

2024 Cabinet Policy on Clergy Salary Increases

By Annual Conference action, the 2024 minimum full-time salary for clergy is as follows:

Licensed: \$39,000

Provisional: \$41,500

Ordained: \$46,000

If your full-time clergy person is below these minimums, their salary should be increased to the new minimum, effective 1/1/2024. If you have questions, please contact your District Superintendent.

Other Clergy Salary Increases:

If your church has paid 100% of their 2022 Conference and District apportionments, a 2024 salary increase may be given at the discretion of the local church.

If your church did not pay 100% of their 2022 Conference and District apportionments, please contact your District Superintendent, should you desire to provide an increase in 2024.

**Note: if your full-time clergy is below minimum, salary should be increased to the new minimum, effective 1/1/2024, regardless of percentage of apportionments paid in 2022.*
