

# Grateful Fest

December 3, 2022 11AM-6 PM

"FOR WHERE YOUR TREASURE IS,  
THERE YOUR HEART WILL BE ALSO."  
MATTHEW 6:28

The Highland Support Project will be hosting a free music event featuring local artists behind their store- AlterNatives Boutique. While you are there, also take some time to browse and holiday shop sustainably while also supporting indigenous women! This event will focus on the ways the Advance Specials of the Three Notch'd District are actively participating in the Richmond community. The Highland Support Project will be donating profits from this event to fund local high schoolers going on service trips with them. Also bring some canned goods and clothes to donate to Belmont Community Resource Services community pantry and closet and be ready to learn about the great work Shalom Farms is doing to promote food security in central Virginia! Enjoy an afternoon of music and fellowship to start the holiday season actively in the spirit of gratitude!
