

Together in Mission, Together in Grace

Partnerships of Hope nurtures relationships around the world to build community and inspire hope. By walking alongside others to help improve lives, we engage in mission with our partner brothers and sisters, becoming both givers and receivers of God's grace.

Partnerships of Hope is a worldwide mission ministry of the Virginia Annual Conference of the United Methodist Church. We partner with local churches and support them in becoming the engine of mission in their communities.

Together, we seek to make disciples of Jesus Christ for the transformation of the world.

A Dollar a Day for God's hurting world

The needs are endless, from maternity care in Mozambique to creation care in Brazil, water wells in Cambodia, and beyond.

God's world is hurting. For a dollar a day in September—just \$30—you can help us build community and instill hope, one project at a time.
