

Job Title: Technology Lead Volunteer

Position: Technology Lead

Supervisor: Pastor

Pay Range: \$20-\$25/hour

The Technology Lead oversees everything that relates to Audio, Video, Lighting & Broadcast at Fishersville UMC. The Tech Lead is a six month part-time 1099 temporary position (4 to 10 hours per week est) that serves to create dynamic and engaging worship experiences across all services and events through production and media technology. The individual will lead and continue to build the Tech Team, developing and maintaining a healthy culture among team members, while training and empowering the team both professionally and spiritually. We pursue God's presence and the Tech ministry serves the purpose of creating the environment where this can happen without distraction.

Duties and Responsibilities

1. Oversee the technical and operational quality of all of the sound needs of worship services and other events in the Sanctuary (mainly Sunday services).
2. Ability to provide hands on technical support to troubleshoot sound technical difficulties.
3. Responsible for all maintenance, upgrades and installs for the technical equipment used to record, amplify, enhance, mix or reproduce sound for worship and other events of FUMC.
4. Supervise the scheduling, setup and staffing of all technical and video requests for worship (live-stream & in-person) and special events (weddings, funerals, conferences, departmental needs for ministries, etc.)
5. Maintain the good team work and positive atmosphere with tech team volunteers to accomplish FUMC mission to make disciples of Jesus Christ for the transformation of the world.
6. Participate in the creative planning, production and utilization of digital media and video in all worship services and special events.
7. Attend all required meetings (Worship Committee, Staff Meeting, etc.)

Qualifications and skills

1. Audio/visual/lighting/computer experience & knowledge
2. Media production experience & knowledge
3. General technical ability, dexterity and agility
4. Ministry Minded
5. Self-starter & self motivated
6. Desire to learn new skills
7. Team Player
8. Ability to blend technical skills with creative thinking
9. Be willing to work a flexible schedule that will include evenings, weekends, and holidays when church needs to broadcast special services.
