## **V. DAILY PROCEEDINGS**

**241st Session**

**The Virginia Annual Conference  
Berglund Center | Roanoke, Virginia  
June 15-17, 2023  
Sunday Afternoon, June 11, 2023**

### **LAITY SESSION**

The 2023 Laity Session of Annual Conference was held as a Zoom webinar at 3:00 PM. Ms. Martha Stokes, Conference Lay Leader, welcomed everyone and opened the session with a Scripture reading from Isaiah 43:9, “Watch closely. I’m preparing something new...” Ms. Stokes thanked the Board of Laity for their help and planning for this session. Ms. Stokes explained what a laity session is: an opportunity to connect with other United Methodists in the Virginia Conference. She further explained why we are meeting via Zoom rather than in person: we do not have any topics or votes this year which require us to meet in person, so we thought we would take the opportunity to try something new. Part of the responsibility of the Board of Laity is to prepare the laity for participation in the Annual Conference, often by district orientations, and this year, by videos. These videos can be found under the Annual Conference section of the VAUMC.org website. Ms. Stokes encouraged members to meet and talk with others at the conference. She shared Annual Conference will close with a celebration of the call of the laity as well as the fixing of clergy appointments.

Mr. David Teal, Director, Laity and Spiritual Leadership for Discipleship Ministries, shared passion for helping leaders and learners. He expressed appreciation for our shared ministry and for the conference theme of “United as One in Mission.” He also encouraged the members to visit the Discipleship Ministries website and download free resources for churches. One new resource is “Disciples in the Marketplace” (How people demonstrate grace in everyday life.) He reminded the members that we are God’s instrument to help others hear and answer God’s call.

Mr. Dwayne Stinson, Associate Director of Influencing, was introduced as the incoming Director of Connectional Ministries for Discipleship and Congregational Vitality. He will share the position of Director of Connectional Ministries with Rev. Jonathan Page, Herndon UMC, Northern Virginia District whose position will be Director of Connectional Ministries for Creativity and Innovation. Mr. Stinson shared about Next Steps and Bridge Churches. Ms. Stokes shared some further resources and websites to assist local churches in their discernment about Bridge Churches.

Ms. Stokes announced there will be a Laity “Heart to Heart”—Thursday, June 15, at 8:30-9:30 AM. This will be an opportunity for people to share witness and share conversation around tables.

In closing, Ms. Stokes along with former conference lay leaders, Ms. Shirley Cauffman and Mr. Warren Harper, shared a letter written jointly by them, expressing their hopes and dreams for our denomination.

The Laity Session adjourned at 4:00 PM.

### **WEDNESDAY AFTERNOON, JUNE 14, 2023**

#### **CLERGY EXECUTIVE SESSION**

#### **PERFORMING ARTS BUILDING, BERGLUND CENTER, ROANOKE, VA**

At 2:00 PM, Rev. Jessie Colwell, Director, Center for Clergy Excellence, welcomed the clergy and guests to the Clergy Executive Session of the 2023 Virginia Annual Conference.

Opening worship was led by the chairs of Orders: Rev. Camille Pentsil, Board of Ordained Ministry Member; Rev. Lyndsie Blakely, Chair, Order of Deacons; Rev. David Edinger, Chair, Fellowship of Associate Members and Local Pastors; and Rev. Darcey Johnson, Chair, Order of Elders. Music was provided by Rev. Drew Willson. The sign language interpreters for the session were Ms. Katherine McMullen and Ms. Virginia Bryant. Marshals were Rev. George Warner, Full Membership; Rev. David Vaughan, Provisional Membership; Rev. Brian Johnson, Licensed Local Pastors; Rev. Michelle Kim, Other Fellowship. Rev. Blakely shared a homily, based from the scripture Acts 1:1-18, about the need to be unified as one in order to rise to the mission and calling God has called us to. Rev. Seungsoo “RJ” Jun, Associate Director of Serving, led the session in a time of prayer.

Bishop Sue Hauptert-Johnson, resident bishop, Richmond Episcopal Area, shared her blessing and joy to be with Virginia clergy giftedness. She shared her welcome and greetings from the Florida Annual Conference and North Georgia Annual Conference. In her opening remarks, she shared the invitation to have one hand on the cross and when we do so, we will be close to one another and to the Kingdom of God. Bishop Hauptert-Johnson also encouraged clergy to fellowship with one another during the down times this week.

Bishop Hauptert-Johnson introduced Rev. Tammy Estep, Chair, Board of Ordained Ministry, to lead the members through the Minute Questions.

Rev. Estep moved for the bar of the clergy session be the Performing Arts Theatre within the Berglund Center. The motion was seconded and was approved.

Rev. Estep moved we admit to this session with voice and no vote: all diaconal ministers, the administrative staff in the Bishop’s Office, Terri Biggins;

the Conference Chancellor, Heather Hays Lockerman; and American Sign Language Interpreters Katherine McMullen and Virginia Bryant. The motion was approved.

Rev. Estep led the members in the presentation of the Minute Questions. The entire printed booklet of Minute Questions, with additions and corrections distributed separately, was presented in an itemized manner. Bishop Haupt-Johnson asked the historic questions of those persons who were to be ordained. Candidates for commissioning, ordination, associate membership, recognition of orders and transfer into the conference from other denominations were presented and approved. Persons receiving their first appointment as local pastors in all categories and those who have completed course of study were invited to the platform to be recognized by the members.

Appropriate recognition was given to all persons being received into a new relationship with the Annual Conference at the current session. All retirees were asked to stand and be recognized.

Rev. Denise Bates, Dean, Cabinet, was recognized as she stated,

*Recognizing that 'all have sinned and fallen short of the glory of God' (Romans 3:23), and that throughout the year areas of concern have been identified and complaints or charges filed, we the appointive cabinet do believe that the licensed, commissioned, and ordained clergy are earnestly striving after perfection and are blameless in their life and in their official administration.*

All other Minute Questions were passed with the required majorities as written in the Clergy Session booklet, addendum, including corrections: Minute Question 18, those who have been discontinued as local pastors, Rev. Kathryn Budzik effective June 12, 2023; and Rev. James O'Quinn removed from the listing under Minute Question 70.

Rev. Stephen Hundley, Retired Elder, Mission Rivers District, requested clergy to be notified when other clergy voluntarily withdraw from membership to the Annual Conference.

Bishop Haupt-Johnson said the conference would take this request under advisement.

Bishop Haupt-Johnson prayed for the clergy who have left the Annual Conference and for those who have joined this Annual Conference, in addition prayed that the fruits of the Spirit fill the clergy during this time.

Rev. Estep lifted and gave thanks for the clergy members who have joined the communion of saints this previous year. A moment of silence was observed, and Bishop Haupt-Johnson prayed a prayer of thanksgiving for these saints and prayed for comfort for those who grieve these losses.

Rev. Estep asked the Board of Ordained Ministry and the District Committees on Ordained Ministry to stand and thanked the Board and Committees for their work over the past year.

Rev. Youtha Hardman-Cromwell, Retired Elder, Northern Virginia District, asked to see the giftedness of the extension ministries and how they can be used. Bishop Haupt-Johnson replied that they are listed in the appointment listing.

Rev. Estep thanked the staff of the Center for Clergy Excellence: Rev. Jessie Colwell, Director, Rev. Crystal Sygeel, Associate Director of Call and Candidacy, and Rev. Lyn Harding, Administrative Coordinator.

Bishop Haupt-Johnson reported that when she arrived in Virginia there were two clergy under complaint. Since her being here, there was counsel on behalf of the conference named and both of these complaints have come to a just resolution.

Rev. Rob Vaughn, Community of Faith UMC, Northern Virginia District, was recognized. He requested a Bishop Ruling of Law on the following questions:

- 1) Is it permissible for a supervisory process in a complaint proceeding to extend beyond the time limits defined by Paragraph 362.1(e)?
- 2) Does the *Book of Discipline* allow for a substitution in complainants to be made after a complaint has been transferred to the judicial process and awaiting the naming of a counsel for the church?
- 3) May a bishop deny a respondent the right to an advocate in an inquiry relating to an ongoing complaint?
- 4) During the supervisory phase of adjudicating a complaint, may a bishop deny the use of a facilitated just resolution process?

Bishop Haupt-Johnson stated that she would answer these questions of law within the next thirty days.

Rev. Drew Enszt, Director, Arise Campus Ministry, Northern Virginia District, rose for a moment of personal privilege to speak about his time under complaint and his just resolution.

Rev. Rhonda VanDyke, Retired Elder, Shenandoah River District, also rose for a moment of personal privilege to speak about her just resolution that was resolved two hours prior to Clergy Session.

Bishop Haupt-Johnson closed with the remarks of valuing each of the clergypersons in the room. She mentioned that in the economy of God it is about the "we" and "us." She further believes that the process outlined in the Book of Discipline is clear cut and promises to follow it as such. She further promised a breakdown of legal expenses in the future. She also promised to appoint all clergy members well regardless of their beliefs. She asked clergy

to hear again the vows clergy make about being loyal to The United Methodist Church. She further expressed her value of integrity in asking clergy to not lead churches out of The United Methodist Church as a United Methodist Church pastor. She believes that we are to bear with one another in love and we do our best when we do so.

Bishop Hauptert-Johnson adjourned the Clergy Executive Session with a prayer of blessing at 3:55 PM.

### THURSDAY MORNING, JUNE 15, 2023 PLENARY SESSION

Bishop Sue Hauptert-Johnson, resident bishop, Richmond Episcopal Area, called the first plenary of the 241st Session of the Virginia Annual Conference to order at 10:04 AM.

Rev. Drew Willson and Mr. Jim Bennett and the house band: Rev. Bishop Hauptert-Johnson shared a message with reflections from the movie *The Sound of Music* relating them to the struggle between Church and Empire. She said the letter to the Hebrews was a letter to the people of God who were exhausted and related it to the Church today. During this past year, Ms. Stokes shared that she has done quite a bit of reminiscing about the whirlwinds of the tornadoes in Virginia she

experienced while being a delegate to General Conference in 2008. Upon returning from General Conference, the priority was not the actions of General Conference, but putting into action the love of Jesus. She brought to attention that the ministry of the laity is being recognized and is needed in today's Church.

The laity award recipient was Mr. Gerry Fuss, Bethia UMC, Living Waters District. The clergy recipient was the Rev. Robert “Bruce” Johnson, Urbanna UMC, Mission Rivers District. There were no youth recipients because there were no youth nominations.

A Service of Remembrance began at 11:04 AM. Bishop Hupert-Johnson offered a prayer for the families of those who are being remembered during this service.

The preacher for the service was Rev. Gary Miller, Retired Associate Member, Coastal Virginia District. Rev. Miller preached on the theme, “Can These Bones Live?” based on Ezekiel 37:1-14. His message centered on feeling broken and thanking God for grace and mercy and the prophets around us who do not allow us to linger with those feelings. Sometimes our church, community, and nation feel as “dry” as we can feel. Ezekiel looks at the problem, and asks “what’s going on?” and asks the question, “Can these bones live?” Rev. Miller encouraged the members to preach the Word from the Lord when God gives it to us. “Has God given you a promise? Then preach it, speak to the dry bones! God has given us a mighty word to give to the church.”

Rev. Drew Willson and the house band led the music. The liturgists were: Rev. Luis “Ned” Alderman, High Street UMC, Living Waters District; Rev. Audrey Smith, The Gathering at Washington Street, Living Waters District; Rev. Eugene Kim, Pleasant Valley UMC, Northern Virginia District; Rev. The Commission also reviewed the Floor Schedule, which is the amount a church must contribute to be eligible for an Equitable Compensation salary support grant. For 2024, the Commission recommended the 2024 Floor Schedule remain at the same levels as 2023. Rev. Durrance moved for the recommendations’ approval.

Ms. Terrie Chaplin, Wesley Chapel UMC, Mountain View District, moved to amend the report from the Equitable Compensation Committee to increase the minimum salary for all clergy by \$1,000 for 2024.

Motion was discussed.

Rev. Victor Gomez, Superintendent, Shenandoah River District, raised a point of order that this amendment needed a second before it can be discussed.

Bishop Hauptert-Johnson ruled this was in order. The amendment was then seconded.

Rev. J. Douglas Forrester, Superintendent, Valley Ridge District, raised a point of order, that this amendment should be in reference to the minimum salary, not an increase for all clergy.

Bishop Hauptert-Johnson ruled that this point of order was in order, and so the motion was re-formed to state, “the report from the Equitable Compensation Committee to increase the minimum salary by \$1,000 for full-time clergy in each category for 2024.”

The amendment was discussed. The amendment passed.

The motion as amended was approved.

The youth cohort announced that they would be collecting for the Youth Service Fund at every exit at the end of this afternoon’s session.

Mr. David Dommissie, Conference Statistician and Treasurer, presented the 2022 Report of the Statistician, page 92, *Book of Reports*. Mr. Dommissie reported that these statistics were based upon the eight new districts, even though there were 16 districts for the first six months. He reported that the operating income had declined by 5.7% from 2021. He expects the reason for this is two-fold: 1) the poor performance in the financial markets and 2) ongoing uncertainty over whether a church would disaffiliate or not. During 2021, the local church expenses increased by 2.5%. He further reported the following statistics for 2022: average worship attendance was 95,239; 1,950 new professions of faith; 1,157 baptisms; 44,000 small group participants. In addition, 40,000 members served in missions reaching over 1.2 million people and that 6.1% of church revenues were used in mission. He highlighted that clergy salaries and benefits declined 4% as the number of full-time clergy decreased. Church staffing levels also declined. Missional giving though had increased 7.4% to \$12.8 million.

He further projected that because of the approximately 200 disaffiliations, there will be the following declines: 6.4% of Local Church Revenues, 10.7% of apportionments, 9.3% of membership, 13.2% of average worship attendance, 13.1% of professions of faith.

At the end of 2023, he projected that there will still be 900 churches with over a quarter of a million members in the Virginia Conference of the United Methodist Church.

Mr. Dommissie shared the report of the Treasurer, page 93, *Book of Reports*. He reported that 84.36% of church apportionments were collected with over 750 churches that paid 100% of conference apportionments. And in Second Mile Giving, there was a total of \$1,689,088 given. This was a \$550,000 increase over 2021.

The conference ended 2022 in a strong, liquid position with an approximate 4.3:1 asset to liability ratio with \$13.1 million in restricted and unrestricted net assets.

Unrestricted reserves decreased significantly by more than \$2.1 million which was the result of several factors. He further reported that we have a \$1 million budget shortfall, 85% of which can be attributed to three areas: 1) additional annual conference sessions, 2) technical infrastructure and security to the conference and district buildings, and 3) legal expenses.

He further reported, as was requested by previous Annual Conference action, that the legal expenses from 2022 were:

General Counsel: \$151,143

Disaffiliation - General: \$166,867

Disaffiliation - Local Church: \$77,746

Local Church Matters: \$52,009

Declaratory Decision: \$44,261

Incorporation of Districts: \$41,885

Boy Scouts: \$34,949

Formal Clergy Complaints: \$3,962

Total: \$572,823

He concluded his report as he announced that the audit should be completed by June 23rd, 2023.

Mr. William “Bill” Talley, IV, Chair, Council on Finance and Administration (CF&A), recognized his team and then presented the Council’s report found on pages 100-108, *Book of Reports*. He reported that last year the Annual Conference donated over \$36,000 to our youth. He reported CF&A are recommending a 4% reduction to our local church apportionments. He shared a video to look further into the details led by Mr. David Dommissie, CFO.

Discussion ensued. The report was approved.

Ms. Kathy Lutman, Chair, Conference Board of Trustees, presented the Trustees report found on pages 83-84, *Book of Reports*. Ms. Lutman reported what had transpired thus far regarding ¶2553, 2016 *Book of Discipline* as Amended in 2019. The total disaffiliations at this time that have been approved is 107 local churches. Thus far, 70 of these local churches have closed. She reported that the projected churches to disaffiliate would be over 100 local churches at our October 7th Special Called Annual Conference. In order to be considered for this Special Called Annual Conference, local churches will need to have met with their District Superintendent by July 7th, 2023. She concluded by thanking the Board of Trustees, the Bishop, Center for Clergy

Excellence, the Cabinet, the Treasurer's Office, the Director of Connectional Ministries, and Mr. Andrew White, Trustees Attorney.

Bishop Hauptert-Johnson called on Mr. Dwayne Stinson, Director of Connectional Ministries for Discipleship and Congregational Vitality, who shared about the Spirit-led spontaneous offering for youth and children from 2022 Annual Conference clarifying that the money collected from last year is in a designated fund for children and youth, and is not the same as the Youth Service Fund. The Youth Service Fund is a fund that supports mission for youth, by youth, and to youth. This fund supports local projects for youth.

Rev. King, Conference Secretary, made the following announcements:

1. The youth will be collecting donations for the Youth Service Fund at the adjournment of this afternoon's session. Youth will be at every door as you leave to receive the collection.
2. The 5K Walk/Run will begin tomorrow at 6:30 AM. The meeting place for that event will be at Wasena Park on the Roanoke River, 1001 Winchester Ave, SW. Roanoke, VA.

## SATURDAY MORNING, JUNE 17, 2023 PLENARY SESSION

“Singing our Faith” was led at 8:15 AM by Rev. Drew Willson. Bible Study was led by Rev. Seungsoo “RJ” Jun, Associate Director of Serving. Today’s study was based on Acts 1:8. This scripture speaks of a Spirit coming and a Spirit sending. When doing the mission work we are called to, it is important that we remember we are doing the *Missio Dei*, the Mission of God and not our mission. This is to be a prayerful discernment process. Rev. Jun reminded the body that the mission we do is meant to be a “grace-filled response to the Reign of God in the world.” (§121, 2016 *The Book of Discipline*). Rev. Jun announced that we were the number one giver in the Southeastern Jurisdictional Conference to Second Mile Giving with a total of \$1,993,126.32 given. Rev. Jun introduced Global Board of Missions Missionaries from Cambodia who gave thanks to the Virginia Conference for their support in transforming lives in Cambodia. Rev. Jun summarized that God sends us to our communities, to be in mission together, and to be in mission to the ends of the world. Rev. Jun shared the importance of supporting our missionaries who are doing this work of bringing the gospel to the ends of the world.

Bishop Sue Hauptert-Johnson, resident bishop, Richmond Episcopal Area, called the morning plenary session to order at 9:02 AM.

Bishop Hauptert-Johnson called on Rev. David Magruder, Chair, Kit Collection. Rev. Magruder reported that we have collected 14,745 kits and over 1,000 pounds of food. During the Annual Conference the members assembled 3,170 Women Hygiene Kits; 20,000 Rise Against Hunger packets; and 77 blood products saving 231 lives.

Mr. John Meeuwissen, Chair, Missional Ministries Team, announced the Annual Conference Offering. The goal of the offering for 2023 is \$150,000. Through this offering, the Virginia Conference will support refugee resettlement, food insecurity in the Commonwealth, and Partnerships of Hope’s leadership programs in Brazil, Mozambique, Cambodia, Haiti, Vietnam, and with Native Americans.

Rev. Alan Layman, Chair, Minutes Committee, presented his report. The minutes of the Friday morning plenary session and Friday afternoon plenary session were reviewed and corrected. The minutes were approved.

Rev. Layman then stated, “In addition, the Minutes Committee will meet on Wednesday June 28th, 2023, to complete the review and certification of the minutes including this morning’s session.” He moved the minutes for this session to be approved in advance. The motion was approved.

Rev. Jennifer Day and Rev. Lauren Wright, Co-Chairs, Commission on Status and Role of Women (COSROW), gave their monitoring report. Rev. Day shared that though we see more women clergy in leadership and more ethnicities represented in local churches, we still have work to do in the acceptance of women in leadership. Rev. Wright shared the gift it had been to speak with women of all ages and how they have been celebrated, but also painfully excluded. Rev. Wright invited the women who had experienced sexism in ministry to stand. Rev. Day shared a part of the work of the monitoring committee is to hold up a mirror to the Annual Conference to see where and who has been speaking and has power in the Annual Conference. She further encouraged the members to reflect on these upcoming reports in how we strive to have more inclusivity in the Church.

Mr. Bill Davidson, Retired Elder, Three Notch’d District, rose for a moment of personal privilege giving thanks to Rev. Rob Vaughn for his and his colleagues’ generous service on the behalf of the Annual Conference throughout the process involved in the declaratory decisions this Annual Conference requested last year.

Rev. Hung Su Lim, Trinity United Methodist Church (Richmond), Three Notch’d District, requested Annual Conference Planning Committee to offer childcare at the next Annual Conference. Bishop Hauptert-Johnson shared that we will have this offered next year.

Rev. Tizzy Walker, Marquis Memorial UMC, Valley Ridge District, rose for a moment of personal privilege updating the Conference that closed captioning will be made available, but asked that we continue using American Sign Language Interpreters.

Bishop Hauptert-Johnson recessed the Annual Conference for a 10-minute break to prepare for the Celebration of Retirement Service at 9:35 AM.

Bishop Hauptert-Johnson recognized Mr. John Fuller, Executive Director, Pensions and Related Benefits, at 9:47 AM to begin the Celebration of Retirement Service for the retirees of 2023. The scripture passage Ecclesiastes 3 was read. Mr. Fuller recognized the retirees along with their spouses. Presiding over this service was Bishop Sue Hauptert-Johnson. Liturgists were: Rev. Judy Oguich, Trinity United Methodist Church (Richmond), Three Notch’d District; Rev. Carl Perez, Galilee UMC, Mission Rivers District; Rev. During this transfer, the story from 1 Kings was remembered where the mantle was passed from Elijah to Elisha.

Following the recognition of retirees, Rev. Joshua King, Conference Secretary, made an announcement regarding the upcoming Service for the Ordering of Ministry.

Bishop Sue Hauptert-Johnson presided at the Service for the Ordering of Ministry at 11:11 AM. Assisting in this service were: Rev. Tammy Estep, Chair, Board of Ordained Ministry; Rev. Lyndsie Blakely, Chair, Order of Deacons; Rev. Darcey Johnson, Chair, Order of Elders; Rev. David Edinger, Chair, Fellowship of Associate Members and Licensed Local Pastors.

## V. DAILY PROCEEDINGS

Bishop Haupt-Johnson reminded the body of all Christians of their baptism and their common call to ministry. She recognized and named the Lay Supply and Certified Lay Ministers for the coming appointment year. They were questioned and charged. She commissioned and consecrated a deaconess. She, along with Ms. Martha Stokes, Conference Lay Leader, on behalf of all laity, with Rev. Estep, Rev. Blakely, Rev. Johnson, and Rev. Edinger, presented the candidates for licensing, commissioning, recognition of orders, and ordination. The Annual Conference confirmed their assent and promised to uphold them in their ministry.

Rev. Johnson read Luke 10:1-12, during which members of the youth cohort dramatized the scripture passage. Bishop Haupt-Johnson preached the theme, “Jesus Sends Out the 72.” Bishop Haupt-Johnson reminded the body of the theme of the sermon she delivered on the first day of the Conference of getting out beyond the walls and how this passage from Luke is sending the disciples out beyond the walls to the alien territories of Samaria. The symbology of the 72 being sent represents the 72 nations known at this time, that this news is for all people of every nation. Bishop Haupt-Johnson shared that when you go to places unknown, God is already there to meet you. She further encouraged simplicity as Jesus tells them to bring nothing with them. She shared the symbolic nature of the clothing the priestly people wear. Relating to the passage about eating the food that is placed before you, she taught the lesson that clergy are not to seek the better appointment but love the people you are appointed to. She encouraged and sent the clergy to go and build joy in the local church in sharing the Gospel that the Kingdom of God has come near.

Bishop Haupt-Johnson examined and licensed, commissioned, recognized orders, and ordained the 2023 candidates as listed in the worship booklet for the service and in the Business of the Annual Conference. Following the licensing, commissioning, recognition of orders, and ordination of Elders, Bishop Haupt-Johnson invited those feeling led by the Holy Spirit to inquire into Christian ministry to come forward, be greeted, and prayed with during the special music.

Music for the service was led by Rev. Drew Willson and house band. Additional members assisting in this service included Rev. Jessie Colwell, Director, Center for Clergy Excellence and Rev. Crystal Sygeel, Associate Director for Call and Candidacy, Center for Clergy Excellence.

Following the service, Bishop Haupt-Johnson invited Rev. Denise Bates, Dean, Cabinet, to present the appointments for the Conference. Bishop Haupt-Johnson fixed the appointments as they were distributed digitally ([www.vaumc.org/2023appointments](http://www.vaumc.org/2023appointments)), listing the appointments made for clergy in the coming year. The appointments were fixed as presented on the website. Bishop Haupt-Johnson invited the District Superintendents one by one with their lay representative to be prayed over, with clergy/laity from respective districts being invited to stand. Additionally, names of clergy moving to those districts were displayed on the screen.

Bishop Haupt-Johnson thanked the cabinet for their work.

With the “Sending Forth” by Bishop Sue Haupt-Johnson, the 241st Session of the Virginia Annual Conference was adjourned at 12:45 PM with a prayer of blessing and the singing of “Make Us One Lord” led by Rev. Drew Willson and house band.

American Sign Language Interpreters were Ms. Katherine McMullen, Ms. Nancy Martin, and Ms. Virginia Bryant.

Ms. Lutman then presented the process through which each of these local congregations had gone to come to this vote. This process included the following:

- (i) following a meeting between the pastor and/or a group of laity of the Subject Church and the district superintendent of the district of the Virginia Annual Conference (the "Conference") in which the Subject Church is located, the district superintendent called a congregational information meeting for the members of the Subject Church to discuss the interest of the Subject Church in disaffiliating from The United Methodist Church;
- (ii) the members of the Subject Church engaged in a process of discernment, in the manner prescribed by the cabinet of the Conference, regarding the possibility of the Subject Church's disaffiliating from The United Methodist Church pursuant to ¶2553 of the *Book of Discipline* (hereafter, the "*Discipline*"), and following such discernment the members elected, by majority vote, to proceed with the disaffiliation process;
- (iii) at a church conference called by the district superintendent and conducted in accordance with ¶248 of the *Discipline*, with prior notice having been given in accordance with ¶246.8 of the *Discipline*, the members of the Subject Church elected, by a two-thirds or greater vote, to approve the disaffiliation agreement dated February 18, 2023 between the Subject Church and the Conference, which agreement contains the terms and conditions established by the Conference board of trustees with the advice of the cabinet, treasurer, benefits officer, director of connectional ministries, and chancellor of the Conference (hereafter, the "Disaffiliation Agreement"); and
- (iv) the Subject Church has delivered to the Conference board of trustees the Disaffiliation Agreement signed by the trustees of the Subject Church and the \$5,000 deposit as required under the terms of the Disaffiliation Agreement.

Ms. Lutman moved,

*NOW THEREFORE BE IT RESOLVED, that (i) the recitals contained in the WHEREAS paragraphs above are incorporated into this resolution by this reference; (ii) the Disaffiliation Agreement between each of the Subject Churches listed on Attachment A and the Conference is hereby ratified; (iii) the treasurer of the Conference is authorized to execute the Disaffiliation Agreement on behalf of the Conference; (iv) the disaffiliation of the Subject Churches listed in Attachment A from the denomination under ¶2553 of the Discipline, and the transfer of certain properties pursuant to the Disaffiliation Agreement to the successor to such Subject Church (free of the trust clause as provided for under ¶2501 of the Discipline) and the other transactions and agreements described in the Disaffiliation Agreement, shall be effective in each case as of the "Closing" (as that term is defined in the Disaffiliation Agreement), subject to the terms and conditions set forth in the Disaffiliation Agreement; and (v) any members of the Subject Churches that desire to remain a member of a church within The United Methodist Church shall be invited to become a member of their predesignated churches as previously communicated by their District Superintendent.*

Bishop Haupt-Johnson thanked Ms. Lutman. She then stated that the resolution to ratify these 34 churches was before the body.

Rev. Mark Ogren, Duncan Memorial UMC, Three Notch'd District, moved to remove New Town United Methodist Church from the group of churches to be disaffiliated so that we might consider that church separately.

The motion was seconded and discussed.

Rev. Gregory West, New Town UMC, Mission Rivers District, raised a point of order believing this motion to be out of order based upon a ruling upheld in the October 29, 2022, Special Called Annual Conference quoting Mr. Andrew White, Conference Trustees Attorney, "¶2553 does not include any inquiry into the value of the property, the source of the property, where the property came from."

Bishop Haupt-Johnson ruled this point of order to be out of order. She ruled,

*According to The Book of Discipline, a local church cannot sever its connectional relationship up to the United Methodist Church without the consent of the Annual Conference. And I think that the Annual Conference can vote up or down these agreements. And if they vote it down, it may be back to the drawing boards, but it is in the purview of the Annual Conference. And so, I am going to discount that point of order.*

William Jarvis, Grace United Methodist Church, Northern Virginia District, moved to call the question.

The motion to call the question was seconded and approved.

The Ogren motion was approved with a vote of 699 yes and 692 no.

Bishop Hauptert-Johnson closed the debate of everything above and called for the vote.

The resolution to ratify the disaffiliation of these 33 churches was approved.

Bishop Hauptert-Johnson called upon Ms. Lutman to present the motion to ratify the disaffiliation of New Town United Methodist Church.

Ms. Lutman stated,

*WHEREAS:*

- (i) following a meeting between the pastor and/or a group of laity of New Town United Methodist Church and the district superintendent of the district of the Virginia Annual Conference (the "Conference") in which New Town United Methodist Church is located, the district superintendent called a congregational information meeting for the members of New Town United Methodist Church to discuss the interest of New Town United Methodist Church in disaffiliating from The United Methodist Church;*
- (ii) the members of New Town United Methodist Church engaged in a process of discernment, in the manner prescribed by the cabinet of the Conference, regarding the possibility of New Town United Methodist Church's disaffiliating from The United Methodist Church pursuant to ¶2553 of the Book of Discipline (hereafter, the "Discipline"), and following such discernment the members elected, by majority vote, to proceed with the disaffiliation process;*
- (iii) at a church conference called by the district superintendent and conducted in accordance with ¶248 of the Discipline, with prior notice having been given in accordance with ¶246.8 of the Discipline, the members of New Town United Methodist Church elected, by a two-thirds or greater vote, to approve the disaffiliation agreement dated February 18, 2023 between New Town United Methodist Church and the Conference, which agreement contains the terms and conditions established by the Conference board of trustees with the advice of the cabinet, treasurer, benefits officer, director of connectional ministries, and chancellor of the Conference (hereafter, the "Disaffiliation Agreement"); and*
- (iv) New Town United Methodist Church has delivered to the Conference board of trustees the Disaffiliation Agreement signed by the trustees of New Town United Methodist Church and the \$5,000 deposit as required under the terms of the Disaffiliation Agreement.*

*NOW THEREFORE BE IT RESOLVED, that (i) the recitals contained in the WHEREAS paragraphs above are incorporated into this resolution by this reference; (ii) the Disaffiliation Agreement between New Town United Methodist Church and the Conference is hereby ratified; (iii) the treasurer of the Conference is authorized to execute the Disaffiliation Agreement on behalf of the Conference; (iv) the disaffiliation of New Town United Methodist Church from the denomination under ¶2553 of the Discipline, and the transfer of certain properties pursuant to the Disaffiliation Agreement to the successor to such church (free of the trust clause as provided for under ¶2501 of the Discipline) and the other transactions and agreements described in the Disaffiliation Agreement, shall be effective in each case as of the "Closing" (as that term is defined in the Disaffiliation Agreement), subject to the terms and conditions set forth in the Disaffiliation Agreement; and (v) any members of New Town United Methodist Church that desire to remain a member of a church within The United Methodist Church shall be invited to become a member of their predesignated churches as previously communicated by their District Superintendent.*

Bishop Hauptert-Johnson then stated that this resolution to ratify the disaffiliation of New Town United Methodist Church was before the body.

The motion was discussed.

Rev. Gregory West, New Town UMC, Mission Rivers District, raised a point of order because he believed this motion is out of order as the land property value is not germane to the conversation per the Conference Trustees attorney at a previous Annual Conference.

Mr. Andrew White, Conference Trustees Attorney, responded that the Conference Trustees have treated this property like all others.

Rev. Edward Varner, Thalia UMC, Coastal Virginia District, moved to call the question.

The motion to call the question was seconded and approved.

Rev. David Hindman, Williamsburg UMC, Mission Rivers District, raised a point of order. Rev. Hindman stated that Rev. Greg West made a speech against as a part of his point of order and requested in order to equalize the speeches if he could make the counter argument speech for.

Bishop Hauptert-Johnson ruled this point of order out of order as there is no ruling that there is a need for equal number of speeches.

## V. DAILY PROCEEDINGS

The New Town United Methodist Church ratification agreement did not pass.

Bishop Hauptert-Johnson concluded this Special Called Annual Conference speaking to the pastoral need to care for those committed to the United Methodist Church. She encouraged the conference to wish those departing well in their continued ministry. She reminded clergy and laity to not share misinformation, but to be loyal to the United Methodist Church. She thanked those who have ensured a fair process and who helped churches to discern their future. She then closed the conference at 10:37 AM with a prayer.

Ms. Lutman then presented the process through which each of these local congregations had gone to come to this vote. This process included the following:

- (i) following a meeting between the pastor and/or a group of laity of the Subject Church and the district superintendent of the district of the Virginia Annual Conference (the “Conference”) in which the Subject Church is located, the district superintendent called a congregational information meeting for the members of the Subject Church to discuss the interest of the Subject Church in disaffiliating from The United Methodist Church;

these three movements, she provided the closing prayer. She then adjourned the Special Called Annual Conference at 9:55 AM with the words of the Apostle Paul, “Finally, dear ones in Christ, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence and if there is anything worthy of praise think about these things. May the love of God, the grace of our Lord Jesus Christ, and the binding and unity of the fellowship of the Holy Spirit, be with us now and forever. Amen. Go in peace.”

## VIII. REPORTS OF CONFERENCE BOARDS AND AGENCIES

### COMMITTEE ON RULES

The Rules Committee of the Virginia Annual Conference discussions over the past year focused almost entirely on technical corrections and clarifications to the Virginia Conference Standing Rules of Order and Procedure. This year's proposed amendments and the rationale for each amendment follow:

#### RECOMMENDATIONS

*Proposed amendments to the Standing Rules of Order and Procedure as recommended by the Rules Committee:*

- **Rule I.B.3.d** – add the words “(hereinafter “United Women in Faith”)” immediately following “United Methodist Women”. Thereafter, in ten additional references to United Methodist Women throughout the Standing Rules, that term is replaced with “United Women in Faith.”

**Rationale:** As is well known, in 2022 this important ministry rebranded itself with the name United Women in Faith. It is confirmed that United Methodist Women remains this ministry's legal corporate name. “United Women in Faith” will be a doing-business-as name. In consulting with the conference president of UWIF, it was asked that references to this ministry in our rules be changed to reflect this doing-business-as (“dba”) name. Thus, the first reference for clarity purposes continues to cite the legal name with the dba name, and all other references are to UWIF”

- **Rule I.D.14** – strike the words “two persons, one clergy and one lay” and replace with the words “four persons, two clergy and two lay”. As amended, the sentence would read, “It shall additionally appoint a team of tellers composed of four persons, two clergy and two lay, from each district.”

**Rationale:** After consolidating the number of districts in the Virginia Annual Conference, this rule was not amended to adjust the number of available tellers. After consultation with the Chief Teller, it was requested that this rule be adjusted so that sufficient tellers can be available at the Annual Conference. With this change, 32 persons will continue to be selected as tellers.

- **Rule II.A.1** – strike “and mailing of” from the rule subheading and insert “and publishing of”. As amended, the subheading would read “Submission of Annual Reports and Publishing of *Book of Reports*.”

**Rationale:** This change was requested given the fact that the conference no longer automatically mails the *Book of Reports* to clergy and laity. The process is now to have the *Book of Reports* made available electronically to all members, and to allow those that wish to “opt in” to continue to receive a mailed copy of the report.

- **Rule II.A.2** – strike from the first sentence “recommendations or resolutions” from the first sentence and insert in its place “reports”. In the second sentence, strike the word “shall” and replace it with “may.” As amended, this rule would read, “For report printed in the *Book of Reports*, verbal introductions shall not exceed five minutes, and there shall be no further reading of reports, unless requested for clarification or requested by a majority vote of the annual conference. The presiding bishop may amend the Annual Conference agenda or schedule as needed.”

**Rationale:** Several years ago the members voted to remove resolutions from being introduced at Annual Conference. Instead, persons wishing to have the body consider such items are given physical space to allow interested persons to review and sign resolutions. The proposed change from the use of the word “shall” to “may” is to allow more flexibility.

- **Rule V.B.4.e** – in the discussion of membership, insert the phrase “(or their designee)” after the membership position for “a current United Methodist College or University President”.

**Rationale:** This ministry sought flexibility with this membership position realizing that with their other responsibilities, a university or college president was not always available for meetings. This proposed amendment would allow for the president to designate another person to participate on his/her behalf when unavailable.

- **Rule V.B.4.e** – strike the sentence: “The related conference staff person (the Director of Ministries with Young People) and the Director of the Association of Educational Institutions (AEI) will serve as members with voice but no vote.” As amended, this sentence would be replaced with “The designated conference staff person will serve as a member with voice but no vote.”

**Rationale:** This change was requested by this ministry due to certain staff changes and the fact that the position of Director of AEI no longer exists.

- **Rule V.C.11** – strike the two references to the “Joint Committee on Incapacity” and replace them with “Joint Commit-

tee on Clergy Medical Leave.” As amended, the beginning of this rule would read “Joint Committee on Clergy Medical Leave. There shall be a Joint Committee on Clergy Medical Leave consisting of ...”.

**Rationale:** A member of the Rules Committee noted an inadvertent oversight in not previously correcting the name change for this committee

- **Rule V.C.14 – strike the word “Campus” in the first sentence from the phrase “General Board of Higher Education and Campus Ministry.”** As amended, this sentence would read “The Board of Ordained Ministry in cooperation with the General Board of Higher Education and Ministry and the Common Table for Church Vitality, ...”

**Rationale:** This change was requested by the Board of Ordained Ministry after recognizing an inadvertent oversight in not earlier requesting such a change when the denomination made the name change several years ago. A review of the *Book of Discipline* does confirm at paragraph 1401 that the proper name is now the General Board of Higher Education and Ministry.

- **Appendix – (1) Under the category of “White (May vote on all matters except constitutional amendments and clergy matters)”**, and then under subcategory of “And the following who have completed the educational requirements ...” insert “RL – Retired Local Pastor serving an appointment (§320.5 and §316.6)”; and, (2) under the category of “White (May vote on all matters except constitutional amendments, delegates to General and Jurisdictional Conference, and clergy matters) and under subcategory of “And the following who have not met the requirements ...” insert “RL – Retired Local Pastor serving an appointment (§320.5 and §316.6)”.

**Rationale:** As conference staff began preparing for this year’s annual conference they sought clarification and confirmation as to their understanding that retired local pastors currently appointed to a pastoral charge are entitled to vote. It was noted that the only reference to retired local pastors in the Appendix was under the category of “White (voice but no vote)”. After consultation with the chair of the Board of Ordained Ministry, it was confirmed that pursuant to both paragraphs 316.6 and 320.5 of the *Book of Discipline* that a retired local pastor who is serving a local church/charge has the same voting rights as a licensed local pastor as stated in paragraph 316.6. Paragraph 320.5 states “Retired local pastors may attend annual conference sessions with voice but no vote. ... [but] a retired local pastor may be appointed by the bishop to a charge and licensed upon recommendation by the district committee on ordained ministry ...” So, it is the license and the appointment that gives a retired local pastor the right to vote since they are under appointment, with a license, and therefore have the voting rights of paragraph 316.6 even though they are retired.

- **Technical Changes –**
  - o Rule I.B.4 – change cite of “Paragraphs 3.d-u” to “paragraph “I.B.3.d-v”
  - o Rule I.B.4 – change cite of “§ I.C.3” to “§ I.B.3”
  - o Rule I.B.5 – change “born” to “borne”
  - o Rule I.B.6 – change “§ I.C.1, .2 and .3” to “§ I.B.1, .2 and .3”
  - o Rule II.D.4 – change “VII K” to “VII.K”
  - o Rule III.E.5 – change “€” to “(e)”
  - o Rule V.B.1 – change “§ I.E.8” to “§ I.D.8”
  - o Rule V.B.4.e – change cite “I.E.8” to “I.D.8”
  - o Rule V.B.4.e – change cite “I.E.11” to “I.D.11”

**Rationale:** The Standing Rules referenced above require these minor technical changes due to past inadvertent oversight in not revising cross-references to other rules, or due to other typographical errors.

–Scott Diamond, Chair

## CABINET REPORT

### Coastal Virginia

The Coastal Virginia District had a jubilee year. We are celebrating a revival of God’s call in ministry, mission, and innovation. As early as September of 2022 the numbers in our churches resurged beyond Covid era attendance. While our youngest pastor has baptized over ten people who professed faith this year; he is just ahead of a fourteen-year-old preacher on the Eastern Shore who is calling youth and young adults to Christ by preaching Jesus. We have set up one of the most Holy Spirit filled Simplified Accountable Structure Boards of Directors who are carrying out God’s will. The Board strategically planned and established our first Hispanic ministry in our District. The Coast is the place to be about God’s ministry, mission, and innovation in 2023!

## Living Waters District

The Living Waters District is active in mission, ministry and outreach. The 15 geographic streams are finding new, and old, ways to work side-by-side together in their communities for Christ. Local Church food pantry ministries, care packages, backpack ministries in schools and other outreach meet community needs. Plans for six regional revival services are underway for 2023-2024 with churches in each area planning together to build teams that will address logistics, prayer, hospitality, and follow up to connect with local UMC Churches.

## Mission Rivers District

The creation of the new Mission Rivers District has provided new opportunities in support of our laity and clergy. With the hiring of two District Directors of Connectional Ministries (DDCM), the election of our Board of Directors, the introduction of the Simplified Accountable Structure (SAS), the restructuring of our Youth & Young Adult Council, the continued focus of our United Women in Faith on Mission, Youth, and Children, and a renewed commitment of our United Methodist Men, we are inspired by what God is about to do with and through us. Our primary focus is to offer a shared ministry experience between laity and clergy – one that returns to a laity-led church and supports clergy to be the best they can be.

## Mountain View District

The past year has been an exciting time of new creation on the Mountain View District! So we can connect through the contexts within the MV District, we have formed 3 regions, Peaks View (in the north), Ridge View (in the central) and River View (in the south), each with their own Connecting Ministry Coordinators. Within each region, “neighborhoods” of churches which share community will be a primary connecting point to live out the love of Christ in real and tangible ways, discerning the needs of community and engaging laity and clergy to connect and serve, being the hands and feet of Christ where they live.

## Northern Virginia District

The Northern Virginia District has seen partnerships develop between churches in youth ministry, worship and community outreach. The district continues to support youth leader cohorts and a church communicator’s group. Local churches were trained and encouraged to develop fresh expressions and are experimenting with yoga church, improv church and bikes and Bible. The district launched three new church plants: The Open Table, Hope UMC and Provision Church. The first ever district mission project sent 1200 flood buckets to Richmond.

## Shenandoah River District

The Shenandoah River District is blessed to have wonderful clergy and laity that is committed to making disciples of Jesus Christ. Back in November, we had our first, in person, District Conference and Charge Conferences, where over 400 people participated at Randolph Macon Academy. It was a time of celebration, worship, remembrance of our baptisms, and adopted our new simplified structure. We continue to find ways in being the hands and feet of Jesus.

## Valley Ridge District

During the 2022-2023 Conference year, the Valley Ridge District has been hard at work launching our new District Leadership Board as we have reorganized ourselves in accordance with the SAS model. Embrace Waynesboro continues to be a “center for community” and a ministry incubator as it reaches out to our District in creative ministries compassion. For the coming year, we are setting goals including the development of smaller “regions” for ministry and programming within the District, as well as having at least one lay servant in each church, all as we endeavor to engage, empower, and equip our local churches for ministry in their varied contexts.

## EQUITABLE COMPENSATION COMMISSION

The Equitable Compensation Commission continues to provide financial aid to those churches requiring supplementation to strengthen their ministries in the communities in which they are located and to provide minimum salary or salary supplementation for the pastors. Equitable Compensation support in the amount of \$160,437 was provided to 26 charges in 2022.

There were 7 charges receiving salary support in 2021 that did not require salary support in 2022. These are Victoria (Living Waters), Bowling Green (Mission Rivers), Heathsville (Mission Rivers), Mount Pleasant (Shenandoah), Welbourne (Three Notch'd), Epworth Selma (Valley Ridge), and Fieldstone (Valley Ridge). These charges and their superintendents are commended for their success in providing a ministry in the communities they serve that has enabled them to grow spiritually in their stewardship.

District Superintendents and charges setting salaries for 2024 that may require supplementation are advised that the “floor” must come from sources other than the Commission on Equitable Compensation.

The Conference Average Compensation (CAC) for 2024 is \$67,848, which is an increase of 2.3% percent from 2023. The Commission recommends the Minimum Compensation and the Floor Schedule for 2024 be approved as outlined below:

## VIRGINIA UNITED METHODIST PENSIONS, INC.

### Section I: Reports

### Section I: Reports

#### ■ Report 1: Role & Responsibilities of Virginia United Methodist Pensions, Inc.

*The Book of Discipline of The United Methodist Church* directs each annual conference to establish a conference board of pension, auxiliary to Wespath Benefits and Investments (Wespath), to have charge of the interests and work of providing for and contributing to the support, relief, assistance, and pensioning of clergy and their families, other church workers, and lay employees of the United Methodist Church, its institutions, organizations, and agencies within each annual conference except as otherwise provided for by Wespath.

On June 22, 1965, the Virginia Annual Conference (VAUMC) established and incorporated the Virginia Methodist Pensions, Incorporation, (subsequently renamed on February 2, 1971 to Virginia United Methodist Pensions, Inc., or “VUMPI,”) as its conference board of pension.

VUMPI, in conjunction with Wespath, develops and administers the numerous employee pension and benefit plans sponsored by the Virginia Conference. Some plans are employer-paid, while others are voluntary and 100 percent participant-paid:

VUMPI Plans	Wespath Plans
Health	Ministers Reserve Pension Fund (Pre-82)
Prescription	Ministerial Pension Plan (MPP)
Dental	Clergy Retirement Security Program – Defined Benefit (CRSP-DB)
Vision	Clergy Retirement Security Program – Defined Contribution (CRSP-DC)
Supplemental Life	United Methodist Personal Investment Plan (UMPIP)
Voluntary Life	Comprehensive Protection Plan (CPP)
Long Term Care	
Healthcare Flexible Spending Account	
Dependent Care Flexible Spending Account	

## ■ Report 2: Virginia Conference-Sponsored Health Plans

VUMPI administers health plans for full time clergy of the Virginia Conference, as well as retired clergy who meet eligibility requirements based on years of ministry in the Virginia Conference. Details of the Conference-sponsored health plans follow:

### Active Clergy Health Plans

Health plans recommended to be made available in 2024 are unchanged from the plans offered in 2023. Health plans available to clergy serving in full time appointments in the Virginia Conference include the following:

- **PPO Core:** \$1,000 individual deductible, \$2,500 family deductible, 20% coinsurance
- **PPO Buy-Up:** \$750 individual deductible, \$1,875 family deductible, and 20% coinsurance
- **HSA plan:** a plan with a higher deductible (\$2,250 individual, \$4,500 family) as required by Internal Revenue Service rules for HSAs, a Conference contribution to the Health Savings Account (\$750 for individual tier enrollees, \$1,500 for all other tier enrollees), 20% coinsurance

A fourth PPO health plan with a \$500 deductible, which is made available only to clergy on medical leave with CPP disability benefits and surviving spouses and children of clergy, will continue to be offered in 2024 with no plan design changes.

The vision plan will continue to be offered in 2024, with no changes in the plan design.

The two dental plan options currently administered by VUMPI will also continue to be offered in 2024 with no plan design changes.

The majority of the cost of the health plans made available to Virginia Conference clergy is funded through a Conference apportionment, as described in Recommendation 1. The remainder of the cost of the plans is funded by participant contributions, as described in Recommendation 2.

### Retired Clergy Health Plans

VUMPI administers health plans for eligible retired clergy of the Virginia Conference. The eligibility requirements include a minimum of ten years of full time ministry in either Virginia Conference church appointments or Extension Ministry appointments with enrollment in the Conference-sponsored health plans.

Plans made available to eligible retirees are coordinated with Medicare eligibility. Specific plans for retirees who are not yet eligible for Medicare and the program for Medicare-eligible clergy are described below:

**Conference-sponsored health plan for pre-Medicare-eligible retirees:** retirees who are eligible to enroll in the Conference-sponsored retired clergy health plan but who are not yet eligible to enroll in Medicare may enroll in the self funded PPO Core or PPO Buy-Up plans administered by VUMPI. Pre-Medicare-eligible retirees may also enroll in the self funded dental insurance program and the fully insured vision program made available to active clergy. The majority of the cost of the health plans made available to Virginia Conference clergy is funded through a Conference apportionment, as described in Recommendation 1. The remainder of the cost of the plans is funded by participant contributions, as described in Recommendation 2.

**Conference-sponsored health plan for Medicare-eligible retirees:** retirees who are eligible to enroll in the Conference-sponsored retired clergy health plan and who are also enrolled in Medicare have two options for retiree medical coverage.

The first option is the Group Plan, which is a group Medicare Advantage plan created specifically for Virginia Conference retirees. The Group Plan integrates the retiree's Medicare benefit and includes prescription drug coverage. The majority of the cost of the Group Plan is funded through a Conference apportionment, as described in Recommendation 1. The remainder of the cost of the plans is funded by participant contributions, as described in Recommendation 2.

The second option made available to eligible retirees who are enrolled in Medicare is the Connector option. Under the Connector option, Medicare-eligible retirees are able to select any Medicare Supplement plan or Medicare Advantage plan, and any Part D prescription drug plan, offered by United Healthcare. The Conference will provide funding through a Retiree Reimbursement Account ("RRA"), and those funds can be used to partially or fully offset the cost of the coverage elected through the Connector option. The RRA funding made available to retirees who elect coverage through the Connector option is funded through a Conference apportionment, as described in Recommendation 1. The remainder of the cost of the elected health plan coverage, if any, is paid by the retiree directly to United Healthcare.

### ■ Report 3: Pension Plan Structure

There are four components to the Clergy Retirement Security Program (CRSP):

A. Ministers Reserve Pension Fund (Pre-82) for service and benefits accrued on and/or prior to December 31, 1981.

B. Ministerial Pension Plan (MPP) for service and benefits accrued on and/or after January 1, 1982 through December 31, 2006.

C. Clergy Retirement Security Program - Defined Benefit Plan (CRSP-DB) for service and benefits accrued on and/or after January 1, 2007.

D. Clergy Retirement Security Program - Defined Contribution Plan (CRSP-DC) for service and benefits accrued on and/or after January 1, 2007.

Wespath refers to plans A – C above as defined benefit (“DB”) pension plans. That is, each year an eligible clergy member of the Virginia Conference served/serves and received/receives pension credit, the applicable plan will pay a certain benefit, or “defined” monthly income during retirement. Hence, the term “defined benefit.” Defined benefit plans do not maintain participant account balances since the employer, or in our case, Wespath, has the responsibility to manage the funds in a manner sufficient to pay the monthly defined benefit.

Simultaneous to Wespath calculating each participant’s defined benefit, it calculates each annual conference’s cost to provide these defined benefits. Wespath bills each annual conference the amount due. Each annual conference, or in our case, VUMPI, then bills our local churches for the cost of these plans.

In addition to these defined benefit plans, annual conferences provide their clergy pension benefits from the CRSP-DC, a defined contribution (“DC”) plan. Each year an eligible clergy member of the Virginia Conference serves and receives pension credit, the Virginia Conference determines how much pension contribution each clergy participant will receive in his/her pension account. VUMPI bills local churches for the required amount of pension contribution, then makes monthly contributions into the clergy CRSP-DC accounts.

### ■ Report 4: Welfare Plans Structure

The welfare plans made available to Virginia Conference clergy include the Comprehensive Protection Plan (“CPP”) sponsored by Wespath, as well as supplemental benefits sponsored independently by VUMPI.

The CPP disability benefits are as follows:

- For Clergy disabled on or after Jan. 1, 2002, the CPP disability benefit equals 70 percent of Plan Compensation, with compensation capped at 200 percent of the DAC.
- For Clergy disabled prior to Jan. 1, 2002, they will continue to receive the same CPP disability benefit per the plan document in-force at the time their disability claim originated.

The following generally describes the death benefit amounts payable under the CPP to eligible participants and their beneficiaries:

**Active Participant Death Benefits:** payable upon the death of an eligible active CPP participant, as follows:

- Participant: \$50,000, payable in 12 monthly installments or one lump sum
- Spouse of active participant: 20% of the Denominational Average Compensation (“DAC”) in the year of death
- Surviving spouse of active participant: 15% of DAC in the year of death
- Child of active participant: 10% of DAC in the year of death
- Annual surviving spouse annuity benefit of 20% of DAC, less the annuity benefit payable from CRSP and other Church-related sources
- Annual surviving child benefit of 10% of DAC, payable in 12 monthly installments (for those age 17 and younger; benefits are paid through the month in which the child attains age 18)
- Annual surviving child educational benefit up to 20% of DAC, payable in equal installments (for those age 18 through 24 and attending school full-time)

**Retired Participant Death Benefits:** to be eligible for death benefits in retirement, a clergyperson must have been covered in CPP for a specified number of years. The 2012 General Conference approved a change to the CPP program which increases the length of service requirement for retirees. Retirees with 25 or more years of enrollment in CPP are eligible for the death benefits in retirement, and the eligibility criteria for those with fewer than 25 years in CPP was

phased in with one-year increments, as detailed in the table below:

Retirement Year	CPP Enrollment Requirement for Death Benefit Eligibility
2013	6 of last 10 years
2014	7 of last 10 years
2015	8 of last 11 years
2016	9 of last 12 years
2017	10 of last 13 years
2018	11 of last 14 years
2019+	12 of last 15 years

The death benefit amounts associated with retired participants are detailed in the table below:

Plan Provision	Clergy Who Retired Before Jan. 1, 2013	Clergy Who Retire Jan. 1, 2013 or Later
Death of retired participant	30% of DAC in the year of death	\$20,808
Death of retiree's spouse	20% of DAC in the year of death	\$15,606
Death of retiree's surviving spouse	15% of DAC in the year of death	\$10,404
Death of retiree's child	10% of DAC in the year of death	\$8,323
Annual surviving child benefit, payable in 12 monthly installments	10% of DAC	10% of DAC
Annual surviving child educational benefit, payable in installments	20% of DAC	20% of DAC

The Conference Supplemental Death Benefit for active eligible clergy under episcopal appointment, and who are enrolled in CPP, is \$25,000. The Conference Supplemental Death Benefit is payable in addition to the CPP death benefit. During retirement, a \$5,000 Conference Supplemental Death Benefit will be payable to CPP participants, in addition to the CPP death benefit. The beneficiary will receive the Conference Supplemental Death Benefit payable in one lump sum.

In combination, the CPP and Conference Supplemental Death Benefit provide total death benefits as follows:

- \$75,000 to beneficiaries of active clergy participants
- \$25,808 (or 30% of the DAC + \$5,000 for clergy who retired prior to January 1, 2013) to beneficiaries of retired clergy participants

## Gift Benefit

VUMPI currently elects to provide a one time \$1,500 gift at the time of retirement or disability (once awarded disability benefits under the Comprehensive Protection Plan) to each clergyperson who has served at least ten years of service in a full-time Virginia Annual Conference episcopal appointment in the Virginia Conference with pension credit. Further, a gift to the family of each clergyperson meeting the eligibility criteria above who dies in active service is paid in the same amount as the gift to retired or disabled clergypersons.

## ■ Report 5: Denominational Average Compensation

Several of the pension and welfare plans incorporate the Denominational Average Compensation (“DAC”) into the formula for determining the plan benefit. The formula VUMPI uses for funding those plans relies on the DAC, as well.

As reported by Wespeth, the DAC is projected to increase from 2023 to 2024 as follows:

Denominational Average Compensation	
2023	2024
\$76,221	\$78,292

## Section II: Recommendations for Annual Conference Approval

### ■ Recommendation 1: 2024 Clergy Benefits Apportionment Recommendations

For 2024, VUMPI recommends total Clergy Benefits Apportionments of \$16,000,000. This represents no change from the 2023 clergy benefits apportionments. The total benefits apportionment amount includes funding for the Active Clergy Health Plan (which includes health care coverage for eligible clergy on medical leave and widowed spouses of active clergy) and the Retired Clergy Health Plan. The apportionment total is allocated between these components as follows:

Clergy Benefits Apportionment Recommendations - 2024	
Active Clergy Health	\$ 10,000,000
Retired Clergy Health	6,000,000
<b>TOTAL CLERGY BENEFIT APPORTIONMENTS</b>	<b>\$ 16,000,000</b>

VUMPI recommends the above Active Clergy Health and Retired Clergy Health apportionments as part of its broad strategy focused on maintaining adequate health plans for Virginia Conference active and retired clergy, while moderating the financial impact on local churches and individual participants to the extent possible.

VUMPI makes the Conference-sponsored health plans available to clergy serving in Conference-related extension ministries that do not pay apportionments. For clergy appointed to such extension ministries who are enrolled in the health plans in 2024, VUMPI will bill the Conference Health Plan Fee. The amount billed will be \$988 per month for each enrolled clergyperson, plus their applicable Participant Contributions for active clergy as noted in Recommendation 2: 2024 Participant Contribution Recommendations.

### ■ Recommendation 2: 2024 Health Plan Participant Contribution Recommendations

In administering the Conference-sponsored self-insured health plans, an element of VUMPI's strategy is to maintain plans that are similar to national average employer-sponsored health plans. In addition, VUMPI recommends participant contributions that are similar, as a percentage of the total health plan cost, to national employer-sponsored plan averages. As overall health care costs tend to increase each year, and as the actual cost trends among each of the health plans can change year-to-year, VUMPI periodically recommends changes in the recommended participant contributions. For 2024, due to an increase in health plan cost trends observed in 2022 and the early months of 2023, VUMPI is recommending a 5% increase in health plan contributions across all medical plan options. Recommended participant contributions for the Conference-sponsored dental and vision plans are unchanged from 2023.

Following are the 2024 participant contribution recommendations for the Conference-sponsored health plans:

**Active Clergy:**

**Retired Clergy Age 65 or Over – Retired Under ¶358.1, ¶358.2b, ¶358.2c, or ¶358.3**

Under the Conference-sponsored medical plan for Medicare-eligible retirees of the Virginia Conference, there will continue to be two coverage options, as described below.

**Group Plan Option:** The group plan is a group Medicare Advantage plan. The group plan has a required participant contribution based on full time years of service in the Virginia Conference. The recommended 2024 participant contributions for the group plan coverage option are as follows:

Medicare-eligible Retirees - Monthly Personal Contributions		
Years of Service	Individual	Family
10-14	\$394	\$788
15-19	\$326	\$651
20-24	\$257	\$515
25-29	\$189	\$378
30+	\$121	\$242

**Connector Option:** The Connector option allows qualifying clergy to select any available Medicare Supplement or Medicare Advantage plan, and any Part D prescription drug plan, offered by United Healthcare. Retirees electing coverage through this option receive Retiree Reimbursement Account (“RRA”) funding, which can be used to offset the cost of the selected coverage. VUMPI recommends 2024 monthly RRA funding based on qualifying years of Virginia Conference service as follows:

Connector Option - Monthly RRA Funding		
Years of Service	Retiree Only	Retiree and Spouse
20-24	\$150	\$300
25-29	\$200	\$400
30+	\$250	\$500

The monthly RRA funding amounts will be prorated for qualifying retirees and/or spouses of qualifying retirees who gain Medicare eligibility or otherwise gain eligibility for retiree coverage within a calendar year. Any RRA funds remaining at the end of a calendar year will roll over into the subsequent year for use by the enrolled retiree and/or spouse for qualifying medical expenses.

### **General Virginia Conference Health Plan Information**

For participants enrolled in the Anthem health plans, either as active clergy or as a retiree not yet eligible for Medicare, 2024 health plan selections will be made during the open enrollment period in the fall of 2023. If an eligible clergy person does not elect coverage options during the annual open enrollment period, the default enrollment option is the prior year's plan selections (except for Flexible Spending Account or Dependent Care Spending Account contributions), and enrollees will be subject to the associated individual personal contribution rates.

If not selected during the open enrollment period, no Flexible Spending Account contributions can be made during 2024, in accordance with federal laws.

All who are eligible to enroll in a Virginia Conference health plan are strongly encouraged to participate in online open enrollment in the fall of 2023. Details will be distributed through normal annual open enrollment means.

Virginia Conference clergy members earn a year of service towards his or her Total Years of VAUMC Service as indicated in the coverage options above for each year that Virginia Annual Conference health plan eligibility is met.

Eligibility for the Conference-sponsored retiree medical plans requires a minimum of ten years of full time ministry in the Virginia Conference. Virginia Conference clergy on approved leave or serving in an Extension Ministry appointment earn credit towards retiree medical plan eligibility only if enrolled in the Conference-sponsored health plan while on leave or while serving an Extension Ministry appointment.

### **■ Recommendation 3: 2024 Pre-82 Pension Past Service Rate**

The Pre-82 pension provides a benefit to all eligible clergy who have served in the Virginia Conference prior to 1982. This program pays the greater of the following:

- An annual benefit equal to the Past Service Rate (PSR) times years of pre-1982 service, or
- An annuity amount based upon the participant's cash balance in his or her Defined Benefit Service Money Account

The Virginia Annual Conference establishes the PSR each year. For 2024, VUMPI recommends that the PSR be increased from \$600 to \$611.

### **■ Recommendation 4: 2024 CRSP/CPP/Supplemental Plan Funding Recommendations**

#### **Clergy Retirement Security Program (CRSP)**

The 2024 CRSP Contribution from the local churches and/or salary-paying-units for each appointed eligible clergy member under episcopal appointment at that location shall be:

- For the Defined Contribution component of CRSP: Plan Compensation (base salary plus housing allowance or parsonage rate in accordance with the Internal Revenue Service), times 3%.
- For the Defined Benefit component of CRSP: Plan Compensation (base salary plus housing allowance or parsonage rate in accordance with the Internal Revenue Service, up to 135% of the Denominational Average Compensation ("DAC")) times 9%.

Local churches and salary-paying units are to make their monthly CRSP payments to VUMPI.

#### **Comprehensive Protection Plan (CPP)**

The 2024 CPP contribution from the local churches and/or salary-paying-units for each appointed eligible clergy member under episcopal appointment at that location shall be:

Plan Compensation (base salary plus housing allowance or parsonage factor, up to 200% of the Denominational Average Compensation) times 4.4%.

Local churches and salary-paying units are to make their monthly CPP payments to VUMPI.

If, for any reason, CPP contributions are more than 30 days in arrears, participation in the CPP is suspended. If contributions are more than six consecutive months in arrears, participation in the CPP is terminated. For terminated participants,

readmission into the CPP requires payment of seven months of contributions and submission of medical statement of good health.

Erroneously enrolled clergy who are ineligible to participate in the CPP have no right to benefits under the CPP. Eligible clergy who have not been properly enrolled in the CPP have no rights under the CPP until after proper enrollment.

## ■ Recommendation 5: 2024 Housing Allowance/Exclusion

### **Resolutions Relating to Rental/Housing Allowances for Retired, Disabled, or Former Clergypersons of the Virginia Conference**

The Virginia Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, terminated, or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, terminated, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, terminated, and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as an appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to 100% of the pension, severance, or disability payments received from plans authorized under *The Book of Discipline* of The United Methodist Church (the “*Discipline*”), which includes all such payments from Wespath Benefits and Investments, during the period January 1, 2024 through December 31, 2024 by each active, retired, terminated, or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

THAT the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, retired, terminated, or disabled Clergyperson’s pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations thereunder, to the least of: (a) the amount of the rental/housing allowance designated by the Clergyperson’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each clergyperson or former clergyperson is urged to consult with his or her own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

## COMMON TABLE FOR CHURCH VITALITY

This past Conference year has been another focused and fruitful season for the Common Table for Church Vitality. Our Annual Conference Standing Rules state our charge, *“The Common Table for Church Vitality (“Common Table”) exists to resource mission and ministry to fulfill the conference mission and vision. As a diverse body of representatives, the Common Table coordinates with Boards and Agencies, assists in the disbursement of ministry and program grants, and oversees the personnel of the Annual Conference offices that are under its guidance.”* (Rule V.A)

We continue to praise God and offer the Virginia Annual Conference our thanks for the joy of serving as the members of the Common Table. We covenant to do our best to fulfill our charge to the glory of God.

**To that end, in the last year the Common Table has been** *working in collaboration with Connectional Ministries staff and our varied partners in ministry to...*

1....*resource our VAUMC local churches and connectional entities.* Through a variety of communications (print, video, web-based, social media, and personal contact) we resource local churches, extension ministries, districts, and varied other ministry expressions. In addition, tactical and strategic resources are provided to boards, agencies, and the larger body of the Virginia Annual Conference through our ministries. Such resourcing is shaped by expressions ranging from the economic (such as \$260,000 in grant funding) to the relational (such as the development of a comprehensive Campus Crisis Response for our colleges and university campus ministries and the ongoing work with our relational and missional partners).

2.... *model nimble and adaptive leadership as we move boldly forward as United Methodists for the cause of Christ.* The Common Table is acutely aware that significant levels of ministry shift are being experienced by our churches, districts, and larger ministry contexts. These cultural shifts have been exacerbated by post-COVID and disaffiliation related realities. However, while challenging, we view these experiences as a God-season of opportunity to re-envision Church with fresh eyes and new expressions of the historic faith in a manner that serves in the name of Christ and includes all.

3....*reorganize our Connectional Ministries staff with an intentional focus on innovation, creativity, discipleship, and congregational vitality.* Our Connectional Ministries lead staff recently held a reorganization retreat with Bishop Sue Hauptert-Johnson. The Holy Spirit moved mightily in that retreat, and the Common Table supported the resultant reorganization plan as a means for our Connectional Ministries to best resource and equip our local churches and other ministry settings in the future.

We are especially thankful for the entire ten-member Connectional Ministries staff who serve under the leadership umbrella of the Common Table. Our Connectional Ministries staff are hard-working faithful servants of Christ. They work with passion, efficiency, and excellence. Our work together as a team is joyful and mutually supportive. We are especially thankful for the ministry of Rev. R.J. Jun who is returning to ministry as the lead pastor of a church after Annual Conference. We also eagerly anticipate new staff members to complete our team for the work ahead.

We also offer our thanks for the sacrificial leadership we see accomplished through the Boards, Agencies, and all the diverse ministries of the Virginia Annual Conference. Most of these ministries are offered in “quiet” unspoken ways but are a profound transformational presence in the cause of Christ.

As the Common Table... we joyfully share that our work has been filled with a deep sense of Hope for all that is to come for the Virginia Conference of The United Methodist Church – all to the glory of God!

### RECOMMENDATIONS

On behalf of the Missional Ministries Board:

That the Relationship Agreements as presented to the Missional Connections Team of the Conference Missional Ministries Board between the Virginia Conference and Heart Havens, Inc.; UMFS; Pinnacle Living; Virginia United Methodist Housing Development Corporation; and Wesley Housing Development Corporation, be continued.

*The following reports, from page 52 to page 76, fall under the umbrella of the Common Table for Church Vitality*

## BOARD OF CHURCH AND SOCIETY

*The United Methodist Book of Discipline* (1629) specifies the purpose of the Conference Board of Church and Society. The Conference Board is to help the conference, districts and congregations employ our Social Principles to connect our faith communities to the world around us. This work is both individual and societal. We are called to invite faithful disciples of Christ to lead the church prayerfully into the world. We have organized our board to follow the issues raised

by our United Methodist Bishop's letter: "God's Renewed Creation: Call to Hope and Action." In this 2009 letter, UMC bishops raised virtually the same issues, as did Catholic Pope Francis in 2015, namely that the world is awash in violence, environmental destruction, and poverty. So that we may address these three interconnected areas, we have organized three work areas: Peace and Non-Violence, Creation Justice, and Eradicating Poverty/Criminal Justice and Mercy Ministries. After the 2020 self-evaluation on our relevance in the conference, we concluded that we were not as relevant as we had been in the past. So, we have intentionally started seeking ways to listening to the needs of the conference. By teaming up with other groups that are involved in the same mission we are so can do a better job in advocating for our basic principles.

### **Conference Legislative Network**

Team met monthly from late Summer through January for planning of United Methodist Day at General Assembly. Workgroups including logistics, communication, scheduling, programming met regularly between team meetings. Developed and held new preview event in early December, to help prepare participants for United Methodist Day at General Assembly.

Engaged Rev. Neal Christie as keynote speaker. Enlisted 3 district superintendents, Rev. Sarah Calvert, Rev. Victor Gomez and Rev. Doug Forrester to film video on the importance of United Methodists engaging in advocacy, to be shown at event. Initiated several conversations with Bishop Sue Haupt-Johnson on the importance of advocacy and enlisted her support with welcome video to be shown at event.

Worked with Virginia Interfaith Center for Public Policy on position papers and calls to action. Scheduled appointments for Senators where 3 or more constituents were registered to attend. Recruited 10 guides to assist participants finding their way to appointments with legislators and answering questions. Hosted United Methodist Day at General Assembly at the Pace Center of VCU, including breakfast and introductions, overview of day's activities, in-person visits with legislators, 2 participants testified at House sub-committee on Solitary Confinement bill, follow up debriefing with Kim Bobo of VICPP, keynote address from Rev. Christie on the

Social Principles undergirding our advocacy efforts.

Co-hosted follow up event with VICPP, "What's Up at General Assembly and Beyond" after crossover day on current status of bills and ongoing advocacy efforts. Will meet in early April to review evaluations and begin plans for next year's event.

### **Peace with Justice Sunday:**

The Conference Board promotes the Peace with Justice Sunday Special Offering, one of the six church-wide offerings that The United Methodist General Conference asks of each local church. In 2020, because of the pandemic, we did not do well with our churches giving to this Special Offering, but their giving has allowed the conference to fund key ministries within the conference. We expect the 2022 total will show more churches taking the offering. One half of the offering stays in the annual conference, the other half is used by the General Board.

### **Creation Justice:**

- ❖ Creation Justice developed a partnership with Virginia Interfaith Power and Light to help educate and provide advocacy opportunities to the Annual Conference in support of climate and environmental justice efforts
- ❖ Revised the Green Church Initiative to GCI 3.0 <https://doc.vaumc.org/ChurchSociety/GreenChurchInitiative.pdf>
- ❖ Prompted the Green Church Initiative and recognized Monumental UMC, Portsmouth for the Green Church Award <https://youtu.be/B0w0ueZLQZY>
- ❖ Virginian Methodist also participated in learning and networking opportunities with the UMC Creation Justice Movements UMC Annual Conference Organizing Workshops. <https://umcreationjustice.org/annual-conference-organizing-workshops/>

### **Peace and Non-violence Work Area:**

Blessed are the peacemakers. The Peace & Non-Violence (PNV) work group supports the Virginia Conference and its congregations in learning about and acting to foster peace in our world and address the causes and impacts of vio-

lence. Activities include raising awareness and providing learning resources, advocating for legislation and public policies, and PNV-related initiatives across the Conference. In 2022, we supported the end of the death penalty in Virginia, advocated for equitable support of immigrants and refugees, advocated for the end of predatory payday lending, and supported an initiative for compassionate care of veterans and their families dealing with the impacts of PTSD. In 2022, the PNV work group is continuing advocacy for immigrants and refugees, including support of the VAUMC response to assisting Afghan allies being resettled in Virginia. The work group is exploring new focus areas, especially as international tensions and the threat of war increase, as Taliban leadership in Afghanistan heighten oppression of women, and as black history and diversity/equity/inclusion programs are being challenged in our state. We encourage others to join us in this important work.

### **Eradicating Poverty/Criminal Justice and Mercy Ministry:**

The Eradicating Poverty Work Area are exploring way to better serve our brothers and sisters who have been incarcerated and to help them to be functional in society again. We are working with other prison ministries to understand the impact on our communities. REPORTS 59 We are also exploring opportunities to partner with groups that are focused on poverty in our communities. United Methodist Day at the General Assembly: This year was the 30th anniversary of United Methodist Day at the General Assembly. We partner with the Virginia Interfaith Center on Public Policy to hold the United Methodist Day at the General Assembly. Each year, United Methodist Day at the General Assembly is held on the first Thursday in February. We hold this event jointly with the United Methodist Women and the Conference Legislative Network. With emphasis this year on ending solitary confinement and a bill to better utilize refugee talent to strengthen our education system. We look forward to Bishop Sue Hauptert-Johnson leadership in future years.

– James Page, Clergy Co-Chair

## **THE CHURCH DEVELOPMENT TEAM**

The Church Development Team (CDT) continues in its mission to fulfill the All Things New vision of the Virginia Annual Conference. Using Conference resources, CDT provides grants, guidance, and accountability to new faith communities and supports leadership opportunities that disciple more people, more young people, and more diverse people for Jesus Christ in Virginia United Methodism.

During the Annual Conference of 2008 members voted to begin 250 new faith communities in 30 years. While we are not on track to establish 250 new faith communities by 2036, to date we have begun 59. Of these, 76 percent are still open. This is above the overall denominational average. Additionally, 25 of these are ethnic new faith communities that have a robust record of vitality and growth in the Virginia Conference, and our three newest faith communities aim to be multicultural.

CDT is supporting New Song UMC, New Life, and edges with Leadership Grants. The grants for New Song and New Life support the work necessary to establish new faith communities; edges will provide training for local churches in how to reach and include unchurched and dechurched persons more effectively.

This year CDT is embracing Ministry Incubators as a way to foster innovation in our conference. We will be partnering with Ministry Incubators to journey year-long with churches through innovative projects.

I want to thank the talented and gifted clergy and laity who serve on CDT. Their experiences and passion for church development will continue to bear fruit in the Virginia Conference. Additionally, I want to thank our Conference staff person, Dwayne Stinson, Associate Director of Influence Ministries. Dwayne's abilities, passion and creative thinking continue to serve CDT well. Finally, I want to thank all the local churches in the Conference. Apportionments paid through the sacrifices of local United Methodists provides the funding that makes great things happen with Church Development in Virginia.

– Rev. Stephanie Kimec Parker, Chair: CDT

## THE BOARD OF COMMUNICATIONS

2022 marked a change in leadership for the Board of Communications as well as a transitional time for our Full Board and Executive Team. We celebrated the tenure of our former President, Jill Gaynor, and Vice President, Rev. John Vest, and we transitioned to our new President, Rev. Andrew Ware, and Vice President, Rachel Sanders.

We also acknowledged the long-term service of Cynthia Lopinski (Secretary) and Kim Johnson (Executive At-Large) on the Board and Executive Committee, both of whom will be cycling off the board at the end of this conference year. Coupled with other many long-time servers and the retirement of long-tenured conference webmaster and data manager (and master of all things conference really) Brenda Capen, we recognized that the Board of Communications is in a pivotal position to capitalize on the wonderful leadership of the past to transition into a new future for conference, district, and local church communications.

Moving into a new Conference year the direction of the Board continues to be driven by seeking to help the Conference and churches use their resources to effectively communicate with the people of the Virginia Conference. Capitalizing on a successful communications webinar in 2022, our Board got to work planning its second iteration for 2023. Our Communications Training workgroup sought to help smaller and rural churches in adapting to their environments to effectively communicate, utilize technology, and engage with their congregations and communities. In March, this training was offered to help these congregations, and more efforts have been made by our board to work with churches in need regarding the knowledge of church communications and technologies.

Our Board has revisited the resources offered through the conference and has tried to make available help based on the needs local churches have. Whether in the area of technology, digital media, or effective communications, we have members of our board who have been willing to offer some consultations with pastors and congregations. We hope to continue to foster these connections as we live into the vision of this board to help churches and the Conference to effectively communicate with the people of the Virginia Annual Conference.

Be sure to stay on the lookout for board members who will have a “Communications” name badge marker and can answer your questions or direct you to resources for your local church.

*—Andrew Ware, President*

## REPORT FROM THE VIRGINIA DELEGATION

After multiple pandemic-induced postponements, the 2020 General Conference is scheduled for April 23 - May 3, 2024 in Charlotte, North Carolina. The delegation elected to the 2020 General Conference by the 2019 session of the Virginia Annual Conference will be seated in Charlotte and the legislation that was duly submitted to the 2020 General Conference will be before the General Conference in Charlotte.

Some important legislation before the 2020/2024 General Conference may come before the Annual Conference to be approved in the form of constitutional amendments as early as the 2024 Annual Conference.

There are two items in particular that relate to the future structure of our denomination.

### THE PROTOCOL

The **Protocol of Grace and Reconciliation through Separation and Restructuring** was announced in January 2020. That legislation outlined a gracious separation of the United Methodist Church. It was the result of a mediated settlement that key leaders in the United Methodist Church entered into in order to facilitate a gracious end to years of division and dysfunction over issues related to full inclusion of LGBTQ+ individuals in the life of the United Methodist Church. It would have accomplished this goal through creating a simple pathway for Annual Conferences, local churches, and clergy to exit the United Methodist Church to a new traditionalist denomination subsidized by the United Methodist Church. Learn more: <https://www.gracethroughseparation.com/legislation>

Following the postponements of the 2020 General Conference and the 2022 launch of the Global Methodist Church, a number of members of the mediated settlement team as well as organizations that had previously been publicly supportive of the Protocol legislation released a statement walking back their support of the legislative package. The statement read, in part: **“Given the growing opposition to the Protocol within the constituencies we represent, the dwindling support among General Conference delegates, and the serious reservations of Central Confer-**

**ence leaders, we can no longer in good faith support the Protocol of Reconciliation & Grace through Separation or work towards its adoption at the next General Conference.”** <https://www.umnews.org/en/news/protocols-day-has-passed-some-negotiators-say>

## REGIONALIZATION

The other legislative packages that seek to address the future structure of our denomination relate to regionalization. Two legislative packages, one developed by the Connectional Table and another named the “Christmas Covenant,” attempt to allow for regional contextualization within our global United Methodist Church. (Learn more: <https://www.christmascovenant.com/pagecc>) They would create a United States Regional Conference that would allow the United Methodist Church in the United States to govern itself in a contextual way. All Central Conferences would likewise become Regional Conferences. This seeks to address long-standing geographic and racial inequities in governance of the church by placing the US church on equal footing with the church as a whole. **All Regional Conferences would have contextual flexibility to address the mission and ministry for their contexts, including matters of LGBTQ+ inclusion.** The General Conference would continue to meet to address the matters that apply to all contexts around the world including, but not limited to, the official doctrine and beliefs of the United Methodist Church (as spelled out in Part III of the *Book of Discipline*).

Having studied the “Christmas Covenant” legislative package as a whole group, the General Conference Delegation of the Virginia Annual Conference issued the following statement in April 2022:

*Grace and Peace to you in the name of Jesus Christ.*

*On March 16, 2022, members of the Virginia Conference Delegation to General and Jurisdictional Conferences met to discuss what work we could do now to move our connection forward in light of the recent postponement of General Conference to 2024. Early this year, we heard presentations regarding the Christmas Covenant (so named because of the time which it was offered by the Cavite Annual Conference of the Philippines in 2019). This followed work last fall to review Parts I-IV of The United Methodist Book of Discipline which describe the essentials of our faith: the history of the Methodist movement, the Doctrinal Standards and General Rules, Distinctive Wesleyan Emphases, and Theological Task.*

*The Christmas Covenant would transform the existing Central Conferences into Regional Conferences and create a United States Regional Conference. It would increase the ability of each Regional Conference to adapt the Book of Discipline to fit its missional context and create a more equitable structure for our global church. The denominational Connectional Table has endorsed the Christmas Covenant framework for a U.S. Regional Conference (<https://www.resourceumc.org/en/content/connectional-table-affirms-the-christmas-covenantlegislation>).*

*We believe this Christmas Covenant shows a way into a new future for The United Methodist Church. Our Virginia Delegates to General Conference voted unanimously to endorse the Christmas Covenant. We are now forming a resolution for the 2022 Virginia Annual Conference to endorse the Christmas Covenant as well. We invite you to learn more about the Christmas Covenant legislation by visiting <https://www.christmascovenant.com/pagecc>.*

*We, the undersigned, are voicing our support for the Christmas Covenant as the most viable way for our United Methodist Church to move forward into a new future:*

*General Conference Delegates (at the time of April endorsement)*

*Clergy: Rev. Tom Berlin; Rev. Lindsey Freeman. Rev. Meredith McNabb; Rev. Dr. Rob Vaughn; Rev. Dr. Rhonda Van Dyke; Rev. Mark Ogren; Rev. Grace Han; Rev. Beth Givens; Rev. Jason Stanley; Rev. Kirk Nave; Rev. Jonathan Page*

*Laity: Mr. Warren Harper; Ms. Martha Stokes; Ms. Shirley Cauffman; Ms. Alison Malloy; Mr. Marshall Bailey; Ms. Jill Gaynor; Mr. Jake Paysour; Mr. Mark Elder; Dr. Karen McElfish; Mr. Andrew Kissell; Ms. Kim Johnson*

Additionally, **Wespath has endorsed these legislative packages dealing with regionalization.** Wespath notes that regionalization would streamline the work of future General Conferences and reduce costs (potentially millions per quadrennium) by allowing the General Conference not to spend time on matters that only relate to US context/

laws. Additionally, regionalization allows for equitable, contextualized governance subject to the legal, regulatory, and business practice of that region. The *Book of Discipline* distinguishes between connectional issues (for the whole UMC) and adaptable issues (such as clergy pensions as governed by regional/national laws). Currently the United States is the only regional area whose adaptable issues are decided by the full General Conference. Regionalization helps the UMC adapt its governance to meet the specific needs of regions and the denomination as a whole. **In short, Wespath strongly supports the concept of a U.S. regional body to deal with U.S. specific matters.** Learn more: <https://www.wespath.org/assets/1/7/5442.pdf>

**The General Conference Delegation of the Virginia Annual Conference encourages all members of the Virginia Annual Conference to familiarize themselves with the proposed legislative packages on regionalization.** We make this recommendation because we 1) believe this pathway to be the best way to end the decades long impasse the United Methodist Church has found herself in and 2) so that our Annual Conference may be prepared to vote as early as June 2024 on any constitutional amendments that might arise as a result of these legislative packages.

## BOARD OF DISCIPLESHIP

After several years of research, study, and visioning for the future the Board of Discipleship has been using a garden metaphor; ‘transplanted’ into a more fertile setting so that it can better provide resources and training to local churches to assist them in building contextual discipleship processes to make disciples of Jesus Christ for the transformation of the world. Our goal is to foster and promote holistic approaches to disciple-making through Christian education, small-group ministries, camping, retreats, evangelism, stewardship, worship, lay development, spiritual formation, age-level/ life-span ministries, leadership education, and other areas as the Annual Conference determines.

As a part of our being transplanted, we have thus far created five teams that will help us till the soil: Operations, Education, Communication, Awards, and Regional Planters. Operations oversees the overall structure and ministry goals

of the Board; Education oversees the development of curriculum and instruction (thus far this team has created two instructional pieces: one to assist local churches to use our garden metaphor and the second to be used at the Lay Servant Academy in the Fall of 2023); Communications oversees our updated webpage, videos, and other tools to assist in the garden; Awards oversees the Harry Denman and One Matter Awards, Regional Planters will work directly with each district ensuring that every church is aware of the board's mission and ministry.

This year we also approved Team Charters as well as a Board and Team Covenants. The covenant will assist us in our accountability and everyday operations of the board and its teams; whereas the charters provide frameworks by which team will go about doing their work including permission to seek out and recruit non-board members to assist on the ministries of the teams.

In the coming year we will continue to work on team formation, update our webpage, and began examining the standards and process by which Conference Evangelists are approved and annually recertified.

I would like to give a personal thanks to our board members who have truly helped to cultivate a new culture for the Board. Special thanks are also extended to the team leaders: Susan Schall – Operations, Linda Ray – Education, Robin BeMiller – Communications, Matt Sergent – Awards, and Jim Wishmyer – Regional Planters. The Board itself would like to recognize Seungsoo “RJ” Jun for his assistance this year as our liaison with Connectional Ministries.

During the winter session, we had an adult session and planned a youth session in partnership with the Shenandoah University Campus ministry. The ME 2023 is now preparing for its summer gathering. This gathering will be held at the Virginia Conference Center and Good Shepherd UMC on the last weekend of July. For more information, go to [www.vaumc.org/me](http://www.vaumc.org/me)

## PARTNERSHIP REPORTS

### Heart Havens

Heart Havens continues its mission of empowering people with a developmental disability to live and thrive in their community. At the end of 2022, we opened our seventh location, called Post Oak, in Virginia Beach, just three miles from our first home called Macleigh-Holland, founded in 1998. We are so blessed by the support from many congregations and groups throughout the conference making this and other initiatives possible.

This year we are focusing on "Moving Forward" with a Capital Campaign of \$200,000 to cover renovation and start-up costs associated with opening our 8th location, very close to the Conference Center in Glen Allen. Funds are needed to add a fourth bedroom, accessible bathroom, generator, vans, and other repairs. The new location, called Meadowbrook, is scheduled to open in April and allows us to expand our mission.

As we operate homes across the Conference, we have identified projects to better serve our residents. At Bonnie house in Stuarts Draft, we are fundraising to add a generator for emergency power outages. Generators are critical for providing continuous care during hurricanes and winter storms, as many of our residents have challenges with outages and evacuating. In the Richmond area, our Mary Beth Graff home is in need of a kitchen renovation, as many of the original fixtures are still in place and well loved.

We continue to run a robust volunteer program, holding a work day for each home in the spring and fall. Many UMCs, some neighbors and a few companies participate. All groups are welcome to be a part of this hands-on activity. With this work, our homes are well maintained and shine inside and out!

We are blessed with the support of congregations and groups throughout the Conference. With your vital support, Heart Havens continues to empower people with a developmental disability by doing more than just providing the

basics but also enabling them to live vibrant, independent lives. As brothers and sisters in Christ, we invite you as the church to continue to advocate for Heart Havens and support people with a developmental disability.

Your financial gifts and volunteer engagement make our mission of empowerment possible!

—Jennifer Boyden, Chief Executive Officer  
& Rebecca Huff, Chief Operations Officer

## Pinnacle Living

This year marks the seventy-fifth anniversary of the beginnings of what today is Pinnacle Living. The dreams and years of hard work of the early advocates and leaders of the Virginia Conference of The Methodist Church to establish a “home for the aged” became reality in 1948. On June 8, 1948, the Hermitage property on Westwood Avenue in Richmond was purchased. Two important events took place on November 1st of that same year: Rev. Dr. and Mrs. Bernard S. Via, Sr. moved into Hermitage Richmond to begin preparing the community for residents, and the corporation known as the Virginia Methodist Home for the Aged assumed operation of the Asa and Blandine Snyder Memorial Home.

The journey that began in 1948 continues today through Pinnacle Living’s Mission of *Enriching Life’s Journey*. Much has changed in aging services and senior living. Now more than at any time in history, we are all aging differently with ever-changing expectations. Pinnacle Living remains committed to honoring our heritage and building upon our strong foundation as we create new opportunities for adults to age faithfully and well.

Pinnacle Living has much to celebrate since the last Annual Conference as we continue our focus on person-centered culture, resident engagement, and social accountability.

- ❖ This winter, three of our communities – Cedarfield, Hermitage Richmond, and Hermitage Roanoke – completed the reaccreditation process through CARF International. WindsorMeade successfully completed its first CARF accreditation in March of 2022. Accreditation is an ongoing process signaling to the public that a service provider is committed to continuously improving services, encouraging feedback, and serving the community. Today there are only 98 Life Plan Communities across the nation that are CARF accredited. Fifteen of the 98 are in Virginia; four of those are Pinnacle Living communities.
- ❖ Our Richmond communities – Cedarfield and Hermitage Richmond – along with the Pinnacle Living office were recognized as one of the Top Workplaces in the large size company category in the Metro Richmond Region for the sixth consecutive year. The Richmond area program is sponsored by the *Richmond Times Dispatch*.
- ❖ WindsorMeade participated for the first time in the *Hampton Roads Inside Business* 2022 Top Workplaces initiative and was named a top workplace in the midsize company category.
- ❖ Pinnacle Living is one of five partners sponsoring the Dreaming Home project with LeadingAge Virginia. Brandermill Woods, LifeSpire, Beth Shalom and Westminster Canterbury Richmond are also participating in this work. The vision of the Dreaming Home project is to help elders across multiple demographics in greater Richmond to “dream home.” This work will help us better understand the desires and values for home as we age, recognizing options shared may include lifestyle choices very different from the Life Plan Community models we currently offer. Although the initial efforts are focused in the greater Richmond area, the overarching objective of the project is to help all senior living providers create and maintain cultures of inclusion and align services and offerings with the desires and values for home of diverse elders.
- ❖ Residents, community volunteers, and team members in partnership with 122 local organizations continued to do amazing work which impacted the broader community. From connections with local workforce development programs to collecting food for area food banks and pantries, from hosting benefits in support of Ukrainian refugees to packing UMCOR kits, our residents and team members positively touched citizens of all ages and backgrounds in their localities.
- ❖ Efforts continue to enhance support for those living with Alzheimer’s and other dementias through partnership with Dementia Friendly Community efforts, Dementia Friends Virginia, and the Alzheimer’s Association.

We offer our deepest appreciation to all the local churches that included the Samaritan Program in your second mile giving. This safety net is a key part of our benevolent mission. The following *Samaritan Award Churches* were recog-

nized for the highest level of giving among congregations in the Virginia Annual Conference during FY2022.

- ❖ Reveille (Three Notch'd District)
- ❖ Trinity - Richmond (Three Notch'd)
- ❖ Annandale (Northern Virginia)
- ❖ Rocky Mount (Mountain View)
- ❖ New Hope – Saluda (Mission Rivers)
- ❖ Lawrence Memorial (Valley Ridge)
- ❖ Shady Grove – Mechanicsville (Three Notch'd)
- ❖ Gum Spring (Three Notch'd)
- ❖ Clarendon (Northern Virginia)
- ❖ Walker Chapel (Northern Virginia)

Thank you to all the local churches that maintain connections with our residents, volunteer time to make our communities stronger, and continue to support the Samaritan Program. We ask for your continued advocacy for the needs of older adults in your local community and across the Commonwealth. Together, as relationship partners in the mission outreach of the Virginia Conference, we can enhance health, wellness, and faithful aging for all people as we strive for a culture in which age does not define the person.

– Christopher P. Henderson, President and CEO

– Martha E. Stokes, Director of Church and Community Relations

– Charles W. Wickham, Director of Donor Development

## 2023 RECOMMENDATIONS FROM PINNACLE LIVING

*We recognize these recommendations are the responsibility of the Missional Ministries Board and are traditionally included as part of the Common Table report and Council on Finance and Administration report. However, we do not want them to be forgotten.*

1. The Relationship Agreement between the Virginia Annual Conference and Pinnacle Living be continued.
2. The period between Mother's Day and Father's Day be designated in support of the Pinnacle Living Samaritan Program, and each church promote an offering during this time dedicated to this purpose.

## UMFS - United Methodist Family Services of Virginia

In 2022, UMFS continued to live out our mission as unwavering champions for high-risk children and families, collaborating with communities to help them reach their full potential. We serve children in foster care and children struggling with mental health and behavioral challenges through foster and adoption programs, specialized education schools, and residential mental health treatment programs. In 2022 we served 1,970 children and teens. We strive to support the entire family, helping us touch the lives of 8,466 high-risk children and family members in 108 communities across Virginia.

Since our founding in 1900, the churches of the Virginia Conference have partnered with us as advocates for high-risk children and families. Churches help recruit and support foster and adoptive families, serve as volunteers in UMFS programs, provide much-needed financial support, and donate countless gifts-in-kind. Church partners and the UMFS Auxiliary are critical resources for the children and families at UMFS.

In 2022 we celebrated the completion of the first phase of the UMFS Be a Champion capital campaign with the official opening of the new Child & Family Healing Center facility. This state-of-the-art residential mental health facility is now serving youth from across Virginia. The second phase of the campaign is well underway: the new addition to the UMFS Charterhouse School building. The addition includes 10 new classrooms, a recreational therapy room, a cafeteria and a kitchen for our new dining program. The addition is scheduled to be completed in fall 2023. We are grateful for the generous support of everyone who helped make this possible.

The past year also marked the beginning of a new strategic vision for UMFS. We're forming deeper partnerships with grassroots organizations who share our mission. That includes organizations like Caring Closet, which provides high quality clothing at no cost to at-risk children and families, including many UMFS clients. The collaboration with the Caring Closet means the organization can operate rent-free from a larger space than its previous location, while reaching more individuals and extending its mission. There is power and strength in partnership. We're continuing to explore additional partnerships with our greater community to work towards a shared mission of empowering high-risk children and families to achieve a brighter future.

We are grateful for the support of the Virginia Conference and for your partnership with us as unwavering champions for high-risk children and families. We ask for your continued advocacy for high-risk children, youth, and families. Together, we can create a world where caring, opportunity and generosity are passed on from generation to generation, empowering all children to contribute to society as engaged citizens.

– Nancy Toscano, President and CEO

## Wesley Housing

Wesley Housing's (WH) vision is that everyone in the greater Washington, DC region has a safe, quality, affordable home, serving as a foundation to thrive, and has a place of value in the community. This guides our mission of building up the lives of our most vulnerable community members by creating and operating healthy, inclusive, stable, affordable housing communities and providing supportive resident services. For nearly five decades, we have served over 25,000 residents in the Washington, DC metropolitan area. We currently manage 29 properties serving 3,200+ residents in Alexandria, Arlington, Manassas, Falls Church, Fairfax County, Winchester, and the District. We also manage 13 Community Resource/Support Service Centers that offer a full range of crucially needed programs and services to support children, adults, seniors, those with chronic disease, and those with disabilities to regain their dignity and renew their lives.

### Real Estate Development

In 2022, WH had its busiest period of development activity in the organization's history. By the end of the year, the team's efforts led to adding or preserving more than 500 affordable housing units to the region, representing over \$231M in total development costs. This allows more than 1,500 new residents the opportunity to rent a home they can afford. Completions included:

#### *New Construction:*

- ❖ **The Arden** (126 units, Alexandria [Fairfax County], VA) – mixed-use, multifamily housing which is now home to Wesley Housing's new main office; **The Cadence** (97 units, Arlington, VA) – multifamily housing; **The Waypoint** (81 units, Alexandria, VA) – multifamily housing; **Senseny Place** (63 units, Winchester, VA) – senior housing

#### *Renovation:*

- ❖ **Whitefield Commons** (68 units, Arlington, VA) – multifamily housing; **Quarry Station Seniors Apartments** (80 units, Manassas, VA) – senior housing

Additionally, our real estate development team has over 700 affordable units in its development pipeline to be produced by 2027, including new construction, acquisitions, and renovations. Recent pipeline updates from 2022-present include:

- ❖ •WH acquired **Parc Square Apartments** (66 units, Alexandria, VA). After first addressing life safety issues to improve habitability, Wesley plans to redevelop the property, as well as properties owned by Community Lodgings.
- ❖ The Alexandria City Council voted in favor of the Planning Commission's proposal to rezone three parcels of land to develop **ParcView II** (200 units, Alexandria, VA), WH's proposed redevelopment of its existing ParcView Apartments. The community engagement process continues.
- ❖ The Falls Church City Council approved WH to operate five quadplexes in **Virginia Village** (20 units, Falls Church) with a long-term goal of redeveloping the community into permanent affordable housing.
- ❖ WH acquired **Holmead Apartments** (100 units in Washington, DC [Ward 1]), which will be converted into affordable, accessible units for those earning between 30-80% AMI.

- ❖ Fairfax County authorized a \$5.6M commitment of Fairfax County Redevelopment and Housing Authority Funds for the **Wesley-Lamb Center Permanent Supportive Housing (PSH) Community**. In addition, the Fairfax City Council approved a \$700K investment from the City of Fairfax Housing Trust Fund. The funding commitments follow Fairfax City Council unanimously approving a Special Use Permit to redevelop the Hy-Way Motel into a five-story 54-unit residential/mixed-use community.
- ❖ WH, in partnership with **First Christian Church of Falls Church**, secured zoning entitlements from the Fairfax County Board of Supervisors to construct 95 affordable units of independent senior living on the land immediately adjacent to the Church (6165 Leesburg Pike).
- ❖ **1 Hawaii** (70 units, Washington, DC [Ward 5]) is expected to close and begin redevelopment in Spring 2023.
- ❖ Renovations continue on **The Hampshire** (56 units, Washington, DC) which is expected to complete in Spring 2023.

#### Resident Services

- ❖ **Housing Stability Initiative:** With some of the most cost-burdened renters in the country living in our area, our resident services team provided 3,100 of them with award-winning supportive services. In 2022, we received 1,548 eviction prevention referrals due to households' non-payment of rent (between 150 to 250 households monthly, many duplicated each month). Through the work of our Resident Services Coordinators, 100% found payment solutions totaling more than \$1M and maintained housing. Two hundred fifteen (215) residents participated in workforce development activities (job skills classes, one-on-one coaching) and attained new job skills. Sixty-four (64) residents secured new or more gainful employment, while others continue to work on their career plans. 780 families received material assistance, including food items and holiday gifts, and nearly 400 residents participated in health and wellness offerings.

#### OPERATIONS and Administrative

- ❖ WH was recently recognized for the following awards in 2022: Housing Association of Nonprofit Developers (HAND) Developer of the Year; Virginia Housing Alliance named President/CEO Shelley Murphy Game Changer of the Year and Senior Resident Services Coordinator Cierra Falke Outstanding Service Provider.
- ❖ In January 2023, longtime President/CEO of WH Shelley S. Murphy passed the torch to her successor, former WH Senior Vice President of Real Estate Development, Kamilah McAfee. Murphy retired from WH after a remarkable 15-year tenure with the organization.

## THE BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY (BHECM)

It has been an exciting year as many of our campus ministries have been restoring and renewing the sense of community that the pandemic profoundly affected. From Rise Against Hunger events on campus to anti-racism work to food outreach ministries to the launching of new community groups, these students give our Board tremendous hope in a season of many uncertainties in anticipation of General Conference 2024. Our campus ministries hold firmly and embody the values of full inclusion and have become safe harbors for students who, in other faith communities, have felt shamed or dehumanized. We celebrate the unique and resilient ministries at our Wesley Foundations, Historically Black Colleges and Universities, ecumenical communities, and United Methodist institutions.

In the last year alone, our world has witnessed far too many acts of gun violence, and our college campuses in the Virginia Annual Conference have been subject to many of these atrocities. Our Board unanimously agreed that a more effective Conference response was vital during these tragedies. As a result, a task force has worked together to create a diverse means of support that will provide intentional care for campus ministers and their students when they are in crisis.

In the last year, we have placed more responsibility on each Board member as a liaison to a respective campus

ministry setting so that their local boards have a point of connection that can attend meetings and offer various means of support throughout the year.

While we continue to award property grants to Wesley Foundations each year, we are discerning how to ensure in the coming years that our campus ministries have greater access to resources for the purpose of capital improvements and building fundraising. We remain hopeful and prayerful that by placing more intentionality around coaching opportunities and new innovations to support our Conference's continued efforts toward sustainability.

New this year, in March, we held a retreat in partnership with the United Methodist Commission (Georgia) for our campus ministers and chaplains to ensure strategic alignment within our campus ministries. The campus ministers have worked to establish the core values of campus ministry in the Virginia Conference and to develop a new set of metrics to ensure that the Board of Higher Education has a means of providing the systems of support and accountability our campus ministries need to thrive. In addition, the UM Commission is working with the campus ministers and the Board of Higher Education and Campus Ministry to improve communication, support, and missional alignment.

Our Board looks forward to partnering in ministry with Bishop Sue Hauptert-Johnson, and we are excited that she made it a priority to meet with our campus ministers and chaplains in the spring to hear about their ideas and vision for the Annual Conference. We remain grateful for the continued support of Dwayne Stinson and Becky Tate, who are deeply committed to ensuring the well-being of our campus ministers. In the coming year, our Board challenges each local church to connect with your district's campus minister(s) to learn how to support the mission in these spaces. Your congregation may feel led to offer financial support, provide a meal for students, or to explore other innovative ideas. I encourage you to read about the incredible ministry taking place beyond the local church as we celebrate the gifts of our campus and collegiate ministries.

— Ryan LaRock, Board Chair

## WESLEY FOUNDATIONS

### The Wesley-Westminster Foundation (WWF) at Norfolk State University (NSU)

The Wesley-Westminster Foundation (WWF) at Norfolk State University (NSU) is grateful for the continued support of the Virginia Annual Conference and the Coastal Virginia District. WWF Campus Ministry is an ecumenical ministry of the United Methodist and Presbyterian Churches seeking to impact the College, the Community, and the Current Culture with Christian Principles, Open Hearts, and Open Minds. This ministry continues to be the largest and most active campus ministry at NSU. It is our desire that we provide a safe place to explore and to experience one's faith, while offering a respectful and non-threatening environment of love, service to others and learning.

We made it through the worst of Covid and are now happily able to meet in person regularly. Our semester began with one of the most successful Back to School Cookouts yet. Serving more than 150 students, staff and community members made our day. This kick-off to the new school year helped to jump start our efforts to reach more students and neighbors. As a result, several children from the community share with us weekly. We offer tutoring, mentoring and meals to these young people who attend area elementary and middle schools. In addition, these young people often join us for our weekly Bible Study and dinner held each Wednesday.

Additionally, students designed P.A.P. (Prayer and Praise) Tuesdays for those who have class Wednesday evenings and cannot attend Bible Study. This is a time of prayer and contemplation followed by lunch. This year's Thanksgiving Dinner was amazing. We were able to serve more than 120 homecooked meals. During our Spiritual Retreat for our students, we had several presenters, a masseuse, a trauma therapist, and a counselor present. District Superintendent Cecilia Brooks extended the invitation, and it was my pleasure to bring greetings to the Coastal Virginia District sharing the work and the witness of WWF Campus Ministry.

Our partnerships have allowed us to distribute more than 2 thousand pounds of fresh produce to food insecure families. The food donations have also helped us with our weekly meals served at the Campus House. Students assist in community outreach as well. Several students help two churches with their food pantry as well as our continued efforts to provide meals to the homeless. As a ministry we donated cereal and toiletry items to Slover Library and participated in Unite Slover's Black History Program. Rev. Greg West joined us as a guest Bible Study teacher and captured our hearts with a new love for small group ministry.

Students love WWF Campus Ministry and thank you for your commitment and dedication to their spiritual growth and development. They eagerly show up week after week hungry and passionate chasing after Christ.

## **Wesley Foundation at Old Dominion University**

I am excited to say this year, we launched WesleyODU. After a year of hard work preparing the space, planning events, and praying for the Holy Spirit to be at work in this new ministry, we opened the doors to WesleyODU. Our goal and vision are to create a ministry at ODU where students, faculty, and staff are invited to explore faith together and where each person is welcomed and invited to be authentically themselves. In our first semester, we started small groups, devotions, service activities, and fellowship opportunities. Events like baking apple pies to take home for Thanksgiving, pumpkin carving, paint nights, and bonfire chats are just a few of the many events offered over the past year. It has been an incredible blessing that from these events, five students went from being participants into leadership. As I prepared this report, I invited some of the students to share why they chose Wesley. Here is what they had to say: “Wesley is my favorite place to go because it is always a welcoming environment. I love that I can explore my faith and ask questions without judgment.” Sarah Schrum (Jr.) “I keep coming to Wesley because I feel included and cared for whenever I walk through the door. We have fun events like carving pumpkins and apple pie baking but also faith building nights like small group and following a study that keeps me involved and excited to come back.” Hannah Brewer (Fr.) “I came to Wesley because I was looking for a home away from home and had been searching for a church family. I grew up in the United Methodist Church and knew that was something I wanted to find during my time on campus. It also gave me leadership experience and helped me make new friends.” Lucy Jarvis (Jr.) It is an incredible joy to serve with these students and to be in ministry on the campus of ODU. To be a place where students, faculty, and staff can find a loving community, where they can grow in their faith, and where they can know they are loved. We are grateful for the many ways the Virginia Annual Conference has supported and continues to support WesleyODU. We are so excited about what this next year will bring and how God will be at work in us.

## **The Wesley Foundation at UVA**

“Wesley is the highlight of my week! I love spending time in worship and fellowship with a close-knit group of students!” -Gracie Moore, 3rd year

“I love Wesley because it’s so inviting and comfortable! I always know that I will see kind faces at Wesley and enjoy a warm atmosphere!” -Danielle Cloud, 1st year

“At Wesley, I feel like my whole self is welcomed.” -Joshua Barbish, 3rd year

Wesley at UVA is a community where faith is nurtured, and relationships rooted in God’s radical love are formed! When students are navigating college pressures, Wesley provides space to be vulnerable and discern alongside others where God is leading them. Students are grateful for deepened relationships and new opportunities after masked and limited gatherings during COVID-19.

There is renewed energy around Wesley traditions that have been reimaged, like weekly dinner nights, which we now call “Dinner &.” The “&” represents worship together, a service project, a forum with a professor/community member, or a fun program, which we do after dinner. Each week we also have small group and coffee meet-ups, which create space to share the beauty and struggles of life and explore faith. This year, we are focusing on partnerships with local churches, campus ministries, and on and off Grounds (UVA’s term for campus) organizations. Recently we launched “Home Away from Home,” a program with Wesley Memorial United Methodist Church, pairing students and families who want intergenerational connection. We have partnered with other campus ministries for fun events like snow tubing, Friendsgiving, and study breaks. We have leaned on each other in challenging moments and come together for meaningful opportunities such as a community worship service and providing trauma-informed support for students. During midterm season, we partnered with the SPCA for an outreach event where we brought dogs on Grounds. This year we also launched Market Mondays, a new space for graduate students to connect monthly at a local food court, which we learned was needed through conversations with Ph.D. and masters’ students. As I write this, we are preparing to travel to Richmond for a mission-based Spring Break trip, the first time for many students. Every day, students study

and share life in our building.

These relationships, opportunities, and the space Wesley provides are vital. Students and the university, like everyone, are yearning for community as we rediscover what life together rooted in faith looks like after COVID. This past fall, when a shooting occurred on Grounds, students leaned on the Wesley community for the necessary support and space to decompress.

In my first year as Campus Minister and Director at Wesley at UVA, I have been encouraged by growth among our group and am excited for what God has in store for the year ahead. I am thankful for your continued support of campus ministry across our Conference!

## Wesley Foundation at Virginia Commonwealth University | PACE

The Pace Center is the Wesley Foundation at Virginia Commonwealth University. At Pace, the unity and diversity of the Body of Christ found in 1 Corinthians 12 is the vision through which we see our community. Pace believes the Kingdom of God is a reality to be experienced by all and emphasizes the following values: Every individual is created with infinite value and lives more fully in the Kingdom when they are empowered to use their gifts to help their communities thrive. All are created to live in deep relationships with one another, not in isolation.

In 2022, Pace's focus was stability. The Pace's Center has grown rapidly since it reopened in 2017. In 2022, over 1,500 unique students built community at Pace by developing, leading and attending programs. Though we welcomed a similar number of students in 2021, the number of students who stepped into leadership grew in 2022 due to the addition of a new Student Development and Engagement Coordinator position. This position was filled by a Presbyterian Church USA (PCUSA) minister who enabled Pace to devote more focus to our student leaders - students engaged in our 6-hour/week Fellowship program and others who lead ministries. A further partnership with VCU's PCUSA campus ministry helped Pace to expand our pastoral care to students who are struggling with increased feelings of anxiety, depression, and uncertainty, and reach more students on VCU's campus who were interested in exploring their faith.

Pace has had great success with our Student Circles program, which was piloted in 2021. This ministry provides an intentional space for holistic care and an opportunity for students to develop a relationship with a non-student adult. Through the efforts of several local pastors and community members from multiple denominations, students have had a dedicated, weekly circle they can rely upon for guidance and support as they navigate college life. To quote one pastor and Student Circle Leader, "One of my students basically said flat out that she didn't feel like she had made friends at VCU until she participated in Student Circles. What happens at Student Circles is church."

Members of local congregations have continued to strengthen what has become one of our most popular programs - Stories and Lunch. Each week, members of local United Methodist, Presbyterian (USA), and Episcopalian churches prepare a homemade meal for students, who gather to make new connections and share about their unique experiences, cultures, and gifts. Up to 60 students attend each week, some of whom are food insecure.

A true test of Pace's stability came in October of 2022, when Rev. Katie Gooch welcomed her third child, a baby girl, into the world and left for maternity leave. The Pace Center's community remained just as active, ministries continued, and students continued to develop Servant Leadership skills. We feel that this is a true testament to the ministry we have developed at Pace and the relationships we have formed with local congregations and community members. A huge thank you to all those who have become part of the ministry of Pace!

–Katherine Gooch, Campus Minister

## The Wesley Foundation at Virginia State (FLOW)

This year F.L.O.W. has participated in several different events. As we embarked upon this year, we made a conscious and ecumenical effort to be inclusive to everyone that we encountered on campus. This year one of our biggest projects was to make sure our students felt comfortable at Virginia State University regardless of religion, race, or sexuality. So during this year we participated with our Muslim population by making sure that their hours of prayer throughout the day were honored. So, we opened up our chapel, and the student leaders along with myself made sure during those times that they were not disturbed or distracted. Furthermore, during the week we would sit down and all have Bible

Study together and great dialogue with students who were not just Muslims, but it opened the door for those who were agnostic, Jewish, or identified in other religious practices. In our time of sharing, we learned how vital it has been for us to weave our faith stories together and how much they are parallel. It was an enthusiastic time for us because we wanted to make sure that everyone knew who campus ministry was, and how we could be better in serving the community at Virginia State University. During this time we also took time out to share different meals throughout the week and give space for persons who just wanted to belong. Also, we participate in worship each Sunday together. Although Ettrick United Methodist closed its doors, we decided that the ministry did not stop, and we gather on in Foster Hall every Sunday at 12 noon, for worship. Students come in from all religious backgrounds and we worship and discuss various topics.

F.L.O.W. stands for Fellowship, Love, Outreach, and Worship. We wanted to be more than people who worshipped on a Sunday. We decided that it mattered how we connected to others in community at VSU and how we connected with the outside community. Some of the ways we connected outside is every 3rd Saturday we participate in the Ettrick Food Bank, where we feed over 4,000 families in conjunction with Feed More, Food Lion, Walmart and Publix. We have prayer, and breakfast, and students from F.L.O.W. come and pack boxes for families who are in need. We also took time out during the week to partner with Good Shepherd Baptist Church where we go every 3rd Wednesday and pack food boxes for 300 families. We added another outreach effort where we partnered with Kings Uplifting Kings, and we gave away clothing to homeless men in Petersburg and Richmond.

Another aspect of ministry that we participated in was an LGBTQIA+ Small group. We saw not only the need to be inclusive of those whose religion was different from ours, we decided that it would be vital to give those students who identified in this community a space where they felt loved. So, on every Wednesday we gathered with this group, and we answered questions for them about the Bible and LGBTQIA+, and how them being a part of the community was important to us. Also, during this time, we as a group sat and listened to those who needed spiritual guidance and counsel. We took time to make sure we were effectively hearing them and being a necessary refuge of safety for them.

In conclusion, we have had a great year of ministry at F.L.O.W., and we would love to partner even more with our local United Methodist Churches in our community. We would love to participate in any outreach, ministry, and community efforts to join as one body. We are elated to continue the work of being disciples of Christ in this world, and we are elated to continue the work of God through all humanity. As a ministry we want to continue it with the support of our local churches in any way that we can. For those who support us with your prayers we are eternally grateful.

## **The Wesley Foundation at Virginia Tech**

In my 13 years of campus ministry, I have consistently heard questions about campus ministries importance, the “payout” for the Conference, and whether or not they need buildings. Do I understand where the questions are coming from? I do. Do I think these questions need to be asked? Sure. Do I feel like these questions wouldn’t be asked if people got to know campus ministries and their impact on students and the Church? Absolutely.

That is why I am taking a different approach to this year’s *Book of Reports* article and sharing with the Annual Conference my answers to these questions from Wesley at Virginia Tech’s point of view.

So, why is campus ministry important? My simple answer is it is a matter of life and death for many students. This is not hyperbole or an over exaggeration. I can point to many students in my time as campus minister at Wesley at Virginia Tech (and 2 in this past year) where if it were not for Wesley, students have said they would no longer be alive. Even if it is not a matter of life and death for all students, it is something that all students need to walk the journey of faith, school, relationships, call and vocation, and identity. Here is a student’s perspective on this question:

*“I was done with the Church prior to going to college, but if it weren’t for Wesley at VT, and the community within it, I would have ended my life due to events that transpired my first semester of college. I am here today because of campus ministry.”—Freshman*

Do we need campus ministry in our AC? If we are being real about keeping young adults in the Church, then campus ministry is vital in this endeavor! We already see our youth leave for college or the workplace and never return to church. At Wesley our vision, “to be an affirming, grace-filled community that develops and sends our disciples rooted in faith,” directly relates to connecting our graduates to local church ministry in the UMC. Campus Ministry is, in our

“Connection,” the connecting point from youth group to local churches during the young adult years. Our failure to connect our youth to our UNITED METHODIST campus ministries (emphasis is important) for a long time and it shows in the lack of young leaders in our churches. If we do this well, then, I believe, we will see our Connection working the way it is intended.

*“During my undergraduate studies, Wesley at Virginia Tech gave me a strong community of friends, a safe and supportive place to land in between classes, and introduced me to worship and leadership opportunities in the local United Methodist Church. I know firsthand that many of my peers would never have set foot back in the church if they didn’t find a home at Wesley first.”*

Do we need to have buildings for campus ministry? Our campus ministry building (which sits on the very edge of campus – a dorm is across the street) has over 100 students (some repeats) coming in and out of our building every day! Our building has students who come to eat together, study, sleep, have small groups, participate in events, worship weekly, pray together, get pastoral care, be in mission with the community (food pantry), put on youth retreats for our District, and so much more. It is used ALL DAY EVERYDAY for numerous ministry opportunities! So, yes, having a building is important for students to have a place to do ministry and be in community.

*“Campus Ministry, and the Wesley Building, has allowed me to grow in my faith and stay in the Church when I thought I would leave it forever because there wasn’t a space for me. But it is a safe place I go to question, doubt, and struggle with others in Christian community.” – Junior*

What are the “payouts” of campus ministry? We are reaching unchurched, those who left the church, and students who love the church as we develop disciples of Jesus, that are young adults, eager to lead the UMC in our local churches. We are the connecting young adults back into our local churches.

*– Bret Gresham, Campus Minister*

## The Wesley Foundation at William & Mary

I could not be prouder of our students, board, and community. Because of the amazing support and commitment of so many, we live out God’s call powerfully, no matter what the circumstances. All of this is possible because we are clear on who God is calling us to be, and we continue to follow God’s vision for us. Wesley continues to be a vital ministry and lifeline for many students, with a variety of ministries, all focused on meeting students where they are and just the way they are. Throughout each week, students have a variety of ways to connect and grow in faith and community.

With all our ministries, Wesley continues to have thousands of interactions with students, as well as faculty and staff, each year. Since January 2020, the Wesley House has continuously provided housing for students. When the campus is open, we are housing the students who have applied, interviewed, and been accepted to live at Wesley. When campus is closed to residents, we are full of students who do not have a safe place to live with the dorms shut down. With these students, we are not only providing housing, but groceries, transportation, and vital community for folks who do not have a network of support. When there are more students than we can house, we network with trusted folks in the community to find them housing.

Wesley is not only about impacting the students but the entire campus community. For example, Wesley played a key role in supporting an incredible coalition of food service workers, students, faculty, staff, community faith leaders, union organizers, and the Virginia Interfaith Center for Public Policy in supporting the food service workers in forming a union for the first time in history. The result is \$3 per hour raises, union health insurance, and a pension in their first union contract. There were workers who had been at the college for over forty years, making \$15.50 an hour with no benefits. I was so proud to see so many UMC clergy supporting this effort, including Rev. Dave Rochford, Bishop Pete Weaver, and Rev. Charles Swadley.

Wesley continues to be the main support on campus for many students who are LGBTQIA+, providing housing, transportation, food, and community for students who are marginalized in a variety of ways. Furthermore, as a result of our work to alleviate food insecurity, a new student group formed on campus this year, Food for All, that is working holistically to eliminate food insecurity. They even won a grant that resulted in Wesley now having a commercial fridge to store perishable food items. We can help more students than ever as a result.

But don’t take my word for it; listen to what one student, new to Wesley, has to say: “I was struck by the warm, welcoming, unconditionally accepting atmosphere of the group. I was impressed by how meetings managed to blend

lighthearted fun and friendship, and serious conversations, and I left them all feeling both joyful and contemplative. I was also really moved by how the Wesley House functions as a campus pantry and as a sanctuary for students who don't have anywhere else to go. Above all, I really liked Wesley's attitude of striving to do good without being self-congratulatory, always exploring the systemic roots of issues, embracing Christian values of doing good while examining how Christianity has been used for nefarious purposes and emphasizing "loving your neighbor" while taking a stand against injustice and discrimination." Thanks so much for continuing to empower our students to transform the campus and the community!

## Rise U/Rise United Methodist Faith Community

The 2022-2023 academic year could be summed up in one word: "renewed." As a faith community, we have experienced renewed energy, renewed hope, and renewed leadership this year. We are grateful for a revitalized community with an emerging sense of purpose and direction. This year, our leadership team has talked a lot about living in the metaphorical "laboratory," a space where leaders are willing to experiment with new ideas, programs, and events. This takes immense bravery and courage, and a willingness to fail sometimes. We're learning a lot, and we give thanks for the committed team of college students and staff members who are willing to commit their time, energy and passion as we journey together.

Spring of 2022 was deeply traumatic for RISE. We were feeling hopeful as we began to close the Covid chapter, and instead we were met with tragedy. In the span of three months, three suicides occurred on the JMU Campus. Additionally, Bridgewater College experienced a school shooting. As a faith community, we were lost, confused, and traumatized. Yet, in this pain, we found hope. We held trauma-informed workshops for students, we intentionally gathered for ongoing processing, and a nonprofit came out of this pain. This season taught us a great deal about our collective need for connection and community, and it led us to launch a nonprofit called The Struggle Bus - a literal vehicle for hope, resilience, and God's everlasting love. The Struggle Bus received a grant from Young People's Ministries (part of Discipleship Ministries of the UMC). The Struggle Bus has offered renewed hope in a time of intense and immense trauma and loss. We look forward to offering more updates about this initiative in the future (check out [strugglebushburg.com](http://strugglebushburg.com) for more information).

In the fall of 2022, we relaunched a revitalized college leadership team for the first time in several years. We gathered a team of six committed students and spent 2+ hours every week together relationship building, trust building, and dreaming about the future of RISE. A number of college students also went on a fall retreat just outside of Harrisonburg, VA. We spent the weekend on a mountaintop exploring the ideas of holy rest and authentic sharing in community. This semester, we continued to have a student-led weekly devotional time on campus and students took over leading our weekly Dinner Church. We also launched a program called the Influencer Initiative, where we paired up college students with community members as a mentorship program. We intentionally chose the language of "influencer" over "mentor" as that would resonate with Gen Z college folks better than "mentor." In this launch semester, we had 6 pairings. We celebrate a renewed sense of vision and purpose as we empower students to lead the ministry in various ways.

As we transitioned into the spring 2023 semester, another student took on leading our regular evening small group. We continue to have a strong leadership team, composed mostly of college aged folks. A main highlight of this semester was a Taco Tuesday Kickoff Event. Originally, we were going to have it at the RISE Homepage. However, the event fell on a particularly cold and rainy evening, and a number of students texted saying that they couldn't attend for various reasons. Instead of canceling the event, we pivoted and offered to deliver tacos to students. This resulted in numerous students signing up for taco deliveries and several new students requested to eat together on campus despite the weather. While it wasn't the kickoff event we'd planned and prayed for, the ability to pivot resulted in a much more fruitful experience. Sometimes God's love looks like tacos coming to a student's apartment on a cold, rainy January evening! This semester we also will attend our first alternative spring break trip in several years. We will be going to Baltimore, MD with ARISE Campus Ministry at George Mason University. Several newly connected students have signed up for this trip and we celebrate the new connections.

On a personal note, working in Campus Ministry for the past 2.5 years has helped me more fully understand my calling to full-time ordained ministry. I will be leaving RISE this summer to fully live into this call and prepare to attend Seminary full time at Wesley Theological Seminary. I would not have fully understood this calling if it weren't for the

ability to work in Campus Ministry. I am indescribably grateful for the ongoing support of the Annual Conference (so is the rest of RISE). We celebrate the renewed energy, hope, and leadership that we have experienced in the past year, and we trust that the Holy Spirit will guide and encourage us on this journey in this next year.

## **ECUMENICAL CAMPUS MINISTRIES**

### **ARISE at George Mason University**

The past academic year at Arise Campus Ministry has been one of resolve and excitement. We continue to serve students and staff at both George Mason University and Northern Virginia Community Colleges. We currently have four life-groups that meet throughout the week and minister to a growing number of students. These life-groups study the Bible, grow together, and encourage one another. They also serve the community and offer leadership and model faithful care and commitment to others attending our university. We have helped feed students on campus who struggle with food insecurity, serve those in our community through hypothermia shelters, care for children who need weekend meals, advocate for racial justice, and stand firm in our commitment for full inclusion of all of God’s children.

We want to say thank you to all the members of the Virginia Annual Conference. Your support, encouragement, and standing for full inclusion of all persons in the United Methodist Church has kept myself, and our students encouraged and inspired. Your bravery, your love, and your witness has meant so much to our campus ministry. It is no surprise that since January 1, 2023, we have 3 students who are now ready to discern a call to ordained ministry. Even when some “leaders” tried to deny the humanity and God’s call in our students, you stood up and helped these students remember that God does the calling and God is not done with them yet. Thank you for your bravery and thank you for your continued commitment to stand up against all oppression, evil and injustice in whatever forms they show themselves. Let us continue to stand together because it matters, you matter and what we do as an Annual Conference matters.

*–Drew Ensz, Ministry Director*

## **Campus Christian Community at the University of Mary Washington**

This past year at the Campus Christian Community (CCC) has provided many aspects of growth, discipleship, and fellowship. We are thankful for the continued support of the BHECM as well as our many other supporters that continue to see the importance of investing in Campus Ministry. The Board of Directors continues to work to lead the CCC and invest in the lives of the students.

This past year we have seen a large senior class come up that graduates in May 2023, many of which have been involved for several years. Often, college focuses a lot on the transition into college and doesn’t spend much time thinking about the transition out of college. Therefore, we partnered with another campus ministry to offer senior dinner and conversations where we talk about how they feel about graduating and address various topics they are concerned about as they approach graduation.

We also have partnered with our sister campus ministry and began implementing Faculty and Staff “get-togethers” to bring together faculty and staff that are connected to the supporting churches of our ministries. This has been such a joy and blessing to create space for them to come and talk about faith, vocation, and other connections they have as employees of the university.

We continue to encounter new students and find ways to connect on campus with various groups and organizations. This past year we have studied the prophets and the book of Matthew in our Bible Studies at the CCC. Bible Study is a great time for students to have conversations and ask questions about faith and life as we encounter God through scripture. One of our most attended weekly events is Table Talk on Thursday evenings. We gather for dinner, conversation, and then either worship or an activity. This past year we have been so thankful to bring back our supporting churches to come and provide the meals for students! This is a great opportunity for students to meet congregants of the supporting

churches and also for the congregants to get to spend time getting to know the college students!

Overall, we are thankful for the support of many and are excited to see where God leads us in the upcoming year!

## Community College Ministries of Southwest Virginia

Community College Ministries was launched by the Virginia Conference of the United Methodist Church and five other church organizations on January 24, 1984, in response to the rapid growth of community colleges in Virginia and the need for ministry specifically with that student population. The number of full-time equivalent students enrolled in the community colleges we serve this academic year is over 26,000. Our mission is to share the love and compassion of Jesus Christ with community college students and support them in their personal, spiritual, educational, family, and job environment. One of the first and continuing ministries is Alliance for Excellence. With leadership in 1986 from the Reverend Willie Butler (UMC) and the Reverend James Ephraim (PCUSA) and with a generous grant from EMLC of GBGM and the PCUSA's Martin Luther King, Jr., Fund for Self-Determination, Alliance for Excellence became a vital partnership among area Black churches and community colleges. The goal was to bridge the 50% gap in educational participation of Black and White students and sustain more equitable and supportive participation in post-secondary education. In 2018, Alliance for Excellence, teamed with the Office of Racial Healing at Duke University to sponsor racial healing circles. That year, over two hundred people assembled at Virginia Western Community College (top) to celebrate over 30 years of ministries sponsored by Community College Ministries. From 1984 to 2018, over 30,000 young people have offered or benefited from programs of Community College Ministries as disciples of Jesus Christ. Another need we discovered were the challenges faced by rising college students coming out of foster care homes and institutions so in 2018 we started working with Open Table, United Methodist Family Services, and the colleges' Great Expectations. Since our inception, Community College Ministries has not only been a ministry of outreach, but also a ministry of hosting. We have hosted mission volunteer groups to work in our communities, namely those struggling economically in the Appalachian counties of southwestern Virginia. Aging mining families could not afford to do even modest improvements on their homes and so we teamed with Grace House on the Mountain and the Bins-Counts Center near St. Paul, Virginia, on home repair and winterization. Community College Ministries and Pearisburg Presbyterian Church also teamed to offer retreats in the natural sanctuaries of the New River Valley. The campus minister, Steve Darr, has also supplied pastoral services at First UMC of Pembroke, Asbury UMC in Christiansburg, Park UMC in Christiansburg, Pearisburg Presbyterian Church, Christiansburg Presbyterian, and the Presbyterian Church of Radford. We also hope to reinstate "Rally in the Valley" gathering of college fellowship groups to inspire a kindred fellowship among diverse groups. Sandy Saunders of Danville is president of our board of directors. Muriel Mickles of Lynchburg is our vice-president. There's lots more. Please contact us about a presentation to your church or church group. We would love to share our story. "

–Steve Darr, Campus Minister

## Wesley-Westminster Foundation at Norfolk State University

The Wesley-Westminster Foundation (WWF) at Norfolk State University (NSU) is grateful for the continued support of the Virginia Annual Conference and the Coastal Virginia District. WWF Campus Ministry is an ecumenical ministry of the United Methodist and Presbyterian Churches seeking to impact the College, the Community, and the Current Culture with Christian Principles, Open Hearts, and Open Minds. This ministry continues to be the largest and most active campus ministry at NSU. It is our desire that we provide a safe place to explore and to experience one's faith, while offering a respectful and non-threatening environment of love, service to others and learning.

We made it through the worst of Covid and are now happily able to meet in person regularly. Our semester began with one of the most successful Back to School Cookouts yet. Serving more than 150 students, staff and community members made our day. This kick-off to the new school year helped to jump start our efforts to reach more students and neighbors. As a result, several children from the community share with us weekly. We offer tutoring, mentoring and meals to these young people who attend area elementary and middle schools. In addition, these young people often join

us for our weekly Bible Study and dinner held each Wednesday.

Additionally, students designed P.A.P. (Prayer and Praise) Tuesdays for those who have class Wednesday evenings and cannot attend Bible Study. This is a time of prayer and contemplation followed by lunch. This year's Thanksgiving Dinner was amazing. We were able to serve more than 120 homecooked meals. During our Spiritual Retreat for our students, we had several presenters, a masseuse, a trauma therapist, and a counselor present. District Superintendent Cecilia Brooks extended the invitation, and it was my pleasure to bring greetings to the Coastal Virginia District sharing the work and the witness of WWF Campus Ministry.

Our partnerships have allowed us to distribute more than 2 thousand pounds of fresh produce to food insecure families. The food donations have also helped us with our weekly meals served at the Campus House. Students assist in community outreach as well. Several students help two churches with their food pantry as well as our continued efforts to provide meals to the homeless. As a ministry we donated cereal and toiletry items to Slover Library and participated in Unite Slover's Black History Program. Rev. Greg West joined us as a guest Bible Study teacher and captured our hearts with a new love for small group ministry.

Students love WWF Campus Ministry and thank you for your commitment and dedication to their spiritual growth and development. They eagerly show up week after week hungry and passionate chasing after Christ.

## BOARD OF LAITY

The Board of Laity has focused much time and attention on living into district structure and leadership changes following action of the 2022 Annual Conference. District Lay Leaders and Associates have been looking at new ways to strengthen communication networks, create and offer resources, and support new expressions of our connectional ministry and mission. In October 2022, a second retreat of the District Lay Leaders, Associates, and District Superintendents was held virtually. The retreat focused on the adaptive leadership skills needed for this time in the life of our denomination. District Lay Leaders and Associates have continued to meet quarterly with Bishop Lewis and Bishop Hauptert-Johnson as the Lay Council, offering a time for conversation and questions directly with the Bishop. There are three objectives of the Lay Council: (1) enhance communication, (2) support our efforts to share vital information with the local churches, and (3) provide opportunities to learn directly from the Bishop, the Connectional Ministries team and other Conference staff. A true highlight of the year was the first in-person meeting since early 2020 of the Board of Laity on March 4th.

Our Conference Lay Servant Ministry (LSM) team under the direction of Richard Spiers, Conference Director of Lay Servant Ministries, has been actively providing training throughout the year. Several districts have held both online and in-person training with over 150 completing the basic and advanced LSM courses. Two Conference Lay Servant Academy events were held this year: one hybrid and one in-person event. Over 180 laity participated in these Academy sessions. A highlight of the February 2022 event was an advanced course led by Rev. Dr. Michael Beck, Fresh Expressions United Methodist Strategist with Discipleship Ministries. Trained laity are critical in the life of our church, assisting pastors in leading worship, teaching Bible studies and Sunday School, leading small groups, offering congregational care, and leading mission teams.

In August 2022, Rev. Dr. Joanna Dietz and Ms. Jenn Robinson-O'Brien began leading the Certified Lay Minister (CLM) training program specifically for laity of the Virginia Conference. The program requires successful completion of four training modules. The first cohort of 16 individuals seeking to become CLMs began Module One of the training in the fall and started Module Two in February. A second cohort of 14 individuals began Module One in March. It has been amazing to see the interest and power of this training which has included individuals from every district. Much appreciation and gratitude are given for the vision and leadership of Rev. Dr. Dietz and Ms. Robinson-O'Brien with the Virginia Conference CLM program. This will be a growing part of our lay ministry efforts as today there are over 50 laity filling pulpits as Lay Supply, serving as CLMs or CLMs in training. This movement takes us back to our Wesleyan roots.

As our denominational and conference UMC Scouting Leadership Teams continue to address how best to structure The UMC's relationship with scouting over the long term, it is important to share some of the positive impacts of Scouting Ministries over the last year. Scouting Coordinators and leaders from The UMC were asked by the Philmont

Scout Ranch BSA (Boy Scouts of America) near Cimarron, New Mexico, to revitalize the outdoor chapels at the base location. Bill Chaffin, Conference Director of Scouting, was honored to assemble and lead that effort. Eighteen Scouters, three from Virginia, traveled to Philmont in September to update the two outdoor Protestant chapels. The next BSA National Jamboree will be held July 19-28 at Bechtel Summit near Beckley, West Virginia. This site was home to the last National Jamboree and the last World Jamboree (WSJ24). The UMC, including the Virginia Conference, will once again have a strong presence there. This year, the Girl Scouts of the USA is celebrating its 100th anniversary relationship with The UMC. It was 1913 when the second Girl Scout troop was formed at Hyde Park Methodist Church in Tampa, Florida. Today United Methodist churches across the United States partner with Girl Scouts to reach out to communities and young women. The UMC Scouting community continues to work at building and renewing relationships between our youth and the churches with which we have partnered. The 12th Point of the Scout Law is “A Scout is reverent.” The Girl Scout Promise states “I will try to serve God and my country.” The fundamental relationship to God remains steadfast.

On behalf of the Board of Laity, thank you for all that you do as authentic followers of Jesus Christ to continually grow in your faith, to make disciples, to multiply leaders and to transform the world.

– Martha E. Stokes, Conference Lay Leader

## UNITED WOMEN IN FAITH

As of January 1st, the Virginia Conference United Women in Faith has successfully reorganized into the eight districts of the Virginia Conference. Our ladies are not only resilient but are committed and determined to follow their 154 years of legacy serving women, children, and youth.

Our women faced the renaming of our organization from United Methodist Women to United Women in Faith in March 2022, a process which contained a mixture of both bitter-sweetness and forward-thinking. Then in June, the membership faced yet another challenge precipitated by the District Initiative. All in all, our ladies faced these two upsets by righting our ship and moving toward the light of Jesus Christ with faith, hope, and love.

Continuing to respect both the seriousness of the pandemic and recognizing that our mission to “seek to connect and nurture women through Christian spiritual formation, leadership development, creative fellowship, and education so that they can inspire, influence, and impact local and global communities” encouraged the development of opportunities for our members to experience the Spiritual Life Retreat, the Pre-Annual Conference Brunch, Mission Encounter, the Young Women’s Retreat, and the 50th Annual Meeting. In addition, the quadrennial Assembly 2022 was held in May both by Zoom and in Orlando, Florida.

We are both dedicated and encouraged, decisive and enlightened to be a community of women, knowing God and experiencing freedom, developing creative and supportive fellowship, and expanding and witnessing mission. Thanks be to God; we are United Women in Faith.

–Nancy Walsh, President

## COMMISSION ON DISABILITIES

Members of the Commission On Disabilities (COD) committee continue to uphold their mission statement by providing advocacy, education, and direct service on behalf of persons with challenging conditions. We affirm the responsibilities of the Church to be in ministry in the life of the local church and the VA Annual Conference with all persons regardless of their physical and/or mental conditions.

The Commission is comprised of Virginia Conference clergy and laity members who meet three times per calendar year. Included in our membership are representatives from the Camp Rainbow committee and the Heart Havens Advance Special Mission.

Annually, we provide grants for local churches to help with church programs and accessibilities to their buildings and we share this information on the VA Conference website and at Annual Conference at our table in the exhibit room. This year we approved multiple Accessibility grants for local churches to assist with improving their facility accessibility and

related church programs.

We would like to thank all our clergy and laity for their continued support of the COD committee. If you are interested in becoming a member of the COD or have questions about the work that we do please feel to reach out to one of our members.

– Claire B. Miller, Chair

## THE COMMISSION ON ETHNIC MINORITY CONCERNS AND ADVOCACY (CEMCA)

The Commission on Ethnic Minority Concerns and Advocacy (CEMCA) is called to advocate for the full and equal participation of all ethnic and racial constituents in the life and mission of the Virginia Annual Conference, to be a voice to the church for their concerns, and to guide the Conference in its fight against all forms of evil including racism.

In our meetings and ongoing work, we represent and listen to the voices of African American, Asian American, Hispanic/Latinx, and Native American Ministries. We continue to address our charge to voice the needs and concerns of ethnic clergy, laity, and local congregations, communicating them to the Conference and its leadership. We provide a forum for listening to ethnic minority concerns in our churches and our world, praying for guidance from the Holy Spirit to confront the sin of racism in the church, the nation, and the world.

We believe that the United Methodist Church in Virginia is uniquely positioned to catalyze consciousness and reconciliation, given its institutional resources and membership that crosses racial and cultural lines and includes grassroots and elites in its congregations. The Commission has prioritized improving our organization by creating steering and communications committees. We are meeting with Bishop Sue Hauptert-Johnson, providing a voice for racial and ethnic concerns at the Common Table and the Conference Nominating Committee, and trying to increase participation of and support for ethnic members.

We continue our Annual Conference monitoring efforts in collaboration with COSROW to ensure that all voices are represented. We are strategizing to discern the best way to listen, analyze, educate, and mobilize our local churches and congregants to complement larger cultural discussions of justice (e.g., heritage months and discourse around race) and listen to God's guidance. We are analyzing the results from a series of meetings with pastors to respond better to their concerns and support efforts to prepare pastors and congregations for cross-racial, cross-cultural appointments.

Native American Ministries Sunday is being highlighted this year as a model for how we might communicate more effectively with our local churches and provide resources and a forum for celebrating our diverse spiritual heritages.

Our constituent ministries have made significant contributions this year:

**African American Ministries:** The Virginia Chapter of the Black Methodists for Church Renewal (BMCR) and Bishop Sharma Lewis hosted the Southeastern Jurisdiction BMCR Annual meeting with the theme: A Woke Black Church: Reminiscent, Intergenerational, and Resilient. The various workshops, listening sessions, and worship encounters blessed over 200 Black Methodists from across the Southeast. Workshop topics included intergenerational ministry and leadership, Pan-Methodism, and Racial Healing. This year's HBCU highlight was Paine College from Augusta, Georgia, whose choir entertained us, and president, Dr. Cheryl Evans Jones inspired us.

**Asian-American Ministries:** The Asian American Minister's Association (AAMA) was full of renewed activity and energy with an annual banquet; a clergy family retreat with 104 attendees gathering for worship, prayer, workshops, games, fellowship, and meals; and an event for our clergy family youth. We had an information session for individuals pursuing ordination, and the executive team met monthly to pray, reflect, and plan. AAMA looks forward to supporting all Asian American clergy and families with resourcing and support to be more fruitful in our ministry and mission.

**Latino Ministries:** The new leadership team of the Latino Clergy Caucus has addressed isolation and disconnection caused by the pandemic, holding clergy-family retreats in the fall and spring with relaxation and training, and a monthly prayer time on Zoom. They have supported members in their education and training and are working to create a cohesive and connected group eager to take risks and dreams only possible with God.

**Native American Ministries:** hosted four virtual events and two in-person gatherings. These events were international in scope, focusing on boarding school memories. On the Tuscarora reservation, these efforts began a memorial to the children who died in boarding schools. Elders shared memories of boarding schools at all events.

In the past year, we have heard about disaffiliating, hurt communities, and disunity in the body. It is our prayer and our task that one day we may come together in unity and support all the least, last, and left behind..., a.k.a. minorities of any kind.

We look forward to serving our ethnic minority communities and educating ourselves and the broader conference about racial justice and diversity issues in the coming year.

– Eduardo Carrillo (Clergy) and Lester Kurtz (Laity), Co-Chairs

## CAMP RAINBOW CONNECTION

We are overjoyed to share that Camp Rainbow Connection will return this year to Richard Bland College in Petersburg, VA July 15-21, 2023. The staff and volunteers of CRC are dedicated to providing a wonderful and enriching summer program for each camper, along with a week of respite for families and caregivers. Campers participate in a variety of activities including Bible class, music, science, arts and crafts, games, dancing and special activities. Our mission is one of healing and acceptance towards all God's people. Because we are a ministry of the Virginia Conference of the UMC, participation of people of all backgrounds, ability levels, heritages and faiths is encouraged. Our theme this year is "Our God is Dino-Mighty!" and we can't wait to experience the love of God with each other while we're together.

## AMAZING THINGS HAPPEN AT GOD’S HOUSE

Located in a low- to moderate-income neighborhood in the heart of one of Waynesboro’s most active, socially diverse communities, Embrace is a holy resource dedicated for the equipping of God’s people and revelation of God’s Kingdom on earth. We view the Embrace campus as God’s house, complete with a big lawn and garden.

**Interior:** Our spaces are multi-functional, accommodating the changing needs of a vibrant family. The **sanctuary** is filled with tables and chairs and serves as **community gathering space** where all of God’s children are welcome to live, love, learn, eat, and worship — quite literally — around God’s table. A **food pharmacy and market** is being constructed in the space to nourish bodies as well as souls. Three **classrooms** house a **clothing ministry and hair salon**. A **conference room** is home for a **community partner** that serves our immigrant neighbors. A **laundry center** has been added to the **kitchen**, and a **prayer nook** added to the **pantry**. The hallway houses a small **cafe**, and a coat area is now a **coffee-and-conversation nook**. And the entire building hosts **weekly free medical clinics**.

**Exterior:** A 2.5-acre yard has become a **neighborhood park and urban agrihood**. Our **Community Garden** provides 3,600+ pounds of food for hungry neighbors, while our **prayer labyrinth** is a place of peace. A **natural park** and **therapy garden** is currently being installed by local college students, and a local agricultural non-profit is expanding their pumpkin patch into a full-scale **urban farm**.

**Shared Commitment:** Embrace brings neighbors and more than 30 community partners together to share hope, including: Allegheny Mountain Institute, Augusta County Schools, Augusta Health, Blue Ridge Area Food Bank, City of Waynesboro, Futuro Latino, Head Start, Office on Youth, Promotores de Salud, Sin Barreras, Virginia Cooperative Extension, Virginia Department of Health, Virginia Tech, Valley Community Services Board, Waynesboro City Public Schools, and dozens of churches and businesses.

## Mission Outpost, Mission Laboratory & Incubator

As the Valley Ridge District’s Mission Outpost, Embrace is a place where new models of ministry and worship are cultivated, a community cared for and strengthened, and the greater church comes to try new things, learn new lessons, and be re-invigorated. At Embrace, **the church explores new ways of being** in relationship with each other as the body of Christ and being in relationship as that body with our neighbors and our world. Through service to our neighbors, hands-on learning opportunities, and publication of our discoveries, we are committed to sharing what we learn with the church. As we explore and embrace a life of learning and service together, we are **equipped to be disciple-makers as we work alongside Jesus Christ for the transformation of the world**.

## GRACEINSIDE

On January 17, 2023, GraceInside celebrated 103 years of missional ministry to incarcerated men and women in Virginia’s state correctional facilities. Our ministry was originally founded in 1920 by seven Protestant Christian denominations – including Methodists – in order to assign Chaplains to the state prisons (something that can’t be provided or compensated with taxpayer monies per Virginia’s state constitution). GraceInside Chaplains are ambassadors for Jesus Christ, helping to change hearts and to bring new life and hope to the all too often forgotten “least of these” through God’s amazing grace. For over a century these committed and passionate Servants of God have preached, led worship

services, taught the Bible, disciplined believers in the “Inside Church”, baptized, served Holy Communion, provided pastoral and crisis care/counseling, recruited/trained/coordinated religious volunteers, etc.

Our Chaplains also serve as the Religious/Faith-Based Program Coordinators/Department Heads at the correctional facilities where they are assigned. In this role, they minister to the spiritual needs and advocate for the religious and human rights of inmates of all faiths and ensure equal meeting time/space/materials and volunteers for all faith groups. GraceInside currently has 33 Chaplains, serving at all 42 Virginia state correctional facilities, ministering to nearly 24,000 inmates. Our ministry simply wouldn’t have survived and wouldn’t have continued to exist had it not been for the committed, generous and unfailing financial support of the Virginia Conference of the United Methodist Church (which to this day remains our top denominational/judicatory funding body).

We praise God for providing new ways for our Chaplains to reach out to and to minister to the state’s incarcerated men and women during the COVID-19 pandemic, even during its height, when all programs were temporarily suspended and our Chaplains and religious volunteers couldn’t enter the prisons. Bags of paper mail went back and forth between the Chaplains and inmates twice a week – transferred right at the front gates of the prisons. Our Chaplains for the first time ever were able to email each and every inmate at their assigned facilities in order to accept prayer requests and to provide counsel and encouragement. Inmates that experienced illnesses/deaths in their families were allowed by the Wardens to have crisis phone calls with their Chaplains on special lines and in private spaces. A newly expanded closed circuit TV system was installed in all of the prisons on which to show religious programs and services on DVD.

We are happy to report that during 2022-2023 our Chaplains physically returned to the prisons, and religious services and programs gradually began again. Hundreds of faithful religious volunteers also returned to help minister to the inmates. Truly, prison ministry in Virginia’s state prisons “began anew” – and Virginia Conference United Methodists were at the forefront in making this happen (unfailing in your prayers, financial support of our Chaplains and now again in stepping up to volunteer again in this unique mission field). Hallelujah! With your help and support, GraceInside was able to send a small group of Chaplains to the Annual Meeting of the Correctional Ministries & Chaplains Association (CMCA) in March 2022 in New Orleans, LA, where they were able to learn from and network with state Chaplains and representatives from national ministries like Kairos and Prison Fellowship. Then came an event that we had all longed for over the previous three years. In November 2022, all 33 Chaplains came together once again for our Annual Fall Training Retreat at the Roslyn Retreat Center in Richmond to reset, renew and refresh. These three special days allowed the Chaplains to reconnect with one another, to fellowship, to worship, to pray together, and to receive excellent training to renew their knowledge and skills post-pandemic. What a blessing!

Truly our spiritual “tanks” have been “refilled” by the Holy Spirit, and with your faithful prayers, financial support and volunteerism we are ready to move forward with our unique ministry. Many thanks to each and every one of you – our Virginia Conference United Methodist Brothers and Sisters – for allowing us to be your missionaries in Virginia’s state prisons!

*– J. Randy Myers, President*

## **SOCIETY OF ST. ANDREW**

Over the last 44 years, the Virginia Conference has been an important partner in the work of the Society of St. Andrew. In that time, you’ve helped SoSA grow from a home-based intentional Christian community to a nation-wide gleaning and food recovery network that has engaged more than a half million volunteers in simple hands-on service to feed hungry neighbors. Thank you for being part of this ministry from its inception, for sharing with us a vision for a world without hunger, in which faith and stewardship meet God’s abundance—and good food is shared with people in greatest need every day.

In 2022, 299 Virginia congregations provided financial support to the Society of St. Andrew. 24 congregations and more than 1,450 Virginia United Methodists took part in “crop drops” or field gleaning.

Through the Virginia Gleaning Network, the Potato & Produce Project, 217 feeding agencies (soup kitchens, shelters, emergency food assistance programs, food pantries, and large food banks) across the state received more than 4.1 million pounds of nourishing food to share with their clients—providing more than 16.4 million servings of health and hope to our hungry brothers and sisters. The Seed Project (a “hand up” endeavor that provides seed potatoes and vegetable seeds to poor, land-owning Appalachian families) shared an additional 3.3 million servings of good food with hungry Virginians. All this is work made possible because you care.

Nationwide, 20.7 million pounds of food (82.8 million servings) reached millions of hungry Americans in 2022 through the work of the Society of St. Andrew, through crops donated by more than 854 farmers/producers and through the gleanings and volunteer efforts of 17,550+ individuals. The Board of Directors is actively working to build the capacity in both funding and partnerships with farmers and feeding agencies to expand SoSA's work into new areas over the next few years. United Methodist congregations across the United States will be integral to SoSA's growth, and the Virginia Conference has paved the way for relationships that now extend across the continent.

We're grateful for all the Virginia Conference congregations that join with the Society of St. Andrew through its spiritual life programs, including seasonal devotional materials, Vacation Bible School curriculum, and Bible studies. In 2022, 16 Virginia congregations participated in SoSA's "Abundance Orchard" VBS; 270 congregations used SoSA's Advent devotional resources, and 252 congregations utilized SoSA's Lenten devotions or Good Friday Fast programs. We look forward to bringing back SoSA's longstanding Harvest of Hope mission workcamp program in 2023, including events on at Camp Occohannock on the Bay.

The Society of St. Andrew's mission fields are just that, fields and orchards. The need for volunteers throughout the year is great, and the opportunities are plentiful. Congregations that partner with SoSA have found the partnerships transformative, spurring deeper faith, greater support for local missions, and an abiding concern for those our Savior called "the least of these."

**BOARD OF ORDAINED MINISTRY**

Like churches coming out of the pandemic, the Board of Ordained Ministry (BOM) is envisioning what our credentialing process should look like in our rapidly changing world. In July of 2022, members of VA BOM participated in a Mastermind Cohort with 3 other Conference's to evaluate current interview processes and requirements while dreaming of new ways to meet the ministerial needs of the local church, our communities, and the conference. We also explored ways to grow the cultural competency of the BOM, dcom's and the Annual Conference. At our 3 full board meetings, BOM members brainstormed new structures and processes for the 8 District Committees of Ordained Ministry, what

tracks are needed for credentialing across callings of ministry in the local church and beyond, as well as developed a Day of Discernment Retreat for approved candidates in the provisional and associate membership process. We look forward to fleshing out these dreams and new processes for the 2024 – 2028 quadrennium.

The Provisional Membership Team coordinated mentor covenant groups for provisional elders/deacons and hosted 2 provisional residency events at Roslyn Retreat Center. The July 2022 event was on “Proclaiming the Good News” with Rev. Drew Colby and the May 2023 event was on “Trauma Informed Ministry” led by Rev. Dr. Kimberly Wanger. The Cross Racial/Cross Cultural Team developed a training for clergy, churches, boards or agencies to grow their cultural competency and prepare for cross racial appointments. The Spiritual Formation Team held 3 different Soul Care retreats for the rest, renewal, and revitalization of our clergy and continues to lead Simple Presence - 20 minutes of prayer via zoom every weekday at 6 am where clergy and laity across the conference gather for scripture and pray for the conference, clergy, laity and candidates for ministry. The Fellowship of Local Pastors and Associate Ministers met for the first time since the pandemic and developed plans for a retreat and continuing support. There are Gatherings planned for extension ministers, campus ministers, ordinands, and dCOMs just to name a few.

In November 2022, the Center for Clergy Excellence welcomed Rev. Lyn Harding as the full time Administrative Coordinator. We are grateful for the difference she has already made in our work. We continue in gratitude for the ministry of Rev. Jessie Colwell, Director and Rev. Crystal Sygeel, Associate Director of Call and Candidacy. I continue to be awed by and grateful for the laity and clergy of BOM who continually give of themselves to the work of the Holy Spirit in our midst.

– Tammy L. Estep, Chair

## COMMITTEE ON EPISCOPACY

The Committee on Episcopacy (COE) is responsible for the review and evaluation of the resident bishop as required by the *Book of Discipline*. A process for this review has been created and is used by all Conferences in the Southeastern Jurisdiction (SEJ). The Virginia Conference COE will meet with Bishop Sue Hauptert-Johnson at least two or three times a year to engage in conversation around this process and discuss matters present in the Virginia Annual Conference and larger connection. The COE communicates the results and insights of this review with the SEJ COE for use in their assignment process.

At the time of this writing we the Virginia Annual Conference have just welcomed, January 1, 2023, our new bishop Bishop Sue Hauptert-Johnson assigned to Virginia November 2022 at the Southeastern Jurisdiction meeting in Lake Junaluska, N.C. We are looking forward to her ministry with us. Our committee has met with Bishop Sue to introduce ourselves and we all look forward to getting to know her better.

– Warren R. Harper, Chair

## BOARD OF TRUSTEES

The Virginia Conference Board of Trustees held their two regularly scheduled meetings in September 2022 and March of 2023. In addition, Special Called Meetings were held to address proposed requests from churches to exit the domination under *Book of Discipline* defined procedures.

The Board continues to address and process requests for disaffiliation under Paragraph 2553 of the 2016 *Book of Discipline* as amended in 2019. In addition to the two Special Annual Conferences that have been held to vote on these disaffiliations, we continue to process churches for the next two Special Annual Conference which will be held on May 6, 2023 and October 7, 2023. Paragraph 2553 sunsets as of 12/31/23 and the Board will await new legislation from the General Conference when it meets in 2024.

The Board is directly supported in our work by the Williams Mullen Law Firm, which provides expert legal services and counsel to the Board of Trustees in regards to church disaffiliations as well as other Board of Trustee and Annual Conference matters. We are especially grateful for the work of Andrew White and Charles Alvis of Williams Mullen who have provided invaluable counsel and services to the Board.

The Board continues its ongoing management of the Episcopal residence jointly with the Episcopal Residence Committee as well as the management of the Conference Center.

The current slate of officers for the Conference Board of Trustees is Kathy Lutman, President; Gene Cross, Vice President; Clyde Nelson, Secretary; David Dommissee, Treasurer.

The Board of Trustees mourns the loss of our long-time member and past President Carl Moravitz. Carl loved baseball, especially the Nat's and Celine Dion but mostly he loved his family, the United Methodist Church, and the Lord. He served all 3 exceptionally well even amid great personal loss and physical illness. While we will miss Carl's humor, intelligence, and kindness we rejoice that he has claimed the promise of resurrection and has been reunited with his beloved daughter Carla.

– Kathy Lutman, President

## UNITED METHODIST-RELATED SCHOOLS

### Ferrum College

Ferrum College is a private, Methodist Church-affiliated, liberal arts college serving a student body of more than 800. We are a dynamic learning community where students enter with promise and leave with purpose. The College lives out its traditional ideals of serving “Not Self, But Others” by providing outstanding educational opportunities to our diverse student body (63% of our students are Pell grant eligible, 99% receive tuition assistance; 25% of our students are the first in their families to pursue higher education.)

The College's primary accomplishments include having the second oldest environmental science program in the U.S., being the only private liberal arts college in Virginia to offer a degree in agriculture, and ongoing close ties to our community through service-oriented projects that add valuable experience to our students' educations, such as the water quality project at Smith Mountain Lake, which monitors the levels of bacteria, algae, and pollutants during the lake's peak use season to ensure public health and safety.

In 2022, the College began a significant expansion of its student support services to increase equity in education outcomes and increase student retention. Persistence to graduation was also addressed, assisted by a grant from the Jessie Ball duPont Fund. The grant will fund several initiatives including new and expanded programming to help students make the transition to college life. Special emphasis is being placed on first year and first-generation college students to intervene with early academic alerts, consistent advising, financial literacy instruction, and a student opportunity fund to help students experiencing sudden financial hardship to cover emergency costs.

To better meet students' emotional and mental health needs, federal funding was secured to empower the Office of Student Life and Engagement. Additional mental health staffing, centralizing of services, and increased wellness activities were provided to assist students. The funding was obtained through an Office of Postsecondary Education federal grant and Higher Education Emergency Relief Fund III - Supplemental Support under the American Rescue Plan for education stabilization.

The College continued its growth with two new graduate degree programs: a Master of Education (M.Ed.) in Curriculum and Instruction, and a Master of Science (M.S.) in Athletic

Coaching. Both programs are 100% online and can be completed in one year. The College boasts a 100% placement rate for its Teacher Education graduates, and athletics continues to be an integral part of the Ferrum College experience dating back to its time as a junior college.

Underscoring the strength of the College's Teacher Education program, the Council for the Accreditation of Educator Preparation (CAEP) granted accreditation to the program with no stipulations or areas for improvement through 2029. CAEP accreditation assures future teacher education majors at Ferrum College they will graduate prepared to teach effectively. After students complete their program, they receive a license or certificate for the state where they choose to teach.

The most significant changes over the past year have been personnel changes, including the departure of our former President, Dr. David L. Johns, who resigned from his position in November.

The College's Board of Trustees acted quickly to find an interim president, and selected Dr. Mirta Martin, who began her duties in advance of the Spring 2023 semester. Dr. Martin comes to Ferrum College from Fairmont University and has an extensive background in higher education. She is the College's second female president and is its first Latina president.

Lisa Bowling was named vice president of Institutional Advancement. Former Dean of the School of Arts and Sciences, Dr. Jason Powell has been promoted to assistant vice president for Academic Affairs. In addition, Dr. Martha Haley-Bowl-

ing has been promoted to dean of Graduate and Professional studies, and Dr. Tim Daniels has been promoted to dean of Undergraduate Studies.

In the short term, Dr. Martin will move strategically to leverage her professional network and build new connections to promote Ferrum College, strengthen programs, and attract and serve students who will benefit from the College's student-centered approach and array of academic supports.

With new leadership comes the need for some revisions to the College's Strategic Plan, and adjustments to the College's 2021-2026 Strategic Plan will be sent to the Board of Trustees for approval and adoption.

—Mirta M. Martin, Ph.D., President.

## Randolph-Macon Academy

Dear Sisters and Brothers in Christ,

When I wrote to you last year, none of us could have known how much more challenging the second year of the Pandemic would be. R-MA has met that challenge in ways that humble and inspire me. We have operated safely on-campus and in-person continuously since August of 2020 and our students' determination to pursue their education has been as impressive as at any point in the Academy's 130-year history. Our enrollment this year included the largest increase in new students since 2003.

Highlights of the year include our re-accreditation by The Falcon Foundation and by the Virginia Association of Independent schools, our re-entry into varsity sports, and changes in our state rankings, as released by Niche.com:

- ❖ #4 in the *Most Diverse Private High Schools in Virginia* category (up from #5 last year)
- ❖ #6 in the *Best Boarding High Schools in Virginia* category (down from #4 last year)
- ❖ #10 in the *Best Private High Schools in Virginia* category (up from #13 last year)

Our Unmanned Systems Lab earned a \$307,000 grant from the Federal Aviation Administration and we conducted our first-ever President's Weekend on Kiawah Island, SC, to better inform long-time donors and friends of the Academy about the work we are doing to prepare our students for lives of meaning and success. Examples of that program can be seen here:

*Power of Rise*: <https://www.youtube.com/watch?v=mDI4puLJJu8>

*Rise Above*: <https://www.youtube.com/watch?v=HCvtAa686o>

Our Chapel services and programs continue to be an important part of the way we prepare our students for life after high school and we are grateful to the Conference for providing temporary Chaplain and teaching support while we searched for a new Chaplain. We are excited to welcome Rev. Monica Reynolds when she arrives to take that post this summer.

In closing, I would say that Virginia's Methodist High School continues to do what she was created to do: prepare young people to make a difference in an indifferent world and we thank the Bishop for supporting that important work.

God bless you and God bless America.

—David C. Wesley, President, Brigadier General, USAF, Retired

## Randolph-Macon College

Founded in 1830, Randolph-Macon College is a co-educational, nationally ranked liberal arts college located in Ashland, Virginia. The College achieves its mission of "developing the minds and character of each student" by balancing rigorous academics with individualized attention between our exceptional faculty and students. The school maintains a student-faculty ratio of just over 10 to 1 and average class size of 16 students. RMC has an outstanding reputation for academics, national and international internships, study abroad programs and undergraduate research opportunities.

The College is now in our 193rd year, and we welcomed a class of 421 freshmen this year. RMC experienced significant growth in our student body in recent years and is more diverse than at any point in our history. The 2022-23 academic year opened with 1491 students from 26 states (including the District of Columbia) and 25 other countries. Of these students, 55% are female and 45% are male.

R-MC prides itself on an exceptional sense of responsibility for student success and offers a Four-Year Degree Guar-

antee, which pledges in writing that freshmen who meet all necessary requirements will graduate within four academic years. If not, Randolph-Macon will waive tuition costs for R-MC courses needed to complete the degree.

Randolph-Macon celebrates our strong alumni giving record. This year, we were ranked 19th in the nation for the percentage of our alumni who make a gift of any size to the College. The generosity of our alumni has allowed us to continue improving and expanding the campus. This winter, we opened Duke Hall, our 18th significant new building or renovation in 15 years. This magnificent 3-story building is home to our Master in Physician Assistant Studies program, which is the College's first graduate program. We welcomed our first cohort of 24 students in January in the new space. Duke Hall is also the location of three large classrooms, as well as new locker rooms, offices and meeting spaces for our successful athletics teams.

Last March, the Randolph-Macon men's basketball team brought home the College's first-ever national championship in NCAA Division III athletics, displaying integrity, good sportsmanship and grit during a remarkable season, that both celebrated and honored our RMC Community.

R-MC has been educating Christian clergy throughout its history. We currently have 267 alumni active in or retired from full time Christian ministry. Two-thirds of these clergy alumni are United Methodist. We are proud of our pre-ministerial program that includes our Bailey Scholars. Our A. Purnell Bailey Pre-Ministerial Scholarship Program was established in 2004 to support students who express an interest in ordained ministry in the Christian tradition. Students awarded this scholarship receive half-tuition for the first two years and full tuition for the junior and senior years. The program includes weekly mentoring, two internships in ministry settings, and support selecting and applying to theology school. The Bailey Scholars are joined by a cohort of other students also pursuing a vocation in ministry.

We continue to host our summer camp: Convergence: A Youth Theology Institute on Faith and Science. We also are excited that Pathways to Science (an opportunity for rising sophomore Hispanic girls to meet scientists and explore STEM related activities) continues to be a significant program in our summer schedule. We are partnering with the Fox Foundation to support and host an annual Va UMC lecture on faith and science themes, and RMC continues to partner with Duncan Memorial UMC to host the annual Ira Andrews Lecture, which is open to the public. We are honored to be home to a significant part of the Va UMC Conference Archives in our library and invite interested parties to visit the Archives and discover many amazing historical pieces.

Much of this intentional programing is under the leadership of the College's outstanding chaplain, Rev. Kendra Grimes. Rev. Grimes serves the entire campus, providing sensitive pastoral care to our faculty, staff and students, taking students to lead worship at Cedarfield Retirement Community in Richmond and to serve at Westview on the James. Rev. Grimes remains active in the Conference and serves as a member of the VA UMC Missional Ministries Board, Mission Encounter planning team, and the Conference Historical Society. And her good work is supported by our annual apportionment from the Conference – for which we are profoundly grateful. It is money well-used.

As the oldest continuously operating Methodist college in America, Randolph-Macon College greatly appreciates our historic and ongoing relationship to the Virginia Annual Conference of the United Methodist Church.

## RETIRED CLERGY HOUSING CORPORATION

This is an exciting year as the Retired Clergy Housing Corporation (RCHC) celebrates 90 years of service to retired clergy and their families who qualify. To have such a strong history is a testimony of a great mission and ministry!

RCHC has upgraded appliances and HVAC units in several residences this year. Hailstorms damaged two roofs which were replaced.

As an older adult ministry, transitions occurred throughout the year. A few residents required more support than they could receive at home and entered senior living communities that could accommodate their needs. Others had serious illnesses and have recovered. One of our residents, Rev. Bob Justis, received his heavenly reward. We are thankful RCHC was available to support him for several years and can continue to support his wife, Carol.

Even though the rent residents pay is the primary source of income, it does not cover the total cost of this ministry. Donations to the Covenant of Gratitude help offset basic operations and unexpected repairs. I invite you to support retired clergy and their families who have given a significant part of their lives to the local churches and now reside in RCHC housing. The Covenant of Gratitude requests a commitment of a \$1 minimum per commissioned Provisional El-

der and Deacon at this Annual Conference session. With the ever-increasing cost of providing support, please consider a gift to \$5 or even \$10 per commissioned Provisional Elder and Deacon at this Annual Conference. Your ongoing support is important to meeting the needs of those we serve.

I also invite you to make RCHC a part of your estate planning. If you are interested in learning more about how to support this mission, please contact Rev. Charles Wickham at 804 474 8724 and he will be happy to meet with you.

On behalf of the Board, I thank you in advance for any assistance you give. All of the hard work is so worthwhile when you hear a resident say, “Thank you for all your support! I just don’t know what I would do without RCHC!” Our clergy and their families have given themselves to the service of God and what an honor to now help support them with housing.

—Dr. Michael Houff, RCHC Board of Directors, Chair

## PREACHERS’ RELIEF SOCIETY

The Preachers’ Relief Society has been a ministry to the clergy of the Virginia Annual Conference since 1870. The sole purpose is to assist clergy families who are facing emergency financial needs.

If in need, clergy, retired and active, their widows and widowers should apply for help through their district superintendent. The superintendent will forward the request to the Society with a recommendation as to how large a grant should be awarded. Each request is responded to immediately in what the Society believes is appropriate after it has carefully evaluated the crisis and also considered the financial resources of the Society. All grants given are confidential. The recipients, of course, are free to disclose whatever they wish.

The Society welcomes contributions. In recent years these have been small in number. Fortunately, the Society’s ability to provide grants has been sustained by the returns on its investments. The Mercadante Riggan Wealth Management Group of Davenport and Company currently serves as the Society’s investment advisors. Those wishing to contribute to this ministry may contact our treasurer, Katherine Kidwell at [kbkidwell@msn.com](mailto:kbkidwell@msn.com).

The current directors of the Society are: Robert F. Cofield, Jr., president; Edward D. Lilly, vice-president; Clark D. Cundiff, secretary; Katherine Kidwell, treasurer; Esther Agbosu; Robert N. Baker, III; James R. Bergdoll, James S. Mathews; and Elizabeth W. Taylor.

—Robert F. Cofield Jr., President

## HISTORICAL SOCIETY

The Historical Society of the Virginia Conference of the United Methodist Church continues to be characterized by strong foundations and committees whose individual reports are included below. Postponed by a hurricane, the Fall Meeting of the Trustees occurred on November 5 in Williamsburg, where David Rochford introduced us to Joseph Pilmore. The Spring meeting took place on February 25 at the United Methodist Center in Glen Allen, where a historic bench was dedicated in memory of Cathy Morgan. For the program, Ben Campbell spoke on the scourge of slavery in Antebellum Richmond. The 2023 Fall Meeting of the Trustees is scheduled for October 7.

—Mike Browder, President

## Virginia United Methodist HERITAGE

Virginia United Methodist *HERITAGE*, the bi-annual scholarly journal of the Virginia Conference Historical Society, was first published in 1973. The ideal of the publication is to inform readers of the rich heritage of the Virginia Conference of the United Methodist Church.

The Fall 2022 issue featured *Edward Dromgoole, Sr.: A Virginia Methodist’s Attempts to Follow John Wesley’s Antislavery Ethic*, written by Arthur Dicken Thomas, Ph.D. His article included a portrait of Edward Dromgoole, commissioned by the Old Brunswick Circuit Foundation, and painted by Emma Lou Marchant Martin. The painting was “produced as an approximate artistic likeness” of Dromgoole, based on portraits of his son and other family members.

Our Spring 2023 issue presents *John Kobler: The Lone Itinerant*, by Omer Kelly Blosser; *Lay Speaker Ministry: A United Methodist Tradition*, by Tom Gatewood; and a new feature: *Saddlebags*, envisioned by publications committee member, Mark Leep. *Saddlebags* delivers anecdotes about the day-to-day lives of the circuit riders of Virginia Conference history.

The Rev. Linda Crabbs and the Rev. Barbara Lewis are performing an audit of the production costs of *HERITAGE*, to determine if the journal is priced correctly. The current rate will remain in effect for the Spring 2023 issue, with any rate changes beginning with fall subscriptions.

The Spring 2023 issue of *HERITAGE* will be mailed in early May. The publications committee has had a great response to advertising *HERITAGE* on ClergyNet and LaityNet and will continue to use those assets to improve our number of subscriptions

## Archives Committee

The Archivist continues to be extremely busy: During the past year, she has been working on various requests from the Virginia Conference Historical Society (VCHS) Book Committee members and others for research; developing records guidance for disaffiliating and closing churches; arranging and filing incoming records and donations; and addressing issues such as arrangement and consolidation of the current collection.

In addition to these regular activities, she has also created an inventory of audiovisual items contained in the collection; developed an oversized item collection and is researching appropriate storage options for its long-term protection; made significant additions to the closed church database originally requested by Bishop Lewis; and begun updating shelf listings to provide retrieval information for recently reorganized records.

The Committee approved the purchase of a scanner to replace the current outdated equipment in order to expedite scanning documents to provide customers with more complete online access to the collections.

In the spring of 2022, the Archives Committee submitted a request to the Committee on Finance and Administration (CFA) for support for an increase in the Archives operating hours. This request was made because Stephanie Davis was receiving numerous requests for assistance that required research in addition to her overall responsibilities and required her to work more than her then her allocated 15 hours.

The Committee was informed that, in June, the CFA approved \$2,000 in 2022 and \$4,000 in 2023 for Archival support. Since notice of this financial support was not received by the Committee until October, there was insufficient time to use the entire \$2,000 by the end of the year and it was rolled over for use in 2023. As a result, the Archives operating hours have been increased to 18 hours per week, which allows more time to respond to requests and perform more tasks. Additionally, the Archives has established regular operating hours of Tuesday, Wednesday and Thursday from 9:30 a.m. until 2:30 p.m.

At the VCSH February 23 meeting, a bench received from the World Methodist Museum last year and previously used in the Old Stone Church was dedicated to the memory of Cathy Morgan who had been an important leader in the Archives work of the Virginia Conference.

After reviewing the Archivist's work, the Committee feels very strongly that an hourly wage of \$20, that has never been increased to date, is inadequate for the job of Archivist and has submitted justifications for a wage increase to be included in the Conference's 2024 budget to the CFA.

The Committee discussed the possibility of an intern to assist in the Archives. However, training and supervising an intern would consume too much of time of the Archivist's allotted hours. The Committee has also been working closely with the Archivist on guidance for disaffiliating churches. Guidelines to Districts for the handling of records from such churches has been written and a schedule for the disposition of the records is being developed.

A distribution of \$16,000 in accrued interest from the Patti Russell Endowment Fund was transferred to the Archives budget line in December. The Committee will be working together with the Archivist to determine how best to use these funds. Possible uses include digitizing materials and making them available electronically, purchasing large items needed for archival materials including a cabinet for oversized items, and additional file cabinet storage space.

Archival storage space continues to be an issue and the Committee has been discussing ways to increase space or obtaining additional storage space.

## History Update Committee

The History Update Committee, formed in 2021, continues its work to update the history of the Virginia United Methodist Conference. The previous history of Virginia Methodism was published in 1955 by William Warren Sweet. The present aim is to explore the various movements and trends of the Virginia Conference over much of the 20th century, drawing from various archives, such as The Virginia Advocate, and interviews with people who have memories. A number of writers from the committee and other contributors are currently developing outlines and drafts of their respective chapters on selected topics. The project is expected to take several years in order to allow for adequate care and deliberation. We anticipate that current and emerging issues will also be given careful attention. The resulting product will most likely be digital with abbreviated print copies.

The History Update Committee consists of some 15 people. The Historical Society and its Update Committee welcomes interest and participation of others in this project as we continue our work.

### The Old Brunswick Foundation

- 1) Tobcf continued the implementation of the \$209,605 eshpf grant received in 2021 from the Virginia Department of Historic Resources (vdhr) in partnership with the National Park Services (NPS) to:
  - a) Work through three revisions of a **proposal from architectural firm Glave & Holmes** and signed the final proposal on March 6, 2023. As a result of this proposal Glave & Holmes will write the Request for Proposal (RFP) to procure a general contractor for the stabilization work needed on the foundation and chimneys of the Dromgoole house, provide engineering calculations and specifications as well as contract and construction administration services. TOBCF has approved spending \$30,872 from its treasury funds (outside of the grant funds) for these services.
  - b) As recommended by Glave & Holmes, TOBCF developed and provided them with a **detailed description of the drainage system that had been installed around the Dromgoole house**. Glave and Holmes added this information as an addendum to the previously submitted version of the Dromgoole Historic Structure Report. The revised version of this report is now posted as a research and construction reference on TOBCF's webpages at:  
<https://doc.vaumc.org/HistoricalSociety/DromgooleHsHSR2023Mar13.pdf>
  - c) VDHR **secured a contract** under this grant to have the consulting firm, Environmental Research Group, (ERG) **complete a National Register of Historic Place nomination to have our Randolph Macon College/Boydton Institute site designated as a Historic District**. TOBCF participated in the start-up meeting, three days of on-site fieldwork and met with ERG to provide them with pertinent historical information about the site.
  - d) While requests made by the VDHR to NPS to increase the grant award amounts due to Covid supply chain issues were denied, the period of performance was extended to March 2024.
- 2) TOBCF continued the work on the foundation of the Helensha Cottage located on the Randolph Macon College/Boydton Institute site. Having raised the building off its original foundation, poured new concrete footings, built a new cinder block foundation and piers and replaced some deteriorated under-beams, the house was lowered back onto its new foundation which was then veneered in brick that had been saved for that purpose from another local historic construction. To repair the chimneys, one cube of additional matching custom-made brick was located, purchased and transported from Salisbury, NC at a cost of about \$1500. Because a special lime mortar must be used when working with old brick, repairs to the chimney have been delayed until after the temperature remains above 40 degrees.
- 3) TOBCF commissioned the painting of a conceptual portrait of Edward Dromgoole Sr. The portrait was painted and framed for \$700. Arrangements have been made to temporarily house and display the portrait at St. Paul's College Museum with long-range plans to hang it in the Dromgoole House when the preservation of that building is completed.
- 4) TOBCF's outreach, publicity and education activities included:
  - a) Setting up a display about our historical sites at the 2022 Virginia Annual Conference
  - b) Touring and meeting with the leadership at the Wake Forest Museum in Wake Forest NC to get pointers on management of historical site from a museum that has a similar history as our Randolph Macon College/Boydton Institute site
  - c) Board Member, Dr. Art Thomas. researching and giving a presentation about the Slaves of Edward Dromgoole at the meeting of the William Waters Foundation
  - d) Submitting two articles for publication in the Fall 2022 issue of the *Heritage* bulletin

e) Writing and distributing TOBCF's 2022 *Annual e-Newsletter* now posted on our webpages at:

<https://doc.vaumc.org/HistoricalSociety/2022Newsletter.pdf>

#### 5) TOBCF's Future Directions and Plans

a) Vice President Marc Thompson along with other committed Board Members are developing a Strategic 5 year Plan for all the activities and sites of the OBCF.

—James (Jim) Mott, President

## The William Watters Foundation

The William Watters Foundation oversees the preservation and interpretation of the gravesite of William Watters, the first American-born Methodist itinerant preacher. Watters was officially appointed to his first circuit at the first Methodist Conference in America, held in Philadelphia in 1773. The William Watters Gravesite, United Methodist Historic Site No. 7, is in McLean, Va.

The William Watters Foundation held its annual meeting via Zoom on September 3, 2022. Arthur Dicken Thomas, Jr., Ph.D. was the guest speaker, whose topic was Edward Dromgoole, Sr.: A Virginia Methodist's Attempts to Follow Wesley's Anti-Slavery Ethic. His discussion was featured in the Virginia United Methodist HERITAGE Fall 2022 issue. The board also recognized E. Jean Balcom for her many years of loyal service to the William Watters Foundation, particularly for her leadership as foundation president, 2006-2018.

The foundation approved its board of directors at the annual meeting, including one new board member: William Stead. The Virginia Conference Historical Society confirmed the directors at its fall 2022 meeting. The foundation elected officers at the November 7 board meeting, held via Zoom.

We continue to care for the gravesite. In doing so, six valuable volunteers provided lawn care this past year: Jon Vrana, Brenda Royden, Pastor Rudy Tucker, Lyle Minter, David Meyer and Myra Lindsey.

—Myra P. Lindsey, President

## The Old Stone Church Foundation

After two years of dealing with COVID, the Old Stone Church Foundation was able to have in-person meetings in 2022, including our Annual Meeting. Dr. Michael Browder Jr. served as Keynote Speaker, presenting on Wesleyan Theology. Additionally, William "Bill" Harrison was elected President of the Foundation. New board members were also selected to ensure a continued presence for the Foundation.

The property continues to be well maintained and serves as a welcoming site for any and all who wish to visit. The board discussed other ways to honor the sight, and we still have plans for future expansions of our prayer walk. Individuals can purchase bricks to recognize loved ones, living and deceased. We hope that everyone will take an interest in the Foundation and join us as members, preserving this historic site for generations to come. We invite you all to take the time to visit our site anytime you find yourself in the area.

—Ralph Carver, Vice President for Bill Harrison

### **SECTION III — Apportionment Procedures**

#### **A. APPORTIONMENT FORMULA:**

- **All Apportionments except for the Active Clergy Health Benefits**

Apportionments are calculated using the last year of available statistics of each local church (i.e. 2024 apportionments are calculated using 2022 statistics). The formula is based on total net paid expenses which are the total expenditures of the church minus expenditures for benevolent causes, apportionments, capital improvements, and payments on loans and mortgages. The apportionments for each church are sent to each district based on decimal calculations from the formula below:

**Individual Church Net Paid/Total of all Conference Churches Net Paid = Church Decimal**

- **Active Clergy Health Benefits Apportionment Formula**

The costs of the active clergy health benefits will be apportioned using a two-tier calculation. The first tier will consist of a fixed dollar amount (\$5,500) per health plan eligible clergy based upon the July 1, 2023 appointment list. The remaining costs after the tier one calculation will be apportioned to the churches based upon total clergy (regardless of classification) compensation (salary plus accountable reimbursement) paid by a church divided by the total clergy compensation paid in the last year of available statistics (2022 for 2024 apportionments).

- The district then passes the apportionments on to the local church according to recommendations developed by the district superintendents and the district stewards.
- The Council on Finance and Administration, in consultation with the Church Development Team and Cabinet, has the authority to set a policy for apportioning newly chartered churches, Legacy churches, and 2<sup>nd</sup> sites of chartered churches.
  - Effective January 1, 2016, the policy will be to phase in the apportionments for new chartered churches over a five year period with the first year beginning at 20% and increasing 20% for each subsequent year until the church is at 100%.

- Effective January 1, 2016 for a 2<sup>nd</sup> site (satellite & multi-site) locations that are recognized as new faith communities by the Church Development Team and the Cabinet, the existing chartered church may exclude direct expenses of the second site from the apportionment calculation based upon the following schedule:

0-42 months	100%
43-54 months	80%
55-66 months	60%
67-78 months	40%
79-90 months	20%

- Effective January 1, 2020, Ecumenical (multi-denominational) churches will be direct billed for health insurance when they are served by an eligible United Methodist pastor and will not be subject to the 407 apportionment.

## **B. REPORTING GUIDELINES:**

- District superintendents will report the apportioned amounts for each church to the Conference treasurer and the apportioned amounts will be shown on the monthly Treasurer's report sent to each church.
- Apportionments are to be calculated and distributed annually rather than on a quadrennial basis.
- The Annual Conference will raise World Service funds only through contributions from the local churches. CFA urges that district superintendents, pastors, and local church leaders seek to fully implement Section 812 of the 2016 Discipline.

## **C. IMPORTANCE OF WORLD SERVICE:**

The importance of World Service to the life of the Church is lifted up to the Annual Conference. "The World Service Fund is basic in the financial program of The United Methodist Church. The World Service apportionment represents the minimum needs of the general agencies of the Church. Payment in full of these apportionments by local churches and annual conferences is the first benevolent responsibility of the Church." (Section 812 of the 2016 Discipline).

## **SECTION IV - Annual Conference Special Offerings**

Annual Conference offerings provide important and life-giving support for key Conference programs. The following are recommended for approval for 2024:

- United Methodist Family Services. It is recommended that December be designated as United Methodist Family Services Month and that each church promote an offering during this time for this purpose.
- Pinnacle Living (Samaritan Fund). It is recommended that the period between Mother's Day and Father's Day be designated in support of the Pinnacle Living (Samaritan Fund), and that local church offerings collected during that period be dedicated to this ministry.
- Heart Havens. It is recommended that February be designated as Heart Havens Month and that each church promote an offering during this time for this purpose.
- Partnerships of Hope. It is recommended that September be designated as Partners of Hope Month and that each church promote an offering during this time for this purpose.
- Annual Conference Offering. CFA recommends continued support for this important offering.

## **SECTION V - Policies**

**A. APPOINTIVE CABINET FUND**

Overall Policies for the Fund:

- In compliance with the Book of Discipline, the current salaries and expenses for district superintendents (DS), and those under special appointment, will be published in the Conference Journal with each DS's salary individually calculated and assigned each year as part of the appointive process, using the following criteria:
  - Each District Superintendent's salary shall be \$100,000.
  - Each year, the annual salaries of the District Superintendents are to be recommended by CFA to the Annual Conference.
  - CFA also administers salary-related expenses, to include such items as pensions, supplemental benefits, travel by voucher, continuing education, and other Cabinet-related expenses. CFA, in consultation with the Bishop, sets the Assistant to the Bishop's salary and related personnel costs.
  - The total cost of salaries and related expenses apportioned to Districts are to be based on the current approved decimal system (upon recommendation of CFA).
  - All other District Superintendents' costs, such as housing, district office expenses and staff, are to be paid at the district level.

**B. TRAVEL & MEETING EXPENSES**

Board and Agency members and staff engaged in Conference business are provided and are to be managed as follows:

- The mileage reimbursement rate is set at 50 cents for Conference staff. The mileage reimbursement rate for volunteers is set at half the IRS rate for volunteers (currently 29 cents) for those serving boards and agencies of the Conference.
- Meals are to be reimbursed at actual costs, but not to exceed \$35 per 24-hour period. (Breakfast on the date of departure from home/office is not accepted; dinner on the date of return is not accepted, except when the arrival to home/office is after 7 p.m.).
- Reimbursement for daily room charges is set at \$200, if the travel incurred extends to a period over three hours prior to the starting time of 10 a.m. on the day of the meeting.
- Spouse expenses are not part of allowable expenses.
- To encourage stewardship in this area, CFA suggests: (1) that advance reading materials be provided for study prior to meetings; and (2) that there be use of teleconferencing, where feasible.

**C. INDIVIDUAL EXPENSES FOR ANNUAL CONFERENCE**

Provided for and managed as follows:

- Each charge is responsible for the expenses of both the clergy and lay members (including diaconal ministers) from that charge to the annual conference, working out its own plan of compensating for actual expenses.
- Persons not covered through local church appointment shall receive annual conference reimbursement not to exceed \$200 a night for mileage, meals and lodging; the Conference treasurer shall reimburse the claimant through voucher of approved expenses. Coverage under this section extends to:
  - (a) retired clergy who retired with pension under one of the Disciplinary options and who are not serving full-time;
  - (b) clergy on medical leave;
  - (c) clergy on sabbatical leave who are members of the Virginia Annual Conference;
  - (d) retired diaconal ministers who served at least eight years in the Virginia Conference and who are granted a retired relationship by the Conference;
  - (e) persons expecting their first appointment;
  - (f) members of the conference who have been appointed to attend a theological school;
  - (g) those serving as chaplains in Armed Forces;
  - (h) deaconesses under appointment;
  - (i) furloughed missionary members of the Virginia Annual Conference;
  - (j) those on loan to other annual conferences, whose expenses are not otherwise provided for; and
  - (k) clergy returning from an approved leave of absence receiving local church pastoral appointments.

- Each district is responsible for the expenses of its district superintendent, youth members and members-at-large.
- Each board, agency or committee is responsible for the expenses of its chairpersons, if that person is not a clergy or lay member whose costs are covered by their charge or district.

#### **D. CONFERENCE RESERVE FUNDS**

Policies on the Maintenance of Reserve Fund Levels:

- The Council monitors the Conference Reserves to ensure the ability to cover future contingencies including,
  - a) Reserve funds for emergencies and catastrophic needs related to the maintenance of Conference property held by the Conference trustees, and include: (1) Virginia United Methodist Center; (2) Wesley Foundation buildings; and (3) the Episcopal residence. [The total value of these properties is estimated at more than \$15 million.]
  - b) Reserve funds for cash flow purposes.
  - c) Reserve funds for economic and financial downturns.
  - d) Council on Finance and Administration has the authority to utilize reserves in excess of the minimum to preserve the Conference's financial stability.
- The Council has set the following target for Conference Reserve Funds:

Core Reserves:	
A. 20% of the Conference Budget that closes to reserves	\$ 1,286,000

# **SECTION VI – A Church in Mission**

We are a Church in Mission and a three-pronged focus of teaching, communication, and recognition enriches us as a Conference and as Christians. With it, we are able to share and learn further what it means to enter into the vision and share concerns with many people. But more importantly, it sets out a focus throughout our Conference on the value and importance of the unique connectional relationship we have as United Methodists.

Our charter has already been defined for us and it is set out in Scripture: "Just as in the human body, though it is made up of many parts, is a single unit, because of these parts, though many, make one body, so it is with Christ." (1 Corinthians 12:12). And that body is composed of all of God's children, including the rich and poor, found and lost, and secure and dispossessed. For as Jesus said, "Truly, I tell you, just as you did it to one of the least of these who are members of my family, you did it to me." (Matthew 25:40).

As part of that body, we are called to serve our brothers and sisters in mission throughout the connection. Because of our covenant with God and with each other, it is our goal to fund the basic missional witness of the United Methodist Church.

We have much to be proud of as a Conference, as we live out the full meaning of the Stewardship of the Gospel. Our connectional giving — the important life blood of the work we all do together — is a reflection of the great commitment that Virginia United Methodists have to the mission and ministry work of our Lord. The budgets we draw up, while important, are more than a series of numbers. They reveal the very character of the people who build them, support them, and act through them. They are Christ's work in the world, put into a plan for receiving and spending — collective understandings of commitments to fulfilling ministries and mission priorities. It's no small thing we do individually, when collectively we are making such big impacts beyond our church doors.

The Stewardship of our Conference is part of our response to the needs we know about, as well as those not yet seen. Seeing the need, then doing what Jesus would do. That's true Stewardship! It's our faith in action!

Our investment advisors include the Humphrey-Kelly Group, a designated institutional investment consulting team with Merrill Lynch's Global Institutional Consulting group with a focus on non-profit, faith-based organizations.

Foundation staff members visit local churches to assist in starting endowment programs to support the long-term funding of mission projects. For example, scholarship funds are popular and ensure that younger generations will have the education needed to proclaim the message of Christ. The Foundation currently manages more than 90 endowments. We also assist churches and their members set up donor advised funds (DAFs) and other charitable gift optimization strategies.

Since 2015, the Foundation's grant ministry has awarded a total of nearly \$400,000 in grants to Virginia United Methodist Churches and affiliated agencies across the Virginia Conference. The program's focus is on unifying mission, ministry and impact to better assist and equip ministries in their projects, as well as to help them build a future. Grants are given from three funds:

- ❖ Foundation Grants Fund
- ❖ Dr. William J. and Frances Hanna Memorial Grant
- ❖ Micah 6:8/No Harm Do Good Endowment Grant.

In October 2022, many different ministries across the Virginia Conference applied for a grant. After thorough consideration by the Grants Committee, the Foundation Board of Directors awarded grants to 22 ministries totaling \$56,250 in December 2022.

Throughout 2023 and beyond, our commitment to serving every local church and dedication to helping all God's children, both present and forthcoming generations, is steadfast. We stand ready to help your church or your members design a program of ministries that can grow and serve others because your church finances are on sound footings.

## Virginia United Methodist Development Company

Founded in 2014, the Virginia United Methodist Development Company (DevCo) exists as a wholly-owned subsidiary of the Virginia United Methodist Foundation, a supporting organization of the Virginia Annual Conference of the United Methodist Church. DevCo fulfills its mission by providing loans to churches and affiliates for ministry expansion through investments made by individuals, churches and United Methodist agencies.

DevCo loan services include new construction loans, facility expansion loans, capital improvement loans, debt refinancing, as well as loans for building purchase and land acquisition. As of December 31, 2022, the Development Company has 41 loans totaling \$34.7 million throughout the Virginia Conference.

As part of the connection, DevCo makes loans to United Methodist churches and related entities, funded by savings

and investment certificates from United Methodist churches, related ministries, members and family or friends. DevCo acts as a conduit for missional investing and is able to provide financing to help advance God's kingdom. With the help of more than 750 DevCo investment accounts totaling nearly \$40 million, loans are made for a variety of situations, such as providing a church the opportunity to buy an adjacent piece of property for additional parking, opening a preschool in an underserved community, or saving the church thousands of dollars by refinancing its mortgage. Through missional investing, a church can redirect funds to the community and help create "open hearts, open minds and open doors."

At DevCo, we consider ourselves your partner in ministry. Our team takes a personal interest in the ministries of the churches we serve. We are concerned about the spiritual health of local church ministry, not just financial health. Our desire is to equip local church leaders in understanding how to serve their community through strategic planning and missional engagement. Additionally, DevCo has a fiduciary responsibility to protect our investors' money, which funds church loans, and that responsibility is coupled with our strong desire to see local churches fulfill their God-given mission.

Ordained ministers are called to interpret to the Church the needs, concerns, and hopes of the world and the promise of God for creation. Within these specialized ministries, deacons are called to ministries of Word, Service (§328), Compassion, and Justice and elders are called to ministries of Service, Word, Sacrament, and Order (§332). Through these distinctive functions, ordained ministers devote themselves wholly to the work of the Church and to the up building of the ministry of all Christians. They do this through the careful study of Scripture and its faithful interpretation; through effective proclamation of the gospel and responsible administration of the sacraments; through diligent pastoral leadership of their congregations for fruitful discipleship; and by following the guidance of the Holy Spirit in witnessing beyond the congregation in the local community and to the ends of the earth. The ordained ministry is defined by its faithful commitment to servant leadership following the example of Jesus Christ, by its passion for the hallowing of life, and by its concern to link all local ministries with the widest boundaries of the Christian community." *The Book of Discipline* 2016 (§139)
  - b. "It is the purpose of the commission on equitable compensation to support full-time clergy serving as pastors in the charges of the annual conference by: (a) recommending conference standards for pastoral support; (b) administering funds to be used in base compensation supplementation; and (c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations; (d) submitting an arrearage policy to be adopted by the annual conference. For pastors receiving equitable compensation, once the base compensation supplementation has been paid by the annual conference, and the minimum base compensation and base compensation supplementation has been received by the pastor, the annual conference shall have no further financial obligation or responsibility to the pastor, the charge or anyone else regarding the pastor's compensation." *The Book of Discipline* 2016 (§625.2)
  - c. Assumption of the obligations of the itinerancy, required to be made at the time of admission into the Conference, put the church under the counter obligation of providing support for the entire ministry of the church. In view of the expectation which the church holds for its clergy in the area of professional separation and competence, it is incumbent upon the church to see that compensation is adequate for the professional and personal requirements of its clergy, and that they are determined and administered in a manner appropriate to a professional understanding of the ministerial vocation.
2. Types of Equitable Compensation Support.
  - a. Minimum Compensation Support: The commission annually proposes to the Annual Conference a schedule of minimum compensation for ministers by the various statuses of conference relationship and floor schedule to be met by the charge. In approving this schedule, the Conference guarantees each of its ministers a certain minimum compensation. Unless a minister voluntarily waives this right, he/she is entitled to an appointment where the compensation, including supplements from the conference, district, and other sources will be at least the minimum for his/her category.
  - b. Compensation supplementation is support provided to charges which require support in addition to that called for by the Minimum Compensation program. Such charges fall into two groups:
    - (1) Charges with part-time or retired pastors.
    - (2) Charges where there is a need for compensation higher than the minimum.
3. Money for the Equitable Compensation Fund.
  - a. The grants and administrative expenses of the commission are borne by the Equitable Compensation Fund.
  - b. Annually the commission estimates the amount needed for Equitable Compensation grants, and with the concurrence of the Council on Finance and Administration, recommends an amount to the Annual Conference to be apportioned to the districts and charges of the conference.
  - c. As set forth in *The Book of Discipline* 2016 (§622) "When the apportionments for bishops, district superintendents, conference claimants, and the Equitable Compensation Fund for the several districts and charges have been determined, payments made to the same in each pastoral charge shall be exactly proportional to the amount paid on the clergy base compensation. (§818.3) The treasurer or treasurers of each pastoral charge shall accordingly make proportional distribution of the funds raised in that charge for the support of the ordained ministry and shall remit monthly if practicable and quarterly at the latest the items for bishops, district superintendents, conference claimants, and the Equitable Compensation Fund to the proper treasurer or treasurers."
4. For Equitable Compensation purposes, the term "compensation" includes the amounts of ministerial support designated as salary and accountable reimbursement.
5. The Minimum Compensation Schedule, including the Floor, shall be recommended by the commission and the schedule, as approved by the Annual Conference, shall be published in the conference *Journal*.
6. Eligibility for Minimum Compensation Support.
  - a. The clergy must be rendering full-time service, that is their efforts must fully satisfy the Disciplinary description of the office of the minister and they must, in the judgment of his/her district superintendent, be rendering full-time service to the charge to which they have been appointed as pastor or associate pastor.
  - b. The "floor" is the minimum the charge must pay (obtained from sources other than Equitable Compensation Fund) in order to be eligible to receive minimum salary support.
7. Eligibility for Salary Supplementation.
  - a. All charges are eligible with special considerations made for ethnic pastors serving ethnic ministries.
  - b. The application must be supported by a recommendation of the district superintendent.
  - c. The commission strongly discourages applications from charges whose compensation is above the Conference Average Compensation (CAC).
8. Charges receiving support from the Equitable Compensation Commission are encouraged to take steps regularly toward becoming self-supporting and toward the increasing of the total level of support of their ministers. The following actions should encourage these

steps:

- a. The district superintendents will annually review each application for Equitable Compensation aid with the appropriate charge conference.
  - b. Equitable Compensation aid to each full-time pastor will be reduced \$1 for each \$2 increase established and paid by the charge. When salary paid by the church exceeds the minimum applicable level the Equitable Compensation support will cease, unless the Equitable Compensation Commission waives this requirement under special circumstances.
9. How applications for aid are submitted.
- a. All applications shall be submitted on forms provided by the commission.
  - b. Applications shall include the name and district of the charge, the number of churches on the charge, the name and ministerial category of the minister, a statement of whether the minister is serving full or part time, together with all amounts of ministerial support listed by source both for the period ending and the period beginning. The application shall state the total salary needed for the minister and the amount of aid necessary to obtain that total.
  - c. Applications shall be prepared, signed by the chair of the staff-parish relationship committee of the charge and the district superintendent.
  - d. A copy of the current church/charge budget must be submitted with the application along with a copy of the most recent audited financial statements.
  - e. Applications shall be submitted to the conference treasurer who shall provide each member of the commission with a copy of each application at least one week before the meeting at which the application will be considered.
  - f. Applications are generally submitted in February and May for support to begin on July 1st. Mid-appointment year requests are submitted by October 31st. The deadline for such applications is listed each year in the Conference Calendar.
10. How appropriations are made.
- a. The Commission meets twice during the appointment-making process in conjunction with the Cabinet's schedule to review applications for Equitable Compensation Grants. The Commission also meets in November to review any mid-appointment year requests.
  - b. Requirements which a charge must meet in order to receive Minimum Compensation Support may be waived by a two-thirds vote of the commission.
  - c. Compensation Supplementation will be granted by action of the commission on recommendations of the district superintendent in the categories described in Paragraph 7.
11. Methods of Payment.
- a. Minimum compensation support and supplementation will be paid through Electronic Funds Transfer (EFT) by the conference treasurer to the charge receiving aid by the 10th day of each month.
  - b. If a charge fails to maintain a current status on Pension payments to VUMPI, the Conference Treasurer's Office shall send the Equitable Compensation Support directly to VUMPI until such arrearages are satisfied.
  - c. The commission chairperson shall keep the conference treasurer regularly informed as to the appropriations made by the commission and any changes in payments which may be necessary because of appointments or changes in ministerial status.

*Updated 7/1/2016*

### **EQUITABLE COMPENSATION GUIDELINES**

The commission, at the request of the Bishop and the Cabinet, developed guidelines for requests, approval and time periods for supplementation provided by conference funds. It is felt that these guidelines will provide a uniform standard across the conference in support of the various charges that may require funds.

#### **I. New Requests**

##### **A. New Growth Situation Request/New Churches**

1. Request must be approved by the District Board of Church Location and Building.
2. Request with the written District Board of Church Location approval giving rationale for the request should be received by the

November Equitable

Compensation meeting in order to be approved for the following appointment year.

3. Will be funded according to the following formula:

- 100% for first 18 months (e.g., July 2006 through Dec. 2007)
- 80% second full calendar year
- 60% third full calendar year
- continued reduction at 20% per year

##### **B. New Mission/Ethnic Churches**

1. Request must be approved by the District Board of Church Location and Building.
2. Request with the written District Board of Church Location approval giving rationale for the request should be received by the

November Equitable Compensation meeting in order to be approved for the following appointment year.

3. Will be funded according to the following formula:

- 100% for first 30 months (e.g., July 2006 through Dec. 2008)
- 85% third full calendar year
- 70% fourth full calendar year
- continued reduction at 15% per year

It is suggested that if a new church or mission is not expected to be self-sufficient at the end of this time, that alternate funding sources be

identified (i.e. district or sponsoring churches) while a new church is in the planning stages.

## II. Ongoing Requests

All churches requesting Equitable Compensation assistance, *who are presently receiving Equitable Compensation assistance*, must have a yearly stewardship campaign, and submit Table I and II of the Year-End Reports, the Dec. 31 year-end treasurer's report and are asked to adhere to the following schedules:

### A. Ongoing "Maintenance" churches

All churches in the "Maintenance Category" should make every attempt to be off Equitable Compensation at the end of five years. In order to do this, the commission asks that any request be reduced at least 20% from the present year's request as follows:

- 100% (present year)
- 80% second year
- 60% third year
- 40% fourth year
- 20% fifth year

If a church cannot adhere to this schedule, letters detailing the reasons must be submitted each year by the District Superintendent and the Church Council of the church/charge receiving Equitable Compensation assistance.

### B. Ongoing Ethnic Minority/Mission Churches

All churches in the "Ethnic Minority/Mission Categories" should make every attempt to be off Equitable Compensation at the rate of 10% a year, whether by becoming self-sufficient or by developing new forms of funding. The suggested schedule is as follows:

- 100% (present year)
- 90% second year
- 80% third year
- Continued reduction at 10% per year

If a church cannot adhere to this schedule, letters detailing the reasons must be submitted each year by the District Superintendent and the Church Council of the church/charge receiving Equitable Compensation assistance.

## MINIMUM STANDARDS FOR THE PARSONAGE

The *2016 Book of Discipline* of the United Methodist Church states that the Church Council shall "review the recommendation of the committee on pastor-parish relations regarding provision of adequate housing for the pastor(s), and report the same to the charge conference for approval. Housing provisions shall comply with the annual conference housing policy and parsonage standards. Housing shall not be considered as part of compensation or remuneration." (§252.4e)

The Pastor/Staff-Parish Relations Committee also has consultative power and responsibilities for the parsonage (§258.2g(16)). This committee is to consult with the Church Council to provide for "housing (which may be a church-owned parsonage or housing allowance in lieu of parsonage if in compliance with the policy of the annual conference)." This paragraph also includes these words: "The parsonage is to be mutually respected by the pastor's family as the property of the church and by the church as a place of privacy for the pastor's family. The committee will follow up to assure timely resolution of parsonage problems affecting the health of the pastor or pastor's family. The chairperson of the committee on pastor-parish relations, the chairperson of the board of trustees, and the pastor shall make an annual review of the church-owned parsonage to assure proper maintenance."

The Board of Trustees of the local church is charged with supervision, oversight and care of property, including the church-owned parsonage. The Charge Conference may assign some of these duties to the chair of a Parsonage Committee.

## I. The House

A. Ownership: The parsonage is acquired and maintained by the charge, subject to the direction of the Charge Conference. The location, purchase, and/or building of a parsonage must be approved by the District Board of Church Location and Building. (§2544)

B. Title to Property: The parsonage property must be held by the charge Board of Trustees in trust for the use and occupancy of pastors in the United Methodist Church. (§2503.2)

C. Location: The parsonage of a station church should be located within the geographical parish of the church. The parsonage of a charge should be near the center of the charge and accessible to members. It should be convenient to a school, a shopping area, and church of the charge. Preferably parsonages should not be located immediately adjacent to the church, so that the pastor's family will be ensured reasonable privacy. Such location also facilitates resale.

D. Planning and Financing: The purchase or building plan must be approved by the Charge Conference after 10 days' notice of the meeting. The pastor, district superintendent, and the district Board of Church Location and Building must consent to the purchase. Provisions of the *Book of Discipline* must be observed. The sale or relocation must conform to guidelines in the *Discipline*.

E. Administration: The *Discipline* requires the Pastor/Staff-Parish Relations Committee to see that the Trustees provide adequate and comfortable residence for the pastor and maintain its proper upkeep and furnishings. "The chairperson of the Trustees or the chairperson of the parsonage committee if one exists, the chairperson of the committee on pastor-parish relations, and the pastor shall make an annual review of the church-owned parsonage to ensure proper maintenance." (§2533.4 and §258.2g(16)). The pastor's family should be consulted in the selection of equipment, fixtures, and color schemes. (See *Annual Review Inventory* form). The Annual Review Inventory Report shall be submitted to the District Superintendent and will be reviewed by the Parsonages' Support Committee.

The Trustees' annual budget should be adequate to provide maintenance of the parsonage and necessary replacement of furnishings for which the Trustees have responsibility.

Since insurance carried by the church will not cover personal effects of the parsonage family, the family is urged to secure a tenant's policy.

F. Inventory: A complete inventory of all furnishings, and equipment shall be maintained, one copy with the Pastor-Staff Parish Relations Committee and/or the Trustees, a second copy with the parsonage family, and a third copy for the district superintendent attached to the

*Annual Review Inventory.* This inventory should include the purchase date of items listed, purchase price, and any major repair work done on each. Condition of furnishings at the time of the annual review should be noted. (See Parsonage Inventory Form)

## II. House Arrangement and Equipment

A. Minimum Size: The living room shall measure at least 280 square feet; or living and dining room combination shall be 330 square feet. Bedrooms shall measure no less than 144 square feet each, with one not less than 168 square feet.

B. Rooms: The parsonage should have a minimum of seven rooms: at least three bedrooms with ample closet space in each, living room, dining room, kitchen, study (if not furnished outside the parsonage), at least 1½ baths, and ample dry storage space large enough for major pieces of furniture and large packing boxes. An additional bedroom, a family room, a utility room, and a garage are also desirable.

If a pastor's office is included, it should be on the first floor with an outside entrance or entry from front hall or both or on the terrace level with outside entry. Usual office furnishings, telephone, bookshelves, and a storage closet for supplies should be provided.

Newly constructed or newly purchased parsonages shall include on the ground floor level one room which could be used as a bedroom by a person with a handicapping condition, a fully accessible bathroom and laundry facilities. (§2533.6)

### C. Housing Necessities:

- Central heating plant
- Complete insulation, including weather stripping, storm windows, ceiling, sidewall and floor insulation. Carpeting is desirable as a further means of insulation.
- Central air conditioning is desirable everywhere, and a necessity in some areas of the conference.
- Annual servicing of all heating and air conditioning equipment.
- At least one telephone jack on each floor.
- Dead bolt locks on all exterior doors.
- Smoke detectors and fire extinguishers.
- Housing must be maintained free of health hazards.
- Exterminator/pest control service and an annual termite inspection.
- All major appliances, including washer, dryer, stove, refrigerator, automatic hot water heater.
- Kitchen: sink, built-in cabinets, a storage or supply closet, counter work surfaces, adequate electrical outlets properly grounded. Where possible, a garbage disposal and dishwasher should be provided.
- At least one telephone permanently in the house.

### D. Furnishings and Maintenance:

#### 1. Provided by the Church/Charge:

- Furniture for the parsonage living room, foyer, dining room, and kitchen shall be provided. If a parsonage has more than three bedrooms, the church/charge shall provide furnishings for all bedrooms over three. All parsonage wall-to-wall floor coverings or rugs shall be furnished by the church/charge. Regular professional cleaning shall be the responsibility of the church/charge for all living spaces furnished by church/charge.
- Window shades or blinds shall be provided in all rooms. Window treatments, and the responsibility for their maintenance/cleaning, shall be provided for the living room, dining room, and foyer.
- Adequate light fixtures/lamps shall be provided for all living spaces furnished.

#### 2. Provided by the Pastor:

- Furniture as desired for all rooms except living room, foyer, dining room, kitchen, and bedrooms more than three.
- Window treatments as desired for rooms other than living room, foyer and dining room, as well as their maintenance/cleaning.
- Bed, bath, and kitchen linens.
- Cookware, utensils, and small appliances.
- China, crystal/glassware, flatware.
- Additional accessories such as pictures, lamps, family pieces, etc. which personalize a home.

### E. Exterior

- Trees and shrubbery should be provided where needed.
- Landscaping and normal fertilization shall be the responsibility of the church/charge.
- Cutting of the lawn and trimming of the shrubs is the responsibility of the residents.
- A lawn mover, adequate for the size of the lawn, shall be provided by the church/charge.
- A TV antenna or cable hook-up should be provided.

## III. General Guidelines

A. Privacy and Care: Since the parsonage is the home of the pastor and his/her family, their rights and privacy should be respected by the congregation. The occupants must ensure that the parsonage receives proper care.

B. Gifts: A written statement should accompany any gift of furniture or furnishings, designating whether the gift is to permanently remain at the parsonage or is a personal gift to the pastor's family. Gifts shall be received without conditions and with right of refusal.

C. Placement of Furniture: Use and placement of church-owned furnishings within the parsonage shall be at the discretion of the parsonage occupants.

D. When a move occurs, refer to the "Policy at the Time of Change of Pastors" below.

*Updated by Cabinet, July 2002, revised 12/2009, updated 1/2013*

## POLICY AT THE TIME OF CHANGE OF PASTORS

I. The Pastor/Staff-Parish Relations Committee will supply to the district superintendent the list of people serving on the Local Church Parsonage Committee with the chairperson's address and telephone number.

II. The district superintendent will contact the chairperson of the Local Church Parsonage Committee asking that the committee meet at the parsonage with the pastor, pastor's spouse (if applicable), and if requested by the district superintendent, a representative from the Parsonages Support Committee to inspect the parsonage, using the following guidelines:

- A. Check complete inventory (see *Inventory for Leaving the Parsonage*).
- B. Inspect each room for needed repairs, refurbishing, paint, etc. with attention to who is accountable beyond normal wear and tear.
- C. Inspect electrical, heating, cooling, and plumbing systems..
- D. Evaluate conditions of structure, inside and outside, including church-owned furnishings, appliances and systems.
- E. Pastor shall provide information about condition of appliances and systems known only to occupant.

III. After parsonage inspection by the Local Church Parsonage Committee and the pastor:

A. The Committee will:

- Work with the Church Council to arrange for needed repairs, refurbishing, painting, etc.
- Floors cleaned and waxed, rugs shampooed.
- Keep the district superintendent informed concerning condition of the parsonage.
- Inspect parsonage again nearer moving time.
- Check the Parsonage Inventory with the parsonage family before their departure, and with the new parsonage family upon their arrival.
- Have a representative of the Committee at the parsonage as the parsonage family moves.
- Make necessary last minute corrections to the parsonage before the new family arrives.
- Make sure that all utilities remain connected, the deposit for public utilities having been made by the church/charge.

B. The pastor will:

- Leave the parsonage clean. The outgoing parsonage family is responsible for leaving the house and furnishings clean and in move-in condition. This means at least:
  - No items should be left in storage areas (attic, garage, basement, shed, closets, etc.)
  - Windows washed.
  - Refrigerator emptied and cleaned.
  - Bathrooms scrubbed.
  - Stoves and vent hoods thoroughly cleaned.
  - Fireplace cleaned.
  - Yard trimmed and mowed.
  - All garbage removed from the property.

(see *Inventory for Leaving the Parsonage* form).

- Have repaired or cleaned at his/her expense, any damage due to negligence and/or pets.
- Assure uninterrupted utility service for the incoming pastor. Utilities should be in the church's name, with the parsonage address, to avoid termination of services.
- The parsonage family shall leave for the successor: a list of whom to call in case of.....; how to fix.....; where to find.....; and a file of guarantees, operating instructions, manuals, etc..

IV. In those instances when a clergy moves out of a parsonage and leaves the house inadequately cleaned and/or damaged, and the parsonage requires work, the expense of which is clearly the responsibility of the outgoing clergy, then the expense for such cleaning/repair shall be billed to the outgoing minister.

A. The Local Church Parsonage Committee and two members of the Parsonages Support Committee shall inspect the parsonage on moving day or as soon as possible and decide how much of the required cleaning/repair work, if any, is the responsibility of the outgoing pastor.

B. The outgoing pastor shall be notified immediately by telephone and registered mail. The decision should be communicated to the pastor immediately, and if the pastor be deemed wholly or partially responsible, then the cleaning/repair bill should be sent to the outgoing pastor.

C. If, after 30 days, this bill is not paid, or arrangements made to pay it, a second notice shall be sent. If, by the end of 45 days, the bill remains unpaid, a copy of the bill and the reasons for it shall be sent to the minister's current district superintendent for assistance in securing payment.

## VIRGINIA CONFERENCE STATEMENT OF INVESTMENT POLICY

### *Introduction*

The purpose of this Statement of Investment Objectives and Guidelines is to assist in the monitoring and supervision of the assets of the Virginia United Methodist Conference ("Conference"). The funds represent the Conference funds, Foundation funds, and the funds of various local churches.

- General Investment Principles
- Objectives
- Asset Allocation Guidelines
- Investment Manager Guidelines
- Investment Performance Objectives
- Performance Monitoring
- Investment Manager Responsibilities

Investment styles covered in this document include traditional investments (e.g., bonds, large cap growth and value equity) but do not include

alternative investments (e.g., hedge funds, private equity, timberland).

#### *General Investment Principles*

- The funds shall be invested with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person would use in the investment of a Foundation of like character and with like aims.
- Investments shall be so diversified so as to minimize the risk of large losses.
- The trustees may employ one or more investment managers of varying styles and philosophies to attain their objectives.
- Cash is to be employed productively at all times by investment in short-term cash equivalents to provide safety, liquidity, and return.

#### *Investment Management Policy*

- Preservation of Capital - Consistent with their respective investment styles and philosophies, investment managers should make reasonable efforts to preserve capital, understanding that losses may occur in individual securities.
- Risk Aversion - Understanding that risk is present in all types of securities and investment styles, the trustees recognize that some risk is necessary to produce long-term investment results that are sufficient to meet the stated investment objectives. However, the investment managers are to make reasonable efforts to control risk, and will be evaluated regularly to ensure that that risk assumed is commensurate with the given investment style and objectives.
- Adherence to Investment Discipline - Investment managers are expected to adhere to the investment management styles for which they were hired. Managers will be evaluated regularly for adherence to investment discipline.

#### *Objectives*

The primary objective for the funds is to achieve an average annual net rate of return of CPI + 5.5%. The investment horizon of the funds is fairly long-term in nature. However, the trustees are sensitive to severe short-term losses in the funds on an absolute and relative basis.

#### *Social Responsibility*

As defined in the *2008 Book of Discipline* the Council on Finance and Administration ("Council") shall develop, maintain, and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures, and management services for the Annual Conference including

- Policies governing the investment of Conference funds (except for pension funds) whether in debt or equity, short-term or long-term instruments, with the aim of maximizing funds available for mission in a manner consistent with the preservation of capital and with the Social Principles of the Church. A statement of such policies shall be presented in the conference Journal.
- Authorizing the Conference Treasurer to invest in funds in accordance with policies' and procedures established by the Council. A listing of securities held shall be printed annually in the conference *Journal*.

#### *Investment Manager Guidelines*

Note: The investment manager guidelines pertain to separately manager accounts. In the case of mutual funds or commingled funds, the guidelines are outlined in the fund's prospectus or offering memorandum.

#### *General Guidelines*

##### *Restricted Transaction*

- Purchasing of securities on margin or speculative short sales.
- Borrowing of money.
- Pledging, mortgaging, or hypothecating of any securities except for loans of securities that are fully collateralized.
- Purchase of the securities of the investment managers, its parent, or its affiliates.
- Purchase or sale of futures or options for speculation or leverage.
- Purchase or sale of commodities, commodity contracts, or illiquid interest in real estate or mortgages.
- Socially Responsible Investments - It shall be the policy of The United Methodist Church that all general boards and agencies, including the General Board of Pension and Health Benefits, and all administrative agencies and institutions, including hospitals, homes, educational institutions, Annual Conferences, foundations, and local churches, shall, in the investment of money, make a conscious effort to invest in institutions, companies, corporations, or funds whose practices are consistent with the goals outlined in the Social Principles; and shall endeavor to avoid instruments that appear likely, directly or indirectly, to support racial discrimination, violation of human rights, sweatshop or forced labor, gambling, or the production of nuclear armaments, alcoholic beverages or tobacco, or companies dealing in pornography. The boards and agencies are to give careful consideration to shareholder advocacy, including advocacy of corporate disinvestment.

##### *Diversification*

Investment managers are responsible for achieving a level of diversification in their portfolio that is prudent and consistently applied. Concentrations in individual securities, industries and economic sectors should not be so high as to subject the overall portfolio to undue risk.

##### *Liquidity*

When purchasing a security to place in a portfolio, it is expected that each manager will consider their aggregate holdings among all of their accounts to ensure that their total position in the security will not be so large as to inhibit rapid liquidation of the security.

##### *Cash*

It is expected that the managers will run fully invested portfolios. It is not the policy of the Conference and Foundation to try to time the market. It is understood that frictional cash can be a result of the buy and sell process. However, if cash exceeds 10% of the manager's portfolio, the manager should communicate to the Foundation, Conference and its consultant in writing the reasons for the high cash level and the time frame needed to get the portfolio fully invested.

#### *Domestic Equity Manager Guidelines*

- The majority of the holdings in these portfolios should consist of domestic (U.S.) common stock. Large to medium capitalization issues are preferred. Other acceptable investments on a limited basis include preferred stock, convertible securities and cash equivalents.
- Portfolios should be diversified. Specifically, 75% of each investment manager's portfolio should be diversified to the extent that no

individual security makes up more than 5% of the total assets at the current market value. Discretion may be taken in the remaining 25% of a portfolio, but the manager should not allow any one position to exceed 8% of the portfolio's total market value.

- A concentration in one economic sector (e.g., transportation) should not be so great as to exceed 30% of the manager's portfolio measured at market value or two times the benchmark index, whichever is greater.
- The manager should follow a clearly defined sell discipline.

#### *Fixed Income Manager Guidelines*

- Holdings should consist primarily of domestic (U.S.) fixed-income securities with adequate liquidity. The portfolio should maintain a weighted average portfolio quality rating of at least "A." Securities that are issued or guaranteed by the U.S. Treasury or Government agencies and instrumentalities will be considered AAA.
- The maximum position in a single issuer's securities should not exceed 5% of the portfolio's assets measured at cost or 8% of the portfolio measured at market value. Holdings in securities issued or guaranteed by the U.S. Treasury or U.S. Government agencies and instrumentalities are excepted from this restriction.
- The duration of the portfolio should be targeted to that of the Lehman Brothers Intermediate Aggregate Index. The duration may range within 20% of the duration of this index.
- Purchases should be limited to readily marketable securities.
- Purchases of securities rated below investment grade are limited to 10% of the portfolio, measured at market value, and area limited to a rating of "B" or better.
- Foreign (non-U.S. domiciled) securities denominated in U.S. dollars are limited to 10% of the portfolio, measured at market value.
- Non-U.S. dollar denominated securities area prohibited.

#### *Investment Performance Objectives*

Investment managers will be reviewed on a quantitative basis in the form of quarterly reports to be provided by the consultant. Qualitative factors will also be considered such as adherence to each manager's stated investment process, and to the policy guidelines stated in this document. Managers will be reviewed on a net of fees basis.

#### *Large Cap Value Manager*

Over a rolling three-year period, the annualized total return of the manager should exceed the annualized total return of the Russell 1000 Value Index. The manager should rank in the upper 25th percentile of a universe of similar managers for the rolling three-year period

#### *Large Cap Growth Manager*

Over a rolling three-year period, the annualized total return of the manager should exceed the annualized total return of the Russell 1000 Growth Index. The manager should rank in the upper 25th percentile of a universe of similar managers for the rolling three-year period.

#### *Bond Manager*

Over a rolling three-year period, the annualized total return of the manager should exceed the annualized total return of the Lehman Brothers Intermediate Aggregate Index. The manager should rank in the upper 25th percentile of a universe of similar managers for the rolling three-year period.

#### *Performance Meeting*

The consultant and the Investment Committee shall monitor the overall performance of the funds to insure its meeting of its objectives.

Individual manager monitoring will include the following:

Maintaining both a short-term and long-term perspective, the Consultant will evaluate whether each manger has:

- Performed satisfactorily when compared with the specific objectives for its portfolio;
- Produced results that compare favorably to other investment managers with similar portfolios; and
- Adhered to the relevant policies and objectives.

Among the events that the consultant will examine closely in its review of the investment managers are:

- Poor performance relative to objectives over a three- to five-year period,
- A change in the portfolio manager;
- The departure of one or more key investment professionals;
- Violation of an investment guideline; and
- A change in the ownership or control of the investment management organization.

Any of the above factors will result in a discussion of whether to retain an investment manger. The consultant will provide input in the discussion, but final decisions for any changes rest with the Investment Committee.

#### *Investment Manager Responsibilities*

- Submit a written request to the trustees whenever the investment manager feels that the Statement of Investment Objectives should be changed
- Provide quarterly reports describing portfolio holdings, transactions, and performance.
- Vote proxies received after careful assessment of the issues involved.
- Promptly inform the trustees and its consultant of all significant matters pertaining to the investment management of the assets of the Foundation. For example, significant changes in the ownership, affiliation, organizational structure, financial condition, and staffing of the firm.
- Be available to meet with the trustees on a reasonable basis.
- Manage the funds in accordance with the policy guidelines and objectives expressed in this document, or in a separate written agreement that has received approval from the trustees when deviation is deemed prudent and desirable.

**BENEFIT PLANS PROVIDED TO CLERGY IN THE VIRGINIA CONFERENCE**

Benefit plans provided to clergy in the Virginia Conference are primarily administered by Virginia United Methodist Pensions, Inc. (VUMPI), an independent agency of the Virginia Conference. Several of the denominational plans are administered by Wespath Benefits and Investments (Wespath), which is the administrative agency of The United Methodist Church charged with supervising and administering retirement plans, investment funds and health and welfare benefit plans for the benefit of active and retired clergy and lay employees of the Church. VUMPI assists Wespath with the administration of the denominational plans and serves as an advocate and resource for Virginia Conference clergy enrolled in those plans. VUMPI (or its vendors, if applicable) is responsible for determining if a participant qualifies to receive a benefit under programs administered by VUMPI. Wespath is responsible for determining if a participant qualifies to receive a benefit under one or more of the denominational pension, disability or life insurance plans, and what level of benefits will be payable to the participant or his or her beneficiaries.

Funding, eligibility and plan designs of the various clergy benefit programs are recommended by VUMPI for Virginia Conference approval. The following plans are administered for the benefit of Virginia Conference Clergy and eligible lay employees:

- Active Clergy Health Plan
- Retired Clergy Health Plan
- Comprehensive Protection Plan (CPP)
- Supplemental Life Insurance Plan
- Denominational Pension and Savings Plans

Following are details regarding eligibility, administration and funding of the benefit programs administered by VUMPI:

**Active Clergy Health Plan**

The Active Clergy Health Plan is a self insured health plan administered by VUMPI for the benefit of Virginia Conference clergy and eligible lay employees. The following are eligible for enrollment in the Active Clergy Health Plan:

- Full time clergy, including Elders, Deacons and Local Pastors, serving under episcopal appointment
- Clergy serving in full time Extension Ministry appointments in organizations controlled by The United Methodist Church, as determined by VUMPI
- Widowed spouses of active clergy that were enrolled in the active clergy health plan at the time of death are eligible to continue enrollment in the active clergy health plan until age 65, at which time their eligibility will be determined for the retired clergy health plan
- Eligible dependents of deceased active clergy that were enrolled in the active clergy health plan at the time of death are eligible to continue enrollment in the active clergy health plan until age 26
- Clergy on Medical Leave and receiving long-term disability income benefits from Wespath are eligible for the health plan designed for clergy on medical leave with CPP benefits, subject to payment of the required participant contribution for that plan
- Clergy on Medical Leave who are not receiving long-term disability income benefits from Wespath are eligible for the Active Clergy Health Plan for up to one year, subject to payment of the required participant contribution for the Active Clergy plan
- Clergy on Voluntary Leave of Absence or Sabbatical Leave may participate in the active clergy health plan for up to one year, provided they pay 100 percent of the Active Clergy Health Plan cost
- Student Local Pastors may participate in the active clergy health plan for up to one year, provided they pay 100 percent of the Active Clergy Health Plan cost
- Clergy appointed to attend seminary may participate in the active clergy health plan for up to one year, provided they pay 100 percent of the Active Clergy Health Plan cost

A Virginia Conference clergyperson who has retired from The United Methodist Church under ¶357 (or succeeding paragraph) of the 2016 Book of Discipline is no longer eligible to enroll in the Active Clergy Health Plan. If the clergyperson terminates his/her retired relationship to the Virginia Conference and returns to full time active appointment under an active Conference relationship status, that clergyperson and his/her spouse and eligible dependents may regain eligibility for enrollment in the Active Clergy Health Plan.

Clergy on Medical Leave and receiving long term disability income benefits from Wespath must file for and enroll in Medicare Parts A and B as soon as they become eligible in order to remain enrolled in the Active Clergy Health Plan.

The Active Clergy Health Plan is administered by VUMPI. The plan is self insured and is primarily funded by Conference resources through apportionments and contributions from plan participants. The continuation of this plan depends largely upon the ongoing ability of the Virginia Conference to finance the plan benefits. Plan design changes and participant contributions are recommended for Annual Conference approval. Due to ongoing increases in general health care costs, it should be expected that VUMPI will periodically recommend increases in the Active Clergy Health Plan apportionment and personal contributions. Similarly, reductions in plan benefits may be recommended in order to reduce the overall cost of the Active Clergy Health Plan. The adoption of the Active Clergy Health Plan is not considered binding upon the Conference for more than one year at a time.

Eligible clergy and lay employees who wish to enroll in the Active Clergy Health Plan may enroll through VUMPI. Prospective enrollees may contact VUMPI at 804-521-1100. Summary plan descriptions and additional program details regarding the Active Clergy Health Plan are available at [www.vumpi.org](http://www.vumpi.org).

### Retired Clergy Health Plan

The health plan made available to eligible retirees of the Virginia Conference includes a plan for those retired clergy who are not yet eligible for Medicare and a separate plan for those who are eligible for and enrolled in Medicare. The plan for pre-Medicare-eligible retirees is a self insured health plan. The plan for Medicare-eligible retirees consists of a fully insured Medicare Advantage plan option and a Conference-funded Retiree Reimbursement Account option. The following are eligible for enrollment in the Retired Clergy Health Plan:

- A retired Virginia Conference clergy person whose retirement date was effective prior to January 1, 2019, is eligible to participate in the Retired Clergy Health Plan if paragraphs 1 and 2 below are satisfied.
  1. A Clergy satisfies the requirements of this paragraph if he or she retired in connection with the Virginia United Methodist Conference under ¶357.1-3 of the 2016 *Book of Discipline*.
  2. A Clergy or Diaconal Minister satisfies the requirements of this paragraph if he or she meets the criteria in either subparagraph a, b or c below:
    - a. This subparagraph is satisfied if a Clergy or Diaconal Minister was age 62 or above on the date of retirement, or had at least 30 years of service on the date of retirement, and had served the Virginia United Methodist Conference during the 10 consecutive years immediately prior to retirement in full time Episcopal appointments where the salary paying units had contributed towards the Active Clergy Health Plan apportionment, or
    - b. This subparagraph is satisfied if a Clergy or Diaconal Minister was age 62 or above on the date of retirement, or had at least 30 years of service on the date of retirement, and had served the Virginia United Methodist Conference a minimum of 30 years in full time Episcopal appointments where the salary paying units had contributed towards the Active Clergy Health Plan apportionment, or
    - c. This subparagraph is satisfied if a Clergy or Diaconal Minister who had served 10 years in full time Episcopal appointments with the Virginia United Methodist Conference where the salary paying units had contributed towards the Active Clergy Health Plan apportionment, retired prior to age 62 with fewer than 30 years of service, or was appointed to Approved Leave, e.g., Sabbatical, Family Leave or Voluntary Leave of Absence, or was appointed to Extension Ministry (to an agency that is not eligible to participate in the Active Clergy Health Plan), or was appointed On Loan to another United Methodist Conference. A Clergy or Diaconal Minister meeting the requirements of this subparagraph maintained eligibility to enroll in the Retiree Health Plan by paying a monthly Retiree Health Plan Access Fee until the date of enrollment in the Retiree Health Plan. Additional years of credit for eligibility or the vesting and contribution schedule are not accrued while the Retiree Health Plan Access Fee is paid.

There was a one time open enrollment period (January 1-31, 2004) for those described in this paragraph who were not enrolled in the Active Clergy Health Plan, and who wanted to freeze their eligibility for the Retired Clergy Health Plan.

If retirement occurs prior to age 62 and the retiree does not have 30 years of service, the retiree may continue enrollment in the Active Clergy Health Plan until attaining the age of 62, by paying 100 percent of the Active Clergy Health Plan cost.

For clergy retiring on or after January 1, 2019, the following years are to be counted towards determining eligibility for the Conference-sponsored retiree health plans

:

- All years of full-time ministry in Virginia Conference churches, plus
- All years of full-time ministry other than in appointment to Virginia Conference churches but with enrollment in the Virginia Conference-sponsored health plan

Beginning January 1, 2019 there was no longer be a requirement to have ten consecutive years of full time ministry immediately preceding retirement. With this change, the Retiree Health Plan Access Fee is no longer be required.

Clergy retiring under ¶357.2.a of the 2016 *Book of Discipline* (voluntary retirement with twenty years of service) may remain enrolled in the Conference-sponsored health plan for active clergy, and are required to pay the full rates for lay employees. At the age of 62, the retiree becomes eligible for enrollment in the Retired Clergy Health Plan, with plan eligibility and participant contributions consistent with their years of credit at retirement.

Additional points of clarification:

1. Years of credit will be determined at retirement.
2. A Year of credit equals a year served in the Virginia United Methodist Conference in a full time Episcopal Appointment where the salary paying unit was contributing towards the Active Clergy Health Plan apportionment.
3. Years of service in other United Methodist conferences are not qualifying years of credit toward eligibility for the Virginia Conference Retired Clergy Health Plan.
4. Retired Clergy and Diaconal Ministers who were participating in the Virginia United Methodist Conference Retired Clergy Health Plan, as well as those active clergy who had met the Retired Clergy Health Plan eligibility criteria on or before January 1, 2004, are considered vested with 30+ total years of credit. Therefore they are eligible to enroll in the Retired Clergy Health Plan with personal contributions according to the 30+ total years of credit contribution rate.
5. Eligible dependents are those who were eligible for coverage at the time of the participant's date of retirement.

6. Retired clergy and/or their dependents that are participating in the Retired Clergy Health Plan must file for and enroll in Medicare Parts A and B as soon as they become eligible in order to receive and continue their health benefits under the Retired Clergy Health Plan.

The Retired Clergy Health Plan is administered by VUMPI. The plan is primarily funded by Conference resources through apportionments and contributions from plan participants. The continuation of this plan depends largely upon the ongoing ability of the Virginia Conference to finance the plan benefits. Plan design changes and participant contributions are recommended for Annual Conference approval. Due to ongoing increases in general health care costs, it should be expected that VUMPI will periodically recommend increases in the Retired Clergy Health Plan apportionment and personal contributions. Similarly, reductions in plan benefits may be recommended in order to reduce the overall cost of the Retired Clergy Health Plan. The adoption of the Retired Clergy Health Plan is not considered binding upon the Conference for more than one year at a time.

Eligible retirees who wish to enroll in the Retired Clergy Health Plan may enroll either through VUMPI or directly with the insurer administering the health plan for Medicare-eligible retirees, depending on the Medicare eligibility status of the retiree. Prospective enrollees may contact VUMPI at 804-521-1100 for additional details regarding enrollment in the plan.

Summary plan descriptions and additional program details regarding the Retired Clergy Health Plan are available at [www.vumpi.org](http://www.vumpi.org).

### **Comprehensive Protection Plan**

The CPP is the denominational long term disability and life insurance program administered by Wespath. Program details are as follows:

The following are eligible for long term disability and death benefits through the CPP program, subject to the limitations and exclusions specified in that program:

1. Full-time Elders, Deacons and Local Pastors with compensation of at least 25% of the Denominational Average Compensation
2. Elders and Deacons appointed to 75% appointments with compensation of at least 25% of the Denominational Average Compensation
3. Clergy on Medical Leave who were actively enrolled in CPP immediately prior to entering Medical Leave status may remain enrolled in CPP at the Conference's expense for up to one year if not receiving disability benefits under CPP; clergy receiving disability benefits under CPP remain enrolled until disability benefits are terminated
4. Clergy on Sabbatical Leave or Voluntary Leave, or appointment to attend school, and who were actively enrolled in CPP immediately prior to taking the approved leave or appointment, are eligible to remain enrolled in CPP at the Conference's expense for up to one year

Continuation of CPP disability benefits is subject to ongoing evaluation of the recipient's medical condition and prognosis.

Retirees meeting certain eligibility requirements receive an ongoing CPP death benefit in retirement. To be eligible for death benefits in retirement, a clergyperson must have been covered in CPP for a specified number of years. Retirees with 25 or more years of enrollment in CPP are automatically eligible for the death benefits in retirement, and the eligibility criteria for those with fewer than 25 years in CPP is phased in with one-year increments, as detailed in the table below:

Retirement Year	CPP Enrollment Requirement for Death Benefit Eligibility
2013	6 of last 10 years
2014	7 of last 10 years
2015	8 of last 11 years
2016	9 of last 12 years
2017	10 of last 13 years
2018	11 of last 14 years
2019+	12 of last 15 years

### **Supplemental Life Insurance Plan**

VUMPI administers a Supplemental Life Insurance Plan to augment the death benefits provided through CPP. The Supplemental Life Insurance Plan includes a supplemental death benefit for qualifying active and retired clergy, as well as a voluntary life insurance plan that is fully funded by the enrollee. Clergy eligible for and enrolled in CPP are eligible for the supplemental death benefit and the voluntary life insurance plan through the Supplemental Life Insurance Plan.

The supplemental death benefit for active clergy enrolled in CPP is \$25,000. This Conference Supplemental Death Benefit is payable in addition to the CPP death benefit. During retirement, a \$5,000 Conference Supplemental Death Benefit will be payable to retired clergy who are eligible for a CPP death benefit in retirement, in addition to the CPP death benefit.

The voluntary life insurance benefit available to active clergy enrolled in CPP is available in amounts from \$25,000 to \$300,000. The cost of the voluntary life insurance benefit is 100% participant paid, and is subject to underwriting. The voluntary coverage is portable for those enrollees who leave

the ministry or retire. In addition, dependent life is available in amounts from \$10,000 to \$50,000 for spousal coverage, and from \$5,000 to \$10,000 for children.

VUMPI will automatically enroll those who are eligible for the CPP and Supplemental Life Insurance Plan. Those desiring to enroll in voluntary life insurance coverage can enroll during VUMPI's annual open enrollment in the 4th quarter of each calendar year. Unless otherwise elected by the participant, the beneficiary will always be the spouse.

Summary plan descriptions and additional program details regarding CPP are available at [www.wespath.org](http://www.wespath.org). Additional detail regarding the supplemental and voluntary life insurance programs is available at [www.vumpi.org](http://www.vumpi.org).

### **Denominational Pension and Savings Plans**

VUMPI assists with the administration of the denominational pension and savings plans, which are primarily administered by Wespath. The pension and savings plans include the following:

- Pre-1982 Plan: for years of ministry served prior to 1982
- Ministerial Pension Plan (MPP): for years of ministry served from 1982 through 2006
- Clergy Retirement Security Program (CRSP): for years of ministry served beginning in 2007 and thereafter
- United Methodist Personal Investment Plan (UMPIP): an Internal Revenue Code section 403(b) retirement savings plan for clergy and lay employees of The United Methodist Church

Participants are immediately vested in all denominational pension programs. The Pre-1982 Plan and the MPP are closed plans; no additional credit is being earned under the provisions of those plans. All clergy appointed at least 50% to a local church earn pension credit under CRSP, unless such credit is waived (clergy appointed less than full time may waive pension credit under CRSP). Clergy appointed to Extension Ministry appointments do not earn pension credit under CRSP.

Personal contributions toward a participant's UMPIP account can be made on a pre-tax, after-tax or Roth basis. Personal contributions are invested in the investment options selected by the participant.

Summary plan descriptions and additional program details regarding the denominational pension and savings programs are available at [www.wespath.org](http://www.wespath.org).

### **GIFT BENEFIT**

VUMPI currently elects to provide a one time \$1,500 gift at the time of retirement or disability (if awarded disability benefits under the Comprehensive Protection Plan) to each clergyperson who has served at least ten years of service in a full time Virginia Annual Conference episcopal appointment in the Virginia Conference with pension credit. Further, a gift to the estate of each clergyperson meeting the eligibility criteria above who dies in active service is paid in the same amount as the gift to retired or disabled clergypersons.

Benefits provided are subject to annual review. Therefore, the continuation of this plan depends largely upon the ability of the Conference to finance it. Benefits provided are approved at each Annual Conference. The adoption of this plan should not be considered binding upon the Conference for more than one year at a time. Accordingly, the terms of the Gift Benefit are subject to change by approval by Annual Conference.

## THE REV. LARRY ELLIOT ADAMS 1944 - 2022

Larry Elliott Adams was born in McComb, Mississippi on September 21, 1944. He was nurtured in the Christian faith through the witness of his parents, Peyton and Nita Ray Adams and the ministry and lessons of Summit United Methodist Church. He was called home to be with his Lord and Savior on December 21, 2022.

He valued education and learning throughout his life, consuming books (and eventually writing one, *Sounds of Summit*, a memoir of his years in Mississippi), magazines, papers and the wisdom of others daily. Larry graduated cum laude in 1966 from Millsaps College, a United Methodist liberal arts college in Jackson, Mississippi, majoring in Latin and Greek. For his theological studies he attended Duke University's Divinity School, where he again focused on biblical languages and New Testament studies, graduating in 1970 summa cum laude. All who knew him from that point forward knew his passion for Duke, whether it was the university where his youngest son later worked, the basketball team he loved or the hospital that later offered such good care to him. In 1993, Larry returned to school once more, completing his Doctor of Ministry degree at Wesley Theological Seminary in Washington DC four years later.

As part of his preparation for pastoral ministry, Larry served as a mission intern with the Board of Global Ministries of the United Methodist Church in Zimbabwe (then called Rhodesia) from 1968-1969, and after graduation from seminary at Duke served as the assistant minister of the Auld Kirk of Ayr, Scotland from 1970 to 1971. Ordained in Mississippi in 1967, Larry initially served 41 years as a pastor in the United Methodist Church prior to his retirement in 2008.

The early years of Larry's ministry were in the Mississippi Conference where he served as associate pastor of Broadmeadow Church in Jackson and as pastor of the Star-Monterey charge in Rankin County. The next 33 years of his ministry were spent in the Virginia Conference, where he served as the pastor of Cheriton and Oyster UMC on the Eastern Shore of Virginia, Oak Grove Church in the Great Bridge area of Chesapeake, the Bethel-Emmanuel Charge on the Northern Neck, Warwick Memorial in Newport News, and Aldersgate (later New Creation) again in Chesapeake.

In retirement, he continued to serve as a guest pastor when asked, and was blessed to officiate more weddings than he could count, including those of all of his children, in his time on this earth. Larry taught all who knew him that family wasn't just the group you were born into, but also the folks you embrace and choose to love along the way. Consistent with his message he loved mentoring pastors, and often proclaimed how lucky he was to serve with so many great colleagues and associates over the years- many of whom felt like family. He even was able to lend support to his granddaughter as she prepared for her first Easter sunrise sermon last year. He was called out of retirement and back into the ministry for a final year in 2021, when he had the opportunity to serve as an interim pastor at Warsaw United Methodist (near the Lancaster area he had retired to and loved so dearly). All of his churches brought him great joy and strength.

Larry was a world traveler, and shared his love of other cultures with his friends and congregations. He took many of them to Europe, Asia and the Holy Land later in his life, sharing his knowledge and exploring these beautiful places and communities with those he ministered to spiritually as well. He felt that to walk among others is to appreciate and know them. He also lived this creed when he walked across the entire state of Virginia in his FaithWalk prior to retirement.

Larry loved his family deeply, and was the best father, husband, brother, grandfather, and friend you could ever have been blessed to know. He leaves behind his loving wife Karen Adams; sons, Clark Adams (Miranda), Christian Adams (Heidi), Clay Adams (Nida); daughters Kasey Donahue (Derek), Karlie Philips (Bryan); Grandchildren, Delaney, Sydney, Josie, Avery, Makenna, Isabella and Nicholas Adams, Jarvis, Kolbey and Kelsey Donahue, Kylie and Kinzlie Philips. He is also survived by a brother Alvin Adams (Tammy), sisters Eugenia Felder and Carol Schwager (John) and many nieces and nephews that meant the world to him.

## THE REV. WILLIAM F. ATWELL SR. 1940 - 2022

Bill was born January 14, 1940, and grew up in the Arlington/Fairfax area of Virginia. He made his profession of faith and commitment to the Lord as a teenager under the ministry of Pastor Gruver. At age 17, in a school assembly, during the prayer, Bill said he heard clearly the call of God on his life to be a minister. Bill said he told the Lord, "I can't do that." So, for the next 17 years God prepared Bill through the difficulties and blessings of marriage and family, career changes in retail, and his National Guard experiences.

Bill and Suzanne had four children: Elizabeth, William, Jr., Stephanie, and David. He saw God's provision and protection through the years, though still trying to 'run' from his calling. Once, he prayed urgently and desperately as he wiped the soot from his youngest child's body, after David had accidentally fallen and rolled through a blazing bonfire. Bill said, miraculously, not even a first degree burn, nor hair singed.

Finally, at age 35, Bill walked through the open doors that God placed before him at Eastern Mennonite College and Seminary. Bill often remembered God's favor during this time of preparation for ministry. He was ordained as an Elder in 1982. Bill loved being a pastor, ministering to

the needs of people. He loved the church. He loved his children dearly.

**Elizabeth's memories:** Our father loved being a pastor. He especially loved 'visiting' parishioners and sharing communion with those who were homebound. He was kind and loving to the sick and isolated. When the world seemed harsh and inconsolable, we could turn to our father for a listening ear, love and caring. We miss him greatly. I

**William, Jr.'s memories:** Billy has fond memories of daddy taking him hunting and fishing, and his love of animals. He recalls 'stopping to get junk food' with his dad. When Bill was in rehab, he said, smiling, "tell Billy there's a big welcome mat out."

**Stephanie's memories:** My fondest daddy memories—Sunday drives, stopping to harvest wild asparagus, getting ice cream, getting to tag along with him to different churches when he was in lay ministry. He passed on his love of gardening to me. When I was in grade school, my parents became reacquainted with Jesus and our life drastically changed as my father followed his calling to ministry. One night, when I couldn't sleep because I was scared, my daddy took time to talk to me, read the Bible, and pray with me. It gave me peace to sleep. I had the privilege of helping to care for my dad in my home those last 2-3 months. I was so excited to get home and hug him, just sit and reminisce with him. My life will never be the same. I still miss his earthly presence.

**David's memories:** He remembers "the ability of my dad to be so kind to people he did not even know, shut-ins and others." He also recalls his mother telling how Bill would 'sort of push' her into a room first for visitation. David says, "the change in daddy was so amazing after he completely obeyed God's calling to the ministry. There was no longer any hesitation for visitation. He loved visiting and pastoring."

Bill told me that the hardest thing he ever had to do was to call his superintendent, and tell him that he was disabled because of his heart condition after two heart attacks. Bill would tell about 'going to the other side' during his first heart attack, and experiencing the peace that passes all understanding, and no fear of death.

Bill and I met in 1999, fell in love, were married January 2000, and moved to a little beach town in Florida for his health. Bill never quit being a Pastor. Over the 22 years we were there, so many people were drawn to him as he listened, counseled, and pastored them on the beach. He always wanted to 'make people smile' by giving them a seashell or just smiling and speaking with them. He loved all of God's creation. He loved and fed the birds (healthy food) on the beach, and it gave him still another opportunity to meet people and just share God's love. His 'flock' also seemed to love him. Big Dottie would often stand on his head and beg for the peanuts in his hand. He said that it was so humbling to know and have the trust of these creatures.

Bill once told me that his life verse was from Deuteronomy chapter 30: AND DO IT. He said that he just had to do what God had called him to do. He told me that his favorite hymn was Trust and Obey because God had to bring him to a place of absolute trust so that he would obey Him and 'receive' the LIFE that his God and Savior had for him. Bill just loved Life. His 'Light'-filled brown eyes flowed like a river of love and warmth into your soul, and then his beautiful smile would just wrap around you in such a loving God-filled embrace. When I think of my Bill, I see God's love pouring through his eyes and his smile. I have never known anyone so at peace with Life and Loving Life, even in the midst of pain and suffering. Bill was a vessel of God's love to others. I am so grateful for his life, his ministry, his love. God is so Good! He shared this wonderful gift also with me for 23 years. The impact of the Life and Love that God's Bill continues to have on my life is beyond anything this world could ever imagine. I miss him so much but I know that my Bill and God's Bill is Home: LIVING and sharing the love of his Creator forever.

*— In loving memory of my Bill, Betty Atwell (Mrs. William F. Atwell, Sr.)*

## THE REV. WILLIAM M. CLARK JR. 1931 - 2023

William was born in Danville, Virginia to William and Annie Clark. His mother was most influential in helping to set the foundation for his faith journey. Every Sunday Annie would take him to the Episcopal Church adjacent to their home where he grew in his faith. She was a Godly woman who put into practice her belief in God.

In early adulthood, Dad married the love of his life, Connie Taylor, on April 21, 1957. Together they reared four boys.

While living in Danville, Va. William attended Wesley Chapel UMC, Ringgold, VA, where he taught Sunday School. It was during this period in his life he received his call into ministry.

While William worked as a dock supervisor for a trucking firm in Danville. Va., he served as a part time pastor at the Cascade Charge while attending Ferrum College.

After graduating from Ferrum College, William took his first full time appointment on the Axton Charge and for ten summers attended the Course of Study program at Duke Divinity School, Durham, NC.

Upon completion of the course of study, William was commissioned as an Associate Member of the Virginia Annual Conference. In the 70s, he was honored as Rural Pastor of the Year while serving the Axton Charge. William has served this conference for more than 35 years, sharing the Good News of Christ with the churches he has pastored. His faithful pastoral care in visiting the sick and homebound was impeccable. He will never be forgotten as his spiritual influence will continue to impact the lives of those he touched. *—Submitted by Terry Clark*

**THE REV. LINWOOD E. DANIEL**  
**1929 - 2022**

Reverend Linwood Daniel of Chesterfield passed away on August 8, 2022. He was born in Emporia, Va in 1929 and was preceded in death by his parents and grandson, Joshua Daniel.

Linwood and Barbara Kline were married in September 1960 and spent nearly 62 years together. He is survived by his wife, 3 sons, 3 grandchildren, and 4 great-granddaughters.

Linwood had a BA degree from Shepherd College and a Masters of Divinity Degree from Wesley Seminary. Linwood began his ministry in the Shenandoah Valley in the Winchester District, in the town of Boyce, as a student pastor serving 5 churches in the mid 50s. He went on to serve several more churches in the Winchester District before going to Chesapeake to start a new church, Aldersgate (now New Creation) on the Portsmouth District. He was so proud to be the founding pastor of this great church! Linwood continued his ministry over the state of Virginia until his retirement in 2000. After retirement, he served churches wherever he was needed. He finally retired for good in 2020, although he liked to keep in touch by phone with all of his friends.

He and Barbara served churches over the state and deeply enjoyed every single congregation. Linwood truly loved the people that he served and felt honored to be their pastor. He definitely had an undeniably special gift for pastoral care and said so many times “we have so many friends!” These friendships were one of his greatest happiness throughout his entire life.

When Linwood was welcomed into the Lord’s presence, I’m sure that he heard, “Well done, good & faithful servant.”

**THE REV. RICHARD C. FRANKLIN JR.**  
**1950 - 2022**

I wanted to take this opportunity to share some of what I wrote for our Christmas newsletter about our former pastor at Monumental United Methodist in Emporia and my husband of 51 years, Rick Franklin. He went home to see Jesus face to face on June 15, 2022, just as the United Methodist Conference was getting ready to begin.

When Rick was asked if he wanted to be the pastor at Monumental, he felt like he had hit the lottery. There was nowhere he ever wanted to be pastor more than here.

In 2010 during Annual Conference, after decades of folks telling him he should be a minister, he answered the call he had heard for years and said ‘Yes’ to God. In 2015 he fulfilled the requirements to become a Local Licensed Pastor.

And no one was happier about this than Rick Franklin.

He was first appointed to Centenary UMC in Jarratt. He loved that little church and the people there. When he had his interview with then District Superintendent Sylvia Meadows, which actually took place at Monumental, she asked if he would consider being appointed to come to Monumental and again, he was happier than anyone ever.

Franklin joined our church family in 1972, and he was coming home! He knew he had physical limitations but prayed that God would help him, and he knew that God would be with him. The members at Monumental were always willing to make changes as needed to make it easier for him to get around. The willingness of members to accept phone calls instead of visits helped him tremendously.

Their kindness and understanding helped his ministry greatly.

He knew he was getting slower and slower and wrestled with the decision to accept the appointment for another year. He prayed about it constantly and knew that God would let him know when it was time for him to stop. Ultimately, God called him home just before he started his third year there.

He told me many times that if he was still active as Pastor to make sure I put this title on his grave. As you may or may not know, if you retire as a local licensed pastor then you no longer carry that title. I am grateful he was afforded this prayer request.

I draw strength, not only from my faith, but in the caring people of our church and community. The thoughts, prayers, cards, flowers, food, attendance during the funeral process, and everything since last summer is so very valuable to me.

We are grateful that after so many years as a Sunday School teacher and lay leader, and certified lay servant, Franklin had the United Methodist Church to focus his time and talents on in the latter portion of his life. He loved it like he loved the Lord. And we are all better for having been a part of his faith journey and ministry.

We miss him every day and always will.

*—Suzanne, Chrystie and Brad*

## THE REV. HERBERT G. HOBBS 1934 - 2022

In memory of Herbert G. Hobbs – born April 16, 1934, and passing to his eternal home October 28, 2022.

He was known by many names throughout his lifetime... While most people called him “Herb”, classmates and friends from his youth knew him as “Herbie”; his children loved him as “Dad”; the students and faculty at Ferrum College revered him as “Chaplain Hobbs”; his grandchildren and great-grandchildren honored him as “Papa”; one of his favorite names was “Rev” called out in greetings from the Virginia Tech Football players and coaches; and his dearest friend – Jim Wightman – treasured him as “Hobbs”.

Herb met his beloved wife Evelyn while at Hampton High School; they were married in 1957 and had two children.

Most of his life was spent serving God in ministry beginning with his first appointment in 1959—a two-point charge in White Stone, Virginia, with a church family that loved them well as they started out in ministry and family life.

With passion for social justice, he pastored the first integrated Methodist church in Virginia Beach from 1963 to 1968.

From there, he and his family moved to Ferrum College where he served as Chaplain from 1968 to 1986. During that time, he created a program called “The Insight Series” showcasing people from all walks of life, telling their stories to inspire those who attended. While at Ferrum he started the Black Student Union and the Student Christian Fellowship groups.

When his children were grown, he accepted an appointment to serve at Baylake UMC in Virginia Beach from 1986 to 1992. Herb’s final appointment was serving at Blacksburg UMC from 1992 to 2000.

One of the highlights of his life was serving as the Chaplain for the Virginia Tech football team. From locker room prayers and chapel break-fasts, to high fives on the sidelines of Lane Stadium and traveling with the team, being a part of the Hokie Football Program was an incredible blessing and always brought a smile to his face for the rest of his life!

One of his final acts of formal ministry service was working with the food pantry at Calvary UMC in Stuarts Draft, Virginia.

Another passion of Herb’s was music. From singing in the Glee Club at Hampton High School and Randolph Macon College, to church choirs, and Barbershop Quartets—he considered singing a great joy. He loved all types of music from Classical to Jazz, The Beatles to Beethoven, full orchestra to a cappella. Music was always playing in their home.

Herb was loved by those who had the privilege to know him and was considered a precious friend to people all over the world.

Herb has imprinted lasting memories and influence on all who interacted with him. A dear friend and colleague, Don MacNicoll, shared this advice given to him by Herb: “He told me over and over that no matter what I did or where I was, to keep Jesus at the center of my life.” May each of us keep Jesus at the center of our lives, anchoring our souls to the promises of God on which Herb stood until his final step of faith into the arms of Christ the Lord.

## THE REV. WILLIAM ERNEST HOGGE 1932 - 2022

God carefully watched my Dad, The Rev. Ernest Hogge, come into this world on August 24, 1932, and as I witnessed, God gently guided him out on June 24, 2022.

As the youngest of five children, he seemed to know his purpose at an early age. With a blind father at home, his oldest sister took him to church regularly, as well as modeled her faith by serving needy or sick neighbors with food baskets. She instilled in him the meaning of serving others.

My dad loved his school days in West Point, where he actively enjoyed sports and developed lifelong friendships. As a graduate of Pleasant Hill High School, he left home to pursue his dreams. He attended and graduated from Ferrum College and then attended Lynchburg College, where he received his B.A. in Psychology. There, he met and fell in love with my Mom, Aileen. My Dad continued his education at the Candler School of Theology at Emory University with a Master of Divinity. He even served one summer in Cuba on a work scholarship as a Methodist missionary.

Wedding plans were in place for my Mom and Dad on March 17, 1957 in Woodstock, Virginia. Deep green bridesmaids dresses were worn, as well as green on the groomsmen. As a team, they were both ready to serve, with my Dad’s first appointment on the Lancaster Charge, Rappahannock District. I arrived on January 23, 1958 and lived at my first parsonage in Lively.

Every four years we packed up our home and relocated to another church. My Dad was ready to continually serve new communities and families. In sequence, his appointments took us to Mount Olivet, Smith Memorial and Design Churches on the Danville District, Oakton UMC on the Arlington District, Welborne UMC on the Richmond District, Centenary UMC on the Portsmouth District, District Superintendent of the Danville District, Manassas St. Thomas UMC on the Alexandria District, Westhampton UMC on the Richmond District, Interim pastor at Kenwood UMC on the Ashland District, Part-time pastor at Laurel Park UMC on the Ashland District, and last but not least, 12 years serving as a minister of Congregation Care at Shady Grove UMC Short Pump in Richmond.

One of Kenwood’s members shared a memory about my Dad. “He would exit the front door with his arms of his robe blowing in the wind.” They nicknamed my Dad “Zorro”! He spent hours on the phone calling members or new visitors and he always enjoyed a good joke!

Not only did my parents help with the planning of my wedding, but after walking me down the aisle, my Dad presented my wedding vows to me and my husband of 41 years, Charlie Otstot.

Finding out that they were going to be grandparents, just thrilled my Mom and Dad! They both enjoyed the relationship that they had with my son Adam and my daughter Kate, and they looked forward to our visits.

My Dad was able to experience three very unique and special events in his life. He not only presented my wedding vows, but he also assisted in his grandson's wedding on June 25, 2011, and then he presented his granddaughter's wedding vows on August 27, 2016.

They were also thrilled to become great grandparents to Cassidy, Sawyer, Ellett, and Grayson. Sadly, my Dad had to perform the funeral for our little Ellett.

After my Mom's death, my Dad spent his final years at Rappahannock Westminister-Canterbury in Irvington, Virginia. He enjoyed making new friends and continued to pray, serve, and minister to them. He enjoyed playing the game of canasta, helping with the Sunday service, and even filling in with sermons here and there. He was a faithful servant to the end. He was loved by his family and friends and will be dearly missed.

## THE REV. ROBERT FRANKLIN JUSTIS 1950 - 2022

Robert "Bob" Franklin Justis was born June 17, 1950, in Richmond, VA, to Joseph Franklin Justis and Alma Ruth Justis. He graduated from Ferrum Junior College in 1970 and transferred to Virginia Wesleyan College. His education was interrupted by the Vietnam War draft in 1972. He went into the Army Reserves where he trained to be a medic. After his service, he became a manager of a Binswanger Glass Store. As a hobby, he built model tanks and dioramas. He received national awards for his work. The diorama that he built with a group in Richmond was placed at a museum at Quantico.

In 1977 he returned to Welborne UMC where he met his wife, Carol Ann Schacht, singing in the choir together. They were married in 1979. A month after they were married, Bob felt the call into ministry. He went back to Virginia Wesleyan College and completed his Bachelor of Arts degree in May of 1981. He received his Master of Divinity degree from Emory University in Atlanta, GA in 1984. He served Alcovy UMC in Covington, GA for 2 years while in seminary.

Bob and Carol returned to Virginia where together they served churches in Richmond—Good Shepherd and Trinity; St. James in Harrisonburg; and many churches on the Peninsula District—Mathews Chapel in Mathews, VA; Urbanna in Middlesex, VA; Tabernacle in Poquoson, VA; and Bel-lamy in Gloucester, VA. Bob had a short assignment at Christ UMC in Newport News. Unfortunately, health issues forced his retirement in 2005. He and Carol attended Bethany UMC at Gloucester Point before they moved to Mechanicsville. There Bob was an associate member of Mechanicsville UMC, which was a church his uncle, John Rock, had attended. Bob continued his ministry at his assisted living facility. He was a pastor to the residents and staff there. He led Bible Study and prayer on special occasions.

Bob was a people person. He never knew a stranger and genuinely loved everyone. He was a great storyteller and often embellished stories for his sermons. His compassion for his congregation and the relationships that he and Carol built while at each church allowed them to do great work. They both were blessed by the members of their congregations over the years. Bob also had a wonderful sense of humor. He was adventurous so he was willing to try most anything. He was passionately devoted to the church and to all things he did. He had gardens at most parsonages. He also loved to collect things- model cars and tanks, movies, DVDs, CDs, books, and tools. He liked camping and took camping trips with friends. He also loved history, especially military history. Bob passed on many of his passions to his children.

Bob claimed his place in glory on August 11, 2022. He is preceded in death by his parents and two brothers. Family was the most important thing to him aside from the church. He is survived by his wife of 43 years, Carol; two children- Thomas of Hardyville, VA (Misty) and Rebekah who is a missionary for Youth with a Mission (YWAM) and has traveled the world; three grandchildren —Kimberly Price, Zach, and Elizabeth Justis; a sister, Jackie Bowen (Art) and several cousins, nieces, and nephews.

Bill was appointed as District Superintendent of the Staunton District; then to Cave Spring UMC and Trinity UMC, both of the Roanoke District. He served on several boards of the United Methodist Colleges, and Wesley Theological Seminary.

Bill dedicated his life to living beyond himself and for others. He was a positive force and living role model for the Christian faith he embraced. Logan, daughter and son-in-law Anne Marie and Steve Kimmell; son and daughter-in-law William Craig and Tatyana Logan; grandchildren Logan, Carter and Ben Kimmell and Natalie Logan; and several nieces and nephews.

After his final retirement, Bill attended South Roanoke UMC, where upon passing, he was laid to rest in the Good Shepherd Garden of the Columbarium.

## THE REV. STEVEN D. PARKER SR. 1944 - 2022

Born October 2, 1944, in Evington, VA. Sunday mornings, as a small boy, he would help his daddy carry wood from their home to their church, Salem UMC. He would then help to build the fires in the two pot belly stoves to heat the church before services began. His mama and daddy showed him early on the importance of being a part of the church and would read the Bible to the entire family every night. His 4th grade teacher told him on several occasions about how well he knew the Bible. She would ask Bible questions, and Steve's hand always went up first.

Steve was an alumnus of New London Academy '63 and served in the US Army from 1965 to 1967, stationed at Ton Son Nhut Air Base, Saigon, Vietnam. He worked at Burlington in Altavista, VA, and as an auto and heavy machinery mechanic in Lynchburg, VA.

After many prayers by his mama and wife, Steve was saved on the last night of a revival at his home church, Salem UMC. He then began taking on more duties within the church including: church treasurer, teacher of Men's Bible class, and choir member. He just never felt like he was doing enough until he finally answered God's call to study and preach the Word.

Steve was called into the ministry in 1975, at the age of 32, bringing his wife, son (4 yrs) and daughter (newborn) along. His wife of 54 years, supported and served with him faithfully. Being a pastor's wife was something she is very proud of.

He went back to school and finished his Associate's degree at CVCC in 1979, then to Ferrum College where he graduated with his Bachelor's degree in 1982, and finally he finished at Duke University, School of Divinity in 1985.

Throughout the course of 45 years of service, he served the congregations at Langhorne Chapel UMC, Bethany, Indian Hill, and Early's Chapel United Methodist churches in Rustburg and Concord, VA (1977- 1982). Amissville UMC, in Amissville, VA (1982 – 1990), Jeffersonton UMC, in Jeffersonton, VA (1982-1984). Trinity and Tabernacle UMC, in Amelia, VA (1990-2002). Bethany and Oakland UMC, in Bedford County, VA (2002 – 2010).

Steve loved reading the Bible. He had a daily reading schedule and he read it all the way through every year and encouraged his church members to do the same. One year he managed to read it through 7 times. He would recognize and give certificates to anyone that read the Bible through in the year because he felt it was important to know and study the Word of God.

Rev. Parker believed that you can't get to know your congregation just on Sunday mornings, you had to meet them where they are. This meant going to their home, work, helping on the farm, watching youth ball games, sitting on the porch at the local general store, or just lending a helping hand when needed. He felt strongly that being a pastor was to be an active part of the community both inside and outside of the church. You could always catch him singing a song (not always the right words) while walking down the sidewalk, going into the post office, store or just spending time out in the community. A former member of Amissville UMC said, "I measured every other minister by Rev. Parker's 'gold standard', and to this day none have put me at ease or created the relationship that he did. But why? The answer was so clear. He was all of this and more to me because he wasn't just my pastor—he was also not afraid to be my FRIEND!". Rev. Parker was nominated by the Virginia Annual Conference of the United Methodist Church for Rural Pastor of the Year in 1990.

He "retired" in 2010 yet continued to answer God's call to part-time ministry until March 2022. During those years he served five additional churches. A member from one of those congregations commented on how Rev. Parker helped her tremendously in her Christian walk.

Rev. Parker's favorite poem was "Sermons We See" by Edgar Guest.

*I'd rather see a sermon than hear one any day.  
I'd rather one should walk with me than merely tell the way.  
The eye's a better pupil and more willing than the ear.  
Fine counsel is confusing but examples always clear.  
And the best of all the preachers are the men who live their creeds,  
For to see good put in action is what everybody needs.*

Rev. Steve Parker died November 11, 2022 in Lynchburg, VA, surrounded by his family. In his own words, "I have served Christ through His Church. As a Pastor, I have visited the sick, buried the dead, performed marriage celebrations, counseled those in need, and also performed Word, Order and Sacraments." A former member said, "God blessed us with Rev. Steve Parker as our minister and life-long friend. He lived what he preached, and we are forever grateful to have him."

Rev. Parker is survived by his wife of 54 years, Sandra Parker, his son S. Dwight Parker, Jr and wife Stacy, his daughter Suzanne F. Parker, three grandchildren, Alexandra "Allie" Parker, Christian Parker, Caleb Parker and one sister Sylvia Kidd. He was preceded in death by his parents, his grandson Noah Lee Parker, 2 sisters, and 3 brothers.

## THE REV. JACK D. PRUITT 1931 - 2022

A beacon of light and a tower of strength, Reverend Jack Davis Pruitt left an indelible mark on the lives of those he encountered. Born to the late Elisha T. Pruitt and Mary Parks Pruitt in Morley's Wharf, Virginia, he was a man of unwavering faith and profound humility. In his 91 years on this Earth, Jack touched countless hearts and enriched the lives of his family, friends, and parishioners. His tireless devotion to God and his fellow man made him a cherished figure in the Eastern Shore community and beyond. On October 10, 2022, Reverend Jack D. Pruitt, a guiding light to many, was called home to the Lord.

Jack's life was one of sacrifice and service. From his early days supporting his family after his father's heart attack, to his honorable service in the United States Coast Guard, to his lifelong commitment as a Baptist and Methodist minister, Jack's actions spoke volumes about the depth of his character. He was a selfless man who never hesitated to lend a hand or offer a listening ear to those in need.

Throughout his ministry, Jack faithfully served numerous churches across Virginia. He demonstrated unwavering dedication in his roles at Union Sign Post and Horntown within the Greenbackville charge, as well as at Matthews Chapel, Philadelphia, and Ebenezer in the Brunswick charge. Additionally, he shared the word of God to Whitmell and Anderson Chapel in the Danville charge, and to Cape Charles and Capeville within the Cape Charles charge. His service further extended to Drummondtown Baptist Church, Colonial Baptist Church, and Belle Haven Methodist Church. Even in retirement, Jack's passion for ministry persisted, as he continued to spread love and faith to congregants in multiple churches far and wide.

His marriage to Dora Pruitt was a testament to the power of love and the importance of partnership. Jack Pruitt is survived by five children, and was a proud PopPop of 13 grandchildren and 32 great-grandchildren. Jack's love for his family was boundless, and his legacy will continue to thrive in their hearts and memories.

As a minister, Jack demonstrated an unwavering commitment to his faith, answering God's call with courage and conviction. His miraculous escape from drowning – freed from the heavy crab pot pinning him down beneath the water – was a pivotal moment in his spiritual journey. This experience only deepened his relationship with God and fueled his passion for spreading His message.

Jack's warmth and kindness knew no bounds. He never met a stranger, and he always made time for others, treating them with the utmost respect and empathy. His presence was like a beacon of hope in the darkest of times, offering solace to the abandoned, the ill, and those facing seemingly insurmountable challenges. Jack lived his life by the teachings of Christ, loving others without judgment and offering them the gift of his time, compassion, and understanding.

His success was measured not in material possessions, accolades, or titles, but in the souls he saved, the friendships he forged, and the love he shared. Jack's faith and devotion to his family and friends were unwavering, and his love for them was unconditional. He cherished every moment spent with his loved ones and regretted only the time he couldn't share with them.

Jack Pruitt leaves behind a legacy of love, faith, and service that will continue to inspire and uplift those who were fortunate enough to have known him. His memory will live on in the hearts and minds of his family, friends, and congregants, as well as the countless lives he touched through his ministry.

We love you, Pop, and we will carry your light with us always.

Rest in peace, Reverend Jack Davis Pruitt. May you be welcomed with open arms into the loving embrace of our Lord and Savior.

## XII. HISTORICAL STATEMENT

The Virginia Conference of The United Methodist Church is the direct descendant of the original annual conference of the United Brethren in Christ and of one of the six original conferences of the Methodist Episcopal Church. The present conference was formed in 1970, by the merger of the Virginia Conference, formerly Methodist, with the former Evangelical United Brethren Conference of the same name. It is the successor to 39 Annual Conferences of eight denominations. Since the oldest of these dates back to the organization of the Methodist Episcopal Church in 1784, the 1970 session was declared to be the 188th session of the Conference (two “annual” sessions having been held in 1791 and 1841).

These 39 antecedent conferences are as follows:

### THE METHODIST EPISCOPAL CHURCH

Virginia was the scene of the ministries of many of the pioneers of the Methodist and United Brethren churches, most notably among them Francis Asbury, one of the first two Methodist bishops; William Watters, Methodism’s first Native American minister; Philip William Otterbein, bishop and leader in the founding of the United Brethren in Christ; and Christian Newcomer, United Brethren pioneer in Virginia and later bishop.

Twenty bishops of the denominations now comprising the United Methodist Church were born within the bounds of the Virginia Conference. They are: William McKendree, Enoch George, John Early, Samuel Hiestand, Beverly Waugh, David S. Doggett, William Taylor, John C. Granbery, William W. Duncan, James W. Hott, Collins Denny, William B. ### THE NUMBERING OF CONFERENCE SESSIONS

The Virginia Conference was organized in May of 1785. That was its first session. It was one year old at its second session in 1786, and so on, so that its age would always be one less than the number of that year’s session. Then, two annual sessions were held in April and December of 1791 and in January and November of 1841, so that in 2023, the 241st annual session, the conference was 237 years old.

## Independent Auditor's Report

Council on Finance and Administration  
The Central Treasury of the Virginia Conference  
of the United Methodist Church  
Glen Allen, VA

### ***Opinion***

We have audited the financial statements of The Central Treasury of the Virginia Conference of the United Methodist Church (a division of the Virginia Conference of the United Methodist Church), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of The Central Treasury of the Virginia Conference of the United Methodist Church as of December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Central Treasury of the Virginia Conference of the United Methodist Church and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Central Treasury of the Virginia Conference of the United Methodist Church's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Central Treasury of the Virginia Conference of the United Methodist Church's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Central Treasury of the Virginia Conference of the United Methodist Church's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## The Central Treasury of the Virginia Conference of the United Methodist Church Notes to Financial Statements

---

### Notes to the Financial Statements

#### 1. Organization and Nature of Activities

The Central Treasury of the Virginia Conference of the United Methodist Church (Central Treasury) is a division within the Virginia Conference of the United Methodist Church (Conference). The Central Treasury receives and disburses, in accordance with the actions of the Conference, remittances from local church treasurers for all duly authorized general, jurisdictional, Conference, and district causes. It also implements administrative and fiscal policies and procedures as directed by the Council of Finance and Administration.

The purpose of the Council on Finance and Administration is to develop, maintain, and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures and management services for the Annual Conference.

The purpose of the Conference is to coordinate the relationship between the general program boards and commissions and the conference, districts, and Virginia United Methodist churches.

These financial statements include only the accounts of the Central Treasury and are not intended to present the financial position and results of the whole Conference.

#### 2. Summary of Significant Accounting Policies

##### *Classes of net assets*

The financial statements of the Central Treasury have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"), which require the Central Treasury to report information regarding its financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Central Treasury's management and the Council on Finance and Administration for use in the Central Treasury's operations. Approximately \$7.7 million and \$6.5 million of these net assets at December 31, 2022 and 2021, respectively are board-designated funds.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Central Treasury or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Revenues and support are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor-imposed stipulation or by law. Expirations of restrictions on net assets with donor restrictions (i.e., the donor stipulated purposes have been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

#### ***Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expense during the reporting period. Actual results could differ from those estimates.

#### ***Cash and cash equivalents***

Cash and cash equivalents includes items such as short-term, highly liquid investments with maturities of three months or less at the date of purchase.

#### ***Investments***

Purchased investments are initially recorded at cost. Investments received by gift are initially recorded at fair value at the date of the donation. The Central Treasury's investments are pooled into larger investment funds. The Central Treasury's pooled investments are valued at fair value based on net asset value of each fund as provided by the investment holder or other observable information.

#### ***Church receivables and bad debts***

Church receivables are reported at their estimated realizable value, net of an estimated allowance for doubtful accounts. The allowance is based on management's estimate of the amount of receivables that will actually be collected. It is the Central Treasury's policy to charge off uncollectable accounts receivable when management determines the receivable will not be collected. As of December 31, 2022 and 2021, management determined that no allowance was necessary.

#### ***Loans receivable***

Loans receivable are stated at their principal amount outstanding less the related allowance for loan losses and are collateralized by buildings and land. Interest rates on loans are subject to review and adjustment on a periodic basis.

#### ***Allowance of loan losses***

The allowance for doubtful loans is maintained at a level that, in management's judgment, is adequate to absorb probable loan losses. The amount is based upon an analysis of the loan portfolio by management including, but not limited to, review of the collectability of the loan portfolio, adverse situations that may affect the borrower's ability to repay, estimated value of any underlying collateral and prevailing economic conditions. The analysis is also based on a periodic review of payments and other factors based on the Central Treasury's historical experiences. To date, no loans have been in arrears or default and no loan has required modification to acclimate to a borrower's adverse circumstances or ability to repay. This process is based on estimates and ultimate losses may vary from current estimates. As changes in estimates occur, adjustments to the level of the allowance are recorded in the provision for loan losses in the period in which they become known. In addition, the net realizable value of the property serving as collateral for delinquent loans will be assessed on an annual basis.

### Notes to Financial Statements

---

A loan is considered impaired when, based upon current information and events, it is probable that the Central Treasury will be unable to collect all amounts due according to the contractual terms of the loan agreement. Loans are classified as delinquent when payments are 30 days overdue. Loans will continue to accrue interest when a loan is delinquent; however, all accrued interest may be included in the allowance for doubtful loans. Payments for delinquent or impaired loans are treated as a payment of interest due until all accrued interest has been paid. Interest income on delinquent loans is recognized according to the original amortization schedule (accrual method). The accrual of interest income is discontinued when, in management's judgment, the scheduled interest may not be collectible within the stated term of the loan. Interest income is recognized on a cash basis for loans classified as nonaccrual loans, with subsequent payments applied first to interest and fees, if any, and then to principal. Loans classified as nonaccrual loans are returned to accrual status when all the principal and interest amounts contractually due are brought current and future payments are reasonably assured. At December 31, 2022 and 2021, the Central Treasury has no loans it considered impaired. As a result, management has elected not to record an allowance for loan losses.

#### ***Property and equipment***

Property and equipment are stated at cost or the estimates fair value at the date of contribution. Depreciation is computed using the straight-line method over estimated useful lives as follows:

Buildings and improvements	15 - 40 years
Furniture, fixtures, and equipment	5 - 7 years
Computer equipment and software	3 - 5 years

Maintenance, repairs, and minor renewals are expensed when incurred. When property and equipment are sold or otherwise disposed of, the asset account and related accumulated depreciation account are relieved, and any gain or loss is included in the current year's operations.

The Central Treasury reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets held and used is measured by a comparison of the carrying amount of an asset to undiscounted expected cash flows. Future events could cause the Central Treasury to conclude that impairment indicators exist and that long-lived assets may be impaired. To date, no impairment losses have been recorded.

#### ***Recognition of contributions***

Contributions are recorded at their estimated fair value when the donor makes a promise to give that is, in substance, unconditional.

#### ***Revenue recognition***

Revenues from contracts with customers include registrations and administrative service fees. The nature of the Central Treasury's exchange contracts generally do not include variable consideration that require significant judgments to estimate the transaction price or related constraints due to risk of significant reversal.

#### **Registrations**

The Central Treasury organizes and hosts various events and trainings for United Methodist churches and members. Fees are charged to attendees at the time of registration. In some cases, the Central Treasury may receive payment prior to the recognition of revenue. These contract liabilities are reported as unearned revenue on the statements of financial position. Revenue is recognized at a point in time, upon completion of the event. Registrations revenue is included in other income on the accompanying statements of activities.

## The Central Treasury of the Virginia Conference of the United Methodist Church

### Notes to Financial Statements

#### Administrative services revenue

The Central Treasury provides accounting and bookkeeping services for various related and affiliated entities. The Central Treasury bills these entities in equal monthly installments based upon the annual agreed upon fee. As the Central Treasury has agreed to perform these activities throughout the year, revenue is recognized over time, ratably per month. As this recognition corresponds with billings, there are no amounts recorded as contract liabilities or assets related to administrative services revenue. Administrative services revenue is included in miscellaneous program income on the accompanying statements of activities.

#### Disaggregation of revenue from contracts with customers

The following table disaggregates the Central Treasury's revenue based on the timing of satisfaction of performance obligations for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Over time	\$ 147,500	\$ 142,752
Point-in-time	<u>316,353</u>	<u>293,924</u>
	<u>\$ 463,853</u>	<u>\$ 436,676</u>

#### Performance obligations

For registration revenue, the Central Treasury's obligation is completed at the time of the event.

For performance obligations related to administrative services revenue, completion of the Central Treasury's obligation occurs over time throughout the term of the agreements. The Central Treasury uses the output method measured by a month of service delivered compared to the total months agreed to under the contract to recognize revenue over time.

#### **Income taxes**

The Central Treasury is a division of the Conference, which is a not-for-profit organization and is exempt from federal and state income taxes under Internal Revenue Code, Section 501(c)(3) and the tax statutes of the Commonwealth of Virginia. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

#### **Advertising costs**

Advertising costs are expensed when incurred. There were no advertising costs for the year ended December 31, 2022 and 2021, respectively.

#### **Concentration**

Financial instruments which potentially subject the Central Treasury to concentrations of credit risk consist primarily of investments and cash. The Central Treasury places its investments and its cash and cash equivalents with creditworthy institutions and diversifies its holdings among entities, thereby limiting the amount of credit exposure to any one entity. As of December 31, 2022, the Central Treasury had \$3,398,287 of cash deposits in excess of federally insured limits being held by a federally insured financial depository institution.

The Central Treasury's investments, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. In addition, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of financial position.

### Notes to Financial Statements

#### Functional expenses

The Central Treasury allocates its expenses on a functional basic among its program and supporting services. Expenses that can be identified with a specific program or supporting service are allocated directly. Other expenses that are common to several functions are allocated between program and administrative expenses based on an estimate of time expended.

#### Subsequent events

In preparing these financial statements, the Central Treasury has evaluated events and transactions for potential recognition or disclosure through June 21, 2023, the date the financial statements were available to be issued.

#### Change in Accounting Principle

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. This ASU requires lessees to recognize a lease liability and a right-of-use (ROU) asset on a discounted basis, for substantially all leases, as well as additional disclosures regarding leasing arrangements. Disclosures are required to enable users of financial statements to assess the amount, timing and uncertainty of cash flows arising from leases. In July 2018, the FASB issued ASU 2018-11, *Leases (Topic 842): Targeted Improvements*, which provides an optional transition method of applying the new lease standard. Topic 842 can be applied using either a modified retrospective approach at the beginning of the earliest period presented or, as permitted by ASU 2018-11, at the beginning of the period in which it is adopted, i.e., the comparatives under ASC 840 option. The Organization evaluated its lessee relationships in accordance with Topic 842 and determined no material impact to its financial statements.

### 3. Availability and Liquidity

The following represents the Central Treasury's financial assets at December 31:

	<u>2022</u>	<u>2021</u>
Financial assets at year-end:		
Cash and cash equivalents	\$ 4,078,088	\$ 5,858,613
Church receivables	1,943,186	1,798,868
Other receivables	729,652	75,080
Investments	<u>2,844,660</u>	<u>4,158,103</u>
Financial assets at year-end	9,595,586	11,890,664
Less:		
Financial assets with donor restrictions	<u>(3,678,488)</u>	<u>(3,808,931)</u>
Financial assets available to meet general expenditures over the next twelve months	<u>\$ 5,917,098</u>	<u>\$ 8,081,733</u>

The Central Treasury's policy is to structure its financial assets to be available as its general expenditures and other obligations come due. Included in the available financial assets shown above are board-designated funds totaling approximately \$7.7 million and \$6.5 million of net assets at December 31, 2022 and 2021, respectively that would require approval by the Council on Finance and Administration to be made available.

#### 4. Investments

Investments are carried at fair value and consist of the following at December 31:

	<b>2022</b>		<b>2021</b>	
	<b>Amortized Cost</b>	<b>Fair Value</b>	<b>Amortized Cost</b>	<b>Fair Value</b>
Alternative investments	<b><u>\$ 1,989,566</u></b>	<b><u>\$ 2,844,660</u></b>	<b><u>\$ 2,962,218</u></b>	<b><u>\$ 4,158,103</u></b>

Investment income consisted of the following for the years ended December 31:

	<b>2022</b>	<b>2021</b>
Interest and dividend income	<b>\$ 115,398</b>	<b>\$ 199,932</b>
Realized and unrealized gains	<b>(526,414)</b>	<b>469,334</b>
Investment management fees	<b>(14,047)</b>	<b>(28,076)</b>
Investment income, net	<b><u>\$ (425,063)</u></b>	<b><u>\$ 641,190</u></b>

Alternative investments are valued using the practical expedient at the Central Treasury's pro-rata interest in the net assets of these entities. Investments held by these entities are valued at prices which approximate fair value. The fair value of certain investments in the underlying entities, which may include private placements and other securities for which values are not readily available, are determined in good faith by the investment advisors of the respective entities and may not reflect amounts that could be realized upon immediate sale, nor amounts that may be ultimately realized. Net asset valuations are provided daily, monthly, or quarterly by these entities. Appreciation (depreciation) of investments in these entities is net of all allocations to the investment advisors. The Central Treasury invests for the long-term, guided by its investment policy which reflects its macroeconomic views and expectations regarding the drivers of future economic growth.

#### 5. Funds Held by United Methodist Church

Funds held by United Methodist Church is comprised of funds collected to establish an education fund named the Francis Asbury Fund. The United Methodist Church, through its General Board of Higher Education, controls the investments and directs the use of the funds, which are used primarily for extending Francis Asbury Educational Loans to qualifying United Methodist students. At December 31, 2022 and 2021, the fund had loans outstanding of \$264,631 and \$351,802, respectively. Loan terms require payment of principal and interest (at 4%) within six years of graduation or withdrawal.

During 2022, the General Board of Higher Education made the decision to discontinue offering this program based on both the continued need to provide student loans and the increasing costs of maintaining compliance with government regulations. In the fourth quarter of 2022, all student loans were forgiven, and it was determined that the December 31, 2022 balance in the Francis Asbury Fund would be returned to the Annual Conference in 2023.

#### 7. Loans Receivable

The Church Development Team of the Conference makes loans to districts of the Conference for acquisitions and improvements. Loans receivable consist of a Charlottesville District loan of \$118,115 and \$127,728 as of December 31, 2022 and 2021, respectively. The loan due from the Charlottesville District is non-interest bearing and there is no set maturity date.

The Central Treasury provides an allowance for doubtful collections that is based upon a review of outstanding receivables, historical collection information, and existing economic conditions. Delinquent receivables are written off based on individual credit evaluation and specific circumstances of the borrower. No allowance for doubtful collections is deemed necessary by management as of December 31, 2022 and 2021.

#### 8. Payroll Protection Program Loan

In response to the COVID-19 pandemic, the Coronavirus Aid, Relief and Economic Security (CARES) Act was signed into law on March 27, 2020. The CARES Act provides for the establishment of the Payroll Protection Program (PPP), a new loan program under the Small Business Administration's 7(a) program providing loans to qualifying businesses. Additionally, loans originated under this program may be forgiven, in whole or in part, if certain criteria are met.

In May 2020, the Central Treasury received PPP loans totaling \$682,160 which were accounted for in accordance with ASC Topic 470, *Debt*. In order to be forgiven, funds from these loans may only be used to satisfy payroll costs, costs used to continue health care benefits, mortgage payments, rent, utilities, and interest on certain other debt obligations. The Central Treasury believes it has used the proceeds of the loan for qualifying expenses under the PPP, prepared a forgiveness calculation, and submitted an application of forgiveness to its lender. In September 2021, the Central Treasury received a notice of Paycheck Protection Program forgiveness payment from the Small Business Administration approving forgiveness of the entire loan balance, which has been recognized as a gain on extinguishment of debt in the accompanying financial statements.

## **9. Commitments**

The Church Development Team of the Conference committed grants to churches for approximately \$735,000 and \$807,000 at December 31, 2022 and 2021, respectively, in connection with the Church Development Team Church Extension and Development Fund, which will be funded with Central Treasury assets. During 2022, the Central Treasury committed support of \$966,456 to the Conference that was paid subsequent to year-end.

## **10. Retirement Plans**

Ministerial and lay employees of the Conference are eligible to participate in pension plans offered by the United Methodist Church through Wespath, Inc. Conference clergy members and local pastors under Episcopal appointment are eligible for pension coverage under the Clergy Retirement Security Program (CRSP).

In addition to the CRSP, certain ministerial employees are provided disability and death benefits as well as certain minimum benefits related to pension coverage through participation in the Comprehensive Protection Plan (CPP).

CRSP and CPP are defined contribution plans which currently encourage a one percent employee contribution and call for a 16.4 percent employer contribution (12 percent for CRSP and 4.4 percent for CPP). The contribution is limited to approximately \$66,300 of employee wages. CRSP and CPP pension expense for the Central Treasury amounted to approximately \$294,458 and \$327,796 for the years ended December 31, 2022 and 2021, respectively.

Conference lay employees are eligible for pension coverage under the United Methodist Personal Investment Plan (UMPIP). UMPIP is a defined contribution plan which calls for a nine percent employer contribution but does not currently call for an employee contribution. UMPIP pension expense for the Central Treasury amounted to approximately \$102,112 and \$99,804 for the years ended December 31, 2022 and 2021, respectively.

#### 13. Richmond Area Episcopal Fund

Historically, the Richmond Area Episcopal Fund (Episcopal Fund), which operates the Bishop's office for the United Methodist Church for the Richmond area, had operated separate from the Central Treasury. Effective January 1, 2020, those charged with governance of the Episcopal Fund contributed the net assets of the Episcopal Fund to the Central Treasury to operate as a fund within the Central Treasury.

The financial activity of the Episcopal Fund is recorded in the Central Treasury's financial statements; however, as requested by the General Council on Finance and Administration (GCFA), the table below represents the transactions of the Episcopal Fund during the year ended December 31, 2022:

#### 14. Church Disaffiliations

Through Paragraph 2553 in the Book of Discipline, the United Methodist Church has allowed churches to disaffiliate from the denomination because of theological differences. Through the date of this report, 107 churches in the Virginia Annual Conference have elected to leave the United Methodist Church, which represents 9.7% of the Conference's churches. The Annual Conference has approved their departure. Collectively, these churches represent 5.7% of 2022 apportionment revenue. As of December 31, 2022, the departure of these churches does not negatively impact the mission of the Annual Conference. The Central Treasury anticipates receiving approximately \$4,850,000 for future clergy benefits and \$595,000 in legal cost reimbursements from churches that have disaffiliated. Included in other accounts receivable at December 31, 2022 is \$673,118 related to disaffiliated churches. The period for additional churches to seek disaffiliation through Paragraph 2553 expires on December 31, 2023.

**XVII. STATISTICAL TABLES**

For the year JANUARY 1, 2022, through DECEMBER 31, 2022  
DAVID DOMMISSE, Conference Statistician

Each of these tables, based on the pastors' reports, has been carefully proofread. In those dealing with finances, there are a number of instances in which amounts reported by several churches within a charge do not add up to the total which is given. In most of these cases, the total was changed on the original statistical sheets to correspond to the amount actually received by the conference treasurer. Differences in financial totals listed and those of the conference treasurer are due to payments made in fractions of dollars, whereas statisticians calculate to the nearest dollar. For questions concerning the statistical tables, contact the conference statistician, David Dommise, P.O. Box 5606, Glen Allen, VA 23058; by phone at (804) 521-1109 or via email at [DavidDommise@vaumc.org](mailto:DavidDommise@vaumc.org).
