

Too many ministers face an annual financial crisis courtesy of the Internal Revenue Code. The contradictory nature of the tax regulations related to ministers has frequently led to confusion, misinformation, and inaccuracy even among tax professionals. This book is a guide to help ministers understand the tax return and their church leaders design the compensation package to take advantage of unique clergy tax benefits.

Rev. John W. Asbury owes a lot of money to the IRS. Unprepared for the unusual way clergy are taxed, ministers with inadequate knowledge of these rules face this challenge throughout their career. This book is a guide to help ministers understand the tax return and their church leaders design the clergy compensation package to take advantage of unique clergy tax benefits. 172 pages featuring:

- **9 Keys to THE CLERGY TAX TRAP for ministers and church leaders.**
- **12 Tax-Saving Strategies.**

“Bill Davidson has transformed a complex and often intimidating subject into an understandable and practical resource. I believe this book will help pastors avoid common tax pitfalls, encourage better compensation planning, and promote faithful stewardship throughout the church.”

David Dommissee, CFO and Treasurer,

Virginia Annual Conference of the United Methodist Church

“Bill Davidson presents an extremely well documented guide to understanding what is potentially one of the most confusing aspects of ordained ministry. Presented with refreshing clarity, with many easy to follow examples, this book provides helpful information for both clergy and church leaders...who want to avoid costly mistakes while ensuring compliance with all relevant tax requirements..”

John Fuller, Executive Director,

Virginia United Methodist Pensions, Inc.

“Bill has written a book that should be read by all ministers as well as church treasurers.”

Rev. David Tanner, MDiv, IRS Enrolled Agent

Clergy Tax Team LLC

The Rev. William (Bill) Davidson is a United Methodist Minister, tax advisor, and award-winning professional continuing education instructor on clergy taxes— 2024 and 2025 Top Educator and Content Creator with MYCPE ONE.

He resides in central Virginia with his wife where he enjoys golf, guitar, and visiting grandchildren at the beach.
