

### *Clergy Criteria for Emmaus and Chrysalis*

(updated on April 25, 2008)

**(These updated criteria replace and supersede the section on clergy qualifications found on pages 29-31 of *The Upper Room Handbook on Emmaus* (2<sup>nd</sup>. edition), and on pages 63-66 of the *Upper Room Handbook on Chrysalis*).**

Clergy persons are critical elements in The Walk to Emmaus and in Chrysalis. The two programs depend on the partnership between laity and clergy. This partnership is a model that can be used in churches to enhance the ministry of the church.

It is important to have a thorough understanding of the role of the clergy in Emmaus and Chrysalis. In addition, it is important to have clarity about what is expected of the clergy who serve Emmaus and Chrysalis. It is also important to have a good understanding of how men and women are recognized as clergy and those things that qualify them to be called clergy. Below you will find the qualifications for the various clergy positions in Emmaus and Chrysalis.

#### **Community Spiritual Director**

The ministry and mission of The Upper Room Walk to Emmaus and The Upper Room Chrysalis depend on the Community Spiritual Director for leadership and oversight of the spiritual life of the community. The Community Spiritual Director serves as the moral, ethical, and spiritual conscience of the Board, the community and the teams. The Community Spiritual Director assists the Board in the development and nurture of clergy leaders and also assists in selecting those to serve on Emmaus/Chrysalis teams. The Community Spiritual Director shall be recognized as a competent spiritual leader within his or her church or denomination and by other church leaders in the area. This person should also represent the best Emmaus/Chrysalis has to offer.

Only persons who meet all the following criteria can serve as the Community Spiritual Director. Those who:

- are ordained as UMC elders or the equivalent in other denominations/churches who have completed a four year undergraduate degree and have received a Master of Divinity degree from a seminary accredited by the Association of Theological Schools (ATS, [www.ats.edu](http://www.ats.edu));

Or,

- are ordained as UMC elders or the equivalent in other denominations/churches who have completed an undergraduate degree and The United Methodist Church (UMC) Basic Course of Study Program, and the Advanced Course of Study Program, (or the equivalent in other churches or denominations).

- able to maintain theological balance and be sensitive to the variety of perspectives in this ecumenical setting.
- have showed commitment to the Upper Room Walk to Emmaus and Chrysalis models as stated in the Letters of Agreement.
- have served as Weekend Spiritual Director.
- are actively engaged in full-time professional ministry (or retired while in good standing).

The Weekend Spiritual Director is selected by the Board of Directors with the recommendation of the Emmaus or Chrysalis Community Spiritual Director. The WSD is responsible to the board as the spiritual leader of the Walk, Flight or Journey.
