

## Clergy Raises 2022

Effective 9/1/21:

If a church has paid 100% of total conference and district apportionments they may give clergy a salary increase.

In consideration of the current challenges of COVID & the missional needs of the local church:

A church may give clergy a salary increase if they meet either 1 of the 2 following criteria, based on payment of 2020 apportionments.

1. If the church paid 100% of their Priority 1 apportionments in 2020 (equivalent to 72% of total Conference apportionments) **OR**
2. If the 2020 Conference apportionment giving represents a minimum of a 10% increase over 2019 Conference apportionment giving.
