

# SUPPLIES NEEDED

## and Drop-off Information

Thank you for your agreement to adopt a cabin for camp. Please read the instructions and list carefully. Although thoughtful, making donations not included on this list requires us to not be able to use the items and find an alternate place for these items to go. If you have any questions, please email Lori Smith (agcc@vaumc.com). See you at camp!

\*All items should be gathered and delivered to you. Your team will deliver the items to camp the Saturday before camp begins between 2-4 pm. Thanks for your support!
