

**C.E.U.'s for Skills Learned 2021
Virginia Conference UMC**

Bishop Sharma Lewis, the Board of Ordained Ministry, and the Cabinet realize this has been a trying year for pastors. From learning how to adapt to offering online worship to providing opportunities to connect virtually, we realize that you may have not had the bandwidth to attend a continuing education event this year. While we uphold that attending continuing education events is vital to becoming lifelong learners and practicing holistic self-care, we are offering this type of C.E.U. as a means of grace for all who have spent countless hours making worship happen in the midst of a pandemic. The maximum C.E.U.'s awarded for skills learned is 1 unit.

Type of Technology Learned	(List what is applicable to each program) List the type of service, log in email, account number, license number, or website	List how this technology was used in your ministry setting	C.E. Units Offered	C.E. Unit Completed
