Robert Casey moved to increase the 2012 funding for the Chaplain Service Prison Ministry of Virginia to \$149,000 using conference reserves, but Casey’s motion was not approved.

This was when a miracle happened. The Rev. Greg West, chaplain at Virginia Wesleyan College, asked the bishop if there could be a special love offering for Chaplain Service. Bishop Whitaker approved that request, and hundreds of people came to the altar and presented gifts for Chaplain Service Prison Ministry of Virginia, Inc. The amount collected on that day was \$9,396.93. Praise God! Hallelujah! Additional money was designated for Chaplain Service, and the total amount collected was \$10,521.93!

As a follow-up to last year’s amazing miracle offering (and to help make up for the reduced 2012 grant), I am issuing a special challenge: Would you please add \$25 a month (i.e. \$300 a year) to your church’s budget for 2012? If so, your church will be acknowledged as one of Chaplain Service’s “300 Club” churches. For \$300 a year your church will help provide a prison ministry that ministers to the women, youth and men who are in state prisons across Virginia. Funds may be sent monthly, quarterly or annually to: Chaplain Service Prison Ministry of Virginia, Inc., 2317 Westwood Ave., Room 103-A; Richmond, VA 23230.

INDUSTRIAL & COMMERCIAL MINISTRIES

This October, ICM-Industrial & Commercial Ministries (ICM) will celebrate its 40th anniversary. Thousands of working men and women have been touched with the love of God by ICM chaplains. ICM chaplains are a direct extension of the local church’s outreach mission, serving at their assigned workplace right within their own communities. These men and women, clergy and laity, are “a caring presence” to working folks who have a multitude of personal problems. ICM chaplains listen, do not judge and are there to offer referral sources.

Every ICM chaplain, all volunteers, completes a two-day training seminar covering subjects that will enable them to deal with the problems that they may encounter... grief, finances, theology, stress, substance abuse and others. Our goal is not to be experts, but rather help working folks find the resources that are available to them that will help solve their problems.

So often God is left at the church. ICM chaplains share God’s love each week by being with working people, churchd and unchurchd, and letting them know that God does love and care about them. Someone said, “being a ICM chaplain is a lot like what Jesus did. He “hung out” with ordinary people in the workplace.”

We need your help to expand and to grow our local ICM chapters. How can you help? Pray for ICM and our faithful chaplains; pray about becoming a ICM chaplain; consider supporting ICM financially, as an individual and as a church; help to establish a chapter in your area.

Want to know more? Visit <www.America.org>, call (540) 432-1919 or e-mail <icmmmin@aol.com>.

THE VIRGINIA UNITED METHODIST CREDIT UNION

John Wesley was among the first to organize financial cooperatives among the faithful in the Methodist movement and it is in the spirit of Wesley that in 1952 the Virginia United Methodist Credit Union was established by a group of clergy who pooled their financial resources to help each other. As we celebrate 60 years of service in 2012, our membership has grown to include United Methodist churches, church members, clergy, organizations, agencies and institutions within the Virginia Conference.

We are a full-service financial institution and we operate solely to serve the financial needs of our member owners. Our all volunteer board of directors is comprised of a cross section of lay and clergy. We help our members by providing quality financial products and services, including savings and checking accounts, loans, Visa credit cards, online services and resources to assist our members with personal financial management. We sponsor scholarships for college bound students and have partnered with several conference churches to establish Jubilee Assistance Funds; a program that assists churches with providing their needy members short term help during a financial crisis and financial management tools to guide them toward long term financial stability.

Our church loan program helps conference churches with the refinane of current loans, loans for parsonages, renovations, and vans and buses. We also offer project loans (up to \$50,000 unsecured) and credit cards for church business.

Our goal is to be the premier financial institution and primary resource for encouraging sound stewardship principles and helping Virginia United Methodist churches, individuals and institutions “to earn all they can and save all they can so they can give all they can” as servants of Christ in the world.

THE SOCIETY OF ST. ANDREW

Even with the continued weak economic conditions throughout the country, the Society of St. Andrew (SoSA) was faced with some additional challenges in 2011. These challenges had to be overcome in order to meet our goals.

This past year started out with some very poor weather that ultimately effected crop availability throughout much of the country. Severe flooding, too much rain, violent storms and tornadoes were common in the early months of the year. This kept farmers out of their fields at critical times and prevented other crop related work resulting in significantly reduced harvests – and consequently significantly reduced crops available for gleaning.

Most organizations would have given up and just accepted that it was going to be a bad year. Not SoSA. We understood that if we let down, we were really letting down America’s hungry people. In the second half of the year SoSA made the most of existing opportunities and created new opportunities to come roaring back. With renewed gleaning efforts and bringing new farmers on-board SoSA was able to regain that lost ground to save and distribute 27 million pounds of food. All of it was fruits and vegetables that the poor in our country desperately need and to which they have little or no access. For many of the poor in America, SoSA is their only source of fresh produce. At a time when the number of hungry in the U.S. has grown significantly, the need for this ministry has never been greater.

The last 12 months have been marked by huge successes and challenges met:

- All three programs, the Potato and Produce Project, the Gleaning Network, and Harvest of Hope, experienced strong performance in 2011;
- SoSA saved and distributed 27 million pounds of fresh produce, nearly equaling one of our best years on record. All of this food would have otherwise gone to waste!;
- The Potato Project increased distribution by more than 14 percent;
- More than 30,700 volunteers put their faith into action by volunteering in SoSA’s Gleaning Network;
- More than 4,500 separate gleaning events were conducted, an increase of more than 20 percent;
- Food was distributed nationwide including in every county in the Virginia Conference;
- The ministry touched the lives of millions of people all across the country;
- Hundreds of churches across the country joined in SoSA’s ministry for the very first time;
- SoSA’s influence has played a key role in national associations such as the Alliance to End Hunger, National Anti-Hunger Organizations, the Congressional Hunger Center and others. SoSA’s voice is now heard in national hunger policy discussions;
- SoSA’s new Harvest of Hope event for college students as an “Alternative Spring Break” more than doubled;
- SoSA was recognized by the First Lady of Virginia in her “Opportunity Hall of Fame”;
- More than 81 million servings of fresh at a cost of about two cents a serving!

SoSA’s Board of Directors adopted a new Strategic Plan that calls for SoSA to increase its food distribution by an additional 20 million pounds over the next three years and then be able to sustain that new level of program activity. This is a huge example of stepping out in faith and represents the most important decision that SoSA has made since its founding.

We are called to love “in deed and in truth” and that has been SoSA’s ministry for 32 years. That ministry happens because many others take that calling to heart. Volunteers, churches, individuals, farmers, feeding agencies, transporters, board members, staff, and financial partners, all comprise a thriving network to feed the hungry in our land. The leadership demonstrated by the Virginia Conference continues to be a blessing to this ministry and to all those in need of food, for the body and the Spirit.

THE VIRGINIA UNITED METHODIST ASSEMBLY CENTER

For more than 115 years the Virginia United Methodist Assembly Center (VUMAC) has accommodated students and guests from throughout the Commonwealth of Virginia and beyond. The facility was founded in 1892 as Blackstone Female Institute; when the college closed its doors in 1955, the Methodist Church took on the responsibility of the property’s maintenance. At the 1972 Virginia Annual Conference it was decided that a comprehensive plan was to be developed for turning the property into a viable conference center. It was through the tireless efforts of the United Methodist Women that necessary funds were raised to turn the property into VUMAC.

The center takes great pride in its service to the conference with participation from district youth retreats, the Cabinet, Minister’s Convocation, Lay Servants Academy, School of Christian Mission, Camp Rainbow, Clergy Spouse’s Retreat and Board of Ordained Ministry. It is United Methodist Women and United Methodist Men that continue to be the backbone of use and support for Blackstone. In addition to their specialized meetings, the United Methodist Women’s Annual Meeting and the United Methodist Men’s Spiritual Retreat fill Blackstone with great Christ-centered activity.

In 2011, Blackstone hosted 12,314 overnight guests. It employed 11 full-time employees and 22 part-time employees.

At the close of the approved emergency conference-wide fund raising appeal to handle VUMAC debt totaling \$413,000 as approved by the Conference Council on Finance and Administration (CFA) and District Superintendents, VUMAC raised \$138,988. This money was immediately used to lower the debt responsibility. The remaining debt was handled through a low-interest loan with Citizens Bank & Trust Co. for \$320,730.67.

On March 7, 2011, the conference Trustees agreed to convey the property deed of VUMAC from the conference to the facility’s Board of Directors. The decision of the Trustees title was made in order that VUMAC have every opportunity to move forward with the work at hand in making the facility financially stable and eminently useful in service to God’s great work. VUMAC pledged to the Trustees to work diligently to preserve the good name of Methodists and to continue to build a better center for all to use and enjoy. The deed was recorded in Nottoway County on April 11, 2011.

The Board of Directors formed a search committee for an Executive Director to continue to lead the Assembly Center into the future. Their search resulted in the hire of Samuel A. McCracken as its new executive director, effective July 1, 2011. McCracken came from DeFoggi Development and Construction Co. in Richmond, where he served as senior vice president. He has a strong background in administration and management, marketing strategy, and a comprehensive understanding of facility maintenance and construction.

VUMAC added three Board members in 2011, Jim Bergdoll, Catherine Bolton and William DuBois.

On June 11, 2011, VUMAC hosted a Founder’s Day special event entitled “Faith of Our Founding Fathers.” Gov. Robert F. McDonnell delivered the keynote address and talked about the Founding Fathers as people of faith. The event also included appearances by George Washington and Patrick Henry, portrayed by re-enactors Kevin Grantz and Michael Wells, respectively. Youth from Crenshaw UMC saluted our Founding Fathers in song.

In October, the Board voted to do business as Blackstone Conference and Retreat Center, noting that the center will be governed by the legal name the Virginia United Methodist Assembly Center. The decision for this change in name was based on the need to cast its net for attendance to a wider market. In making the decision, the board further noted that other Christian conference and retreat centers seldom brand

themselves with a denomination.

In December, Blackstone celebrated Christmas with *Evening at Blackstone*. Amid garlands, decorated trees and a holiday feast, guests were once again delighted with this 16-year Blackstone tradition. Beginning with the captivating performance Star of Wonder by the youth from Crenshaw UMC and followed by period music from Williamsburg performer Dean Shostak, guests were filled with holiday spirit.

Last, but far from least, it was with a generous gift given in memory of Nell Ruth Clay Blanton by her son, Reuben L. Blanton Jr.; son-in-law, the Rev. Gene Tatum and daughter, Mary Nell Tatum. that refurbishment work began in December. Through their generosity the first floor parlor (room 113) will be renovated in honor of Nell Ruth Clay Blanton.

VIRGINIA CONFERENCE WELLNESS MINISTRIES

In response to information provided in the 2009 Health Survey, and gleaned through more than three years of extensive research and personal interaction with clergy and spouses, Virginia Conference Wellness Ministries (VCWM) is proud to announce its recommendation that Virginia United Methodist Pensions, Inc., (VUMPI) establish a new wellness partnership with Health Advocate, Inc. <www.healthadvocate.com>. A copy of VCWM’s Recommended Course of Action is provided as an attachment to this report.

If adopted, not later than Jan. 1, 2013, all active clergy and active lay employees enrolled in one of the health plans sponsored by the Virginia Conference will be eligible to utilize the range of services provided by Health Advocate. The member’s spouse, children, parents and in-laws will be eligible as well, at no additional cost. Future plans are to make the program available to retired clergy/retired lay employees – possibly as early as 2014.

Health Advocate’s services are divided into three major categories:

Core Health Advocacy: help with complex conditions, finding the right doctors/specialists, addressing eldercare issues, clarifying insurance coverage, helping to resolve claims issues, helping to negotiate medical bills and locating the right services at the right time.

Wellness Solution: unlimited personal wellness coaching by phone or e-mail; also, an online Health Risk Assessment (HRA), wellness workshops, health trackers, and MedChoice Support – assistance in making informed decisions about tests, treatments, procedures and medications.

Personalized Communications: personalized reminders about diagnostic and preventive care and procedures, as well as assistance with managing chronic conditions; copies of all communications are provided automatically to the member’s personal physician.

Additional information on Health Advocate, and its place in VUMPI’s health plans, is available through the VCWM website, <www.vcwministries.org>, or contact us at <VCWM@vcwministries.org>.

VCWM partnered with Johns Hopkins University and Anthem on a free pilot program called *Healthy Monday*; more than 200 active and retired clergy and spouses enrolled in the conference’s health plans chose to participate. *Healthy Monday*, which began in October, is scheduled to conclude during October 2012.

In collaboration with the General Board of Pension and Health Benefits’ Center for Health, Duke University’s Clergy Health Initiative and Duke’s Center for Spirituality, Theology and Health, VCWM partnered in the creation and funding of a three-year Longitudinal Research Survey to be administered annually to 5,000 United Methodist clergy across the United States from 2012-2014. The results of this survey will help guide denominational, jurisdictional and conference-level programming, and facilitate efforts to improve the health and wellness of clergy and their families. The first-year response rate was an excellent 37 percent.

VCWM continues to dialogue with Dr. Jeffrey Brantley, M.D., director of the Mindfulness-Based Stress Reduction (MBSR) Program at Duke’s Center for Integrative Medicine. Dr. Brantley, an acknowledged expert in the field, is investigating ways to provide MBSR training via phone. VCWM is interested in making such a pilot program available to our Virginia Conference clergy as a tool for coping with the unique stresses associated with the pastoral vocation and ministerial lifestyle.

Our executive director, The Rev. Charles Reynolds, concluded his service as a member of the denomination’s quadrennial Church Systems Task Force (CSTF), which performed a detailed evaluation of four areas of connectional life: the itinerancy, supervisory systems, processes for entering/exiting ministry, and work-life balance. Additionally, he helped draft the Voluntary Transition Program (VTP), a plan to assist clergy transitioning out of ministry. The task force’s recommendations were presented to General Conference 2012.

Ecumenically, VCWM is cooperating with Bishop James Mauney and the staff of the Virginia Synod of the Evangelical Lutheran Church in America (ELCA) to share programs and learning opportunities, with the goal of improving the health and wellness of clergy and their families across denominational lines.

Finally, VCWM is in the initial stages of conversation with the leadership of the member judicatories of the Virginia Council of Churches (VCC), exploring possibilities for collaboration in the areas of health and wellness. VCWM is optimistic that these conversations may result in the future sharing of knowledge, ideas and assets in a communal effort to facilitate wholistic wellness.

VCWM is dedicated to assisting our Virginia Conference clergy, lay employees, and their families to “have life, and have it abundantly” (John 10:10b). We request your prayers and welcome your feedback.

Donald Yesukaitis, President

RECOMMENDED COURSE OF ACTION

Submitted to the VUMPI Supplemental Benefits Committee on Feb. 23, 2012:

Whereas, the cost of providing coverage to participants enrolled in health care plans sponsored by the Virginia Conference of The United Methodist Church continues to increase annually at a pace which threatens the future viability of such plans, and

Whereas, Virginia Conference Wellness Ministries, Ltd. (VCWM) was established to conduct necessary due diligence, on behalf of Virginia United Methodist Pensions, Inc. (VUMPI), to identify opportunities to enhance the overall health and wellness of VUMPI’s health plan participants, and

Whereas, VCWM is under contract with VUMPI to study health and wellness issues among its client population, to recommend ways to improve same, and to oversee and/or aid in implementing various wellness-related programs and services provided by VUMPI to its client population, and

Whereas, VUMPI tasked VCWM to develop an overall strategy to mitigate the increasing trend in health plan costs (“Bend the Trend”) by using VUMPI’s 2009 Wellness Survey, and the 2010 Health and Wellness Assessment as a guide, and

Whereas, VUMPI defined the scope of work to include a four-phase initiative:

1. Data collection and analysis:
 - a. Conference Leadership questionnaire
 - b. Interviews of conference leadership
 - c. Survey of all clergy, lay employees and spouses
 - d. Analyze survey results

- e. Compile and report survey results
- f. Create executive summary of findings
- 2. Strategic and tactical planning:
 - a. Interpret and develop leadership’s vision
 - b. Determine if present state is acceptable
 - c. Inventory existing change agents, conference resources
 - d. Establish a road map to get to better place
 - e. Develop measurements and standards
 - f. Build conference-wide consensus; “sell it”
- 3. Rollout and implementation:
 - a. “Press the flesh” - Cabinet and district meetings, conference boards and agencies, lay leadership
 - b. Intense travel throughout conference
- 4. Ongoing maintenance and refinement:
 - a. Provide systematic reporting to leadership and constituents
 - b. Identify areas for systemic improvements
 - c. Refine health and wellness initiative processes
 - d. Collect and analyze feedback
 - e. Make recommendations to leadership
 - f. Integrate processes into existing systems, and

Whereas, costs related to the provision of health care services continue to escalate at a rapidly increasing pace, and current clinical and social research indicates that clergy and the families of clergy constitute a demographic stratum of American society with poor physical and emotional health, and

Whereas, current data provided by Anthem/Blue Cross Blue Shield continues to indicate low utilization rates among the VUMPI client population for diagnostic and preventive medical and wellness related services, and

Whereas, the 2009 Wellness Survey, the 2010 Health and Wellness Assessment, and significant ongoing interaction with the same population between 2007-2011 has resulted in the identification of specific health and wellness related services desired by clergy and their spouses, and

Whereas, VCWM has been successful in raising clergy/spouse awareness of health issues and wellness related practices, and believes the target population is now prepared to move forward with the completion of Phase 2 of the wellness initiative and partner with a commercial vendor, and

Whereas, VCWM has recently completed an eight-month process of researching, vetting, comparing and interviewing six wellness vendors from across the United States, and

Whereas, the vendors investigated by VCWM represent a variety of approaches, utilize a variety of techniques to facilitate and/or enhance wellness among client populations, and deal with client populations demographically similar to the VUMPI client population, and

Whereas, the VCWM Board of Directors has concluded its research by arriving at an unanimous choice of vendor,

Therefore be it resolved, that the Board of Directors of Virginia Conference Wellness Ministries, Ltd. recommends to VUMPI’s Supplemental Benefits Committee the selection of Health Advocate, Inc. as the commercial vendor to provide contracted health and wellness services to VUMPI’s client population, beginning not later than Jan. 1, 2013, and that:

1. The Supplemental Benefits Committee endorse and recommend Health Advocate, Inc. <www.healthadvocate.com> to the VUMPI Board of Directors for the stated contractual purposes, and
2. Virginia Conference Wellness Ministries, Ltd. will continue its work with VUMPI by serving as Wellness Initiative Coordinator and liaison with Health Advocate, Inc., to formulate, oversee and administer health and wellness services provided by Health Advocate, Inc. to the VUMPI client population, and
3. The Supplemental Benefits Committee implement a multi-tiered personal contribution schedule to financially incentivize health plan participants to engage in desired wellness tasks within a given year.

VIRGINIA UNITED METHODIST PENSIONS, INC.
SECTION I: REPORTS

REPORT 1: ROLE AND RESPONSIBILITIES OF VIRGINIA UNITED METHODIST PENSIONS, INC.

The *Book of Discipline of The United Methodist Church* directs each annual conference to establish a conference board of pension, auxiliary to the General Board of Pension and Health Benefits (GBOPHB), to have charge of the interests and work of providing for and contributing to the support, relief, assistance, and pensioning of clergy and their families, other church workers, and lay employees of The United Methodist Church, its institutions, organizations and agencies within each annual conference except as otherwise provided for by the GBOPHB.

On June 22, 1965, the Virginia Annual Conference of The United Methodist Church (VAUMC) established and incorporated the Virginia Methodist Pensions, Incorporation, (subsequently renamed on Feb. 2, 1971, to Virginia United Methodist Pensions, Inc.), or “VUMPI,” as its conference board of pension.

VUMPI, in conjunction with the GBOPHB, develops and administers the numerous employee pension and benefit plans sponsored by the Virginia Conference. Some plans are employer-paid, while others are voluntary and 100 percent participant-paid:

<u>VUMPI Plans</u>	<u>GBPHB Plans</u>
Health	Ministers Reserve Pension Fund (Pre-82)
Prescription	Ministerial Pension Plan (MPP)
Dental	Clergy Retirement Security Program – Defined Benefit (CRSP-DB)
Supplemental Life	Clergy Retirement Security Program – Defined Contribution (CRSP-DC)
Voluntary Life	United Methodist Personal Investment Plan (UMPIP)
Long-Term Care	Comprehensive Protection Plan
Medical Spending Account	
Daycare Spending Account	

REPORT 2: PENSION PLAN COSTS

There are four components to the Clergy Retirement Security Program (CRSP):

- A. Ministers Reserve Pension Fund (Pre-82) for service and benefits accrued on and/or prior to Dec. 31, 1981.
- B. Ministerial Pension Plan (MPP) for service and benefits accrued on and/or after January 1, 1982 through Dec. 31, 2006.
- C. Clergy Retirement Security Program – Defined Benefit Plan (CRSP-DB) for service and benefits accrued on and/or after January 1, 2007.
- D. Clergy Retirement Security Program – Defined Contribution Plan (CRSP-DC) for service and benefits accrued on and/or after Jan. 1, 2007.

The GBOPHB refers to plans A-C above as “defined benefit” pension plans. That is, each year an eligible clergy member of the Virginia Conference served/serves and received/receives pension credit, the applicable plan will pay a certain benefit, or “defined” monthly income during retirement. Hence, the term “defined benefit”. Defined benefit plans do not maintain participant account balances since the employer, or in our case, the GBOPHB, has the responsibility to manage the funds in a manner sufficient to pay the monthly defined benefit.

Simultaneous to the GBOPHB calculating each participant’s defined benefit, it calculates each annual conference’s cost to provide these defined benefits. The GBOPHB bills each annual conference the amount due. Each annual conference, or in our case, VUMPI, then in-turn bills and apportions our local churches for the cost of these plans.

The GBOPHB calculated the DEFINED BENEFIT pension costs as follows:

	<u>2012</u>	<u>2013</u>
Pre-82	\$1,901,992	\$1,387,695
MPP	0	0
CRSP–DB	5,755,023	5,924,719
Total DEFINED BENEFIT Pension Cost	\$7,657,015	\$7,312,414

In addition to these “defined benefit” plans, annual conferences provide their clergy pension benefits from the CRSP-DC, a “defined contribution” plan. Each year an eligible clergy member of the Virginia Conference serves and receives pension credit, the Virginia Conference determines how much pension contribution each clergy participant will receive in his/her pension account. Hence, the term “defined contribution.” VUMPI bills local churches for the required amount of pension contribution, then in-turn, makes monthly contributions into the clergy CRSP-DC accounts equal to 3% of salary and housing.

The GBOPHB calculated the DEFINED CONTRIBUTION pension cost as follows:

	<u>2012</u>	<u>2013</u>
CRSP-DC	\$1,624,258	\$1,563,864
Total DEFINED CONTRIBUTION Pension Cost	\$ 1,624,258	\$1,563,864

REPORT 3: HEALTH AND WELLNESS INITIATIVE

In 2007, VUMPI began a process to re-examine how it could positively influence the factors affecting the health and wellness of our clergy health plan participants, and their families.

The Health and Wellness Assessment, which canvassed more than 1,100 clergy and spouses, is complete. Findings have been distributed to the Bishop, the Virginia Conference Extended Cabinet, Virginia Conference Wellness Ministries, LTD., and the Board of Ordained Ministry.

As intended, the Virginia Conference Wellness Ministries, LTD., is now leading a collaborative effort among Virginia Conference boards, agencies and leadership to identify and implement initiatives that will increase the overall health and wellness of our clergy and their families.

VUMPI will implement a multi-tiered Personal Contribution schedule to financially incentivize health plan participants to engage in desired wellness tasks. Health Advocate, Inc., a vendor retained by VUMPI, will – in coordination with VUMPI and VCWM – implement a comprehensive wellness initiative; identify desired wellness tasks; engage Virginia Conference clergy, lay employees and their spouses to accomplish the desired wellness tasks; measure participation and benefit utilization, and determine the effect on health plan claims; and work with VUMPI and VCWM to determine VUMPI’s Return on Investment (ROI).

If you are not yet aware of the work underway at the Virginia Conference Wellness Ministries, Ltd., VUMPI strongly encourages you to review the results of the Virginia Conference Health and Wellness Assessment at <www.vaumc.org/wellnessministries>, and/or contact Virginia Conference Wellness Ministries at <www.vcwministries.org>.

REPORT 4: MEDICARE PART D SUBSIDY

In 2011, VUMPI received its government subsidy for continuing to offer prescription drug coverage as part of our Retiree Health Plan (RHP). The subsidy totaled \$960,372. This payment was based upon our 2010 and 2011 prescription utilization. This subsidy will always be based upon our previous year’s prescription drug utilization. VUMPI anticipated this subsidy and incorporated it into our two-year medical trend factors to reduce the Church Apportionments and Personal Contribution rates for the 2013 RHP. This will continue to be our annual practice as long as the subsidy is made available to us.

REPORT 5: CONSUMER-DRIVEN HEALTH PLANS

On Jan. 1, 2007, VUMPI rolled out a new health plan option for our active clergy. This plan, referred to as the Clergy Managed Care Plan (CMCP), is commonly referred to as a Consumer-Driven Health Plan. Specifically, it is a Health Reimbursement Arrangement (HRA). The CMCP was offered in addition to existing plans, therefore, it did not replace the Participating Provider Organization (PPO) or Health Maintenance Organization (HMO) plans.

The plan continues to operate as expected and has played a valuable role in fulfilling its original purpose – to educate our clergy participants and their dependents on the cost of health care – and with this information, encourage them to assist VUMPI in a collective attempt to “Bend the Trend” in our overall health care costs. However, VUMPI postponed plans to convert this plan to a qualified Health Savings Account (HSA) until further details emerge about the national health care insurance.

SECTION II: RECOMMENDATIONS FOR ANNUAL CONFERENCE APPROVAL
RECOMMENDATION 1: 2013 HEALTH PLAN RECOMMENDATIONS

From time to time, our health plans may be required to comply with changes in state law as mandated by the Commonwealth of Virginia and all other states that have jurisdiction over our plans. It is our policy to review these changes in a timely manner, typically between sessions of the annual conference, and include changes that expand coverage as long as it can be done so without material increase in health care cost paid by our annual conference.

Virginia Conference clergy members will earn a year of service towards his/her Total VAUMC Years of Service as indicated in

the Retiree Health Plan Vesting and Contribution Schedule found in RECOMMENDATION 3: PARTICIPANT CONTRIBUTION RECOMMENDATIONS as long as they meet the Virginia Annual Conference’s Retiree Health Plan eligibility.

ALL ELIGIBLE CLERGY MUST BE ENROLLED IN THE CONFERENCE HEALTH PLAN UNLESS PROOF OF OTHER COVERAGE IS SUBMITTED TO VUMPI.

IF YOU DO NOT ENROLL DURING THE OPEN ENROLLMENT, YOUR FLEXIBLE SPENDING ACCOUNT ELECTION WILL BE ZERO (\$0.00) FOR 2013 PER LAW AND YOU WILL BE AUTOMATICALLY ENROLLED AS A SINGLE EMPLOYEE, SUBJECT TO THE SINGLE PERSONAL CONTRIBUTION RATES IN A “DEFAULT PLAN”.

THE “DEFAULT PLAN” IS THE \$750/\$2,000 PPO PLAN WITHOUT DENTAL COVERAGE.,

YOU ARE STRONGLY ENCOURAGED TO PARTICIPATE IN THE ELECTRONIC OPEN ENROLLMENT IN THE FALL OF 2012. DETAILS WILL BE DISTRIBUTED THROUGH NORMAL ANNUAL OPEN ENROLLMENT MEANS.

For 2013, VUMPI recommends the Virginia Annual Conference adopt the following changes to its plans:

Retiree Health Plan (RHP):

Under Age 65

No Changes in 2013 benefits under the Retiree Health Plan (RHP).

Over Age 65

No changes in 2013 benefits under the Retiree Health Plan (RHP). Participants must file for, and enroll in Medicare Part A & B in order to receive health benefits under the Conference Retiree Health Plan.

Conference Health Plan (CHP):

Actives:

No Changes in 2013 benefits under the Conference Health Plan’s (CHP) \$750 PPO or Clergy Managed Care Plan (CMCP). The HMO Plan will be replaced with Anthem’s Standard Point of Service (POS) Plan.

Incapacitated with approved CPP benefits:

Under Age 65

No Changes in 2013 benefits under the \$500 Deductible PPO Plan. Participants who are eligible for Medicare Part A & B must file for, and enroll in Medicare Part A & B as soon as they are eligible in order to receive health benefits under the Conference Health Plans.

Over Age 65

No Changes in 2013 benefits under the \$500 Deductible PPO Plan. Participants must file for, and enroll in Medicare Part A & B in order to receive health benefits under the Conference Health Plans.

Widowed Spouses of Active Clergy:

Under Age 65

No Changes in 2013 benefits under the \$500 Deductible PPO Plan.

Over Age 65

Widowed Spouses of Active Clergy Over Age 65 receive their coverage under the Retiree Health Plan. Participants must file for, and enroll in Medicare Part A & B in order to receive health benefits under the Conference Health Plans.

RECOMMENDATION 2: 2013 PENSION AND HEALTH PLAN APPORTIONMENT RECOMMENDATIONS

Total Apportionment Summary

VUMPI recommends the total pension and health apportionment of \$16,101,745 for 2013, comprised of the following components: Pre-1982 Pension \$1,387,695; Conference Health Plan (CHP) – \$8,445,917; Retiree Health Plan (RHP) – \$5,651,788; Incapacitated and Widowed Spouses of Active Pastors – \$616,345.

[Note: VUMPI will continue to bill conference-responsible salary-paying-units (such as Extension Ministry or new start appointments) in 2013. This billed amount will be \$10,895 for each eligible clergyperson, plus their applicable Participant Contributions for ACTIVE CLERGY as noted in RECOMMENDATION 3: PARTICIPANT CONTRIBUTION RECOMMENDATIONS].

VUMPI’s Pension, Health & Welfare Reserve Fund may be used to subsidize related apportionments as needed.

Pre-1982 Pension Plan – Past Service Rate (PSR) & Apportionment Components

VUMPI recommends the 2013 Pre-1982 Apportionment of \$1,387,695. VUMPI recommends the 2013 PSR to remain at \$560.

The Virginia Annual Conference provides a retirement pension benefit to all eligible clergy who have served in the conference prior to 1982. This pension plan pays the greater of: (1) an annual benefit equal to the PSR times years of pre-1982 service; or (2) an annuity amount based upon the participant’s cash balance in his/her Defined Benefit Service Money (DBSM) Account.

The Virginia Annual Conference establishes the PSR rate each year based on a formula established by the General Board of Pension and Health Benefits. The PSR rate is equal to .9 percent of the Conference Average Compensation (CAC). The PSR reflects the annual increases in salaries for active clergy.

The General Board of Pension and Health Benefits calculates the Denominational Average Compensation (DAC) and the Virginia Conference Average Compensation (CAC), and are as follows:

	<u>2012</u>	<u>2013</u>
DAC	\$62,781	\$63,867
CAC	\$62,142	\$62,205

Health Plan Apportionment Components

Retired Clergy:

VUMPI recommends a RHP apportionment of \$5,651,788. In future years, VUMPI will continue to recommend increases in the RHP apportionment at a rate that, when combined with commensurate increases in Participant Contributions, are sufficient to fully fund the RHP’s operating cost.

Active Clergy:

VUMPI recommends a CHP apportionment of \$8,445,917. In future years, VUMPI will continue to recommend increases in the CHP apportionment at a rate that, when combined with commensurate increases in Participant Contributions, are sufficient to fully fund the CHP’s operating cost.

Incapacitated and Widowed Spouses of Active Pastors:

VUMPI recommends an Incapacitated and Widowed Spouses of Active Pastors apportionment of \$616,345.

RECOMMENDATION 3: PARTICIPANT CONTRIBUTION RECOMMENDATIONS

Recommended Participant Contribution Rates for all health plans are as follows. In future years, VUMPI will continue to recommend increases in Participant Contribution Rates that, when combined with commensurate increases in health plan apportionments, are sufficient to fully fund the operating cost of all the health plans.

RECOMMENDATION 5: 2012 PRE-1982 FUNDING PLAN

Virginia Annual Conference Funding Plan

For Supplement One to the Clergy Retirement Security Program

Calculated Using Data as of Jan.1, 2010, Effective Jan. 1, 2012

Supplement One to the Clergy Retirement Security Program is commonly referred to as the “Pre-82” pension plan.

The Virginia Annual Conference Past Service Rate (PSR) is \$560, or 0.9% of our Conference Average Compensation (CAC) which is \$62,142. For the past 6 years, our CAC has increased by an average of approximately 2.0% per year, and we expect that pattern to continue.

Before Jan. 1, 1982 and as part of the rollout of the Ministerial Pension Plan (MPP), the General Board of Pension communicated to the denomination that each conference would be required to amortize its unfunded liability within the Pre-1982 Pension Plan over 40 years, or by Dec. 31, 2021.

The Virginia United Methodist Pensions, Inc. (VUMPI), on behalf of the Virginia Annual Conference, will make an annual contribution to Supplement One to the Clergy Retirement Security Program of \$1,901,992, based on 2.0% PSR increases and amortized over the period ending December 31, 2021.

VUMPI will fund these benefits through a single annual contribution to the Supplement One to the Clergy Retirement Security Program administered by the General Board of Pension and Health Benefits (GBOPHB), and made typically during the fourth week of December for the year in which it is due. This contribution, and all subsequent contributions will be made from Virginia Annual Conference Pre-1982 apportionments.

The Pre-1982 Pension Valuation and subsequent required funding, calculated using data as of January 1, 2010, effective January 1, 2012, is calculated by the General Board of Pension and Health Benefit using 7% interest, 2% benefit increases, and the RP-2000 Mortality Table unprojected and summarized below:

Total Commitment	\$71,269,000
Funded Portion	<u>\$56,533,544</u>
Un-funded Portion	\$14,735,446
Annual Contribution	\$1,901,992

Amortization period (years.) 10

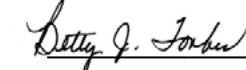

Past Service Rate (\$)	\$560.00
Contingent Annuitant (%)	70.00
Interest Rate Assumption (%)	7.00
COLA Increase Assumption (%)	2.00

The General Board of Pension and Health Benefits maintains all necessary record keeping and reporting related to covered participants and is available upon request.

The General Board of Pension and Health Benefits deems the valuation reasonable and prudent and that it upholds the standards set forth by the American Academy of Actuaries.

Subject to the mandatory final payment on Dec. 31, 2021, the Virginia Annual Conference reserves the right to modify this Funding Plan.

RE: 2012 Funding Plan for the Virginia Annual Conference

Dear Ms. Forbes:

Attached is a copy of the funding plan for 2012 submitted for the portion of Supplement One to the Clergy Retirement Security Program attributable to the Virginia Annual Conference.

The total liability as of January 1, 2010, for 2012 is \$71.269,000 based on the following key actuarial assumptions:

- 7.0% interest
- RP-2000 mortality table unprojected
- Past service Rate of \$560 for 2012 and
- 2.0% increase in the Past Service Rate

In the opinion of The General Board of Pension and Health Benefits of The United Methodist Church, the attached funding plan meets the funding requirements of Paragraph 1506.8 of *The Book of Discipline of The United Methodist Church 2008*. This opinion applies only to the attached funding plan.

Sincerely,

Jeanne Featherstone

RECOMMENDATION 6: 2013 HOUSING ALLOWANCE/EXCLUSION

Housing allowance and exclusion for retired and/or disabled clergy:
Whereas, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and
Whereas, the practice of The United Methodist Church is to provide a parsonage or rental exclusion as part of the gross compensation for each of its active ordained or licensed clergy; and
Whereas, pensions paid to retired ordained or licensed clergy of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed pastors in consideration of previous, active service; and
Whereas, the Internal Revenue Service has recognized that the Virginia Annual Conference is the appropriate organization to designate a housing/rental exclusion for retired ordained or licensed pastors who are members of this conference; and
Whereas, the disabled pastor has the same legal relationship to an annual conference as does the retired pastor and, thus, this annual conference is also the appropriate organization to designate a housing/rental exclusion for a disabled ordained or licensed pastor who is a member of this conference;

- Now Therefore Let It Be Resolved that:*
1. An amount equal to 100 percent of the pension payments received by a retired clergy, or 100 percent of the disability benefit payments received by a disabled clergy, during the year of 2013 be and is hereby designated as a housing allowance and exclusion respectively for each retired or disabled, ordained or licensed clergy of The United Methodist Church who is or was a member of the Virginia Annual Conference at the time of his or her retirement or disability; and
 2. The pension or disability payment to which this housing allowance and exclusion applies shall be the pension or disability payment resulting from all service of such retired or disabled, ordained or licensed clergy from all employment by any local church, annual conference, general agency or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the clergy to perform duties related to the ministry and who elected to make contributions to the pension or benefit funds for such retired clergy’s pension or disabled clergy’s benefits.
- Note 1. The housing exclusion which may be excluded from a clergy’s gross income is limited to the lesser of (1) the amount of the housing allowance designated by the clergy’s employer or other appropriate body, (2) the amount actually expended by the clergy to provide his or her housing, or (3) the legally determined fair rental value of the parsonage or other housing provided.
- Note 2. Per the Internal Revenue Service, the housing allowance and exclusion is available to clergy, not the clergy person’s spouse or surviving spouse.

Betty J. Forbes, Chair

LAKE JUNALUSKA ASSEMBLY CENTER, INC.

As Lake Junaluska prepares to celebrate our 100th anniversary in 2013, we find ourselves proud of our rich past, energized by the present challenges, and excited about the bright future.

We cannot thank you enough for the generous support you have provided to us over the years. We are a part of you and you will forever be a part of us. We fully understand that the Southeastern Jurisdiction is facing significant challenges resulting in a reduction in the financial support provided to traditional partners, including Lake Junaluska. We want to assure you that we are preparing well for a different form of partnership with the jurisdiction and you, the annual conferences, but do want to strongly affirm our desire to be in true partnership with each of you.

We are making some important improvements with the goal of serving you more effectively. In 2012 we will spend over \$1 million on capital improvements to our facilities, including \$300,000 from the North Carolina Energy Office for the replacement of inefficient heating and cooling systems. Being more “green” is one of our goals. We will use the remainder of the capital improvement funds to get a jump start on a campus master plan, which is a part of the overall strategic plan approved by our Board of Directors in October. Included in the plan are the interior and exterior renovations of the Terrace Hotel and Lambuth Inn, the replacement of the Harrell Center and Jones Cafeteria, and the updating of Stuart Auditorium. These changes will be taking place over the course of the next several years, but there should be noticeable changes the next time you come to visit.

The success of every organization is directly dependent on having the right people in the right positions doing the right things. It is also important to have the right number of people in place. There are fewer people employed at Lake Junaluska than there were a year ago at this time, a necessary change given our financial realities. The remaining staff has willingly taken on additional responsibilities and are doing them very well.

Hosting the 2012 Jurisdictional Conference in July will be a very important event. We are doing all we can to prepare for this conference with the hope that every delegate leaves here knowing that we have been good stewards of the resources that have been given to us.

Our mission statement for Lake Junaluska is to be a place of Christian hospitality where lives are transformed through renewal of soul, mind, and body. The significance of having a clear mission statement that people remember and refer to has been impacting. Continuing to create a culture of excellence and fabulous Christian hospitality will be our primary focus.

The future of Lake Junaluska is indeed very bright! Thank you for your incredible support as we have begun to live more fully into the potential of this place we call Lake Junaluska.

Jack Ewing, Executive Director

VIRGINIA COUNCIL OF CHURCHES

The Virginia Council of Churches remains strong, albeit on very fragile financial footing, and will continue to serve the ecumenical movement within the Commonwealth of Virginia. Continuing declines to revenue have created the needed to reduce some of our staff to part time and cut all other areas of our budget in an effort to stay within budget.

In May we presented the Council’s “Faith in Action Award” to the Brandermill Church, a joint United Methodist-Presbyterian congregation, and a “Lifetime Ecumenist Award” to Bishop Charlene Kammerer.

The council continues to support the LARCUM (Lutheran, Anglican, Roman Catholic and United Methodist) partnership, the National Workshop on Christian Unity and other expressions of ecumenism within the Commonwealth, and played a significant role in this year’s shared statement by the ten LARCUM bishops and the General Minister released during the week of prayer for Christian Unity.

Our Annual Meeting, *Church Caught in the Middle*, was held on the historic campus of Virginia Union University with Dr. Ed Ayers (president, University of Richmond), and Dr. Claude Perkins (president, Virginia Union University). During the Annual Gathering a panel discussion with members various historic peace denominations reflected together on the challenges of conflict resolution.

We continue to work with the U.S. Department of Homeland Security in helping the faith-based community prepare for and respond to

disasters. During 2011 resources where stretched in the Commonwealth and voluntary organizations as we responded to tornados, hurricanes, even earthquakes, all within a very brief period of time. The Council of Churches continues to play a key role on the Disaster Fund created by Gov. Bob McDonnell to respond to the variety of events that have impacted the Commonwealth, also playing a role with the Long-Term Recovery Task Force in Louisa as that area recovered from last summer’s earthquake.

The program units of the council remain strong and active. We continue to stand with our Native American brothers and sisters of the six Virginia tribes as they seek federal recognition. We are disappointed that the 111th Congress adjourned without taking any action, forcing our tribes to start all over again.

Our partnership with the Virginia Interfaith Center for Public Policy helps give voice to our shared concerns for justice on the floor of the General Assembly. We began two new initiatives this year raising awareness and addressing concerns relating to the shackling of pregnant inmates and the use of solitary confinement. Our Rural Family Development Program continues to serve children of migrant farm worker families. Our Refugee Resettlement Program celebrates 50 years of welcoming new Virginians in 2012, helping persons to start new lives in a new land.

Officers of the Virginia Council of Churches are: the Rev. David McKee, president; the Rev. Reginald Terry, vice president; the Rev. David Shumate, treasurer; Jean James, secretary.

Contact the Virginia Council of Churches at 1214 West Graham Rd., Richmond, VA 23220-1409, (804) 321-3300 or <www.vacouncilofchurches.org> for information about the council and links with member denominations at national and Virginia levels.

The Rev. Jonathan M. Barton, General Minister

- Multicultural Inclusiveness. The Conference Leadership Discovery and Development Team shall strive to insure multicultural inclusiveness.
- Normal Term Of Service Is Four Years. Unless otherwise specified in these rules or in *The Book of Discipline*, a person elected to a board, council, commission or committee of the annual conference is elected for a four-year term of service and is eligible for re-election to an additional four-year term. However, if one is first elected to fill an unexpired term of two years or less, that person is eligible for re-election to two full terms. A person completing two consecutive full terms is eligible for re-election to that agency after an interim of one year. In the case of a board or agency with an eight-year term, members elected to fill unexpired terms of three years or less shall be eligible for re-election to one full term of eight years. Program boards and agencies other than the Board of Ordained Ministry may co-opt specific persons for specific projects for short periods of time as consultants, without vote. Any combination of continuous service as either a regular or co-opted member shall count on the eight-year time limit for consecutive service. XI. EFFECTIVE DATE OF CHARTER

The Charter for the Common Table for Church Vitality shall become effective January 1, 2006.

VIRGINIA CONFERENCE GUIDELINES FOR MOVING EXPENSES

- A charge, district, or conference agency receiving a new clergy shall be responsible for all his/her moving expenses under the following provisions:
1. A maximum weight limit as weighed in the van of 16,000 lbs. Charges for moving goods over 16,000 lbs shall be the responsibility of the clergy.
 2. A maximum allowance for cartons and packing of \$700.
 3. A limit of \$75 for piano handling.
 4. Where there is a pastor’s study at the church and extra stops must be made by the mover for loading and unloading books or office equipment, a maximum allowance of not more than \$165.
 5. Seminarian entering the Virginia Conference from outside the conference shall be entitled to the moving expenses listed above with the limitation that the maximum total reimbursement shall be \$4,000.
 6. Clergy other than seminarians entering the Virginia Conference from outside the Conference shall be entitled to the moving expenses listed above with the limitation that mileage-based moving expenses shall be based on the distance from the appropriate boundary of the Conference to the place of appointment.
 7. The Conference Board of Pensions and Benefits gives a cash gift of \$1,500 to retiring clergy for moving expenses.
 8. Insurance (replacement value equivalency) shall be provided by the receiving church/charge for personal injury or damage to clergy family property during the move. The matter of additional insurance on furnishings above that provided by the hauler shall be the responsibility of the persons moving.
 9. If more economical, the moves of less than 30 miles shall be arranged under the hourly rate.
 10. The Cabinet will review annually the costs of moving and update the moving allowances to reflect inflation pressures.
 11. All churches/charges should build a moving expense fund by annual appropriations for moving expenses regardless of which year the move may be expected to occur.
 12. All moving of clergy will be done professionally and in a responsible manner.
 13. We remind the clergy of our conference of the large element of stewardship entailed in their decisions concerning what to move and what to sell or abandon. Whenever possible, each clergy is encouraged to get more than one estimate for moving expenses. It is neither wise nor morally justifiable to expect payment for a charge for large items, other than necessary furniture, where the hauling of these significantly increases the expense to the churches. Nor is it thoughtful, in most instances, for the clergy to indulge himself/herself by having a company pack books, linens, and general household effects when he/she can, at great savings to the church, pack himself/herself.
 14. Additional information on “moving tips” is posted on the conference web site.

COMMISSION ON EQUITABLE COMPENSATION POLICIES AND PROCEDURES

1. The Philosophy of and the Reasons for the Equitable Compensation Program.
 - a. “Within the people of God, there are those called to the representative ministry ordained and diaconal. Such callings are evidenced by special gifts, graces and promise of usefulness. . . . The ordained ministers are called to specialized ministries of Word, Sacrament, and Order. Through these distinctive functions ordained ministers devote themselves wholly to the work of the church and to the upbuilding of the general ministry. They do this through careful study of the Scripture and its faithful interpretation, through effective proclamation of the Gospel and responsible administration of the Sacraments, through diligent pastoral leadership of their congregation for fruitful discipleship, and by following the guidance of the Holy Spirit in witnessing beyond the congregation in the local community and to the ends of the earth. The ordained ministry is defined by its intentionally representative character, by its passion for the hallowing of life, and by its concern to link all local ministries with the widest boundaries of the Christian community.” (*Discipline*, Pars. 108 and 110)
 - b. Assumption of the obligations of the itinerancy, required to be made at the time of admission into the traveling connection, put the church under the counter obligation of providing support for the entire ministry of the church. In view of the expectation which the church holds for its clergy in the area of professional preparation and competence, it is incumbent upon the church to see that compensation is adequate for the professional and personal requirements of its clergy, and that they are determined and administered in a manner appropriate to a professional understanding of the ministerial vocation.
 - c. The Commission on Equitable Compensation is for the purpose of receiving and appropriating funds to enable clergy compensation to conform to a minimum scale set from time to time by conference, and to provide supplementation to compensation in certain cases where the needs of the charge for aid are greater than would be met by merely applying the minimum scale. In performing this task, the commission should be guided by the following purposes:
 - (1) To upgrade competence in ministry.
 - (2) To provide a living wage for clergy.
 - (3) To make possible an adequate ministry in places of particular need.
 - (4) To facilitate the assignment of ministers of appropriate skills where compensation would otherwise be a barrier.
 - (5) To work toward the removal of disparities in compensation of clergy which cannot be justified on the basis of competence, experience, or diligence.
 - d. Far more than an appropriation agency, the commission has the further purpose of providing incentive to churches and conference agencies to work toward a greater competence in ministry, which will in turn result, in most cases, in more adequate compensation to the clergy.
2. Types of Equitable Compensation Support.
 - a. Minimum Compensation Support:

The commission annually proposes to conference a schedule of minimum compensation for ministers in the various grades of conference relationship. In approving this schedule, the conference guarantees each of its ministers a certain minimum compensation. Unless a minister voluntarily waives this right, he/she is entitled to an appointment where the compensation, including supplements from the conference, district, and other sources will be at least the minimum for his/her category.

- b. Compensation supplementation is support provided charges which require support in addition to that called for by the Minimum Compensation program. Such charges fall into two groups:
 - (1) Charges with part–time or retired pastors.
 - (2) Charges where there is a need for compensation higher than minimum.
 - c. Sustentation grants are a means by which the commission may provide emergency aid to ministers of the conference who may be in special need. Sustentation grants are not considered part of the minister’s salary or compensation.
 - 3. Money for the Equitable Compensation Fund.
 - a. The grants and administrative expenses of the commission are borne by the Equitable Compensation Fund.
 - b. Annually the commission estimates the amount needed for Equitable Compensation grants, and with the concurrence of the Council on Finance and Administration, recommends an amount to the Annual Conference to be apportioned to the districts and charges of the conference.
 - c. The General Conference requires that the Equitable Compensation Fund be one of the prior claims items in the local church budget, being paid in exact proportion to the amount paid on the ministerial salary or salaries of the church. (*Discipline* Par. 719).
 - 4. For Equitable Compensation purposes, the term “compensation” includes the amounts of ministerial support designated as salary, travel and utilities allowance, (but excluding parsonage heating costs).
 - 5. The Minimum Compensation Schedule shall be recommended by the commission and the schedule, as approved by the Annual Conference, shall be published in the conference *Journal*.
 - 6. Eligibility for Minimum Compensation Support.
 - a. The clergy must be rendering full-time service: That is, their efforts must fully satisfy the Disciplinary description of the office of the minister (Paragraph 108, quoted in section 1.a. of this report above) and they must, in the judgement of his/her district superintendent, be rendering full-time service to the charge to which they have been appointed as pastor or associate pastor.
 - b. The “floor” or minimum which a charge must pay (obtained from sources other than Equitable Compensation Fund) in order to be eligible to receive minimum salary aid, shall be recommended by the commission and the schedule, as approved by the Annual Conference, shall be published in the conference *Journal*.
 - 7. Eligibility for Salary Supplementation.
 - a. The church or charge, whether requiring a full–time or part–time minister, must fall into one of the following categories:
 - (1) Compensation for new church pastors shall be determined by the Equitable Compensation Commission. Support to decrease each year after charter and reduced to zero in not more than seven years.
 - (2) Inner-city church.
 - (3) Geographically isolated church or charge.
 - (4) Mission church or charge.
 - (5) Larger or cooperative parish.
 - (6) Innovative ministry.
 - (7) Ethnic minority church.The charge must pay the “floor” or seek funds from other sources to reach the floor. The difference between the floor and the actual salary is to be absorbed by the Equitable Compensation Fund. The commission may make increases in compensation for ethnic minority pastors until the average compensation of ethnic pastors equal the average compensation of all pastors of the conference having similar training and experience.
 - (8) A charge, the serving of which involves unusual expenses.
 - (9) A charge which makes unusual demands in ministry.
 - (10) A charge where incentive is needed for raising the minister’s compensation.
 - (11) A charge or charges served by a clergy couple where one or both have waived their claim to the minimum compensation (see par. 659.6).
 - (12) A charge served by a retired minister, provided that his/her compensation, including his/her pension, does not exceed the average cash salary of the conference.
 - b. The application must be supported by a recommendation of the district superintendent.
 - c. The commission strongly discourages applications from charges whose compensation is above the Conference Average Salary (CAS).
8. Eligibility for Sustentation Grants.
 - a. The applicant must be a minister in special need of emergency aid.
 - b. The application must be supported by a recommendation of the Bishop and the minister’s district superintendent with a concurrence of a majority of the district superintendents.
9. Charges receiving support from the Equitable Compensation Commission are encouraged to take steps regularly toward becoming self-supporting and toward the increasing of the total level of support of their ministers. The following actions should encourage these steps:
 - a. The district superintendents will annually review each application for Equitable Compensation aid with the appropriate charge conference.
 - b. Equitable Compensation aid to each full-time pastor will be reduced \$1 for each \$2 increase established and paid by the charge When salary paid by the church exceeds the minimum applicable level the Equitable Compensation support will cease, unless the Equitable Compensation Commission waives this requirement under special circumstances.
10. How applications for aid are submitted.
 - a. All applications (except those for Sustentation Grants) shall be submitted on forms provided by the commission.
 - b. Applications for Sustentation Grants shall be made in writing by means of letters from the minister, district superintendent, and the Bishop.
 - c. Applications shall include the name and district of the charge, the number of churches on the charge, the name and ministerial category of the minister, a statement of whether the minister is serving full or part time, together with all amounts of ministerial support listed by source both for the period ending and the period beginning. The application shall state the total salary needed for the minister and the amount of aid necessary to obtain that total.
 - d. Applications shall be prepared, signed by the secretary of the charge conference and the district superintendent.
 - e. A copy of the current church/charge budget must be submitted with the application.
 - f. Applications shall be submitted to the conference treasurer who shall provide each member of the commission with a copy of each application at least one week before the meeting at which the application will be considered.
 - g. Applications are generally submitted late in the calendar year for support to begin on the following January 1. The deadline for such applications is listed each year in the Conference Calendar.
 - h. Changes in the applications are often made at the time of Annual Conference, and occasionally at other times.
11. How appropriations are made.
 - a. Each fall a hearing is scheduled by the commission in which district superintendents may support their applications and answer questions .
 - b. Requirements which a charge must meet in order to receive Minimum Compensation Support may be waived by a majority vote of the commission.
 - c. Compensation Supplementation will be granted by action of the commission on recommendations of the district superintendent in the categories described in Paragraph 7.
 - d. Sustentation Grants for emergency needs will be granted by action of the commission on recommendations of the district superintendent and the Bishop, with the concurrence of a majority of the district superintendents.
12. Methods of Payment.
 - a. Minimum compensation support and supplementation will be paid by the conference treasurer and sent directly to the charge receiving aid the first week of each month. Also included in this check will be the Equitable Compensation portion of the MPP/CPP.
 - b. The commission chairperson shall keep the conference treasurer regularly informed as to the appropriations made by the commission and any changes in payments which may be necessary because of appointments or changes in ministerial status.
13. Recommendations to the churches of the conference.
 - a. The commission urges that consolidation of small churches and charges be promoted throughout the conference so that the conference can continue to provide a

- more adequate level of compensation support of its ministers.
- b. The commission discourages the dividing of strong circuits and the establishment of weak stations that cannot continue to provide adequate compensation support.
- c. The commission recommends that all charges, in setting their minister’s compensation, consider an annual cost of living increase in addition to an appropriate merit increase.

EQUITABLE COMPENSATION GUIDELINES

The commission, at the request of the Bishop and the Cabinet, developed guidelines for requests, approval and time periods for supplementation provided by conference funds. It is felt that these guidelines will provide a uniform standard across the conference in support of the various charges that may require funds.

- I. New Requests
 - A. New Growth Situation Request/New Churches
 - 1. Request must be approved by the District Board of Church Location and Building.
 - 2. Request with the written District Board of Church Location approval giving rational for the request should be received by the November Equitable Compensation meeting in order to be approved for the following appointment year.
 - 3. Will be funded according to the following formula:
 - 100% for first 18 months (e.g. July 2006 through Dec. 2007)
 - 80% second full calendar year
 - 60% third full calendar year
 - continued reduction at 20% per year
 - B. New Mission/Ethnic Churches
 - 1. Request must be approved by the District Board of Church Location and Building.
 - 2. Request with the written District Board of Church Location approval giving rationale for the request should be received by the November Equitable Compensation meeting in order to be approved for the following appointment year.
 - 3. Will be funded according to the following formula:
 - 100% for first 30 months (e.g. July 2006 through Dec. 2008)
 - 85% third full calendar year
 - 70% fourth full calendar year
 - continued reduction at 15% per year

It is suggested that if a new church or mission is not expected to be self-sufficient at the end of this time, that alternate funding sources be identified (i.e. district or sponsoring churches) while a new church is in the planning stages.

- II. Ongoing Requests

All churches requesting Equitable Compensation assistance, who are presently receiving Equitable Compensation assistance, must have a yearly stewardship campaign, and submit Table I and II of the Year-End Reports, the December 31 year-end treasurer’s report and are asked to adhere to the following schedules:

 - A. Ongoing “Maintenance” churches

All churches in the “Maintenance Category” should make every attempt to be off Equitable Compensation at the end of five years. In order to do this, the commission asks that any request be reduced at least 20% from the present year’s request as follows:

 - 100% (present year)
 - 80% second year
 - 60% third year
 - 40% fourth year
 - 20% fifth year

If a church cannot adhere to this schedule, letters detailing the reasons must be submitted each year by the District Superintendent and the Church Council of the church/charge receiving Equitable Compensation assistance.

- B. Ongoing Ethnic Minority/Mission Churches

All churches in the “Ethnic Minority/Mission Categories” should make every attempt to be off Equitable Compensation at the rate of 10% a year, whether by becoming self-sufficient or by developing new forms of funding. The suggested schedule is as follows:

 - 100% (present year)
 - 90% second year
 - 80% third year
 - Continued reduction at 10% per year

If a church cannot adhere to this schedule, letters detailing the reasons must be submitted each year by the District Superintendent and the Church Council of the church/charge receiving Equitable Compensation assistance.

MINIMUM STANDARDS FOR THE PARSONAGE

The *2000 Book of Discipline* of The United Methodist Church states that the Church Council shall “review the recommendation of the Committee on Pastor-Parish Relations regarding provision of adequate housing for the pastor(s), and report the same to the Charge Conference for approval. Housing provisions shall comply with the conference housing policy and parsonage standards. Housing shall not be considered as part of compensation or remuneration.” (§251.4e)

The Pastor/Staff-Parish Relations Committee also has consultative power and responsibilities for the parsonage (§258.2f). This committee is to consult with the Church Council to provide for “housing (which may be a church-owned parsonage or housing allowance in lieu of parsonage if in compliance with the policy of the Annual Conference).” This paragraph also includes these words: “The parsonage is to be mutually respected by the pastor’s family as the property of the church and by the church as a place of privacy for the pastor’s family.”

The Board of Trustees of the local church is charged with supervision, oversight and care of property, including the church-owned parsonage. The Charge Conference may assign some of these duties to the chair of a Parsonage Committee.

- I. The House
 - A. Ownership

The parsonage is acquired and maintained by the charge, subject to the direction of the Charge Conference. The location, purchase, and/or building of a parsonage must be approved by the District Board of Church Location and Building. (§2543)
 - B. Title to Property

The parsonage property must be held by the charge Board of Trustees in trust for the use and occupancy of pastors in The United Methodist Church. (§2503.2)
 - C. Location

The parsonage of a station church should be located within the geographical parish of the church. The parsonage of a charge should be near the center of the charge and accessible to members. It should be convenient to a school, a shopping area, and church of the charge. Preferably, parsonages should not be located immediately adjacent to the church, so that the pastor’s family will be ensured reasonable privacy. Such location also facilitates resale.
 - D. Planning and Financing

The purchase or building plan must be approved by the Charge Conference after ten days’ notice of the meeting. The pastor, district superintendent, and the district Board of Church Location and Building must consent to the purchase. Provisions of the *Discipline* must be observed. The sale or relocation must conform to guidelines in the *Discipline*.
 - E. Administration

The *Discipline* requires the Pastor/Staff-Parish Relations Committee to see that the Trustees provide adequate and comfortable residence for the pastor and maintain

its proper upkeep and furnishings. “The chairperson of the Trustees or the chairperson of the Parsonage Committee if one exists, the chairperson of the Committee on Pastor-Parish Relations, and the pastor shall make an annual review of the church-owned parsonage to ensure proper maintenance.” (§2532.4 and ¶258.2f.14). The pastor’s family should be consulted in the selection of equipment, fixtures, and color schemes. (See Annual Review Inventory Form). The Annual Review Inventory Report shall be submitted to the District Superintendent and will be reviewed by the Parsonages’ Support Committee.

The Trustees’ annual budget should be adequate to provide maintenance of the parsonage and necessary replacement of furnishings for which the Trustees have responsibility.

Since insurance carried by the church will not cover personal effects of the parsonage family, the family is urged to secure a tenant’s policy.

F. Inventory

A complete inventory of all furnishings and equipment shall be maintained, one copy with the Pastor-Staff Parish Relations Committee and/or the Trustees, a second copy with the parsonage family, and a third copy for the district superintendent attached to the Annual Review Inventory. This inventory should include the purchase date of items listed, purchase price, and any major repair work done on each. Condition of furnishings at the time of the annual review should be noted. (See Parsonage Inventory Form)

II. House Arrangement and Equipment

A. Minimum Size

The living room shall measure at least 280 square feet; or living and dining room combination shall be 330 square feet. Bedrooms shall measure no less than 144 square feet each, with one not less than 168 square feet.

B. Rooms

The parsonage should have a minimum of seven rooms: at least three bedrooms with ample closet space in each, living room, dining room, kitchen, study (if not furnished outside the parsonage), at least 1 ½ baths, and ample dry storage space large enough for major pieces of furniture and large packing boxes. An additional bedroom, a family room, a utility room, and a garage are also desirable.

If a pastor’s office is included, it should be on the first floor with an outside entrance or entry from front hall or both or on the terrace level with outside entry. Usual office furnishings, telephone, bookshelves, and a storage closet for supplies should be provided.

Newly constructed or newly purchased parsonages shall include on the ground floor level one room which could be used as a bedroom by a person with a handicapping condition, a fully accessible bathroom, and laundry facilities. (§2532.6)

C. Housing Necessities

- Central heating plant
- Complete insulation, including weather stripping, storm windows, ceiling, sidewall and floor insulation. Carpeting is desirable as a further means of insulation.
- Central air conditioning is desirable everywhere, and a necessity in some areas of the conference.
- Annual servicing of all heating and air conditioning equipment.
- At least one telephone jack on each floor.
- Dead bolt locks on all exterior doors.
- Smoke detectors and fire extinguishers.
- Housing must be maintained free of health hazards.
- Exterminator/pest control service and an annual termite inspection.
- All major appliances, including washer, dryer, stove, refrigerator, automatic hot water heater.
- Kitchen: sink, built-in cabinets, a storage or supply closet, counter work surfaces, adequate electrical outlets properly grounded. Where possible, a garbage disposal and dishwasher should be provided.
- At least one telephone permanently in the house.

D. Furnishings and Maintenance

1. Provided by the Church/Charge
 - Furniture for the parsonage living room, foyer, dining room, and kitchen shall be provided. If a parsonage has more than three bedrooms, the church/charge shall provide furnishings for all bedrooms over three. All parsonage wall-to-wall floor coverings or rugs shall be furnished by the church/charge. Regular professional cleaning shall be the responsibility of the church/charge for all living spaces furnished by church/charge.
 - Window shades or blinds shall be provided in all rooms. Window treatments, and the responsibility for their maintenance/cleaning, shall be provided for the living room, dining room, and foyer.
 - Adequate light fixtures/lamps shall be provided for all living spaces furnished.
2. Provided by the Pastor
 - Furniture as desired for all rooms except living room, foyer, dining room, kitchen, and bedrooms more than three.
 - Window treatments as desired for rooms other than living room, foyer, and dining room, as well as their maintenance/cleaning.
 - Bed, bath, and kitchen linens.
 - Cookware, utensils, and small appliances.
 - China, crystal/glassware, flatware.
 - Additional accessories such as pictures, lamps, family pieces, etc. which personalize a home.

E. Exterior

- Trees and shrubbery should be provided where needed.
- Landscaping and normal fertilization shall be the responsibility of the church/charge.
- Cutting of the lawn and trimming of the shrubs is the responsibility of the residents.
- A lawn mower, adequate for the size of the lawn, shall be provided by the church/charge.
- A TV antenna or cable hookup should be provided.

III. General Guidelines

A. Privacy and Care

Since the parsonage is the home of the pastor and his/her family, their rights and privacy should be respected by the congregation. The occupants must ensure that the parsonage receives proper care.

B. Gifts

A written statement should accompany any gift of furniture or furnishings, designating whether the gift is to permanently remain at the parsonage or is a personal gift to the pastor’s family. Gifts shall be received without conditions and with right of refusal.

C. Placement of Furniture

Use and placement of church-owned furnishings within the parsonage shall be at the discretion of the parsonage occupants.

D. When a move occurs, refer to the “Policy at the Time of Change of Pastors” below.

POLICY AT THE TIME OF CHANGE OF PASTORS

- I. The Pastor/Staff-Parish Relations Committee will supply to the district superintendent the list of people serving on the “Local Church Parsonage Committee” with the chairperson’s address and telephone number.
- II. The district superintendent will contact the chairperson of the “Local Church Parsonage Committee” asking that the committee meet at the parsonage with the pastor, pastor’s spouse (if applicable), and if requested by the district superintendent, a representative from the Parsonages Support Committee to inspect the parsonage, using the following guidelines:
 - A. Check complete inventory (see Inventory for Leaving the Parsonage).
 - B. Inspect each room for needed repairs, refurbishing, paint, etc. with attention to who is accountable beyond normal wear and tear.
 - C. Inspect electrical, heating, cooling, and plumbing systems.
 - D. Evaluate conditions of structure, inside and outside, including church-owned furnishings, appliances, and systems.

E. Pastor shall provide information about condition of appliances and systems known only to occupant.

III. After parsonage inspection by the “Local Church Parsonage Committee” and the pastor:

- A. The Committee will...
 - Work with the Church Council to arrange for needed repairs, refurbishing, painting, etc.
 - Floors cleaned and waxed, rugs shampooed.
 - Keep the district superintendent informed concerning condition of the parsonage.
 - Inspect parsonage again nearer moving time.
 - Check the Parsonage Inventory with the parsonage family before their departure, and with the new parsonage family upon their arrival.
 - Have a representative of the Committee at the parsonage as the parsonage family moves.
 - Make necessary last minute corrections to the parsonage before the new family arrives.
 - Make sure that all utilities remain connected, the deposit for public utilities having been made by the church/charge.
- B. The pastor will...
 - Leave the parsonage clean. The outgoing parsonage family is responsible for leaving the house and furnishings clean and in move-in condition. This means

at least:

- No items should be left in storage areas (attic, garage, basement, shed, closets, etc.)
 - Windows washed.
 - Refrigerator emptied and cleaned.
 - Bathrooms scrubbed.
 - Stoves and vent hoods thoroughly cleaned.
 - Fireplace cleaned.
 - Yard trimmed and mowed.
 - All garbage removed from the property.
- (see Inventory for Leaving the Parsonage Form).
- Have repaired or cleaned at his/her expense, any damage due to negligence and/or pets.
 - Assure uninterrupted utility service for the incoming pastor. Utilities should be in the church’s name, with the parsonage address, to avoid termination of services.
 - The parsonage family shall leave for the successor: a list of whom to call in case of.....; how to fix.....; where to find.....; and a file of guarantees, operating instructions, manuals, etc.

- IV. In those instances when a clergy moves out of a parsonage and leaves the house inadequately cleaned and/or damaged, and the parsonage requires work, the expense of which is clearly the responsibility of the outgoing clergy, then the expense for such cleaning/repair shall be billed to the outgoing minister.
 - A. The “Local Church Parsonage Committee” and two members of the Parsonages Support Committee shall inspect the parsonage on moving day or as soon thereafter as possible and decide how much of the required cleaning/repair work, if any, is the responsibility of the outgoing pastor.
 - B. The outgoing pastor shall be notified immediately by telephone and registered mail. The decision should be communicated to the pastor immediately, and if the pastor be deemed wholly or partially responsible, then the cleaning/repair bill should be sent to the outgoing pastor.
 - C. If, after 30 days, this bill is not paid, or arrangements made to pay it, a second notice shall be sent. If, by the end of 45 days, the bill remains unpaid, a copy of the bill and the reasons for it shall be sent to the minister’s current district superintendent for assistance in securing payment.

VIRGINIA CONFERENCE STATEMENT OF INVESTMENT POLICY

Introduction

The purpose of this Statement of Investment Objectives and Guidelines is to assist in the monitoring and supervision of the assets of the Virginia United Methodist Conference (“Conference”). The funds represent the Conference funds, Foundation funds, and the funds of various local churches.

- General Investment Principles
- Objectives
- Asset Allocation Guidelines
- Investment Manager Guidelines
- Investment Performance Objectives
- Performance Monitoring
- Investment Manager Responsibilities

Investment styles covered in this document include traditional investments (e.g., bonds, large cap growth and value equity) but do not include alternative investments (e.g., hedge funds, private equity, timberland).

General Investment Principles

- The funds shall be invested with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person would use in the investment of a Foundation of like character and with like aims.
- Investments shall be so diversified so as to minimize the risk of large losses.
- The trustees may employ one or more investment managers of varying styles and philosophies to attain their objectives.
- Cash is to be employed productively at all times by investment in short-term cash equivalents to provide safety, liquidity, and return.

Investment Management Policy

- Preservation of Capital - Consistent with their respective investment styles and philosophies, investment managers should make reasonable efforts to preserve capital, understanding that losses may occur in individual securities.
- Risk Aversion - Understanding that risk is present in all types of securities and investment styles, the trustees recognize that some risk is necessary to produce long-term investment results that are sufficient to meet the stated investment objectives. However, the investment managers are to make reasonable efforts to control risk, and will be evaluated regularly to ensure that that risk assumed is commensurate with the given investment style and objectives.
- Adherence to Investment Discipline - Investment managers are expected to adhere to the investment management styles for which they were hired. Managers will be evaluated regularly for adherence to investment discipline.

Objectives

The primary objective for the funds is to achieve an average annual net rate of return of CPI + 5.5%. The investment horizon of the funds is fairly long-term in nature. However, the trustees are sensitive to severe short-term losses in the funds on an absolute and relative basis.

Social Responsibility

- As defined in the *2008 Book of Discipline* the Council on Finance and Administration (“Council”) shall develop, maintain, and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures, and management services for the Annual Conference including
- Policies governing the investment of Conference funds (except for pension funds) whether in debt or equity, short-term or long-term instruments, with the aim of maximizing funds available for mission in a manner consistent with the preservation of capital and with the Social Principles of the Church. A statement of such policies shall be presented in the conference *Journal*.
 - Authorizing the Conference Treasurer to invest in funds in accordance with policies’ and procedures established by the Council. A listing of securities held shall be printed annually in the conference *Journal*.

Investment Manager Guidelines

Note: The investment manager guidelines pertain to separately manager accounts. In the case of mutual funds or commingled funds, the guidelines are outlined in the fund’s prospectus or offering memorandum.

General Guidelines

Restricted Transaction

- Purchasing of securities on margin or speculative short sales.
- Borrowing of money.
- Pledging, mortgaging, or hypothecating of any securities except for loans of securities that are fully collateralized.
- Purchase of the securities of the investment managers, its parent, or its affiliates.
- Purchase or sale of futures or options for speculation or leverage.
- Purchase or sale of commodities, commodity contracts, or illiquid interest in real estate or mortgages.
- Socially Responsible Investments - It shall be the policy of The United Methodist Church that all general boards and agencies, including the General Board

of Pension and Health Benefits, and all administrative agencies and institutions, including hospitals, homes, educational institutions, Annual Conferences, foundations, and local churches, shall, in the investment of money, make a conscious effort to invest in institutions, companies, corporations, or funds whose practices are consistent with the goals outlined in the Social Principles; and shall endeavor to avoid instruments that appear likely, directly or indirectly, to support racial discrimination, violation of human rights, sweatshop or forced labor, gambling, or the production of nuclear armaments, alcoholic beverages or tobacco, or companies dealing in pornography. The boards and agencies are to give careful consideration to shareholder advocacy, including advocacy of corporate disinvestment.

Diversification

Investment managers are responsible for achieving a level of diversification in their portfolio that is prudent and consistently applied. Concentrations in individual securities, industries and economic sectors should not be so high as to subject the overall portfolio to undue risk.

Liquidity

When purchasing a security to place in a portfolio, it is expected that each manager will consider their aggregate holdings among all of their accounts to ensure that their total position in the security will not be so large as to inhibit rapid liquidation of the security.

Cash

It is expected that the managers will run fully invested portfolios. It is not the policy of the Conference and Foundation to try to time the market. It is understood that frictional cash can be a result of the buy and sell process. However, if cash exceeds 10% of the manager’s portfolio, the manager should communicate to the Foundation, Conference and its consultant in writing the reasons for the high cash level and the time frame needed to get the portfolio fully invested.

Domestic Equity Manager Guidelines

- The majority of the holdings in these portfolios should consist of domestic (U.S.) common stock. Large to medium capitalization issues are preferred. Other acceptable investments on a limited basis include preferred stock, convertible securities and cash equivalents.
- Portfolios should be diversified. Specifically, 75% of each investment manager’s portfolio should be diversified to the extent that no individual security makes up more than 5% of the total assets at the current market value. Discretion may be taken in the remaining 25% of a portfolio, but the manager should not allow any one position to exceed 8% of the portfolio’s total market value.
- A concentration in one economic sector (e.g., transportation) should not be so great as to exceed 30% of the manager’s portfolio measured at market value or two times the benchmark index, whichever is greater.
- The manager should follow a clearly defined sell discipline.

Fixed Income Manager Guidelines

- Holdings should consist primarily of domestic (U.S.) fixed-income securities with adequate liquidity. Investment Performance Objectives

Investment managers will be reviewed on a quantitative basis in the form of quarterly reports to be provided by the consultant. Qualitative factors will also be considered such as adherence to each manager’s stated investment process, and to the policy guidelines stated in this document. Managers will be reviewed on a net of fees basis.

Large Cap Value Manager

Over a rolling three-year period, the annualized total return of the manager should exceed the annualized total return of the Russell 1000 Value Index. The manager should rank in the upper 25th percentile of a universe of similar managers for the rolling three-year period

Large Cap Growth Manager

Over a rolling three-year period, the annualized total return of the manager should exceed the annualized total return of the Russell 1000 Growth Index. The manager should rank in the upper 25th percentile of a universe of similar managers for the rolling three-year period.

Bond Manager

Over a rolling three-year period, the annualized total return of the manager should exceed the annualized total return of the Lehman Brothers Intermediate Aggregate Index. The manager should rank in the upper 25th percentile of a universe of similar managers for the rolling three-year period.

Performance Meeting

The Consultant and the Investment Committee shall monitor the overall performance of the funds to insure its meeting of its objectives. Individual manager monitoring will include the following:

- Maintaining both a short-term and long-term perspective, the Consultant will evaluate whether each manger has:
- Performed satisfactorily when compared with the specific objectives for its portfolio;
- Produced results that compare favorably to other investment managers with similar portfolios; and
- Adhered to the relevant policies and objectives.

Among the events that the consultant will examine closely in its review of the investment managers are:

- Poor performance relative to objectives over a three to five year period,
- A change in the portfolio manager
- The departure of one or more key investment professionals;
- Violation of an investment guideline; and
- A change in the ownership or control of the investment management organization.

Any of the above factors will result in a discussion of whether to retain an investment manger. The Consultant will provide input in the discussion, but final decisions for any changes rest with the Investment Committee.

Investment Manager Responsibilities

- Submit a written request to the trustees whenever the investment manager feels that the Statement of Investment Objectives should be changed
- Provide quarterly reports describing portfolio holdings, transactions, and performance.
- Vote proxies received after careful assessment of the issues involved.
- Promptly inform the trustees and its consultant of all significant matters pertaining to the investment management of the assets of the Foundation. For example, significant changes in the ownership, affiliation, organizational structure, financial condition, and staffing of the firm.
- Be available to meet with the trustees on a reasonable basis.

- Manage the funds in accordance with the policy guidelines and objectives expressed in this document, or in a separate written agreement that has received approval from the trustees when deviation is deemed prudent and desirable.

BENEFIT PLANS PROVIDED TO CLERGY IN THE VIRGINIA CONFERENCE

Funding, eligibility and plan designs for the Clergy Health Plan (CHP), Retiree Health Plan (RHP), Pre-1982 Pension Plan (Pre-82), Clergy Retirement Security Program (CRSP), Comprehensive Protection Plan (CPP), Supplemental Disability Plan (SDP), Supplemental Life Plan (SLP) and Gift Benefit are recommended to the Virginia United Methodist Conference (VAUMC) by Virginia United Methodist Pensions, Inc. (VUMPI).

VUMPI (or its vendors, if applicable) are responsible for determining if a participant qualifies to receive a benefit under the CHP, RHP, SDP, SLP or Gift Benefit, and what level of benefits will be payable to the participant.

The General Board of Pension and Health Benefits (GBOPHB) (or its vendors, if applicable) is responsible for determining if a participant qualifies to receive a benefit under the CRSP, Pre-1982 Pension Plan, MPP, CPP, and what level of benefits will be payable to the participant.

CLERGY HEALTH PLAN (CHP)

Eligibility:

- a. Probationary, Associate and Full Connection members serving full-time under episcopal appointment.
 - b. Approved Local Pastors serving full-time under episcopal appointment.
 - c. Clergy serving in full-time Extension Ministry Appointments in organizations controlled by The United Methodist Church.
 - d. Deacons in Full Connection & Probationary Deacons serving full-time.
 - e. Clergy on Incapacity Leave and receiving long term disability income benefits from the GBOPHB must file for, and enroll in Medicare Part A and B as soon as they become eligible in order to receive and continue their health benefits under the Conference Health Plans (CHP)
 - f. Widowed spouses of active clergy that were eligible and participating in the CHP at the time of death of the clergyperson are eligible for the CHP until age 65, at which time their eligibility will be determined for the Retiree Health Plan (RHP).
 - g. Once a clergyperson has retired from The United Methodist Church under ¶358 (or succeeding paragraph) of the *Discipline*, and the clergyperson continues in his/her retired relationship to the Virginia Annual Conference, the clergyperson and/or his/her dependent(s) are not eligible to participant in the CHP.
- * Clergy on Leave of Absence, Sabbatical Leave or Student Local Pastors may participate in the CHP for up to one year, provided they pay 100 percent of the CHP cost.

Administration of the CHP:

The CHP benefits are provided to VAUMC clergy by VUMPI in Glen Allen, VA (1-800-768-6040). VUMPI is the sole administrator of the CHP. This plan is self-funded and is primarily paid for by conference resources through apportionments and personal contributions from the participants. Therefore, the continuation of this plan depends largely upon the ability of the VAUMC to finance it. Benefits provided are approved at Annual Conference. It should be expected that VUMPI will annually recommend raising the amount of the apportionment and personal contributions to sustain this plan. Other alternatives include, but are not limited to recommending the reduction in the amount of benefits or to abandon the Clergy Health Plan altogether if funding is not possible. The adoption of such a plan should not be considered binding upon the Conference for more than one year at a time. Accordingly, the terms of the CHP are subject to change by approval by Annual Conference.

Church Contributions for the CHP:

Church contributions to the CHP are explained in Recommendations 2 of the VUMPI Report.

Participant Contributions for the CHP:

Participant Contributions are explained in Recommendation 3 of the VUMPI Report.

How to Enroll in these Plans:

1. If eligible for the CHP, enroll during the New Clergy Orientation, at Annual Conference or immediately thereafter, BUT PRIOR TO JULY 1. Enroll on forms provided by VUMPI. Call VUMPI at either 804-521-1100 or 1-800-768-6040. Questions concerning claims should be addressed to Anthem, 800-451-1527; or HMO, 800-421-1880.
2. Upon enrollment, participants are immediately responsible for their Personal Contributions under the Conference Health Plan. Likewise, the clergy’s salary-paying-unit is immediately responsible for their CHP apportionments.

RETIREE HEALTH PLAN (RHP)

Eligibility:

A Clergy or Diaconal Minister whose retirement date is effective on or after January 1, 2004, will be eligible to participate in the Virginia United Methodist Conference Retiree Health Plan if paragraphs 1 and 2 below are satisfied.

1. A Clergy satisfies the requirements of this paragraph if he or she retires in connection with the Virginia United Methodist Conference under ¶358.1-3 of the *2008 Book of Discipline*. A Diaconal Minister satisfies the requirements of this paragraph if he or she retires in connection with the Virginia United Methodist Conference under ¶313.2 of the *1992 Book of Discipline*.

2. A Clergy or Diaconal Minister satisfies the requirements of this paragraph if he or she meets the criteria in either subparagraph a, b or c below:

- a. This subparagraph is satisfied if a Clergy or Diaconal Minister, age 62 or above or has at least 30 years of service, on date of retirement, has served the Virginia United Methodist Conference during the last 10 consecutive years immediately prior to retirement in full-time Episcopal appointments where the salary-paying units have contributed towards the full apportionment rate for the Clergy and/or Lay Virginia Conference Health Plan, or
- b. This subparagraph is satisfied if a Clergy or Diaconal Minister, age 62 or above or has at least 30 years of service, on date of retirement, has served the Virginia United Methodist Conference a minimum of 30 years in full-time Episcopal appointments where the salary-paying units have contributed towards the full apportionment rate for the Clergy and/or Lay Virginia Conference Health Plan, or
- c. This subparagraph is satisfied if a clergy or diaconal minister who has served 10 years in full-time Episcopal appointments with the Virginia United Methodist Conference where the salary-paying units have contributed the full apportionment rate towards the Clergy or Lay Virginia Conference Health Plan, retires prior to age 62 with less than 30 years of service, or is appointed to Approved Leave (Sabbatical, ¶352; Family Leave, ¶354; Voluntary Leave of Absence, *2008 Book of Discipline*), or is appointed to Extension Ministry (to an Agency that is not eligible to participate in the Clergy and/or Lay Virginia Conference Health Plan), or is appointed on Loan to another United Methodist Conference (¶346.1 and 331.8, *2000 Book of Discipline*). for the Virginia United Methodist Conference Retiree Health Plan by paying a monthly Retiree Health Plan Access Fee.

The Retiree Health Plan Access Fee is determined annually by the board of directors of the Virginia United Methodist Pensions, Incorporated and published in the *Journal* of the Virginia United Methodist Conference. This Retiree Health Plan Access Fee will freeze her/his eligibility that s/he accumulated prior to entering one of the above-mentioned statuses. While making payment of this access fee, s/he will not receive health care benefits under the Clergy or Lay Virginia Conference Health Plan, Retiree Health Plan, nor accumulate years of service for eligibility or the vesting and contribution schedule.

This Retiree Health Plan Access Fee must be paid monthly (unless other arrangements have been made with the Virginia United Methodist Pensions, Incorporated office, in writing and signed by both parties) until s/he is eligible to be enrolled in the Retiree Health Plan, at which time s/he would receive health care benefits under the Retiree Health Plan and pay the prevailing personal contributions.

There will be a onetime open enrollment period (January 1-31, 2004) for those described in this paragraph who are not currently enrolled in the Clergy or Lay Virginia Conference Health Plans, and who want to freeze their eligibility in the Retiree Health Plan. Otherwise, if retirement occurs prior to age 62 and the retiree does not have 30 years of service, the retiree may pay 100 percent of the cost to continue enrollment in the Virginia Conference Lay Health Plan until they attain the age of 62. At the age of 62, their contribution rate reverts to the same Clergy Retiree Health Plan Vesting and Contribution Schedule for all eligible retired clergy and diaconal ministers based upon their years of service at retirement.

Additional points of clarification:

1. Years of Service will be determined at retirement.

- 2. A Year of Service equals a year served in the Virginia United Methodist Conference in a Full-time Episcopal Appointment where the salary-paying-unit was contributing the full apportionment rate for the Clergy or Lay Conference Health Plan. (For example, a clergy serving as an associate will not be awarded a year of service toward the RHP Vesting and Personal Contribution Schedule if he/she waives medical coverage and their salary-paying-unit does not contribute to the health plan apportionment.)
- 3. Years of Service earned in other United Methodist Conferences are not qualifying years of service under the Virginia United Methodist Conference Retiree Health Plan.
- 4. Retired Clergy and Diaconal Ministers currently participating in the Virginia United Methodist Conference Retiree Health Plan and those who meet the proposed Retiree Health Plan Eligibility on or before January 1, 2004, will be considered vested with 30+ Total Years of Service, therefore they will be required to make personal contributions according to the 30+ Total Years of Service Personal Contribution Schedule.
- 5. Eligible dependents are those who were eligible for coverage at the time of the participant's date of retirement.
- 6. Individuals that have met the eligibility requirements for Virginia United Methodist Conference Retiree Health Plan accumulate years of service which will be applied to the vesting and personal contribution schedule as follows:

Retiree Health Plan Vesting and Personal Contribution Schedule				
Total %		VUMPI %		Clergy %
<u>Years of Service</u>	<u>Cost of RHP</u>	=	<u>Contribution</u>	+ <u>Contribution</u>
0-9	N/A		N/A	N/A
10-14	100		16	84
15-19	100		32	68
20-24	100		48	52
25-29	100		64	36
30+	100		80	20

- 7. Retired clergy and/or their dependents that are participating in the RHP must file for, and enroll in Medicare Part A and B as soon as they become eligible in order to receive and continue their health benefits under the Retiree Health Plans (RHP).

Administration of the Retiree Health Plan (RHP):

The RHP benefits are provided to VAUMC clergy by VUMPI in Glen Allen, VA (1-800-768-6040). VUMPI is the sole administer of the RHP. This plan is partially self-funded and is primarily paid for by conference resources through apportionments and personal contributions from the participants. Therefore, the continuation of this plan depends largely upon the ability of the VAUMC to finance it. Benefits provided are approved at Annual Conference. It should be expected that VUMPI will annually recommend raising the amount of the apportionment and personal contributions to sustain this plan. Other alternatives include, but are not limited to recommending the reduction in the amount of benefits or to abandon the RHP altogether if funding is not possible. The adoption of such a plan should not be considered binding upon the Conference for more than one year at a time. Accordingly, the terms of the RHP are subject to change by approval by Annual Conference.

Church Contributions: Church contributions to the RHP are explained in Recommendation 2 of the VUMPI report.

Participant Contributions: Participant Contributions are explained in Recommendation 3 of the VUMPI report.

How to Enroll in these Plans:

- 1. If eligible for the RHP, the office of Virginia United Methodist Pension, Inc. can coordinate your enrollment in the RHP.
- 2. Upon enrollment, participants are immediately responsible for the payment of their Personal Contributions for the RHP. Likewise, the Annual Conference is immediately responsible for the RHP apportionments.

DISABILITY BENEFITS

Eligibility:

- 1. Full-time clergy members of the conference and full-time Local Pastors who are participants in the Comprehensive Protection Plan (CPP) provided by the GBOPHB. Student Local Pastors and Part-time Local Pastors are not eligible to participate in the CPP.)
- 2. Clergy appointed to attend school.
- 3. Clergy on Sabbatical Leave are continued in the CPP at Conference expense for one year.
- 4. Clergy on Leave of Absence are eligible for the life and disability insurance portions of the CPP for a maximum of one year at their own expense (based on 4.4 percent of DAC).

Administration of the Disability Plans:

CPP disability benefits are provided to VAUMC clergy per the *Book of Discipline* by the GBOPHB or its vendors and are subject to ongoing evaluation of one's medical condition and prognosis. However, the SDP program is provided to VAUMC clergy by VUMPI in Glen Allen, VA (1-800-768-6040). VUMPI is the sole administer of the SDP. If a participant qualifies for benefits under the GBOPHB's CPP, benefits are then automatically payable under the SDP, depending upon the onset of disability (see below). The SDP is self-funded and is primarily paid for by conference resources through apportionments. Therefore, the continuation of this plan depends largely upon the ability of the VAUMC to finance it. Benefits provided are approved at Annual Conference. It should be expected that VUMPI will annually recommend raising the amount of the apportionment to sustain this plan. Other alternatives include, but are not limited to recommending the reduction in the amount of benefits or to abandon the SDP altogether if funding is not possible. The adoption of such a plan should not be considered binding upon the Conference for more than one year at a time. Accordingly, the terms of the SDP are subject to change by approval by Annual Conference.

Comprehensive Protection Plan (CPP) Disability Benefits:

- 1. For those disabled on or after January 1, 2002, the CPP Disability benefit from the GBOPHB is 70% of Plan Compensation, with compensation capped at 200% of the Denominational Average Compensation (DAC). - 2. For those disabled prior to January 1, 2002, the CPP Disability benefit from the GBOPHB will remain 40 percent of the DAC until age 65, but no less than five years or to age 70, provided disability continues.
- 3. During periods of incapacity that are payable under the CPP, participants continue to receive pension credit and contributions and retain their eligibility for continued death and medical benefits.

- 2. Those disabled prior to January 1, 2002 will continue to receive a Supplementary Disability Benefit from the Annual Conference per the following guide-lines (Approved March, 1970, revised April 6, 1978, and subsequently, by the Supplemental Benefits Committee in accordance with action of the Annual Conference, June, 1969.

This Long Term Disability Benefit Plan is effective April 1, 1970 and is to be administered by VUMPI or by whatever agency may be subsequently designated by the VAUMC.

- Administration of the Death Benefit Plans
- The CPP death benefits are provided to VAUMC's clergy per the *Book of Discipline* by the GBPHB in Evanston, Ill. (1-800-851-2201). VUMPI assists the GBOPHB in the administration of this death benefit plan and is an advocate for the clergy in Virginia. The Supplemental Life Plan (SLP) is provided to VAUMC clergy by VUMPI in Glen Allen, VA (1-800-768-6040). VUMPI is the sole administer of the SLP. The SLP is fully self-funded by the VUMPI. If a participant qualifies for life insurance benefits under the GBOPHB's CPP, benefits are then also automatically payable under the SLP, and the amount payable under the SLP is dependent upon the age at one's death. The SLP is self-funded and is primarily paid for by conference resources through apportionments. Therefore, the continuation of this plan depends largely upon the ability of the VAUMC to finance it. Benefits provided are approved at Annual Conference. It should be expected that VUMPI will annually recommend raising the amount of the apportionment to sustain this plan. Other alternatives include, but are not limited to recommending the reduction in the amount of benefits or to abandon the SLP altogether if funding is not possible. The adoption of such a plan should not be considered binding upon the conference for more than one year at a time. Accordingly, the terms of the SLP are subject to change by approval by Annual Conference.

Comprehensive Protection Plan (CPP)

- 1. The CPP Death Benefit is equal to \$50,000 for death prior to retirement and reduces to 30% of the DAC after retirement.

- 4. Upon retirement, SLP Death Benefit, payable in addition to the CPP Death Benefit, is \$5,000.

Voluntary Life Plan (VLP)

- 1. Term life insurance is available in amounts from \$25,000 to \$300,000.
- 2. 100 percent participant paid.
- 3. Subject to underwriting.
- 4. Portable should one leave the ministry or retire.
- 5. Dependent life is available in amounts from \$10,000 to \$50,000 for spousal coverage; \$5,000 to \$10,000 for children.

Church Contributions:

Church contributions for CPP and SLP death benefits are explained in Recommendation 4 of the VUMPI Report. There is no church contribution made towards the VLP.

Participant Contributions:

There are no clergy contributions required for the CPP or SLP death benefit plans. The participant pays 100% of the cost of the VLP through payroll deduction as determined annually by VUMPI.

How to Enroll in these Plans:

VUMPI will automatically enroll those who are eligible to be in the CPP and SLP death benefit plans. Those desiring VLP enroll during VUMPI's annual open enrollment in the 4th quarter of each calendar year. Unless otherwise elected by the participant, the beneficiary will always be the spouse.

The defined monthly benefit payable at retirement is calculated as follows: Years of Service times 1.25% of the DAC (at the time of retirement) divided by 12. The defined contribution benefit payable at retirement is based upon the total contributions made each month by the church [3% of includible compensation (cash salary + housing)] and the earnings on those contributions.

MEMOIRS

WILLIAM HENRY ACOSTA
1929 - 2011

The Rev. William Henry Acosta, 82, of Richmond, passed away peacefully on Sept. 13, 2011. He was born June 11, 1929, in Louisville, Ky., to Baldemero Merito Acosta and Nancy Lee Acosta. Bill grew up in Louisville. He earned his B.A. from Kentucky Wesleyan College and his Master of Divinity from Emory Theological Seminary. Bill married his college sweetheart, Marilyn Fitzpatrick, and they settled in the Virginia Conference of The United Methodist Church serving churches in Tidewater, Northern Virginia, Southwestern Virginia and Richmond. Bill is survived by his wife, Marilyn; two daughters, Nancy (Grady) and Elizabeth (Rob); one son, Robert (Andrea); 10 grandchildren; one brother, Edgar Acosta (Raquel); and two sisters, Grace Acosta and Margaret Ellen Goldsborough. Known for his sense of humor and playful nature, Bill was a genuine, giving, gracious individual who loved the Lord, his family and people of all natures. He will be missed.

BARBARA B. BARROW
1940 - 2011

Barbara was born in Waynesboro, on Jan. 21, 1940. She graduated from high school when she was 15 years old, and she graduated from college at the age of 18. She received a Business degree from Davis-Elkins, a Master of Divinity from Eastern Mennonite Seminary and a Master of Education from James Madison University. Barbara was ordained as an Elder in 1978. She served as Director of the Wesley Foundation at JMU, pastor of churches in Edinburg and Lynchburg, Superintendent of the Harrisonburg District and Conference Director of Higher Education and Campus Ministry. In that position, she was awarded the Frances Asbury award in 2001. Barbara and I were married on Aug. 8, 1988, (8888) became our lucky number. Barbara retired in 2001 and moved to “The Villages” in Florida. She was diagnosed with cancer (Multiple Myeloma) in 2004, and after five surgeries, she was in remission until May of 2011. Quietly and peacefully in my presence, she went to be with the Lord the morning of Dec. 5, 2011. Barbara had a strong warm spirit and turned to the Lord in times of crisis or adversity. She was known as “the lady with a smile” in our church in Florida. She deeply cared about others and often gave her time and contributions to care for the less fortunate. One year she wanted us to celebrate our wedding anniversary by helping out at the Food Kitchen in Richmond. Whenever there was a difficult situation in the church, she would say “what is the pastoral thing to do?” She was not bitter about her disease. When others would question, she always said “why not me?” She never complained. She loved her church and the people she worked with. Her faith never wavered. There were few women ministers in the Conference when Barbara entered. Many times a young woman minister would come up to her and say, “Thank you for paving the way for us. You are a true pioneer.” That she was. Emerson said, “It is not length of life, but depth of life.” Barbara gave depth to life. She will be dearly missed.

A. BENJAMIN CHIDESTER JR.
1924 - 2011

When I first met Ben Chidester, I couldn’t even pronounce his name, much less spell it. I wanted to meet him so he could come and visit my first husband who was dying of leukemia. But with Ben’s busy schedule as minister of the Boone’s Mill United Methodist Church and always helping others, he never had the opportunity to visit him in our home in Boone’s Mill. But he always greeted him with warmth and enthusiasm after church services each Sunday. Meanwhile, my husband passed away, and a year later, Ben’s wife, Joan, passed away. Ben and I shared our sorrows and hopes and dreams. We married on St. Patrick’s Day in 2001 and began a life of fun and adventure. On our first trip we flew to Alaska where I had lived for almost 40 years. That was followed by four more years of adventure in our Roadtrek mobile home with our little Maltese, Frisky. For his 80th birthday, Ben celebrated by taking an exciting rubber raft trip down the frigid gray waters of the Nenana River in Alaska. In between years of traveling to Alaska, we traveled to New England and Canada where he would show me all the churches where he had ministered and the beautiful places where he had been. Wherever we traveled, Ben never met a stranger. He was always so warm and had so many friends everywhere. I was always so proud to be his wife and support him in his entire ministry. He was not only a minister but also a friend to all.

WILLIAM PRICE COMBS
1923 - 2011

How do you measure the life of a human being? Jesus said simple acts of love were the most important ways in measuring a life: visiting a stranger who soon becomes a friend; taking the time to get to know someone during a meal; listening to the stories of a person who longs to share them; joining in with the amazing imaginations of a precocious child. For a pastor, leading the church into full participation in God’s kingdom is a fascinating pursuit. In the midst of that pursuit, it is good to take the time “to just be with people.” Bill Combs had that kind of time. Bill was born on Sept. 3, 1923, to Sarah Goff Rucker Combs and Rev. Gilbert Reynolds Combs in Lexington, Ky.. His father transferred from the Kentucky Conference in 1928, and began serving churches in the Western North Carolina Conference. Bill started school in Charlotte, N.C., graduated from the Darlington School in Rome, Ga., cum laude, in 1940, and received his undergraduate (1944) and Divinity School (1948) degrees from Duke University. As an Elder in the Western North Carolina Conference, Bill served churches in Oak Ridge, Kona, Randleman and Sparta, before transferring to the Virginia Conference in 1961. Bill and his wife, Jeanette Hester Combs (a native of Greensboro, N.C.), were married for 57 years. They raised three children: Steve of Salisbury, N.C.; Marian of Forest, Va.; and Jon of Washington, D.C. In the late 1950s and early 60s, pastoral counseling was a new field, prompting Bill to move his young family to Virginia in order to continue counseling studies in the Washington, D.C. area. Because of his special love for people and his gift of listening, Bill’s main focus in ministry evolved into counseling. In 1964, he became a charter member of the American Association of Pastoral Counselors. In Virginia, Bill served Fletcher’s Chapel in Passapatanzy (King George County); Carmel in Hague (Westmoreland County); Raleigh Court in Roanoke; the Buchanan Circuit (Botetourt County); Highland Park in Roanoke; Monroe-Bethany in Monroe; Victoria Church in Victoria; and in retired status, the Montvale Circuit (Bedford County). His pastoral ministry spanned 44 years. Bill and Jeanette retired in Roanoke, and during this time Bill continued his interest in learning American Sign Language. He was a member of the Virginia Conference Commission on Disabilities and the Star City Hearing Loss Association in Roanoke. Bill loved speaking and teaching sign language to anyone who was interested. He was also a serious student in the area of Palestinian and Israeli relations. He prayed daily for peace and for Palestinian statehood. During Bill’s Memorial Service on Dec. 23, 2011, a portion of a letter written by a former colleague was read: “There is a quality of companionship which I have found with you that I have found with few colleagues. Companion – cum panis – breaking bread with and seeing the One who shares our human darkness. If one of my children were to die, I would call you and tell you of that. Yours would be among the first four or five calls, simply because I know that you would understand and just be there with me. You would not try to make excuses for what God had done or failed to do.” So to Bill – husband, father, pastor, colleague, and friend – thank you for all the years of companionship.

-Rev. Steve Combs

EUGENE SPENCER CONDREY
1926 - 2012

We cherish the last seven words of Jesus spoken from the cross, the last being “It is finished.” Likewise, we are touched by the last words of the late Peter Marshall as the medics were taking him to the hospital and he looked up at his wife, Catherine, and said, “I’ll see you in the morning.” Eugene Spencer Condrey prayed from his death bed, “Lord heal me or take me.” On Sunday he said to Evelyn Condrey, his wife, “I’m not going to be here come Tuesday.” She asked, “Where are you going?” He answered, “I’m going to heaven.” Early Wednesday morning a nurse entered his room, and the body was there, but the Spirit had gone to heaven as he predicted – God had both taken him and healed him. A funeral service was held at Whitten’s Timberlake Chapel on Jan. 7, 2012. Eugene Spencer Condrey was born in Richmond, the son of Richard and Hazel Condrey. After some years working in the business community, he heard the call of God to enter the Methodist ministry. He began his ministry in 1977, becoming an Ordained Elder in

1986. Being filled with the Holy Spirit, he served the following churches, all in the Lynchburg District: Emmaus-Diamond Hill, Gladys Charge and Concord. He retired in 1993. In retirement he served Forest, Peaksvieiw, Shiloh and Wesleybury.

Not only did Gene endear himself to his parishioners he also served them faithfully for 29 years, from 1977 to 2006, until his health began to fail. His greatest love was for Jesus Christ, and he preached stirring sermons inviting people to come to Christ and surrender their lives to him. He wanted people to love Christ as much as he loved Christ.

Each year during the 1980s, the Evangelism Committee of the Lynchburg District held a training session weekend for any lay person who was interested in learning how to win souls for Christ. Gene, having been so successful in bringing people to Christ, taught one of the classes. Through the power of the Holy Spirit, Gene touched the lives of many people and inspired them to share the message of salvation with their home church. This was just one of the many ways Gene used to share Christ with others. No minister was ever more committed to his calling than Gene Condrey.

Yes, Gene was a minister of unusual talent and always brought joy, hope and gladness to all who knew him. Of course, there is emptiness in the hearts of his beloved wife and family, as well as the many that have been touched by this humble man of God. Yet his powerful influence and messages will live on in the hearts of those who remain.

- Rev. C. Douglas Pillow, Retired, Lynchburg District

Upon moving to Roanoke, he enjoyed attending Salem Red Sox games. A lover of music as well, he attended the Baltimore Symphony frequently during his time in Maryland and the Roanoke Symphony Orchestra Pops series after moving to Roanoke. He was also a skilled bridge player, having been taught by a friend in the Army while stationed in Germany.

**WILLIAM R. LIVERMON, JR.
1938 - 2011**

To the glory of God and in loving memory of “Bill Tom” Livermon, son of the late “Bill” Livermon, pastor, Virginia Conference, and of the late Thelma Livermon, cinematographer of “Justice and the Circuit Rider.”

The first Call of God came to Bill Tom at age 17 when he was a senior at Martinsville High School. Changing his goals from architecture to ministry, he graduated from Randolph-Macon College and went on for a Master of Divinity degree from Duke Divinity School. Meanwhile, he had married Miriam Rothwell, started a family and served six happy years at three Danville District appointments.

The second Call came during those years as the couple agreed, “We’ll go where You send us,” expecting to go to the mission field.

The third Call became specific at Annual Conference after the Foreign Missions report one evening and the Military Chaplains’ report the next morning. Bill Tom wrote to the Commission on Chaplains: “I feel very strongly that I have been called to volunteer for a

tour of active duty as a Chaplain in the Army.” He was one of five Methodists in the country to be accepted that year. Bill Tom served God and country for over 20 years, being the recipient of many miracles of provision, protection and guidance. He ministered in communities and on Army installations worldwide – in Vietnam, the United States, Germany and Panama. Some of his assignments were to the 41st Signal Battalion, the 39th Signal Battalion, post chapels, the 6th Armored Cavalry Division and the 101st Airborne Division. Among his awards and achievements were Army Commendation Medal with two oak-leaf clusters, Meritorious Service Medal with one oak-leaf cluster, Bronze Star and the earned privilege of training for and wearing the highly-prestigious Air Assault Badge. Throughout, Bill Tom matured in the Lord, was liberated in the spirit, and grounded in the Father. Forced into early retirement by his health, Bill Tom experienced many more miracles of provision, direction and survival. His warm love for people and his strong character, as well as his gift of wisdom, blessed all who crossed his path. Sent home to die, he was to have another 25 years of service for the Kingdom as chairman of the board for Teamwork Ministries, chaplain for Maritime Ministries, and sought out by many for guidance and counseling. Bill Tom enjoyed music – playing the piano and his Irish folk harp; travel – learning French and traveling in France and Israel. He really liked cars and enjoyed everything about the water – the beach, swimming and especially sailing. His favorite Bible verse was “Those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.” (Isaiah 40-31.)

JENUS GREENE LONG JR.

George W. Ports. He married her on Sept. 27, 1946. They had a son, Paul Victor, in 1948, and a daughter, Patricia Vernelle, in 1951. In nearly 39 years of ministry in the Virginia Methodist Conference, J.G. served pastorates in Monterey, Cape Charles, Thaxton, Pleasant Valley, Forestville, Onancock, Virginia Beach, Petersburg, Culpeper, Staunton, Arlington and Stuart. In retirement J.G. took care of his mother in Roanoke Rapids during the last years of her life. She left him her house, where he lived for more than 20 years before moving to Elmcroft, a Raleigh assisted living and memory care facility, four years ago. J.G. died at the age of 91 on Sept. 5, 2011, at the Hospice of Wake County inpatient facility in Raleigh, N.C., where he received wonderful care. His funeral was held in Concord United Methodist Church, where he grew up. His ashes were buried in Seaboard, near his parents’ graves, as he wished.

JAMES ANDREW MCCLUNG
1943 - 2012

The Rev. James Andrew McClung was led home by the angels on Jan. 7, 2012. He became an instant member of the celestial choir. He was born March 23, 2012, in Norfolk to Blair and Lillian McClung. He received his diploma from Granby High School, Norfolk, in 1961. He went to Ferrum College where he completed an A.A. in 1963. He would later graduate from Emory and Henry College with a B.A. in 1968. He received his M. Div. from Duke Divinity School in 1972. He acquired an Accredited Clinical Pastoral Education (A.C.P.E.) Certificate from the UVA Hospital in 1973 and received a Master of Special Education from VCU in 1983. Jimmy became a member of the Virginia Conference in 1969 when he became a probationer and deacon in the church. He served the Stem-Bullocks Charge on the Durham District while a student at Duke Divinity School. During this time, Jim served as a student chaplain at both Duke Medical Center and Murdoch School and Hospital for Mentally Handicapped Persons. He did his internship as a chaplain at the UVA Hospital from 1972-1973. He was the pastor at Rustburg UMC from 1973-1979. He then served as the director for the Virginia United Methodist Agency for the Retarded (VUMAR) from 1979-1993. In 1985, he started Camp Rainbow Connection for mentally handicapped youth and adults which still continues today. He returned to the parish ministry serving Ramsey Memorial UMC from 1993-1996, Laurel Hill UMC from 1996-2003 and Miles Memorial UMC from 2003-2005. Once again he was called to a conference level position as the director of Church and Community Relations for the Virginia United Methodist Homes Inc. and served there for five years. He always felt that God had blessed his ministry and provided many opportunities for spiritual growth in his own life. The greatest joy for him was to know that God used him and his God-given gifts wherever possible. His life was characterized as one of compassion for all people including those who some would deem unlovable. Jimmy loved his family, and it was said that Betty, his wife of 45 years, was the anchor for this larger than life ship of human compassion and infinite talent. Receiving God’s miracles several times in his life, he was quick to tell others never to give up. He never gave up while fighting his courageous battle against Non-Hodgkin’s Lymphoma. Throughout his journey he continued to touch others and spread God’s word. Jimmy was definitely one of a kind, and when he was born, the mold was thrown away! He was a wonderful husband, father, grandfather, son, brother, uncle and friend. We will all treasure the legacy of life which he left for us. Above all, we will remember the

sparkle in his eyes, his boisterous laughter and all the love he spread through genuine hugs. We love you Jimmy and know we will see you again someday. We will carry you in our hearts forever! Love you more.

-Betty McClung, Walt McClung, Tondra McClung Atkins

LOYDE MIDDLETON
1925 - 2012

The Rev. Loyde Middleton, 86, died in Laurinburg, N.C. after battling Alzheimer’s Disease for many years. He was born at home outside of Marked Tree, Ark. in 1925 to the late Alma and Grady Middleton. Initially, he received his education at Martin Junior College and Middle Tennessee State. He went on to get a BA at Tennessee Technical University and ultimately received a Master of Religious Education at Candler School of Theology at Emory University. He was “called to preach and missionary service” as a junior in high school. After graduating from high school in 1943, he began serving as a student minister in the Tennessee Conference until 1947. He joined the Board of Global Ministries of The United Methodist Church as a special term missionary to Bolivia (1947 to 1950). He was ordained during the Tennessee Annual Conference in 1951. In March of 1951, while studying at Scarritt College in Nashville, Tenn., he met Sarah Louise Locke (a short-term missionary to Brazil) and married her in June of 1951. Together they returned to Bolivia where they served as commissioned missionaries until 1968. After their return to the United States, they continued to serve The United Methodist Church. In June of 1968, he joined the Virginia Conference, where he served Ivey Memorial, Barton Heights, Crenshaw, Grace, Ferebee-Halsted and Ferebee-Halsted/St. Luke’s United Methodist churches. He was a member of the Board of Missions and District Secretary (1969-1972), Elected Member (1972-1976). He also served as Core Interpreter for the General Board of Global Ministries, consultant for Committee on Churches in Transition and Virginia Commission on United Methodist Information (1971-1976). If I could use only a few words to describe my father, it would be courageous and faithful. Even when faced with the adversarial forces of the Bolivian military during a revolution in 1964, he stood his ground protecting the lives of the radio station staff, the broadcasting equipment, and even demanding the return of stolen property, which was taken during the coup. I remember his courage when, while serving in Blackstone, he and Mom were attacked and shot by a woman to whom they had offered transportation and support. He wore the scar on his face from the gun shot wound without boasting nor malice. After his retirement from the Virginia Conference, while living in Huntington, W.Va., his courage and his faith once again propelled him into danger when he tackled and fought off an assailant who was holding a knife to the church secretary’s throat. He never felt he was a hero, but only a servant of God. If only we could all have the courage to live our faith every day, as he did, and face adversity with courage knowing that God stands with us.

-Patty Middleton, daughter

RENDELL RAY ROZIER
1950 - 2011

Born May 11, 1950 in Cleveland, Ohio, Rendell Ray Rozier was the middle child and oldest son of John and Mildred Rozier. In school Rendell was a straight-A student, a member of the Cleveland All-City Orchestra and earned a football scholarship to Ohio State University. But after one year he decided college was not for him, and he enlisted into the United States Navy. Completing boot camp at Great Lakes Naval Recruit Center in 1969, Rendell embarked on a six-year journey aboard the aircraft carrier John F. Kennedy as an Electronic Technician. At the height of the Vietnam War, the Kennedy mostly operated in the Mediterranean. Rendell was thrilled by the chance to travel (on bicycle!), and he immersed himself in the European cultures. Finishing his contract with the Navy in 1975 and finally ready for college, Rendell matriculated through Randolph Macon College and then pursued a Master of Divinity from the Candler School of Theology at Emory University in Georgia. Here he also found an opportunity to pursue his lifelong passion for classical music as a member of Candler Choraliers and the Glenn Church choir. While in Georgia, he worked as a chaplain for the Egleston Children’s Hospital. He also met his future wife, fellow student Annette Braden, who coincidentally happened to be from Germany. Following seminary and newly married, Rendell accepted an appointment as the pastor of Galloway United Methodist Church in Falls Church. After a successful pastorate of 2½ years he returned to his earlier love, the Navy. When asked why, he would say, “I miss the sailors.” He rejoined the Navy, but this time in the position of an officer and a chaplain (and, yes, a gentleman too) – a position which allowed him the most contact and influence with the sailors. The Navy again sent him and his family traveling, to duty stations in San Diego, Okinawa (Japan), Groton and Great Lakes. A daughter, Julia, was born in 1986 and a son, Benjamin, was born in 1989. In 1994, the Navy selected

Rendell for one year of Ethics studies at the Interdenominational Seminary at Berkeley.

Rendell saw it all – the range of human suffering on ships and submarines, in hospital rooms, mental health wards, prisons and homes. He saw the victims of fires, ship wrecks, car crashes and murder. His military training served him well, or he might not have been able to handle the rigorous work schedules and physical demands of the job. He worked tirelessly to bring real help, love and hope to people. When challenged to justify how he could be part of a war machine as a Christian, he responded that he wasn't there to bless the military mission. He was there to represent God's unconditional love in an often harsh and unforgiving environment. Of course, he witnessed also the joys of new marriages, new babies, promotions, achievements and retirements. Rendell was a generous department officer and well loved by his office staff.

Rendell always resisted being defined by others. He believed that Christian love transcended all differences between people, and he defied anyone who would tell him that he should or should not do something because he was African American.

Toward the end of his career, Rendell could no longer ignore worsening health problems, which ultimately led to his retirement. Long hospital stays ensued but Rendell was determined to see his children commence their lives, and he even managed to travel across the county to see his oldest walk across the stage of Harvard College.

A chaplain to the end, Rendell worked to learn the names of the nursing staff that cared for him and apologized for being such an inconvenience. He is survived by his wife, daughter, son, parents, sister, brother, and many other family members.

Rendell touched the lives of many, was loved by us all and will be forever missed.

LOUIS ALVIN TIMMONS

1940 - 2012

Lou was born in Dagsboro, Del. on Sept. 28, 1940, and died Feb. 10, 2012. He was the son of the late Jack and Evelyn Timmons Simpson and his stepfather, Edward Simpson.

Lou had an interesting life and career. He was a student at Wesley College before leaving to join the Navy and being sent to the west coast. As a Vietnam veteran, he then returned to become a shop steward for the Teamsters Union, graduated from Virginia Wesleyan College, and went on to Wesley Seminary. He served Saint Mark Church in the Portsmouth District, White Post Charge in the Winchester District, Mount Vernon in the Peninsula Conference (Sharptown, Md.), and Cheswold Charge in Delaware. Back in Virginia, he served Mead Memorial in the Lynchburg District, Highland Park and Prices Fork in the Roanoke District, Atlantic UMC on the Eastern Shore, and he spent one year in Brunswick County at the Philadelphia Charge before he retired. He served the Melfa church in retirement, and his last preaching was at the Bloxom Community Nazarene Church.

He had a gift for preaching the Word, and he was dedicated to helping those who needed help along the way. He was blessed to be co-director at Casa Esperanza along with Carmen Colonna. He loved bringing people into the church from the streets. It frequently got him in trouble.

Lou never wanted to be president, but he always wanted to be dictator for a week. He was earthy, and there was still a lot of sailor and teamster in him. He owned two boats and a camper, and he was at home on the water except when the Coast Guard had to go out and find him on a couple of occasions. The boats and the camper were donated to Light House Ministries for the homeless when he could no longer go out to sea.

The Rev. Timmons is survived by his wife and best friend of 42 years, Sylvia Faye Morse Timmons; his sons, Eric J. Timmons of Winchester and Edward S. Timmons, his wife Terri and one grandson Jakob, all of Winchester; one brother, J. Robert Timmons of Brazil; five sisters-in-law, Sandi Morse and husband Brandon, Robin Shipp Morse, Tami Morse, Gloria Persinger and husband Melvin, and Rose Morse Lawson; brother-in law, Donald Ray Morse and wife, Sandra; and several nieces and nephews.

XIII. HISTORICAL STATEMENT

The Virginia Conference of The United Methodist Church is the direct descendant of the original annual conference of the United Brethren in Christ and of one of the six original conferences of the Methodist Episcopal Church. The present conference was formed in 1970, by the merger of the Virginia Conference, formerly Methodist, with the former Evangelical United Brethren Conference of the same name. It is the successor to 39 Annual Conferences of eight denominations. Since the oldest of these dates back to the organization of the Methodist Episcopal Church in 1784, the 1970 session was declared to be the 188th session of the Conference (two “annual” sessions having been held in 1791 and 1841).

These 39 antecedent conferences are as follows:

THE METHODIST EPISCOPAL CHURCH

Virginia (1784-1844), Baltimore (1784-1939), Philadelphia (1784-1869), North Carolina (1836-1844), Washington (1864-1939), Delaware (1864-1939), Virginia and North Carolina Mission (1864-1868), Virginia (1868-1906), North Carolina (1869-1939), Wilmington (1869-1939), East Tennessee (1880-1939), Holston (1906-1939), West Virginia (1906-1939), Atlantic Mission (1906-1912), Blue Ridge- Atlantic (1912-1939).

THE CHURCH OF THE UNITED BRETHREN IN CHRIST

Original (“Old” or “Mother”) (1800-1829), Hagerstown (1829-1830), Virginia (1830-1946)

THE METHODIST PROTESTANT CHURCH

East Virginia (1829-1834), Maryland (1829-1939), Virginia (1834-1870), North Carolina (1860-1939).

THE METHODIST EPISCOPAL CHURCH, SOUTH

Virginia (1844-1939), North Carolina (1844-1874), Baltimore (1866-1939).

INDEPENDENT CONFERENCE

Baltimore (1861-1866).

THE METHODIST CHURCH

Virginia (1939-1968), Washington (1939-1965), Delaware (1939-1965), East Tennessee (1939-1965), North Carolina-C.J. (1939-1965), North Carolina-Virginia (1965-1968).

THE EVANGELICAL UNITED BRETHREN CHURCH

Virginia (1946-1968), Central Pennsylvania (1948-1964), Susquehanna (1964-1968).

THE UNITED METHODIST CHURCH

Virginia-M (1968-1970), Virginia-E (1968-1970), Susquehanna (1968-1969).

Virginia was the scene of the ministries of many of the pioneers of the Methodist and United Brethren churches, most notably among them Francis Asbury, one of the first two Methodist bishops; William Watters, Methodism’s first Native American minister; Philip William Otterbein, bishop and leader in the founding of the United Brethren in Christ; and Christian Newcomer, United Brethren pioneer in Virginia and later bishop.

Twenty bishops of the denominations now comprising the United Methodist Church were born within the bounds of the Virginia Conference. They are: William McKendree, Enoch George, John Early, Samuel Hiestand, Beverly Waugh, David S. Doggett, William Taylor, John C. Granbery, William W. Duncan, James W. Hott, Collins Denny, William B. Beauchamp, Paul B. Kern, Paul Neff Garber, Edgar A. Love, Walter C. Gum, Carlton P. Minnick, Jr., R. Kern Eutsler, H. Hasbrouck Hughes, Jr., and Timothy W. Whitaker.

THE NUMBERING OF CONFERENCE SESSIONS

The Virginia Conference was organized in May of 1785. That was its first session. It was one year old at its second session in 1786, and so on, so that its age would always be one less than the number of that year’s session. Then, two annual sessions were held in April and December of 1791 and in January and November of 1841, so that in 2010, the 228th annual session, the conference was 224 years old.

XVIII. STATISTICAL TABLES

For the year JANUARY 1, 2011, through DECEMBER 31, 2011

DAVID DOMMISSE, Conference Statistician

Each of these tables, based on the pastors' reports, has been carefully proofread. In those dealing with finances, there are a number of instances in which amounts reported by several churches within a charge do not add up to the total which is given. In most of these cases, the total was changed on the original statistical sheets to correspond to the amount actually received by the conference treasurer. Differences in financial totals listed and those of the conference treasurer are due to payments made in fractions of dollars, whereas statisticians calculate to the nearest dollar. For questions concerning the statistical tables, contact the conference statistician, David Dommis, P.O. Box 5606, Glen Allen, VA 23058; by phone at (804) 521-1109, or 1-800-768-6040; or via e-mail at <DavidDommis@vaumc.org>.
